Adult Coloring Books Vintage

National Book Award Finalist: "This man's ideas may be the most influential, not to say controversial, of the second half of the twentieth century."—Columbus Dispatch At the heart of this classic, seminal book is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. "Don't be put off by the academic title of Julian Jaynes's *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often

lyrical...he unfolds his case with the utmost intellectual rigor."—The New York Times "When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis."—John Updike, *The New Yorker* "He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior."—*American Journal of Psychiatry*

Not So Quiet... WaterBrook

Caitlin Peterson's *Badass Grandma* shows that while the Stones generation may have grandkids, they haven't lost their edge. Not safe for typical Nanas! If you have go-go boots and a leather jacket stashed in a closet rather than tissues and hard candies in a cardigan pocket, this coloring book is for you. Blast a little classic rock as you salute living the grand years your way. Whether you live for cocktails and casinos, skydiving and jet-setting, yoga and mandala tattoos...this is your space. Free yourself from staying within the lines of the traditional grandma as you color wherever your on-the-go lifestyle takes you and, of course, alongside your awesome grandkids—but not before noon. - Enjoy more than 30 fun illustrations and sassy sayings to color - Give yourself the self-care you deserve as a modern grandma - Share your badass art and inspiration with your glam-ma squad
