BRYAN JACOBS

Walking D-Day Henry Holt and Company

The poignant story of twenty-one boys who died on the beaches of Normandy and the small town they called home

D-Day Invasion Macmillan

This title examines the invasion of Normandy during World War II, focusing on the planning, the equipment, and the brave soldiers who ensured an Allied victory. Compelling narrative text and well-chosen historical photographs and primary sources make this book perfect for report writing. Features include a glossary, a selected bibliography, websites, source notes, and an index, plus a timeline and essential facts. Aligned to Common Core Standards and correlated to state standards. Essential Library is an imprint of Abdo Publishing, a division of ABDO.

D-Days in the Pacific HarperCollins

Balkoski's depiction of 'Bloody Omaha' is the literary accompaniment to the white-knuckle Omaha Beach scene that opens Steven Spielberg's *Saving Private Ryan*. -- John Hillen, *New York Post*

7 Leadership Lessons of D-Day National Geographic Books

Follow the D-Day landings through a unique collection of historical maps, expert commentary and dramatic photographs. This is a unique insight into the D-Day landings 75 years on. The Allied landings in Normandy on 6 June 1944 were the greatest amphibious assault in history, requiring almost two years of meticulous planning and the largest co-ordinated mapping effort the world has ever seen. More than 200 illustrations demonstrate how the D-Day landings unfolded, along with detailed descriptions of what happened on that momentous day. This collection of incredible maps uncover the events that led up to D-Day, the planning for the assault and the progress of the liberating forces afterwards. Dramatic photographs help to illustrate the key historical events that took place during Operation Overlord.

Normandy '44 LSU Press

In 1983 the Eisenhower Center at the University of New Orleans began a project to record the recollections of as many people as possible -- civilians as well as soldiers -- who were involved in one of the most pivotal events of the century. Skillfully edited by Ronald J. Drez and first published on the fifty-year anniversary of D-Day, the award-winning *Voices of D-Day* tells the story of that momentous operation almost entirely through the words of the people who were there.

From Seed to Plant Simon and Schuster

Although most people associate the term D-Day with the Normandy invasion on June 6, 1944, it is military code for the beginning of any offensive operation. In the Pacific theater during World War II there were more than one hundred D-Days. The largest—and last—was the invasion of Okinawa on April 1, 1945, which brought together the biggest invasion fleet ever assembled, far larger than that engaged in the Normandy invasion. *D-Days in the Pacific* tells the epic story of the campaign waged by American forces to win back the Pacific islands from Japan. Based on eyewitness accounts by the combatants, it covers the entire Pacific struggle from the attack on Pearl Harbor to the dropping of atomic bombs on Hiroshima and Nagasaki. The Pacific war was largely a seaborne offensive fought over immense distances. Many of the amphibious assaults on Japanese-held islands were among the most savagely fought battles in American history: Guadalcanal, Tarawa, Saipan, New Guinea, Peleliu, Leyte Gulf, Iwo Jima, Okinawa. Generously illustrated with photographs and maps, *D-Days in the Pacific* is the finest one-volume account of this titanic struggle.

D-Day Invasion of Normandy iMinds Pty Ltd

The story behind D-Day begins in 1939 when Nazi Germany, led by Adolf Hitler, attacked Poland and ignited World War Two. The following year, the Germans occupied France and Western Europe and

launched a vicious air war against Britain. In 1941, they invaded the Soviet Union. Seemingly unstoppable, the Nazis now held virtually all of Europe. They imposed a ruthless system of control and unleashed the horror of the Holocaust. However, by 1943, the tide had begun to turn in favor of the Allies, the forces opposed to Germany. In the east, despite huge losses, the Soviets began to force the Germans back.

Ten Days To D-Day Simon and Schuster

NATIONAL BESTSELLER • Alex Kershaw, New York Times bestselling author of *Against All Odds*, returns with an utterly immersive, adrenaline-driven account of D-Day combat. “Meet the assaulters: pathfinders plunging from the black, coxswains plowing the whitecaps, bareknuckle Rangers scaling sheer rock . . . Fast-paced and up close, this is history’s greatest story reinvigorated as only Alex Kershaw can.”—Adam Makos, New York Times bestselling author of *Spearhead* and *A Higher Call* Beginning in the predawn darkness of June 6, 1944, *The First Wave* follows the remarkable men who carried out D-Day’s most perilous missions. The charismatic, unforgettable cast includes the first American paratrooper to touch down on Normandy soil; the glider pilot who braved antiaircraft fire to crash-land mere yards from the vital Pegasus Bridge; the brothers who led their troops onto Juno Beach under withering fire; as well as a French commando, returning to his native land, who fought to destroy German strongholds on Sword Beach and beyond. Readers will experience the sheer grit of the Rangers who scaled Pointe du Hoc and the astonishing courage of the airborne soldiers who captured the Merville Gun Battery in the face of devastating enemy counterattacks. The first to fight when the stakes were highest and the odds longest, these men would determine the fate of the invasion of Hitler’s fortress Europe—and the very history of the twentieth century. The result is an epic of close combat and extraordinary heroism. It is the capstone Alex Kershaw’s remarkable career, built on his close friendships with D-Day survivors and his intimate understanding of the Normandy battlefield. For the seventy-fifth anniversary, here is a fresh take on World War II’s longest day. Praise for *The First Wave*: “Masterful... readers will feel the sting of the cold surf, smell the acrid cordite that hung in the air, and duck the zing of machine-gun bullets whizzing overhead. *The First Wave* is an absolute triumph.”—James M. Scott, bestselling author of *Target Tokyo* “These pages ooze with the unforgettable human drama of history’s most consequential invasion.”—John C. McManus, author of *The Dead* and *Those About to Die*

Six Days: The Incredible Story of D-Day's Lost Chapter Scholastic Inc.

'A superb account of the invasion that deserves immense praise. To convey the human drama of Normandy requires great knowledge and sensitivity. Holland has both in spades' *The Times* Renowned World War Two historian James Holland presents an entirely new perspective on one of the most important moments in recent history, unflinchingly examining the brutality and violence that characterised the campaign. _____ D-Day and the 76 days of bitter fighting in Normandy that followed have come to be seen as a defining episode in the Second World War. Its story has been endlessly retold, and yet it remains a narrative burdened by both myth and assumed knowledge. In this reexamined history, James Holland presents a broader overview, one that challenges much of what we think we know about D-Day and the Normandy campaign. The sheer size and scale of the Allies' war machine ultimately dominates the strategic, operational and tactical limitations of the German forces. This was a brutal campaign. In terms of daily casualties, the numbers were worse than for any one battle during the First World War. 'A devastating new account..Holland knows his stuff when it comes to military matters. The reader is in safe hands navigating each aspect of this complex campaign' *Daily Mail*, *Book of the Week* _____ Drawing on unseen archives and testimonies from around the world introducing a cast of eye-witnesses that includes foot soldiers, tank men, fighter pilots and bomber crews, sailors, civilians, resistance fighters and those directing the action An epic telling that will profoundly recalibrate our understanding of its true place in the tide of human history

Allies Quarto Publishing Group USA

DESCRIPTION: On June 6, 2004, people the world over - especially Americans - will pause to remember the 60th anniversary of the Normandy invasion that forever changed history. D-Day: 24 Hours that Saved the World honors the 130,000 heroic American and Allied troops who risked their lives to liberate Europe and end the Nazi occupation. Here are fascinating portraits of the men who designed the invasion - and the men who fought it: Eisenhower and Churchill, Montgomery and Rommel. Here are the landing crafts, the medics, the radio operators, the nurses. Here are the memorable photographs, historic reunions, majestic cemeteries, the unforgettable memories of June 6, 1944. Here is D-Day: 24 Hours that Saved the World.

D-Day Lerner Publishing Group

"Eyewitness D-Day" tells the epic tale of the invasion of Normandy by documenting the experiences of men and women who were there, presenting their stories against the backdrop of World War II-era Europe.

Dawn of D-Day Scholastic UK

Chronicles the events, politics, and personalities of this pivotal day in World War II, shedding light on the strategies of commanders on both sides and the ramifications of the battle

WN 62 Hachette UK

An authentic account of one of the most pivotal battles of World War Two. The World War Two invasion known as D-Day was one of the largest military endeavours in history. It involved years of planning, total secrecy and not only soldiers but also sailors, paratroopers and many specialists. Acclaimed author Deborah Hopkinson weaves together the contributions of key players in D-Day in a masterful tapestry of official documents, personal narratives and archival photos to provide an action-packed and authentic account.

D-Day To Berlin Penguin

It was a battle that would change the course of World War II... New York Times bestselling author Lauren Tarshis commemorates the Normandy landings in this pulse-pounding story of the largest seaborne invasion in history. Eleven-year-old Paul's French village has been under Nazi control for years. His Jewish best friend has disappeared. Food is scarce. And there doesn't seem to be anything Paul can do to make things better. Then Paul finds an American paratrooper in a tree near his home. The soldier says the Allies have a plan to crush the Nazis once and for all. But the soldier needs Paul's help. This is Paul's chance to make a difference. Soon he finds himself in the midst of the largest invasion in history. Can he do his part to turn horror into hope? New York Times bestselling author Lauren Tarshis tells the story of the battle that became the foundation for the Allied victory in World War II. Includes a section of nonfiction backmatter with more facts about the real-life event. *Normandy* ABDO

D-Day Through French Eyes Crown

An instant New York Times bestseller! Alan Gratz, bestselling author of *Refugee*, weaves a stunning array of voices and stories into an epic tale of teamwork in the face of tyranny -- and how just one day can change the world. June 6, 1944: The Nazis are terrorizing Europe, on their evil quest to conquer the world. The only way to stop them? The biggest, most top-secret operation ever, with the Allied nations coming together to storm German-occupied France. Welcome to D-Day. Dee, a young U.S. soldier, is on a boat racing toward the French coast. And Dee -- along with his brothers-in-arms -- is terrified. He feels the weight of World War II on his shoulders. But Dee is not alone. Behind enemy lines in France, a girl named Samira works as a spy, trying to sabotage the German army. Meanwhile, paratrooper James leaps from his plane to join a daring midnight raid. And in the thick of battle, Henry, a medic, searches for lives to save. In a breathtaking race against time, they all must fight to complete their high-stakes missions. But with betrayals and deadly risks at every turn, can the Allies do what it takes to win?

What Was D-Day? Greenhill Books

THE NUMBER ONE BESTSELLER 'Magnificent, vivid, moving, superb' Max Hastings, Sunday Times

_____ This is the closest you will ever get to war - the taste, the smell, the noise and the fear. The Normandy Landings that took place on D-Day involved by far the largest invasion fleet ever known. The scale of the undertaking was awesome and what followed was some of the most cunning and ferocious fighting of the war. As casualties mounted, so too did the tensions between the principal commanders on both sides. Meanwhile, French civilians caught in the middle of these battlefields or under Allied bombing endured terrible suffering. Even the joys of Liberation had their darker side. Antony Beevor's inimitably gripping narrative conveys the true experience of war. He lands the reader on the beach alongside the heroes whose stories he so masterfully renders in their full terrifying glory. _____ 'A thrilling story, with all Beevor's narrative mastery' Chris Patten, Financial Times 'Beevor's D-Day has all the qualities that have made his earlier works so successful: an eye for telling and unusual detail, an ability to make complex events understandable, and a wonderful graphic style' Ian Kershaw, Guardian, Books of the Year 'D-Day's phenomenal success is both understandable and justified' James Holland 'D-Day is a triumph . . . on almost every page there's some little detail that sticks in the mind or tweaks the heart. This is a terrific, inspiring, heart-breaking book' Sam Leith, Daily Mail

D-Day Zenith Press

This is a masterful work. I am so grateful for Howarth's dedication to capturing the experiences of those who were there that fateful, historic, world-changing day.' - Good Reads □ That morning, the fleet had sailed. He could not possibly count the ships or even guess the numbers Wallace stood on the head of the cliff, entranced and exalted by a pageant of splendour which nobody had ever seen before, and nobody, it is certain, will ever see again. □ In *Dawn of D-Day*, David Howarth weaves together the testimony of hundreds of eyewitnesses and has produced a breath-taking and atmospheric account of the greatest amphibious landing ever attempted. Based on interviews with survivors and accounts by participants, including American paratroopers, British engineers, French civilians and German soldiers, this enthralling story brings all the drama of 6th June 1944 to life. David Howarth looks not only at the famous incidents but at the full range of D-Day experiences, relating the running battles between parachutists and Germans in the Norman countryside, the torment of being under fire for the first time, the agony on the invasion beaches, the shock of the German defenders and all the confusion, elation and horror of battle. *Dawn of D-Day* is superb history from the mouths and pens of the men who fought on that first day of the battle for Normandy.

The First Wave Turtleback

The acclaimed historian and author of "Tour of Duty" chronicles the heroism of the brave men of D-Day whose selfless courage was celebrated by President Ronald Reagan 40 years later.
