What If? HarperCollins
This third fascicle of *Babylonian Planetary Omens* contains the edition of all cuneiform texts dealing with the planet Venus known to us. Most of these tablets are kept in the British Museum; the large number of unpublished texts were transliterated and the previously published texts were

checked and collated from the originals. The texts are accompanied by translations, and each group of texts is commented upon by David Pingree from the point of view of the text history and astronomical significance. A general introduction, also by David Pingree, analyzes the descriptions of Venus that occur in the texts in terms of astronomical phenomena. Indices are included to facilitate the study of this large corpus.

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an

original series starring Michael Sheen and David Tennant. ?Season 2 of Good Omens coming soon! “Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It’s a wow. It would make one hell of a movie. Or a heavenly one. Take your pick.” —Washington Post
According to The Nice and Accurate Prophecies of

Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The

Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .

From the creator of the wildly popular webcomic xkcd, hilarious and informative answers to important questions you probably never thought to ask Millions of people visit xkcd.com each week to read Randall Munroe's

iconic webcomic. His stick-figure drawings about science, technology, language, and love have an enormous, dedicated following, as do his deeply researched answers to his fans' strangest questions. The queries he receives range from merely odd to downright diabolical: - What if I took a swim in a spent-nuclear-fuel pool? - Could you build a jetpack using downward-firing machine guns? - What if a Richter 15 earthquake hit New York City? - Are fire tornadoes possible? His

responses are masterpieces of clarity and wit, gleefully and accurately explaining everything from the relativistic effects of a baseball pitched at near the speed of light to the many horrible ways you could die while building a periodic table out of all the actual elements. The book features new and never-before-answered questions, along with the most popular answers from the xkcd website. What If? is an informative feast for xkcd fans and anyone who loves to

ponder the hypothetical. Bamboo Kingdom #1: Creatures of the Flood BRILL NEW YORK TIMES BESTSELLER • OVER ONE MILLION COPIES SOLD! A gripping novel about the whirlwind rise of an iconic 1970s rock group and their beautiful lead singer, revealing the mystery behind their infamous breakup—in development as an original streaming series executive produced by Reese Witherspoon. Everyone knows DAISY JONES & THE SIX, but nobody knows the reason

behind their split at the absolute height of their popularity . . . until now. Daisy is a girl coming of age in L.A. in the late sixties, sneaking into clubs on the Sunset Strip, sleeping with rock stars, and dreaming of singing at the Whisky a Go Go. The sex and drugs are thrilling, but it's the rock 'n' roll she loves most. By the time she's twenty, her voice is getting noticed, and she has the kind of heedless beauty that makes people do crazy things. Also getting noticed is The Six, a band

led by the brooding Billy Dunne. On the eve of their first tour, his girlfriend Camila finds out she's pregnant, and with the pressure of impending fatherhood and fame, Billy goes a little wild on the road. Daisy and Billy cross paths when a producer realizes that the key to supercharged success is to put the two together. What happens next will become the stuff of legend. The making of that legend is chronicled in this riveting and unforgettable novel, written as an oral history

of one of the biggest bands of the seventies. Novelist Taylor Jenkins Reid is a talented writer who takes her work to a new level with *Daisy Jones & The Six*, brilliantly capturing a place and time in an utterly distinctive voice.

in *Warriors: Omen of the Stars!* The first book in this fourth series, *Warriors: Omen of the Stars #1: The Fourth Apprentice*, brings more adventure, intrigue, and thrilling battles to the epic

world of the warrior Clans. It has been foretold that Jayfeather, Lionblaze, and one other cat will hold the power of the stars in their paws. Now they must wait for a sign from StarClan to tell them which of their Clanmates will complete the prophecy.

Warriors Harper Collins Before there is peace, blood will spill blood... New territory brings new troubles for the fierce cats of the warrior Clans, who are still uncovering the secrets of their new home around the lake. Dangers they have never faced

before are lurking in the twilight shadows, and former allies are acting strangely hostile. As divisions between the Clans grow deeper, Firestar's daughters face troubling decisions. One is torn between loyalty to her calling and a forbidden love, while the other struggles with her best friend's betrayal and the surprising perils of the forest. The choices they make now could affect ThunderClan for generations to come . . . and with an unexpected enemy preparing to

attack, their courage and strength will be needed more than ever if the Clan is to survive.

One kingdom. Three worlds. An all-new series packed with high-stakes adventures from bestselling Warriors author Erin Hunter, perfect for fans of Wings of Fire and Endling. The pandas of the Bamboo Kingdom have never forgotten the great flood that ended the peaceful life they'd always known.

But for three young creatures born that day, the flood marks not an end, but a beginning—the beginning of their struggles to find a place in very different worlds. Leaf, raised in the sparse Northern Forest, works tirelessly to help her family find bamboo to eat; Rain, hot-tempered, refuses to accept a suspicious new leader in her Southern Forest community; and Ghost, clumsy and uncoordinated, worries he'll never fit in with his hunter family in the

mountains. None of them know that the others are out there, but thanks to a mysterious tiger that's been threatening the Kingdom, they will soon find each other—and fulfill a prophecy that had been made long before they were born. This first book of a thrilling new animal adventure series from Erin Hunter is sure to enthrall readers of her other bestselling series. Fans will love having a new universe to immerse themselves in!
