ROGERS WERNER

Knowledge and Power Villard
 Feminization, service and discipline for the aspiring sissy maid. When you enroll in Mistress Lorelei's Charm School, you will be controlled completely. In a unique daily-submission format, Mistress Lorelei (author of Greenery Press's *The Mistress Manual*) provides commands, exercises and hints for successful service to even the most demanding of Mistresses. Any submissive male willing to follow this program can be transformed into a dedicated panty slave and a winsome, fetching sissy maid. You'll be amazed at the change in yourself!
The New Topping Book Vintage
 Submissive women have needs just like anybody else. But how can a woman get her needs met when she's relinquished her power to her dominant partner? With warmth, wisdom and a down-to-earth approach, experienced submissive Kacie Cunningham analyzes the realities of the dominant-submissive lifestyle and suggests ways in which both partners can experience the greatest possible growth and pleasure. At the

heart of the book is an emotion Kacie has dubbed "Conquer Me" - which she defines as "the submissive's internal demand for a show of strength." Without a clear understanding of "conquer me," both submissive and dominant may find themselves at odds -- either fighting unhappily, or watching the passion ebb from their relationship. This book explains this unique need and how to get it met -- essential knowledge for any submissive or couple who wants to get the most out of their D/s lifestyle.
Screw the Roses, Send Me the Thorns Routledge
Developing the Leader Within You is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group—a family, a church, a nonprofit, a business—and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." *The Traits of*

Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." *The Difference Between Management and Leadership*. "Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. *Developing the Leader Within You* will equip you to improve your leadership and inspire others.

The Loving Dominant Crossway

The landmark story of how interracial love and marriage changed American history—and continues to alter the landscape of American politics When Mildred and Richard Loving wed in 1958, they were ripped from their shared bed and taken to court. Their crime: miscegenation, punished by exile from their home state of Virginia. The resulting landmark decision of *Loving v. Virginia* ended bans on interracial marriage and remains a signature case—the first to use the words "white supremacy" to describe such racism. Drawing from the earliest chapters in US history, legal scholar Sheryll Cashin reveals the enduring legacy of America's original sin, tracing how we transformed from a country without an entrenched construction of race to a nation where one drop of nonwhite blood merited exclusion from full citizenship. In vivid detail, she illustrates how the idea of whiteness was created by the planter class of yesterday and is reinforced by today's power-hungry dog-whistlers to divide struggling whites and people of color, ensuring plutocracy and undermining the common good. Not just a hopeful treatise on the future of race relations in America, *Loving* challenges the notion that trickle-down progressive politics is our only hope for a more inclusive society. Accessible and sharp, Cashin reanimates the possibility of a future where interracial understanding serves as a catalyst of a social revolution ending not in artificial color blindness but in a culture where acceptance and difference are celebrated.

Playing Well With Others Createspace Independent Publishing Platform

Community Performance: A Reader is the first book to provide comprehensive teaching materials for this significant part of the theatre studies curriculum. It brings together core writings and critical approaches to community performance work, presenting practices in the UK, USA, Australia and beyond. Offering a comprehensive anthology of key writings in the vibrant field of community performance, spanning dance, theatre and visual practices, this Reader uniquely combines classic writings from major theorists and practitioners such as Augusto Boal, Paolo Freire, Dwight Conquergood and Jan Cohen Cruz, with newly commissioned essays that bring the anthology right up to date with current practice. This book can be used as a stand-alone text, or together with its companion volume, *Community Performance: An Introduction*, to offer an accessible and classroom-friendly introduction to the field of community performance.

Subversive Jesus Greenery Press (CA)

The Control Book is about the fine art of taking control of your partner. It's about the processes involved, about taking control, using control, about ensuring that you have control, and—importantly—about giving control back once you are done with it. The book discusses how this works—the psychology of it—and looks at what can go right, and at what can go wrong and how to fix it. It considers the role of authority in the equation, and looks at how to manage the control you have over someone so that it is both effective and rewarding for you both. I believe that a very large part of the activities which we include under the umbrella of

BDSM rely explicitly or implicitly on control being asserted over one person by another. My goal in this book is to talk about control, explain what it is, demonstrate it, show how to take it, how to give it, how to manage it, and more. I want you, the reader, to be aware of the ebb and flow of control around you and through you.

Prominent Families of New York Baker Books

Three decades ago, this book and its companion volume "The New Topping Book" began teaching tens of thousands of people the joyous arts of BDSM topping and bottoming - not just "how-to," but "why-to"... the insider details of emotional support and ethical interaction during kinky play. Since then, the growing popularity of BDSM, and the blossoming of the Internet as a source of information and connection, have created a whole new universe of possibilities for players. Now, the completely updated revised *New Bottoming Book* and *New Topping Book* give even more insights and ideas, updated for a new millennium, about how to be a successful, popular player! What the experts are saying "The only way I can think of to learn more about bottoming than Dossie Easton and Janet Hardy teach you in [The New Bottoming Book] is to go out and bottom for yourself." - William A. Henkin, Ph.D., co-author, *Consensual Sadomasochism*

Air Force Combat Units of World War II Harper Collins

Have you felt 'left out' of the traditional relationship self-help books because you derive great pleasure from following your partner's requests and direction on many things in your life? Or do you respond to the natural inclination to guide, direct and protect your partner? Are your friends and family having difficulty understanding that your relationship works more like a captain and first mate on a boat? If so, this innovative book, *Leading and Supportive Love, the Truth about Dominant and Submissive Relationships*, can help with new and clearer understanding of yourself, your relationship and acceptance with those that you love and care for. The Dominant and Submissive Relationship is an ancient and contemporary harmonious dance that has become mysterious, magnetic, powerful, and controversial in modern day society. It may not be what you think, and some of the truth may surprise you! It's a law of nature for socialized animals and humans to have hierarchical relationships. There are those who answer that call in a more literal, thorough way. The couple has a 'pack leader'; or a dominant leader; and a submissive member. Through history to modern day, both roles have been held by both men and/or women...Oh and yes, this is a relationship where both partners are equals. Read about case illustrations, research insights, relationship help, and surprising details that may make you look at this type of long-term, committed relationship in a whole different way, no matter what gender you are! Do you identify with one of these lists of traits? Most people either do identify or know someone who does. If so, this unprecedented book is for you! S-Type Service to your partner is of great priority to you and you take it very seriously. Decisiveness, direction, and guidance from your partner makes you feel secure and loved. You avoid conflict and are generally non-confrontative in nature in close relationships. You greatly appreciate your partner being clear and direct with communication, so there are no doubts about what the expectations are. You appreciate the freedom that comes from structure, surrender, and personal discipline. L-Type You have natural dominant traits and seem comfortable and confident when using them. You place an importance on follow-through and follow-up from your partner. You step into your natural abilities to lead, guide, protect and direct. It's important to you that you earn trust from your partner. You will not ask for it or demand it up front. You feel safe, secure and valued when your partner trusts you to lead and make decisions in the areas agreed upon.

Suffering and the Sovereignty of God Thomas Nelson

When Jesus left the most exclusive gated community in the universe to come live with the people he loved and gave his life for, he turned everything we know and believe about life on its head. Jesus said that he came to bring good news to the poor, but most Western Christians remain disconnected and isolated from the poor and their contexts of injustice. Even our churches echo society's pressure to isolate ourselves from the margins (e.g. by moving to a better suburb) and instead teach us how to be "nice people" who worship a "nice Jesus" and don't disrupt the status quo. Convinced that Jesus places love for the poor and the pursuit of justice central, Craig Greenfield has sought to follow in Christ's footsteps by living among people at the edges of society for the last fourteen years. His quest to follow this Subversive Jesus has taken Craig and his young family from the slums of Asia to inner city Canada and back again. This is the story of how Jesus led them to the margins: initiating the Pirates of Justice flash mobs, sharing their home with detoxing crackheads, welcoming homeless panhandlers and prostitutes to the dinner table, and ultimately sparking a movement to reach the world's most vulnerable children. This book is a strong and potentially controversial critique of the status quo too often found in our churches, but it offers an inspirational and hopeful vision of another way. While readers may not relocate to a slum, they will certainly come to view their lives and ministry through a fresh lens—reconsidering how they are uniquely called by Jesus to subversively love the poor and break down systems of injustice in their sphere of influence.

Hoover Penguin

The Heart of Dominance is a how-to guide to the concepts and skills at the heart of consensual dominance. If you are new to dominance, still figuring out just what it's all about or what you want it to mean to you, then this book will provide you with a solid foundation from which to start. If you already practice dominance and are interested in improving your ability to create deep and lasting power dynamics then you'll find many advanced concepts and concrete techniques to integrate into your own personal style. If you have an interest in the bedrock principles of inspiring, deepening, maintaining and enjoying control over a person who dearly, desperately wants you to control them, then this book is for you.

On the Road with Janis Joplin Crown

An incredible saga of the man who personifies the great S&L debacle, Charles Keating, who gave millions to Mother Teresa--and stole millions more from the loyal customer of his Lincoln Savings Bank. A fascinating look at one of the most extraordinary financial frauds of the century.

A Charm School for Sissy Maids SCB Distributors

"A six-session video-based study for small groups"--Container.

Developing the Leader Within You SCB Distributors

This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than

between European nations.

Klara and the Sun Greenery Press (CA)

Light-hearted and fun to read, *SCREW THE ROSES, SEND IN THE THORNS* tells readers everything they need (and want!) to know about sadomasochism. Deeply committed to the blend of trust, fantasy and sensuality that makes S/M an intensely erotic and deeply intimate experience, Miller and Devon here offer everyone - from the complete novice to the well-practised sub or dom - clear explanations, solid advice, safety measures and steamy suggestions. Illustrated with over 225 photos and illustrations, the book also includes a glossary and 30-page resources listing. *The Heart of Dominance* Createspace Independent Publishing Platform

"A detailed, eye-opening account of the real sexual underground in America . . . a thorough and serious study."—Playboy From *Different Loving*: In order to understand unusual sexualities such as dominance and submission, one first has to consider the question 'What is normal?' If the unique function of sex is reproductive—and the only reason men and women should engage in sex is for the purpose of creating a new life—then only heterosexual intercourse is normal. By this standard, many common acts, even contraception, must be considered aberrant. Reproductive relevance was the Victorian standard of normalcy, and even today many of the laws in the United States still abide by that model. But people have always pursued sex for both reproduction and for pleasure and well-being. We start from the premise that sex for pleasure is a normal human drive and is acceptable when it brings pleasure to both partners. From this perspective, D&S is simply a 'different' kind of loving. We hope to add to the greater body of knowledge about what people really do behind closed doors with the people they most love and trust. Perhaps *Different Loving* will help open the door for further research into the mystery, beauty, and complexity of human life and its diverse expressions. Praise for *Different Loving* "The definitive guide to the sexual styles of those who walk on the wild side."—Kirkus Reviews "As a window on largely unexplored territory, *Different Loving* is a breakthrough in the dialogue on human sexuality, and a significant work of popular sociology."—South Bend Tribune "A comprehensive primer on loving with leather and romance by riding crop."—Michael Musto, *New York Daily News*

The Violence of the Lamb SCB Distributors

In 2006, Julianne Lutz Warren (née Newton) asked readers to rediscover one of history's most renowned conservationists. Aldo Leopold's *Odyssey* was hailed by *The New York Times* as a "biography of ideas," making "us feel the loss of what might have followed *A Sand County Almanac* by showing us in authoritative detail what led up to it." Warren's astute narrative quickly became an essential part of the Leopold canon, introducing new readers to the father of wildlife ecology and offering a fresh perspective to even the most seasoned scholars. A decade later, as our very concept of wilderness is changing, Warren frames Leopold's work in the context of the Anthropocene. With a new preface and foreword by Bill McKibben, the book underscores the ever-growing importance of Leopold's ideas in an increasingly human-dominated landscape. Drawing on unpublished archives, Warren traces Leopold's quest to define and preserve land health. Leopold's journey took him from Iowa to Yale to the Southwest to Wisconsin, with fascinating stops along the way to probe the causes of early land settlement failures, contribute to the emerging science of ecology, and craft a new vision for land use. Leopold's life was dedicated to one fundamental dilemma: how can people live prosperously on the land and keep it healthy, too? For anyone compelled by this question, the Tenth Anniversary Edition of Aldo Leopold's *Odyssey* offers insight and

inspiration.

[A Girl's Guide to Femdom](#) Zondervan

The act of martyrdom in the worldview of the Apocalypse has been considered to be an exemplification of non-violent resistance. Paul Middleton argues here, however, that it is in fact a representation of direct participation by Christians, through their martyrdom, in divine violence against those the author of Revelation portrays as God's enemies. Middleton shows that acceptance of martyrdom is to grasp the invitation to participate in the Revelation's divine violence. Martyrs follow the model laid down by the Lamb, who was not only slain, but resurrected, glorified, and who executes judgement. The world created by the Apocalypse encourages readers to conquer the Beast through martyrdom, but also through the experience of resurrection and being appointed judges. In this role, martyrs participate in the judgement of the wicked by sharing the Lamb's power to judge. Different from eschewing violence, the conceptual world of the Apocalypse portrays God, the Lamb, and the martyrs as possessing more power, might, and violent potential than the Emperor and his armies. Middleton believes that martyrdom and violence are necessary components of the worldview of Revelation.

Hope and Suffering Regnery Publishing

Gretchen Krueger's poignant narrative explores how doctors, families, and the public interpreted the experience of childhood cancer from the 1930s through the 1970s. Pairing the transformation of childhood cancer from killer to curable disease with the personal experiences of young patients and their families, Krueger illuminates the twin realities of hope and suffering. In this social history, each decade follows a family whose experience touches on key themes: possible causes, means and timing of detection, the search for curative treatment, the merit of alternative treatments, the decisions to pursue or halt therapy, the side effects of treatment, death and dying—and cure. Recounting the complex and sometimes contentious interactions among the families of children with cancer, medical researchers, physicians, advocacy organizations, the media, and policy makers, Krueger reveals that personal odyssey and clinical challenge are the simultaneous realities of childhood cancer. This engaging study will be of interest to historians, medical practitioners and researchers, and people whose lives have been altered by cancer.

The Supremacy of God in Preaching Random House (NY)

"An exemplary biography—exhaustively researched, fair-minded and easy to read. It can nestle on the same shelf as David McCullough's Truman, a high compliment indeed." —The Wall Street Journal The definitive biography of Herbert Hoover, one of

the most remarkable Americans of the twentieth century—a wholly original account that will forever change the way Americans understand the man, his presidency, his battle against the Great Depression, and their own history. An impoverished orphan who built a fortune. A great humanitarian. A president elected in a landslide and then resoundingly defeated four years later. Arguably the father of both New Deal liberalism and modern conservatism, Herbert Hoover lived one of the most extraordinary American lives of the twentieth century. Yet however astonishing, his accomplishments are often eclipsed by the perception that Hoover was inept and heartless in the face of the Great Depression. Now, Kenneth Whyte vividly recreates Hoover's rich and dramatic life in all its complex glory. He follows Hoover through his Iowa boyhood, his cutthroat business career, his brilliant rescue of millions of lives during World War I and the 1927 Mississippi floods, his misconstrued presidency, his defeat at the hands of a ruthless Franklin Roosevelt, his devastating years in the political wilderness, his return to grace as Truman's emissary to help European refugees after World War II, and his final vindication in the days of Kennedy's "New Frontier." Ultimately, Whyte brings to light Hoover's complexities and contradictions—his modesty and ambition, his ruthlessness and extreme generosity—as well as his profound political legacy. Hoover: An Extraordinary Life in Extraordinary Times is the epic, poignant story of the deprived boy who, through force of will, made himself the most accomplished figure in the land, and who experienced a range of achievements and failures unmatched by any American of his, or perhaps any, era. Here, for the first time, is the definitive biography that fully captures the colossal scale of Hoover's momentous life and volatile times.
