published in Great Britain by Bloomsbury in 2015. **Eternal** Penguin NEW YORK TIMES BESTSELLER #1 bestselling author Lisa Scottoline offers a sweeping and shattering epic of historical fiction fueled by shocking true events, the tale of a love triangle that unfolds in the heart of Rome...in the creeping shadow of fascism. What war destroys, only love can heal.

Elisabetta, Marco, and Sandro grow up as the best of friends despite their differences. Elisabetta is a feisty beauty who dreams of becoming a novelist; Marco the brash and athletic son in a family of professional cyclists; and Sandro a Jewish mathematics prodigy, kind-hearted and thoughtful, the son of a lawyer and a doctor. Their friendship blossoms to love, with both Sandro and Marco hoping

to win Elisabetta's heart. But in the autumn of 1937, all of that begins to change as Mussolini asserts his power, aligning Italy's Fascists with Hitler's Nazis and altering the very laws that govern Rome. In time, everything that the three hold dear-- their families, their homes, and their connection to one another-- is tested in ways they never could have imagined. As anti-Semitism takes legal

root and World War II erupts, the threesome realizes that Mussolini was only the beginning. The Nazis invade Rome, and with their occupation come new atrocities against the city's Jews, culminating in a final, horrific betrayal. Against this backdrop, the intertwined fates of Elisabetta, Marco, Sandro, and their families will be decided, in a heartbreaking story of both the best and

the worst that the world has to offer. Unfolding over decades, Eternal is a tale of loyalty and loss, family and food, love and war--all set in one of the world's most beautiful cities at its darkest moment. This moving novel will be forever etched in the hearts and minds of readers. [Arcana Coelestia](#) Laitman Kabbalah Publishers Nicholas Flamel appeared in J.K. Rowling's Harry

[Emily Eternal](#) Elisabeth Naughton Publishing LLC The Pentateuch, or The Five Books of Moses, is a fascinating odyssey of a

nation in the making. Yet, underneath the tales that reveal human nature at its zenith and at its nadir lies an ocean of wisdom that, if uncovered, can alter reality itself. Dr. Michael Laitman's Disclosing a Portion: the inner mechanics of the Torah uncovers some of that wisdom in a manner none other has done before. Throughout the year, each week observant Jews read a different

portion of the Pentateuch (which they refer to as the "Torah"). Each portion deals with a different topic, and is titled according to the first word, or words, in the portion. As you read through the portions, you will discover that each of the protagonists in the stories we've known for so long is not a myth, but a living force within. These forces

direct and determine your path in life, and when you come to know them, you come to know your true self. Take your time to delve into the text, and portion by portion you will find new meanings that will enrich and empower you as you become the happy, confident person that you dream of being. *The Eternal City*
