Torment Part One is a dark, taboo, MC, contemporary romance. How did I get here? Broken, bruised, and mentally shattered. For most of my life, my older stepbrother, Shay, was my hero, my rock, and my best friend. The one I knew I could always rely on. For many years, I accepted everyone and everything around me. But as I grew up, the veil was lifted, and I slowly came to understand how f\*cked up it all really is. These men, who I considered uncles and close family friends, are members of the dominant MC, The Celtic Beasts. Shay is not only a proud member. He is the one they send in to do their dirty work. For some reason, this tough, muscled, terrifying guy, needs me to ground and comfort him. But I have always had bigger plans. Bigger dreams. I don't want to be trapped here, in this life that is dark, bloody and violent. I want to get out, escape... but Shay has other plans for me. What do you do when your protector becomes the very root of your torment? \*\*Warning: This book is meant for mature readers, 18+. Torment Part One is a dark

romance and contains scenes and situations that may be upsetting for some readers. Includes several triggers and sensitive material such as: domestic abuse, profanity, gang violence, PTSD, depression, anxiety disorders, and sexual assault. Please do not read if you are uncomfortable with any of the above. Thank you.

An investigation of the future of various media industries and technologies that considers how media shape our future. How do we combat post-truth in the news? Are social media influencers the journalists of today? What is it like to live in a smart city? Does AI really change "everything"? The Future of Media investigates the future of media industries and technologies (journalism, TV, film, photography, radio, publishing, social media), while exploring how media shape our future—on a political, economic, cultural and individual level. Issues of diversity, media reform, labour, activism and art take the discussion into a wider social context. Through this, the book celebrates the importance and vitality of media in the modern world. The Future of Media is also an experiment in collaborative modes of thinking and working. Co-authored by theorists and practitioners from one of the world's most established media departments, it offers a radical,

creative and critical take on media industries—and on world affairs.

At age 26, scrawny, Oxford-educated Samuel Fussell entered a YMCA gym in New York to escape the terrors of big city life. Four years and 80 lbs. of firm, bulging muscle later, he was competing for bodybuilding titles in the "Iron Mecca" of Southern California—so weak from intense training and starvation he could barely walk. *MUSCLE* is the harrowing, often hilarious chronicle of Fussell's divine obsession, his search for identity in a bizarre, eccentric world of "health fascists," "gym bunnies" and "muscleheads"—and his devout, single-minded acceptance of illness, pain, nausea, and steroid-induced rage in his quest for the holy grail of physical perfection.

Change the way you clean and keep your family's home wholesome and healthy with the help of expert and activist Deirdre Imus. We all grew up thinking chemical smells like bleach and ammonia signaled "clean." But as Deirdre Imus reveals, some of the chemicals we use to maintain our homes are doing us and our families much more harm than good. In *Greening Your Cleaning*, the first in her *Green This!* series, Deirdre shows how cleaning house the environmentally responsible way can be as effective and often cheaper than the more traditional, toxic, means. This volume includes: Simple, efficient cleaning methods for every room of the house Spotlights on everyday products (all purpose cleaner, glass/window cleaner, laundry detergent) and the toxic ingredients you should be wary of Summaries of the latest research on the toxic effects of ordinary chemicals Resource lists of widely available "green cleaning" products and retailers Filled with tips and testimonials, *Greening Your Cleaning* will show you how to streamline your cleaning products and practices, and how easy it is to make "living green" your way of life.

One woman changes everything a man has ever known about dominance and desire in the final scintillating novel in the *Breathless* trilogy—now celebrating its 10th Anniversary! When it comes to sex, Ash McIntyre has always explored his wilder side—extreme and uncompromising. He demands control. And he prefers women who want it like that. Even the women he's shared with his best friend, Jace. But Jace is involved with a woman he has no intention of sharing. And now even Gabe has settled into a relationship with a woman who gives him everything he needs, leaving Ash feeling restless and unfulfilled. Then Ash meets Josie, who seems immune to his charms and his wealth. Intrigued, he begins a relentless pursuit, determined she won't be the one who got away. He never imagined the one woman to tell him no would be the only woman who'd ever drive him to the edge of desire.

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized."—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to "choose joy" and "pray more." So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

The handbook has been composed on the basis of processing, systematization and classification of the results of a great number of investigations published at different time. The essential part of the book is the outcome of investigations carried out by the author. The present edition of this handbook should assist in increasing the quality and efficiency of the design and usage of industrial power engineering and other constructions and also of the devices and apparatus through which liquids and gases move.

The follow-up to her critically acclaimed *Lie to Me*, J.T. Ellison's *Tear Me Apart* is the powerful story of a mother willing to do anything to protect her daughter even as their carefully constructed world unravels around them. One moment will change their lives forever... Competitive skier Mindy Wright is a superstar in the making until a spectacular downhill crash threatens not just her racing career but her life. During surgery, doctors discover she's suffering from a severe form of leukemia, and a stem cell transplant is her only hope. But when her parents are tested, a frightening truth emerges. Mindy is not their daughter. Who knows the answers? The race to save Mindy's life means unraveling years of lies. Was she accidentally switched at birth or is there something more sinister at play? The search for the truth will tear a family apart...and someone is going to deadly extremes to protect the family's deepest secrets. With vivid movement through time, *Tear Me Apart* examines the impact layer after layer of lies and betrayal has on two families, the secrets they guard, and the desperate fight to hide the darkness within. Don't miss It's One of Us, the next page-turning thriller from New York Times bestselling author J.T. Ellison!

The first book in the *Miriam* Black series: "A sassy, hard-boiled thriller with a paranormal slant" (*The Guardian*) about a young woman who can see the darkest corners of the future. Miriam Black knows how you're going to die. This makes her daily life a living hell, especially when you can't do anything about it, or stop trying to. She's foreseen hundreds of car crashes, heart attacks, strokes, and suicides. She merely needs to touch you—skin to skin contact—and she knows how and when your final moments will occur. Miriam has given up trying to save people; that only makes their deaths happen. But when she hitches a ride with Louis Darling and shakes his hand, she sees in thirty days that Louis will be murdered while he calls her name—Louis will die because he met her, and Miriam will be the next victim. No matter what she does she can't save Louis. But if she wants to stay alive, she'll have to try. "Think *Six Feet Under* co-written by Stephen King and Chuck Palahniuk" (SFX), and you have *Blackbirds*: a visceral, exciting novel about life on the edge.

"A superior thriller" set in the early days of WWII, when the Nazis, with the help of Argentinean collaborators, staked out territory in the South Atlantic (*Library Journal*). An Argentine playboy races down the darkened alleys of Buenos Aires, a German on his tail. He darts into a steamy tango hall and begs one of the dancers for refuge, but his pursuer is unshakable. The German leaves with the scrap of information that had been destined for the Americans. The playboy was a spy for the Allies, known as Raven. American polo player Charles Stewart is sent to discover who the Raven's source was. A secret agent in a time before the CIA, he wants to be on the front lines in Europe, not in the back alleys of Buenos Aires. But the Nazis have engineered a plot to turn Argentina toward their cause—and with it, all of South America. The world's destiny will be decided in the land of tango, and Stewart, mingling with Argentine high society, will be the one leading the dance. *War of the Raven* was selected by the American Library Association as one of the 100 Best Books ever written about World War II.

Child injuries are largely absent from child survival initiatives presently on the global agenda. Through this report, the World Health Organization, the United Nations Children's Fund and many partners have set out to elevate child injury to a priority for the global public health and development communities. It should be seen as a complement to the UN Secretary-General's study on violence against children released in late 2006 (that report addressed violence-related or intentional injuries). Both reports suggest that child injury and violence prevention programs need to be integrated into child survival and other broad strategies focused on improving the lives of children. Evidence demonstrates the dramatic successes in child injury prevention in countries which have made a concerted effort. These results make a case for increasing investments in human resources and institutional capacities. Implementing proven interventions could save more than a thousand children's lives a day.--p. vii.
