HARDY CORINNE

The Unlikely Voyage of
Jack De Crow Scholastic
Inc.

From a beloved middle grade author: a propulsive seafaring adventure in search of loved ones and a place to call home. In the aftermath of World War One, everyone in the small town of Barton is rebuilding their lives. Ben needs to find his brother, Sam—who was wounded in action and is now missing—if he wants to avoid being sent to the orphanage. Lotti's horrible aunt and uncle want to send her away from her beloved home to boarding school, just when she has successfully managed to get expelled from her last one. When a chance encounter brings the two children together, each recognizes the other as a kindred spirit. But just as they've found their feet, disaster strikes, and Ben and Lotti must run away. They hatch a plan to cross the English Channel on Ben's narrowboat, the Sparrowhawk, and track down Sam in France. But there's something in France that Lotti is looking for, too. . . . Funny, heartwarming, and wise,

Voyage of the Sparrowhawk is full of high stakes, twists and connections, and—most of all—adventure.

You Wouldn't Want to Sail on the Titanic! Open Road Media

A tale of war, of Italy, of a beautiful young woman and a terrible tragedy from the number one bestselling author of *Songs of Love and War*. Italy, 1945. The war is over but its shadow still lingers. And deep in the lush countryside an eccentric aristocrat is savagely murdered in his beautiful palazzo. London, 1971. Years later, this unsolved crime touches the life of Alba, a hedonistic girl who lives on a houseboat in swinging Chelsea. Between these two distinctive times runs a thread of love, decadence and betrayal that takes Alba to the olive groves of

the Amalfi Coast, rich with the scent of figs, the drama of wartime and the lingering decay of tragedy. The past unfolds revealing a secret web of partisans and Nazis, peasants and counts and in the centre of it all, an alluring woman of mystery: her mother...

From bestselling author Soraya Lane comes a story of friendship, love, and heartbreak at the end of World War II. 1945: Along with hundreds of other war brides, Betty, Madeline, Alice, and June set sail for New York to be with the men they love. In the days they spend at sea, the four young

women become firm friends and vow to stay in touch no matter what their new lives bring. Life in a new country comes with many challenges, but Betty, Madeline, Alice, and June didn't move half way across the world to give up without a fight. As their love is tested, the one thing they can count on is the friendship they forged while crossing the Atlantic.

Written on Board the Caravel While Returning from His First Voyage WW Norton
An abandoned English manor transports a young woman back to the Edwardian era—where love and danger await—in this time travel romance. East Midlands, England, 2013. The once grand Hill House is now surrounded by a shabby town of pubs and chip shops. As a child, Louisa Arnold was enthralled by the tragic history of its owners, the Mandeville family. Now, when tragedy strikes her own family, Lou seeks comfort in the ruined corridors of Hill House—and is suddenly transported back to Christmas 1913. As a houseguest of the Mandevilles, Lou befriends the eldest son, Captain Thomas Mandeville—a man she

knows is destined to die in the First World War. Moving between the present and the past, Lou does everything she can to save the man she loves, unearthing murder and blackmail plots in a desperate race against time.

Dodge City Brides: USA Today bestselling author Julianne MacLean delivers three breathtaking and passionate full-length novels featuring rugged, alpha-male heroes of the West, all sworn to protect the women they love...
HERO AND PROTECTOR Former bounty hunter, expert gunslinger, and the toughest sheriff Dodge City has ever known, Truman Wade is a real man from the tip of his black Stetson right down to his spurs and leather boots. He's never met his match in a gunfight, but he's never met a gorgeous, gutsy woman from the twenty-first century either...
TORN BETWEEN TWO WORLDS Newly single after a rocky breakup with her self-absorbed fiancé, newspaper columnist Jessica Delaney crashes her car in a lightning storm and soon finds herself dodging bullets in

the Wild West. Before the night is out, she's tossed in jail for a murder she didn't commit, and if things don't seem complicated enough, the impossibly handsome sheriff in charge of her arrest has danger written all over him - and a sexy swagger to die for. Jessica knows she needs to get home, but when Sheriff Wade's enticing touch sets her passions on fire, she begins to wonder if fate has other plans for her, and soon she must choose between the life she longs for in the future... and the greatest love she's ever known. "You can always count on Julianne MacLean to deliver ravishing romance." —Teresa Medeiros, New York Times bestselling author
Everything, Everything Enrich Spot Limited
Everyone knows the story of the Flood, the men God chose to survive, the animals that went in two by two. But what about the others that sailed on the Ark - the women and the children? This adventure story asks what it was really like when the heavens opened and the world drowned - and what might have happened in the days that followed. With a frighteningly zealous and single-

minded Noah; Japheth and his young wife, Zillah, concerned for the welfare of the animals; the stowaway boy and baby found by Noah's daughter Timna; and the animals themselves, continuing to act as animals do, whatever their surroundings, this is an extremely compelling and at times very frightening story, beautifully written as ever by Geraldine McCaughrean.

GENERAL PRESS
 The bestselling author of *Blue Latitudes* takes us on a thrilling and eye-opening voyage to pre-Mayflower America On a chance visit to Plymouth Rock, Tony Horwitz realizes he's mislaid more than a century of American history, from

Columbus's sail in 1492 to Jamestown's founding in 16-oh-something. Did nothing happen in between? Determined to find out, he embarks on a journey of rediscovery, following in the footsteps of the many Europeans who preceded the Pilgrims to America. An irresistible blend of history, myth, and misadventure, *A Voyage Long and Strange* captures the wonder and drama of first contact. Vikings, conquistadors, French voyageurs—these and many others roamed an unknown continent in quest of grapes, gold, converts, even a cure for syphilis. Though most failed, their remarkable exploits left an enduring mark on the land and people encountered by late-arriving English settlers. Tracing this legacy with his own epic trek—from Florida's Fountain of Youth to Plymouth's sacred Rock, from desert pueblos to subarctic sweat lodges—Tony Horwitz explores the revealing gap between what we enshrine and what we forget. Displaying his trademark talent for humor, narrative, and historical insight, *A Voyage Long and Strange* allows us to rediscover the New World for

ourselves.

Stories take us into other worlds so that we may experience our own more deeply. Master storyteller Geoff Mead brings the reader inside the experience of telling and listening to a story. He shows how stories and storytelling engage our imaginations, strengthen communities and bring adventure and joy into our lives. The narrative is interspersed with consummate retellings of traditional tales from all over the world.

The Voyage to Magical North Not Wanted on the Voyage FINDLEY/NOT WANTED ON VOYAGE (MC) Not Wanted on the Voyage

Risk everything . . . for love with this #1 New York Times bestseller. What if you couldn't touch anything in the outside world? Never breathe in the fresh air, feel the sun warm your face . . . or kiss the boy next door? In *Everything, Everything*, Maddy is a girl who's literally allergic to the outside world, and Olly is the boy who moves in next door . . . and becomes the greatest risk she's ever taken. My disease is as rare as it is famous. Basically, I'm allergic to the world. I don't leave my house, have not left my house in seventeen years. The only people I ever see are my mom and my nurse, Carla. But then one day, a moving truck arrives next door. I look out my window, and I see him. He's tall, lean and wearing all black—black T-shirt, black jeans, black sneakers, and a black knit cap that covers his hair completely. He catches me looking and stares at me. I stare right back. His name is Olly. Maybe we can't predict the future, but we can predict some things. For example, I am certainly going to fall in love with Olly. It's almost certainly going to be a disaster. Everything, Everything will make you

laugh, cry, and feel everything in between. It's an innovative, inspiring, and heartbreakingly romantic debut novel that unfolds via vignettes, diary entries, illustrations, and more. And don't miss Nicola Yoon's *The Sun Is Also A Star*, the #1 New York Times bestseller in which two teens are brought together just when it seems like the universe is sending them in opposite directions. Persepolis 2 Oxford University Press - Children First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the

mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.
