The Girl from Sighet – a memoir In 1944, Hindi Friedman’s idyllic childhood in the Transylvanian Carpathian Mountains abruptly ended when German troops invaded her beloved hometown of Sighet. This memoir, written in the style of a novel, chronicles Hindi and her family’s confinement in the town’s ghetto, their transport in a suffocating cattlecar to Auschwitz, and the subsequent heroic struggle to survive the inhumane conditions of the concentration camp. After Russian soldiers liberated Hindi and her sister from a labor camp in the Czech Republic, the young girls immediately faced a harsh new reality. Their liberators were now the enemy. Weak and hungry, the girls escape by foot over the Czech mountains to avoid the savagery of the Russian soldiers. Two years after the war ended, Hindi was again on the run. Trapped in communist Romania, she escaped into Austria and eventually to her new home in America. This epic memoir spans seventy years, transporting the reader from shtetl life through war-torn Europe to the American suburbs of the fifties and on to the present,

allowing us to partake in a remarkable journey from death and despair to hope and rebirth.

Dov Taylor is an ex-everything an ex-husband, an ex-cop, an ex-drinker, an ex-observant Jew. The way he sees it, he doesn't have much to offer, so he's a tad surprised when he gets a summons from a local rabbi: There's been a hideous murder in the Hassidic

community, and Dov, says the rabbi, is the man to solve the crime.

This groundbreaking book opens a closet and allows hundreds of people of this generation to emerge, with their nightmares, phobias, and flashbacks suggestive of an incarnation in the Holocaust. Through that open door, author Sara Rigler introduces the reader to people from all over the world whose stories defy rational explanation-

unless they are indeed reincarnated souls from the Holocaust. Because the purpose of reincarnation is to rectify past mistakes and failings, Part Two narrates the journeys of souls who in their current lifetime replaced fear with courage, hatred with love, and guilt with self-forgiveness. Fascinating and convincing, this page-turner will quicken your awareness of your own soul and how your

<p>inexplicable fears, attractions, and repulsions may be comprehensible through the notion of past-life experiences. "Sara Rigler has written a powerful and gripping narrative.... The stories make for fascinating reading." - Rabbi Yitzchak A. Breitowitz, Kehillat Ohr Somayach "An eye-opening journey." -- Alicia Yacoby, Founder, Our6Million "Sara Rigler's extensive research and collection of</p>	<p>past-life Holocaust memories confirms the reality of this phenomenon, and offers hope for healing the trauma that carried over for many of us. For those who have not had their own memories, the case studies offer compelling evidence for the continuation of a personal consciousness after death." -- Carol Bowman, author of Children's Past Lives "This book is not only credible,</p>	<p>it is important." - Rebbetzin Tziporah (Heller) Gottlieb, author and lecturer "Sara Rigler has done exceptional work in meticulously compiling, recording, and describing personal stories of Jews and non-Jews from many countries. Shemoneh Esrei for Shabbos Feldheim Publishers Have you ever wondered what God truly expects of women? Is there really a prescription for biblical womanhood? Does the Bible's idea of womanhood have a place in modern Christianity? New York Times

bestselling author Rachel Held Evans embarks on a year-long study of what it means to live by the standards of biblical womanhood. Strong-willed and independent, Evans couldn't sew a button on a blouse before she embarked on a radical life experiment--a year of biblical womanhood. Intrigued by the traditionalist resurgence that led many of her friends to abandon their careers to assume

traditional gender roles in the home, Evans decided to try it for herself, vowing to take all of the Bible's instructions for women as literally as possible for a full year. Along the way, Evans explores the rich heritage of scriptural heroines, models of grace, and all-around women of valor that we come to know in the Bible. She consults with women who practice these ancient biblical

mandates in their own lives--from an Orthodox Jewish woman who changed the way Evans reads the Bible to an Amish community that taught her the true meaning of modesty. In A Year of Biblical Womanhood, Evans shares her courageous and often humorous journey of: exploring what a "woman's place" is according to the Scriptures applying the Bible's teachings to

day-to-day life, sometimes to literal extremes focusing on virtues like domesticity, obedience, beauty, submission, and grace developing a "Biblical Woman's Ten Commandments" to serve as a guide for daily living Join Evans as she dives deep into the lives of the women we meet in Scripture and redefines what it means to live biblically. In this remarkable and assured debut, Tova Mirvis tells the story of the close-knit, carefully structured world of the Orthodox community in Memphis, Tennessee, a world that unravels when Batsheva, newly widowed and a convert to Judaism, and her five-year-old daughter,

Ayala, move in. Batsheva is free-spirited and artistic, and at first the women of the ladies auxiliary discover in her a passion for the traditions and rituals of Judaism which have become stale and routine to them. But when Batsheva becomes close with the restless high-school girls she teaches who are eager to catch glimpses of the non-Kosher world outside, and befriends, maybe a little

too intimately, the beloved Rabbi's only son, Yosef, feathers begin to ruffle. When events come to a head, and Batsheva's past is revealed, the women's allegiances begin to split over whether Batsheva should be forced out of the community. Batsheva is an unforgettable character, one who makes her claims on the reader's heart from the first page. The Ladies Auxiliary, beautifully

and skillfully told, shows what happens when the outside world leans on a closed community so intent on keeping its children inside its tight walls that it cannot see it is losing them.
