SKYLAR MARLEY

1957-1131: 1155-1378. Ed. by B. MacCarthy University Press of America

The Roster lists thousands of black officials nationwide, with each official's address and term of office. The information is organized by state and level of office. Special state pages provide data on population, registered voters, governmental structures and elections. It includes an alphabetical index of all officials. The roster has been cited by American Reference Books Annual as 'valuable to students of American politics, social change, and race relations. The series promises to maintain its worth over time....'

American Medical Directory

Set includes revised editions of some issues.
