## GRANT MELTON

---

### **The Big Black Piano Songbook** Hal Leonard Corporation

THE SONGS follows Iz Herzl, famed political activist and protest singer, who has always told his children that it is the future not the past they should concentrate on. Now, at 80, an almost forgotten figure, estranged from everyone who has ever loved him, his refusal to look back on his extraordinary life leaves his teenage children, the brilliant Rose and her ailing younger brother, Huddie, adrift in myths and uncertainty that cause them to retreat into a secret world of their own. Iz's other child, Joseph, a faltering Broadway songwriter 40 years older than Rose and Huddie, whose one disastrous meeting as a child with his father has left him lost and alone, is on a shocking and violent path to self-destruction. When the disparate members of the Herzl family begin to converge, the ambiguities at the heart of Iz Herzl's life begin to surface in a way that will change all of them.

Lush Dan Coates arrangements of 14 of Elton John's signature tunes including: Candle in the Wind \* Daniel \* Don't Let the Sun Go Down on Me \* Little Jeannie \* Nikita \* The One \* Sacrifice \* Sad Songs (Say So Much) \* Something About the Way You Look Tonight \* Sorry Seems to Be the Hardest Word \* Tiny Dancer \* Your Song and more.

### **Elton John - 40 Songs for Really Easy Piano** Hal Leonard Corporation

We can count on one hand the musical

legends equal to Elton John (the Beatles and the Rolling Stones each get a finger). Elton John: Fifty Years On looks at the impact songwriting partners Elton John and Bernie Taupin have had on popular music and culture, and also discusses every song on all thirty albums, plus his work on Broadway, in movies, and elsewhere. • Part 1 is a bullet-pointed look at every released song, complete with insights, trivia, and meanings, including musical insights—like Elton's favorite chord progressions, or the most notable melodies in his discography. • Part 2 is a collection of essays and interviews with musicians and music writers chatting about Elton and Bernie. Did you know? • Elton and Bernie's revision of "Candle in the Wind" (known as "Goodbye England's Rose"), a tribute to Princess Diana after her untimely death, is the biggest-selling single in the UK and the second-biggest selling single in music history (after Bing Crosby's "White Christmas"). • "Tiny Dancer" may or may not be about Bernie Taupin's wife, Maxine...quotes from Elton and Bernie contradict each other. • The biggest music stars in the world routinely show up at Elton John concerts to sing duets with the Rocket Man, including Lady Gaga, Miley Cyrus, George Michael, Bruce Hornsby, Lionel Richie, Mary J. Blige, Bryan Adams, Demi Lovato, Shawn Mendes, and many more, as well as Elton's legendary "dual" shows with Billy Joel • The background vocals for the song "White Lady White Powder" on the 21 at 33 album are sung by the Eagles. • The background vocals for the song "Cage the Songbird" on the Blue Moves album are sung by Graham Nash and David Crosby. (Stephen Stills must have been busy?) Elton John: Fifty Years On was written for ultimate Elton John fans. A

browsing book, a reading book, a treasure trove of facts, trivia, insights, and commentary, it's the perfect companion to Elton leaving the Yellow Brick Road.

Elton John Anthology (Songbook) Hal Leonard Corporation

One of music's true global superstars and most admired figures, Elton John has sold an estimated 200 million albums worldwide to date, and continues to appear regularly in the singles charts, thanks largely to a series of high-profile collaborations with new faces. But he is loved as much for his outrageous personality and witty outspokenness as for his music: recent memorable outbursts have included a public comment that "people who charge 💎75 and lip-sync should be shot" and calling some pushy photographers "rude, vile pigs." He has even admitted that, in one of his more comedic cocaine-fueled moments, he phoned one of his management team "to tell him to do something about the wind outside my hotel room." Such shamelessness and sheer silliness rivals anything uttered by punk rockers, yet it is so typically Elton: honest and wittily intemperate. Tragedy and heartbreak have played a large part in his life too. Behind the parties, the hedonism, the lavish stage costumes and silly glasses lies a more somber story. There have been disputes with managers, legal wranglings, splits with partners, and a divorce. Added to that there have been serious health problems, a very public battle with his expanding waistline and receding hairline, drug addictions, and spells when he wanted to quit the music business altogether. But now, at 60 years old, Elton enjoys a stable relationship with his husband David Furnish. His demons have been

overcome. His commercial and critical stock is rising. With popular acts like the Scissor Sisters sounding more like Elton than Elton himself, Elton John is finally cool again. Drawing on many firsthand interviews with his associates and musical collaborators, this page-turning story of high drama and prodigious talent traces Elton's astonishing journey through life as the colossus of camp, while also offering a critical history of his work and analyzing afresh his contribution to popular music.

Elton John Piano Sheet Music -Elton John Greatest Keyboard Hits Hal Leonard Corporation

(Piano Solo Personality). 11 of Elton's finest arranged for piano solo: Blessed \* Candle in the Wind \* Don't Let the Sun Go Down on Me \* I Want Love \* Lucy in the Sky with Diamonds \* Nikita \* Someday Out of the Blue (Theme from El Dorado) \* Something About the Way You Look Tonight \* Sorry Seems to Be the Hardest Word \* Tiny Dancer \* Your Song. *Elton John Favorites* Hal Leonard Corporation

The Big Black Piano Songbook is a collection of the most well-known, best-loved music standards that are essential to any pianist's repertoire. Divided into seven distinct sections - Celebration, Christmas, Classical, Film & TV, Jazz, Blues & Ragtime, Pop Hits and Weddings - this collection will ensure you never get caught out with a music request again. Need a classical piece or a famous film theme to 'wow' someone with? Or perhaps the mood calls for laid-back jazz? Or maybe you simply need to rouse everyone into a group sing-along of Auld Lang Syne or Happy Birthday To You? Whatever you need, this book has you covered. The Big Black Piano Songbook is carefully crafted, slickly presented, and includes Spotify playlists

for each chapter so you can listen as you learn. The songlist includes: Celebration - Auld Lang Syne - For He's A Jolly Good Fellow - Happy Birthday To You Christmas - All I Want For Christmas Is You - Fairytale Of New York - Jingle Bells - Winter Wonderland Classical - Flower Duet (from Lakmé) [Leo Delibes] - Für Elise [Beethoven] - Nuvole Bianche [Einaudi] Film & TV- Comptine D'un Autre Été: L'après-midi (from Amélie) [Yann Tiersen] - Jurassic Park Theme - Nobody Does It Better (from The Spy Who Loved Me) - The Pink Panther Theme Jazz Blues & Ragtime - The Entertainer [Scott Joplin] - Georgia On My Mind [Ray Charles] - The Girl From Ipanema (GAROTA DE IPANEMA) [Stan Getz] - Take The 'A' Train [Duke Ellington / Billy Strayhorn] Pop Hits - Bridge Over Troubled Water [Simon & Garfunkel] - Love Yourself [Justin Bieber] - Rocket Man [Elton John] - Someone Like You [Adele] Weddings - At Last [Etta James] - Bridal March [Richard Wagner] - Make You Feel My Love [Bob Dylan] - Wedding March (from A Midsummer Night's Dream) [Felix Mendelssohn] And many more...

(Vocal Piano). 20 classics from Sir Elton John are presented in this collection of vocal transcriptions in their original keys with piano accompaniment. Includes: Bennie and the Jets \* The Bitch Is Back \* Candle in the Wind \* Don't Let the Sun Go down on Me \* Goodbye Yellow Brick Road \* Lucy in the Sky with Diamonds \* Philadelphia Freedom \* Rocket Man (I Think It's Gonna Be a Long Long Time) \* Saturday Night's Alright (For Fighting) \* and more.

**Elton John's Blue Moves** Hal Leonard  
The true story of Elton John's meteoric rise from obscurity to worldwide

celebrity in the weird, wild 1970s, based on rare one-on-one interviews with the Rocket Man himself—now the subject of a major motion picture. In August 1970, Elton John achieved overnight fame with a rousing performance at the Troubadour in Los Angeles. Over the next five years, the artist formerly known as Reginald Dwight went from unheard of to unstoppable, scoring seven consecutive #1 albums and sixteen Top Ten singles in America. By the middle of the decade, he was solely responsible for 2 percent of global record sales. One in fifty albums sold in the world bore his name. Elton John's live shows became raucous theatrical extravaganzas, attended by all the glitterati of the era. But beneath the spangled bodysuits and oversized eyeglasses, Elton was a desperately shy man, conflicted about his success, his sexuality, and his narcotic indulgences. In 1975, at the height of his fame, he attempted suicide. After coming out as bisexual in a controversial Rolling Stone interview that nearly wrecked his career, and announcing his retirement from live performance in 1977 at the age of thirty, he gradually found his way back to the thing he cared about most: the music. Captain Fantastic gives readers a behind-the-scenes look at the rise, fall, and return to glory of one of the world's most mercurial performers. Rock journalist Tom Doyle's insider account of the Rocket Man's turbulent ascent is based on a series of one-on-one interviews in which Elton laid bare many previously unrevealed details of his early career. Here is an intimate exploration of Elton's working relationship with songwriting partner Bernie Taupin, whose lyrics often chronicled the ups and downs of their life together in the spotlight. Through these pages pass a

parade of legends whose paths crossed with Elton's during the decade—including John Lennon, Bob Dylan, Groucho Marx, Katharine Hepburn, Princess Margaret, Elvis Presley, and an acid-damaged Brian Wilson. A fascinating portrait of the artist at the apex of his celebrity, Captain Fantastic takes us on a rollicking fame-and-drug-fueled ride aboard Elton John's rocket ship to superstardom. Praise for Captain Fantastic "Veteran rock journalist [Tom] Doyle continues his foray into the 1970s music scene with a compelling profile of an unlikely rock star. . . . In chronicling Elton John's stratospheric rise to fame, replete with platinum records, increasingly outlandish stage shows, and mountains of cash, the author deftly manages to keep his subject in sharp focus. Based on hours of one-on-one interviews with Captain Fantastic himself, this breezy yet comprehensive biography demonstrates what it was like for the talented musician to churn out an impossible string of hit records. . . . A great way to better understand the man behind the garish glasses and platform boots."—Kirkus Reviews "In this adoring and candid set of fan's notes, music journalist Doyle (Man on the Run) draws on interviews with John and his colleagues, especially his writing partner, Bernie Taupin, to capture the meteoric rise and fall of the man who released at least one album every year of the 1970s. . . . This energetic book . . . makes a convincing case that John reached his peak and made his best music in the '70s."—Publishers Weekly "A breezy and surprisingly poignant romp through a decade, and a career, that effectively invented modern celebrity culture."—Peter Doggett, author of *You Never Give Me Your Money: The Beatles*

Elton John Aperture

By 1976, Elton John was the best-selling

recording artist and the highest-grossing touring act in the world. With seven #1 albums in a row and a reputation as a riveting piano-pounding performer, the former Reggie Dwight had gone with dazzling speed from the London suburbs to the pinnacles of rock stardom, his songs never leaving the charts, his sold-out shows packed with adoring fans. Then he released *Blue Moves*, and it all came crashing down. Was the commercially disappointing and poorly reviewed double album to blame? Can one album shoot down a star? No, argues Matthew Restall; *Blue Moves* is a four-sided masterpiece, as fantastic as *Captain Fantastic*, as colorful as *Goodbye Yellow Brick Road*, a showcase for the three elements--piano-playing troubadour, full orchestra, rock band--with which Elton John and his collaborators redirected the evolution of popular music. Instead, both album and career were derailed by a perfect storm of circumstances: Elton's decisions to stop touring and start his own label; the turbulent shiftings of popular culture in the punk era; the minefield of attitudes toward celebrity and sexuality. The closer we get to *Blue Moves*, the better we understand the world into which it was born--and vice versa. Might that be true of all albums?

\* *Rocket Man* \* *Tiny Dancer* \* and more.

**RADICAL EYE MODERNIST PHOTOGRA**

Hal Leonard Corporation

Sir Elton John, musician and philanthropist, has built one of the greatest private collections of photography in the world. This book presents an unparalleled selection of modernist images, which introduce a crucial moment in the history of photography when artists were beginning to use the camera and darkroom to redefine and transform visions of the modern world.

Technological advancements gave artists the freedom to experiment and test the limits of the medium enabling new imaginings of portraits, nudes and still lifes; and street life and the modern world was captured from a new, uniquely modern perspective. Showcasing only original vintage prints by the artists themselves, the book features key figures from the 1920s to 1950s, such as Brassai, Andre Kertesz, Dorothea Lange, Tina Modotti, Man Ray, Edward Steichen and Alexander Rodchenko. Also includes a newly commissioned interview with Sir Elton John and essays on modernist photography and technology and innovation by Dawn Ades and Shoair Mavlian."

**Elton John** Bloomsbury Publishing USA  
(Paperback Songs). Melody, chords and lyrics for 66 of Elton's best, all in a handy pocket-sized collection.
