Cock-A-Doodle-Do! Macmillan Reference USA

An unforgettable World War I story of an American ambulance driver on the Italian front and his love for an English nurse.

**L'adieu aux armes** Simon and Schuster

One summer, a young woman travels with her lover to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As Orren works to save his family farm from drought, Aloma struggles with the loneliness of farm life and must find her way in a combative, erotically-charged relationship with a grieving, taciturn man. A budding friendship with a handsome and dynamic young preacher further complicates her

growing sense of dissatisfaction. As she considers whether to stay with Orren or to leave, she grapples with the finality of loss and death, and the eternal question of whether it is better to fight for freedom or submit to love. All the Living has the timeless quality of a parable, but is also a perfect evocation of a time and place, a portrait of both age-old conflicts and modern life. It is an ode to the starve-acre Southern farm, the mountain landscape, and difficult love. In her lyrical and moving debut novel, C.E. Morgan recalls both the serenity of Marilynne Robinson and the shifting emotional currents and unashamed eroticism of James Salter. It is an unforgettable book from a major new voice.

*La Cinématographie française* Dictionary of Literary Biograp  
"Cock-A-Doodle-Do!" by Herman Melville is a classic tale set in the 1850s. Melville's signature storytelling style shines through in

this work, exploring themes of morality, ambition, and the complexities of human relationships. A must-read for fans of classic literature and those looking to immerse themselves in Melville's evocative world.

*The Sport of Kings* Good Press

An intimate and illuminating glimpse at Ernest Hemingway as a father, revealed through a selection of letters he and his son Patrick exchanged over the span of twenty years. In the public imagination, Ernest Hemingway looms larger than life. But the actual person behind the legend has long remained elusive. Now, his son Patrick shares the letters they exchanged over two decades, offering a glimpse into how one of America's most iconic writers interacted with his children. These letters reveal a father who wished for his children to share his interests—hunting, fishing, travel—and a son who was receptive to the experiences his father offered. Edited by and including an introduction by Patrick Hemingway's nephew Brendan Hemingway and his grandson Stephen Adams, and featuring a prologue and epilogue by Patrick reflecting on his father's legacy, *Dear Papa* is a loving and collaborative family project and a nuanced, fascinating portrait of a father and son.

**French Book-plates** Simon and Schuster

"In the course of fund-raising for civilian victims of World War I, Edith Wharton assembled this monumental benefit volume by drawing upon her connections to the era's leading authors and artists. The unique compilation forms a 'Who's Who' of early 20th century culture, featuring poetry, stories, illustrations, music and other contributions from scores of luminaries. ... Much of the text is presented in both English and French. Includes an Introduction

by former U. S. President Theodore Roosevelt."--

**The Old Man and the Sea** lePetitLitteraire.fr

"André Bazin (1918–58) is credited with almost single-handedly establishing the study of film as an accepted intellectual pursuit, as well as with being the spiritual father of the French New Wave. Among those who came under his tutelage were four who would go on to become the most renowned directors of the postwar French cinema: François Truffaut, Jean-Luc Godard, Jacques Rivette, and Claude Chabrol. Bazin can also be considered the principal instigator of the equally influential auteur theory: the idea that, since film is an art form, the director of a movie must be perceived as the chief creator of its unique cinematic style. André Bazin, the Critic as Thinker: American Cinema from Early Chaplin to the Late 1950s contains, for the first time in English in one volume, much if not all of Bazin's writings on American cinema: on directors such as Orson Welles, Charles Chaplin, Preston Sturges, Alfred Hitchcock, Howard Hawks, John Huston, Nicholas Ray, Erich von Stroheim, and Elia Kazan; and on films such as *High Noon*, *Citizen Kane*, *Rear Window*, *Limelight*, *Scarface*, *Niagara*, *The Red Badge of Courage*, *Greed*, and *Sullivan's Travels*. André Bazin, the Critic as Thinker: American Cinema from Early Chaplin to the Late 1950s also features a sizable scholarly apparatus, including a contextual introduction to Bazin's life and work, a complete bibliography of Bazin's writings on American cinema, and credits of the films discussed. This volume thus represents a major contribution to the still growing academic discipline of cinema studies, as well as a testament to the continuing influence of one of the world's pre-eminent critical thinkers."

[Hemingway](#) [Lepetitlittreire.Fr](#)

[This edition is in Chinese.] The best American novel to emerge from World War I, *A Farewell to Arms* is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Hemingway's frank portrayal of the love between Lieutenant Henry and Catherine Barkley, caught in the inexorable sweep of war, glows with an intensity unrivaled in modern literature, while his description of the German attack on Caporetto—of lines of fired men marching in the rain, hungry, weary, and demoralized—is one of the greatest moments in literary history. A story of love and pain, of loyalty and desertion, *A Farewell to Arms*, written when he was thirty years old, represents a new romanticism for Hemingway.

*Ernest Hemingway's A Farewell to Arms* Macmillan + ORM

Reverence for J. S. Bach's music and its towering presence in our cultural memory have long affected how people hear his works. In his own time, however, Bach stood as just another figure among a number of composers, many of them more popular with the music-loving public. Eschewing the great composer style of music history, Andrew Talle takes us on a journey that looks at how ordinary people made music in Bach's Germany. Talle focuses in

particular on the culture of keyboard playing as lived in public and private. As he ranges through a wealth of documents, instruments, diaries, account ledgers, and works of art, Talle brings a fascinating cast of characters to life. These individuals--amateur and professional performers, patrons, instrument builders, and listeners--inhabited a lost world, and Talle's deft expertise teases out the diverse roles music played in their lives and in their relationships with one another. At the same time, his nuanced re-creation of keyboard playing's social milieu illuminates the era's reception of Bach's immortal works.

It is a contemporary masterpiece."—San Francisco Chronicle Hailed by *The New Yorker* for its "remarkable achievements," *The Sport of Kings* is an American tale centered on a horse and two families: one white, a Southern dynasty whose forefathers were among the founders of Kentucky; the other African-American, the descendants of their slaves. It is a dauntless narrative that

stretches from the fields of the Virginia piedmont to the abundant pastures of the Bluegrass, and across the dark waters of the Ohio River; from the final shots of the Revolutionary War to the resounding clang of the starting bell at Churchill Downs. As C. E. Morgan unspools a fabric of shared histories, past and present converge in a Thoroughbred named Hellsmouth, heir to Secretariat and a contender for the Triple Crown. Newly confronted with one another in the quest for victory, the two families must face the consequences of their ambitions, as each is driven---and haunted---by the same, enduring question: How far away from your father can you run? A sweeping narrative of wealth and poverty, racism and rage, *The Sport of Kings* is an unflinching portrait of lives cast in the shadow of slavery and a moral epic for our time.

*L'adieu aux armes* Farrar, Straus and Giroux

In the fall of 1948, Ernest Hemingway made his first extended visit to Italy in thirty years. His reacquaintance with Venice, a city he loved, provided the inspiration for *Across the River and into the Trees*, the story of Richard Cantwell, a war-ravaged American colonel stationed in Italy at the close of the Second World War, and his love for a young Italian countess. A poignant, bittersweet homage to love that overpowers reason, to the resilience of the human spirit, and to the worldweary beauty and majesty of Venice, *Across the River and into the Trees* stands as Hemingway's statement of defiance in response to the great dehumanizing atrocities of the Second World War. Hemingway's last full-length novel published in his lifetime, it moved John O'Hara in *The New York Times Book Review* to call him "the most important author since Shakespeare."

Will O' the Wisp NEw York, C. Scribner

La réintégration des anciens combattants dans la vie civile constitue un enjeu majeur des périodes dites post-conflit. L'expérience prouve que les vétérans sont souvent impliqués dans le regain de la violence ou de la guerre. La démobilisation des hommes en armes est devenue aujourd'hui une préoccupation prioritaire pour les organisations internationales qui financent de nombreux programmes de DDR (Désarmement, Démobilisation, Réintégration). Dans une perspective sociologique, cet ouvrage, *L'adieu aux armes ?* s'intéresse aux trajectoires des anciens combattants, à leurs parcours individuels et collectifs, qu'il saisit "par le bas". Le contexte social et politique de la démobilisation des vétérans n'est pas sans incidence sur leurs trajectoires, notamment en ce qu'il façonne leurs opportunités de réintégration à la vie civile et leur statut dans les figures imaginaires de la cité.

*L'adieu aux armes* Scribner

Ernest Hemingway's classic novel of love during wartime. Written when Ernest Hemingway was thirty years old and lauded as the best American novel to emerge from World War I, *A Farewell to Arms* is the unforgettable story of an American ambulance driver on the Italian front and his passion for a beautiful English nurse. Set against the looming horrors of the battlefield, this gripping, semiautobiographical work captures the harsh realities of war and the pain of lovers caught in its inexorable sweep. Hemingway famously rewrote the ending to *A Farewell to Arms* thirty-nine times to get the words right. A classic novel of love during wartime, "*A Farewell to Arms* stands, more than eighty years after its first appearance, as a towering ornament of American

literature" (The Washington Times).

*A Farewell to Arms* Springer

Discusses American writer Ernest Hemingway and his novel *A Farewell to Arms*. Presents the background of the work, the history of its writing, the reception to it, and its reputation.

*L'immoraliste* Simon and Schuster

In *The Immoralist*, Andre Gide presents the confessional account of a man seeking the truth of his own nature. The story's protagonist, Michel, knows nothing about love when he marries the gentle Marceline out of duty to his father. On the couple's honeymoon to Tunisia, Michel becomes very ill, and during his recovery he meets a young Arab boy whose radiant health and beauty captivate him. An awakening for him both sexually and morally, Michel discovers a new freedom in seeking to live according to his own desires. But, as he also comes to find, freedom can be a burden. A frank defense of homosexuality and a challenge to prevailing ethical concepts, *The Immoralist* is a literary landmark, marked by Gide's masterful, pure, simple style.

*Rien qu'une femme* Simon and Schuster

A record of literary properties sold at auction in the United States.
