Giving The
Love That
Heals Simon
and Schuster
After the Affair
Harmony
The first-ever
book on Imago

Relationship
Therapy from
its creators
geared toward
therapists.
Developed by
Harville
Hendrix and
Helen LaKelly
Hunt in the
1980s, Imago
Relationship
Therapy helps
couples—and
everyone in
significant
relationships—

shift from
conflict to
connection by
transforming
the quality of
their
interactions.
Now, for the
first time, the
essential
principles and
practices of
Imago, as
illustrated in
the New York
Times
bestseller

Getting the Love You Want, are presented for the benefit of both novice and seasoned clinicians. Using the Imago processes, couples create a Conscious Partnership in which they feel safe, fully alive, and joyful, learning to be mutually empathic for each other's childhood challenges and present to each other without judgement. Hendrix and Hunt help couples learn and practice

Imago Dialogue, moving from blame and reactivity to mutual acceptance, affirmation, and empathy, thus deepening their connection. Joining theory and practice with elegance, and filled with examples, exercises, and dialogues, this is a book no couples therapist can afford to be without. *Klara and the Sun* HarperCollins The award-winning New York Times bestseller

about the extraordinary things that can happen when we harness the power of both the brain and the heart Growing up in the high desert of California, Jim Doty was poor, with an alcoholic father and a mother chronically depressed and paralyzed by a stroke. Today he is the director of the Center for Compassion and Altruism Research and Education (CCARE) at Stanford University, of

which the Dalai Lama is a founding benefactor. But back then his life was at a dead end until at twelve he wandered into a magic shop looking for a plastic thumb. Instead he met Ruth, a woman who taught him a series of exercises to ease his own suffering and manifest his greatest desires. Her final mandate was that he keep his heart open and teach these techniques to others. She gave him his

first glimpse of the unique relationship between the brain and the heart. Doty would go on to put Ruth's practices to work with extraordinary results—power and wealth that he could only imagine as a twelve-year-old, riding his orange Sting-Ray bike. But he neglects Ruth's most important lesson, to keep his heart open, with disastrous results—until he has the opportunity to make a spectacular

charitable contribution that will virtually ruin him. Part memoir, part science, part inspiration, and part practical instruction, *Into the Magic Shop* shows us how we can fundamentally change our lives by first changing our brains and our hearts. HarperCollins At the height of his show career, a beautiful Appaloosa became injured, and he moved from one owner to the next,

ultimately experiencing severe abuse and neglect. A rescue group found Joey nearly dead from starvation-- and blind. Then he came to Hope Reins, a ranch dedicated to helping kids who had been abused, emotionally wounded, or unwanted by teaching these children to care for rescued animals.mals.

Giving the Love that Heals

Carolrhoda Lab ®
From the New York Times

bestselling author of Getting the Love You Want and Keeping the Love You Find comes illuminating and inspiring advice on one of the most complicated issues facing couples today: receiving love. Many people know how to give love, but many more undermine their relationships by never having learned how to accept it. We don't always realize the ways in which we reject

appreciation, affection, help, and guidance from our romantic partners. According to Hendrix and Hunt, until we are able to understand the meaning behind our behavior, our relationships stand to suffer. Receiving Love prompts questions such as: -Are you reluctant to tell your partner what you really want or need? -When you do get what you've asked for, do you still feel dissatisfied? -

Is it difficult for you to accept kind gestures, gifts, or compliments from your partner? With *Receiving Love*, you can learn how to break the shackles of self-rejection and embrace real intimacy. Drawing on their renowned expertise, the wide clinical experience of Imago therapists, and their own personal experience as a married couple, the authors offer detailed, sensitive

advice on how to turn a relationship between two well-meaning yet misunderstood individuals into a true, everlasting partnership. [The Five Love Languages](#)
Macmillan
A young girl thirsts for love and freedom, but at what cost? Ruby dreams of escaping the Congregation. Escape from slaver Darwin West and his cruel Overseers. Escape from the backbreaking work of gathering

water. Escape from living as if it is still 1812, the year they were all enslaved. When Ruby meets Ford—an irresistible, kind, forbidden new Overseer—she longs to run away with him to the modern world where she could live a normal teenage life. Escape with Ford would be so simple. But if Ruby leaves, her community is condemned to certain death. She, alone, possesses the secret ingredient

that makes the water so special—her blood—and it's the one thing that the Congregation cannot live without. Drought is the haunting story of one community's thirst for life, and the dangerous struggle of the only girl who can grant it. If Ever I Should Love You Penguin "P.S. I Love You More Than Tuna is both a lighthearted celebration of the loving bond between human and cat, and a

touching meditation on the eternal nature of that love." —Jackson Galaxy, host of Animal Planet's *My Cat From Hell* An illustrated gift book for adults grieving a companion cat, celebrating the often-quirky bond between humans and felines. Our cats occupy a unique space in our hearts. When they're gone, the loss can be devastating, the grief profound. P.S. I Love You

More Than Tuna gives us an opportunity to give friends, loved ones, or ourselves tangible comfort during the grieving period, when so many of us feel isolated and misunderstood after a beloved pet dies. The author and illustrator (devoted cat lovers themselves) offer this book as a universal love letter from the felines we've bid goodbye to. It celebrates the special bonds

we forge with our four-legged companions and reminds us that their love for us—and ours for them—need never end.

Fierce Love
Simon and Schuster

Once upon a time there were three young ladies who, despite their fortunes, had been on the Marriage Mart a bit too long. They were known as the “Spinster Heiresses” . . . He’s inherited a title, but not a penny to speak of, so

the Earl of Rochdale knows he must find a wife—preferably one tolerably pretty and good-tempered, but definitely wealthy, and willing to exchange her fortune for his family name. His choice: Leonie Charnock, one of the season’s “Spinster Heiresses.” Years before, the earl had saved the dark-eyed beauty’s reputation, and she is still breathtakingly lovely, leading

Rochdale to hope that their marriage will be more than in name only. However, Leonie doesn’t want to be anyone’s wife. Nearly destroyed by the secrets in her past, Leonie agrees to their union with one condition: there will be a wedding but no bedding. But it’s a condition the new Countess Rochdale isn’t sure even she can keep . . .

Joey Harmony
Now you can have a word of encouragement

nt...a word of inspiration... a word of faith...every day of the year! Written by Kenneth and Gloria Copeland, From Faith to Faith daily devotional deals with real living. From their own experience, the Copelands know the fight of faith isn't won overnight. It s won little by little in the practical...

Fearless Living B&H Publishing Group
After the Affair teaches partners how to heal

themselves and grow from the shattering crisis of an infidelity. Drawing on thirty-five years as a clinical psychologist, Dr. Spring offers a series of original and proven strategies that address such questions as: Why did it happen? Once love and trust are gone, can we ever get them back? Can I—should I—recommit when I feel so ambivalent? How do we become sexually intimate again? Is

forgiveness possible? What constitutes an affair in cyberspace? Love Heals NavPress Discover the power, joy, and love of living a present, authentic, and intentional life despite a world full of distractions. If technology is the new addiction, then multitasking is the new marching order. We check our email while cooking dinner, send a text while bathing the

kids, and spend more time looking into electronic screens than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. Special education teacher, New York Times bestselling author, and mother Rachel Macy Stafford says enough is enough. Tired of losing track of what matters most in life, Rachel began

practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. Finding balance doesn't mean giving up all technology forever. And it doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. In

these pages, Rachel guides you through how to: Acknowledge the cost of your distraction Make purposeful connection with your family Give your kids the gift of your undivided attention Silence your inner critic Let go of the guilt from past mistakes And move forward with compassion and gratefulness So join Rachel and go hands-free. Discover what happens when you

choose to
open your
heart--and
your hands--to
the
possibilities of
each God-
given
moment.

*The Love
Mindset*
Piatkus Books

"For anyone
who's tired of
feeling angry,
depressed, or
hurt, this book
is a beacon of
hope! The
Love Mindset
is a guide to
healing
yourself, no
matter how
hopeless and
complicated
things seem
to be."

–Christina
Rasmussen,
bestselling
author of

Second Firsts
"As Vironika
shared her
own story, I
saw pieces of
myself and
pieces of the
people I care
about. Many
times the
book brought
me to tears
and I had to
put it down. It
was like
looking in the
mirror and
there was a
part of me
that was used
to not
looking."

–Elephant
Journal "If I
had two words
to describe
The Love
Mindset, they
would be:
fresh and
powerful. This
is because

when I read it,
something
grabbed hold
of me like it
was the first
time I'd seen a
book in 5
years!"

–Reuben
Lowe, *Mindful
Creation*

"Vironika
Tugaleva's
The Love
Mindset is an
authentic,
brave and
beautiful
guide to a
more loving
self and a
more loving
world. A great
gift of words
for anyone
searching for
the sacred
place of self-
acceptance,
self-
understanding
and self-love."

–Howard Falco, spiritual teacher and author of I AM: The Power of Discovering Who You Really Are "In the midst of turmoil, this book comes as a breath of fresh air."

–Readers' Favorite After a decade-long struggle with mental distress, addiction, eating disorders, and profound self-hatred, Vironika Tugaleva faced a choice: change or die. Reluctantly, she chose to change.

Nothing could have prepared her for what came next. Vironika's life as a suffering cynic ended when she found herself having a spiritual awakening. Drawing from first-hand experience, what Vironika says in this important and timely book isn't fanciful fluff or indoctrinating dogma. Her approach to healing, love, and spirituality is unconventional, deep, and refreshingly real. Winner of the Readers'

Favorite silver medal for best self-help book of 2013, The Love Mindset offers a surprisingly simple look at how we can heal our relationships with ourselves and with each other. If you feel like you're too broken to fix, hold out your last shred of hope and give Vironika a try. She won't disappoint you. She will teach you about the power of love, the purpose of life, and the potential of people united. She will show

you to
yourself.

relationship
with our
children,
regardless of
their age.
Harville
Hendrix and
Helen Hunt
help us
explore: The
Imago -- the
fantasy
partner that
our

unconscious mind constructs from those we loved as a child, a that has guided our search for a life partner
 Maximizer and Minimizer parents -- the defensive styles that internally shape what we say and how interact with our children
 A Parenting Process that helps to end the "cycle of wounding" -- the handing-down of wounding we received as children -- as we raise our own children

Safety, Support, and Structure -- how to give children what they really need from us
 Modeling Adulthood -- using our healed sense of self as a model for our children. With other practical, insightful approaches that can powerfully shape the parent-child bond, "Giving the Love that Heals" gives us the keys to helping our children to become healthy, responsible, and caring

people.
The Gift of Forgiveness
 Giving The Love That Heals
 'This book will teach you that healing by thought alone is not only possible, but it is a reality.' - Dr Joe Dispenza, New York Times bestselling author of Becoming Supernatural
 There is no longer any doubt that the way we think affects our bodies: countless scientific studies have shown this to be true. For former

pharmaceutical scientist Dr David Hamilton, the testing of new drugs highlighted how profoundly the mind and body are connected. Time and time again, the control group of patients in drug trials improved at similar rates to those who actually received the medicines. Astounded, Dr Hamilton decided to change the direction of his work to explore the relationship between the

mind and the body. This bestselling acclaimed book was first published 10 years ago. In it, Dr Hamilton explores the effect of visualization, belief and positive thinking on the body, and shows how using our imagination and mental processes can stimulate our own defences and healing systems to combat disease, pain and illness. In this new edition, Dr Hamilton has added four new chapters

to discuss the latest cutting-edge information and extraordinary new techniques. These include using imagery to stimulate the immune system - a method that can benefit cancer patients undergoing conventional treatment - effectively using the mind to speed up rehabilitation from stroke, and powerful visualization strategies to help facilitate recovery from injury and

illness.

**The
Summons of
Love**

Soulx Press
A New York
Times
bestseller and
enduring
classic, All
About Love is
the acclaimed
first volume in
feminist icon
bell hooks'
"Love Song to
the Nation"
trilogy. All
About Love
reveals what
causes a
polarized
society, and
how to heal
the divisions
that cause
suffering.
Here is the
truth about
love, and
inspiration to
help us instill

caring,
compassion,
and strength
in our homes,
schools, and
workplaces.
"The word
'love' is most
often defined
as a noun, yet
we would all
love better if
we used it as
a verb," writes
bell hooks as
she comes out
fighting and
on fire in All
About Love.
Here, at her
most
provocative
and intensely
personal,
renowned
scholar,
cultural critic
and feminist
bell hooks
offers a
proactive new
ethic for a

society bereft
with
lovelessness--
not the lack of
romance, but
the lack of
care,
compassion,
and unity.
People are
divided, she
declares, by
society's
failure to
provide a
model for
learning to
love. As bell
hooks uses
her incisive
mind to
explore the
question
"What is
love?" her
answers strike
at both the
mind and
heart. Razing
the cultural
paradigm that
the ideal love

<p>is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.</p> <p><i>Doing Imago</i></p>	<p><i>Relationship Therapy in the Space-Between: A Clinician's Guide</i> HarperCollins Sure to become a classic on female empowerment, a groundbreaking exploration of the personal, cultural, and global implications of intergenerational trauma created by patriarchy, how it is passed down from mothers to daughters, and how we can break this destructive cycle. Why do</p>	<p>women keep themselves small and quiet? Why do they hold back professionally and personally? What fuels the uncertainty and lack of confidence so many women often feel? In this paradigm-shifting book, leading feminist thinker Bethany Webster identifies the source of women's trauma. She calls it the Mother Wound—the systemic disenfranchisement of women by the</p>
---	--	--

patriarchy—and reveals how this cycle is perpetuated by wounded mothers who unconsciously pass on damaging beliefs and behaviors to their daughters. In her workshops, online courses, and talks, Webster has helped countless women re-examine their lives and their relationships with their mothers, giving them the vocabulary to voice their pain, and encouraging

them to share their experiences. In this manifesto and self-help guide, she offers practical tools for identifying the manifestations of the Mother Wound in our daily life and strategies we can use to heal ourselves and prevent our daughters from enduring the same pain. In addition, she offers step-by-step advice on how to reconnect with our inner child, grieve the mother we didn't have,

stop people-pleasing, and, ultimately, transform our heartache and anger into healing and self-love. Revealing how women are affected by the Mother Wound, even if they don't personally identify as survivors, Discovering the Inner Mother revolutionizes how we view mother-daughter relationships and gives us the inspiration and guidance we need to improve our lives and ultimately

create a more equitable society for all.

Keeping the Love You

Find Simon and Schuster
The authors bring us to a new understanding of the most profound love of all -- by helping parents nurture their own development as they encourage emotional wholeness in their children. -- Publishers description.
The Seven Laws of Love
Jessica Kingsley Publishers
Marriage

should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language- quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the

five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you

understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as

well as the weekly syndicated program Building Relationships with Gary Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and

translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! *Hope Heals* Island Press Shows how an enlightened relationship can lead to spiritual growth and personal healing and offers a life-changing program for doing so.
