HINTON ASHTYN

Christian Spirituality and Shamanism as Pathways for Wholeness and Understanding John Hunt Publishing

This is a remarkable quest for the elusive deer goddess led by Caroline Wise with contributions from Caitlin Matthews, Andrew Collins and others. With its rich harvest of words and ideas, it brings the figure of Elen into focus more than ever before. And what a dazzling figure she is; part goddess, part dream, part saint, a green lady and a water nymph, primordial mother and patroness of deer, and guardian of the Old Straight Tracks and solar alignments. Her name is remembered even in healing plants. If this book does nothing more (and it will surely do much more) it will encourage people to dig deeper into the loam of tradition to follow the footsteps of the divine Elen of the Ways. Elen is as real as the roads named after her, as solid as the ancient paths that carry her presence and story across vast tracts of Britain and the European continent and beyond. What an intriguing and exhilarating journey it is.

Mushroom-man Llewellyn Worldwide

An in-depth manual for practicing Fairy Witchcraft including theology, fairy lore, rituals, holidays, and magical practices. This book aims to pick up where Pagan Portals - Fairy Witchcraft leaves off and teach interested people the comprehensive practice of this system of honoring the Fair Folk and liminal Gods by blending the old Fairy Faith with modern paganism. Connecting with the Fairies Made Easy John Hunt Publishing A practical guide to shamanic ancestor work, inspired by Huna and supported by guided rituals and exercises • Explains how to heal traumatic experiences and old blockages that are stored in the memory of your lineage • Includes Hawaiian teachings about spiritual and genetic ancestors and reveals how to bond with your spirit family, your Aumakua • Shows how unlocking the support of your ancestors enables you to shine your light fully Knowing your ancestral lineage is not only a matter of curiosity, your life path will unfold with much more ease if you are aware and in harmony with your origins. Exploring the heritage of your bloodline as well as the energy of your spiritual family, which we are often less aware of, opens you up to enormous potential for healing and self-development. This practical guide explains, in a clear and straightforward way, how the energy field of our ancestors influences our personal lives and how we can draw from their strength as well as liberate ourselves from burdens that have been carried over generations. It helps us to lift the veil of forgetting and allow ourselves to fully shine our light, supported by the souls that came before us, by making peace with past

hurts and traumas. Drawing on the Huna Hawaiian shamanic tradition as well as other shamanic and energetic practices, the authors show how to connect with our Aumakua, our ancestors and higher self, which includes our close relatives, ancestors stretching back thousands of years, and our spiritual ancestors or karmic family. The authors offer practices to reconcile with our parents and spiritual family, uncover suppressed matters and family secrets, clear and charge our personal energy field and our family energy field, and awaken the potential of our bloodline. They explain how to perform an ancestor healing circle, carry out an ancestor release ritual, and offer blessings for children and grandchildren as well as providing meditative journeys to meet our ancestors, our spiritual family, and our spiritual roots in other realms. They also provide short case studies to illustrate how the rituals and exercises have worked for other people. By enacting ancestral healing, we can recognize who we are, where we come from, and truly fulfill our destiny in this life.

How to Critique Journal Articles in the Social Sciences John Hunt Publishing

It is time to reap the magick and abundance that has been bubbling under the surface and dive right in to stir the siren within, to uncover the inner treasure that is waiting to be revealed... Faeries of the seas, mermaids are alluring elementals who help to ignite your own sensuality and seductive powers, whether male or female, and harness your natural, powerful manifestation abilities. Discover how to tap into the magickal energy frequency of these empowering goddesses of the water to enhance every aspect of your life. The magick of mermaids is deep and nurturing; and because of their links with recovering sunken treasures and receiving coins for wishes, you can ask them to fill your inner storeroom with a bounty of riches. Mermaids remind you to follow the truth of your inner self, to awaken your deepest emotions and stimulate your compassion. Dive deep within and allow the magick of who you really are to finally surface as you swim toward your destiny.

An Irish Shamanic Path Earthdancer Books

Our world is fraught with problems that demand attention: climate change, terrorism, poverty, and injustice to name only a few. Healing the World takes the fundamental teachings of shamans—the healer of communities—and applies them to the problems of today, using terms and concepts that anybody, from business leaders to activists, can relate to and understand. It helps people identify their own gifts and find the pathways forward to using those gifts in the world, no matter what their occupation, civic activity, or interests.

Shaman Pathways - Web of Life Hay House, Inc

Following on from the author's successful book Shaman Pathways - Elen of the Ways, this is a practical handbook filled with tried-

and-tested exercises, journeys and experiential work for the reader to engage in. Essential reading for anyone wanting to begin the old British paths.

Finding Elen SAGE Publications

Bestselling author Elen Sentier looks at Merlin in history and mythology and considers his continuing relevance for people today. Best known as the wizard from the Arthurian stories, Merlin has been written about for well over 1000 years and is considered to be both a magical and historical figure. Over the centuries many people have had relationships with Merlin and in this book the author brings him to life for us once again in yet another way and from yet another perspective.

Shaman Pathways - The Celtic Chakras John Hunt Publishing

Awaken the bard within in this inspiring journey into your creative potential. Expanding upon the foundation of The Bardic Handbook, this volume explores the transformations the bardic initiate must go through to become a fully-fledged Bard. This originally took 12 years of study in the Bardic Colleges - but communities need bards right now, bringing healing and hope with their words and music and so the training process is accelerated over 12 months, echoing the 12 years of Taliesin's journey from Gwion Bach to the Shining Brow. Extracts from the author's notebooks and journals over 20 years illustrate his own journey - showing how this ancient wisdom has been gleaned and validated by powerful personal experience. The Way of Awen is a way of living creatively.

Pagan Portals - Your Faery Magic Simon and Schuster

Learn the overwhelming strength and calm that comes over you when you practice the ancient art of chanting. Chants of a Lifetime offers an intimate collection of stories, teachings, and insights from Krishna Das, who has been called "the chant master of American yoga" by the New York Times. Since 1994, the sound of his voice singing traditional Indian chants with a Western flavor has brought the spiritual experience of chanting to audiences all over the world. He has previously shared some of his spiritual journey through talks and workshops, but now he offers a unique book-with-audio download combination that explores his fascinating path and creates an opportunity for just about anyone to experience chanting in a unique and special way. Chants of a Lifetime includes photos from Krishna Das's years in India and also from his life as a kirtan leader—and the audio that is offered exclusively in the book consists of a number of "private" chanting sessions with the author. Instead of just being performances of chants for listening, the recordings make it seem as if Krishna Das himself is present for a one-on-one chanting session. The idea is for the listener to explore his or her own practice of chanting and develop a deepening connection with the entire chanting experience.

How to Critique Journal Articles in the Social Sciences, by Scott R. Harris, is a brief, introductory book that provides readers with a step-by-step guide to reading and understanding a social science research article. The author demonstrates the many strengths of social research, including its advantages over ordinary ways of knowing things, and, at the same time, points out that research is inevitably flawed. Rather than naively assuming that good research simply produces "The Truth" or cynically asserting that research is hopelessly biased and futile, this book instills in readers a critical perspective—one that appreciates the strengths and weaknesses of any piece of scholarship.

Once and Future Wizard John Hunt Publishing

What can Christianity learn from Shamanism? What can Shamanism learn from Christianity? The conversation starts here... Daniel L. Prechtel is an Episcopal priest who studies and applies Core Shamanism alongside Christian prayer practices. John R. Mabry is a United Church of Christ pastor and seminary professor who uses Core Shamanism techniques in his prayer. Katrina Leathers is a Core Shamanism Practitioner and interfaith seminary dean. All three authors are spiritual directors. Together, they write about the intersection of these two great traditions, and the powerful spiritual gifts they bring. *Soul Journeys: Christian Spirituality and Shamanism as Pathways for Wholeness and Understanding* introduces readers to Christian spirituality and Core Shamanism; and then draws on each author's knowledge and personal experiences to show readers the importance and reality of the spiritual realm in our everyday lives. In this book, you'll discover: -The similarities and differences between Core Shamanism and Christianity -The universe of both traditions, including upper and lower worlds -Christian spiritual practices for healing and discernment -Core Shamanism's healing methods and divination -Helping spirits that provide healing, and guidance -Unexpected resonances and breathtaking epiphanies -Practical wisdom for our daily spiritual lives *Soul Journeys* is a breath of fresh air, opening up new spiritual perspectives from ancient traditions. If you enjoy exploring the insights of other faiths, and then bringing those insights back to your own spiritual practice, you will love *Soul Journeys*. Buy *Soul Journeys* today and begin your next spiritual adventure!

Working with Elementals and Nature Spirits to Soothe the Body and Soul John Hunt Publishing

Work with the Trees of the Goddess and the old ways of Britain.

The Power Path Citadel Press

Reflecting sixteen years of intensive fieldwork, this book is a rich chronicle of the daily lives, belief systems, and healing rituals of four highly revered Tibetan shamans forced into exile by the Chinese invasion during the 1950s. Larry Peters lived and studied

closely with the shamans in Nepal, learning their belief system, observing and participating in their rituals, and introducing many dozens of students to their worldview. Including photographs of the shamans in ecstatic ritual and trance, this book—one of the most extensive ethnographic works ever done on Tibetan shamanism—captures the end of Tibetan shamanism while opening a window onto the culture and traditions that survived centuries of attack in Tibet, only to die out in Nepal. The violent treatment of shamans by the Buddhist lama has a long history in Tibet and neighboring Mongolia. At one point, shamans were burned at the stake. However, in the mountainous Himalayan terrain, especially in the difficult to reach areas geographically distant from the Buddhist monastic urban centers, shamans were respected and their work revered. Peters's authoritative and meticulous research into the belief systems of these last surviving representatives of the shamanic traditions of the remote Himalayas preserves, in vivid detail, the techniques of ecstasy, described as pathways to the shamanic spiritual world.

The Hollow Bone Weiser Books

Every single one of us lives our lives within a wheel, a circle, a hoop or a web and every single one of us can benefit from learning how to live our lives to the full within it. The problem though, for many of us, is that because we do not belong to the culture of a medicine wheel or wheel of direction, we find that the wheels do not really fit us or we have trouble connecting with or remembering the attributes. This book provides information, guidance and exercises to help readers find ways to connect with the web of life and weave their path within it.

The Medicine Bag Moon Books

What is Shamanism? is the product of a collaboration between eleven leading Shaman authors and practitioners each tasked with the discussion of a particular central aspect or theme. The result serves as both an excellent introduction to anyone coming to Shamanism for the first time and a stimulating read for the more experienced Shaman interested in engaging with contemporary thinking and debate. Edited by Trevor Greenfield, *What is Shamanism?* features essays from Dorothy Abrams, Elen Sentier, Hearth Moon Rising, Imelda Almqvist, Julie Dollman, Janet Gale, Jez Hughes, Kenn Day, Laura Perry, S. Kelley Harrell and Taz Thornton.

Vodou Shaman John Hunt Publishing

We've largely forgotten our ancient Celtic chakra heritage, indeed some people think there is no concept of chakras in the western tradition but this is not the case. The chakras are found throughout the mystery traditions all over the world, well known to our hunter-gather ancestors and the spirit keepers who led them. They are hidden deep in the ancient stories and myths of

Britain. This book leads you through the lore of Arianrhod and her Spinning Towers, the riddling Gaelic poem *The Cauldrons of Poesy*, the rainbow bridge of Brigid and the ways and caers of the ancient British reindeer goddess, Elen of the Ways. There are journeys, meditations and exercises to help you get the feel of the Celtic chakra system into your bones.

A New Way of Working with the Ogham John Hunt Publishing
British shamanism has largely been forgotten: the reindeer goddess of the ancient Boreal forest is shrouded in mystery...follow her deer-trods to rediscover her old ways.

Magickal Mermaids John Hunt Publishing

"The seabhean (pronounced 'sha-van') is the Irish female shaman, healer and seer, the woman who walks between the worlds." What if we didn't have to look to other traditions for our spiritual practice? What if we could connect to the roots of our own ancestors' rituals? Amantha Murphy was schooled in the ancient and hidden lore of wise women and healers, rooted in the Irish landscape and guarded over the years by her female forebears. In *The Way of the Seabhean*, she brings to life shamanic practices from the Irish tradition, combining story, ritual, energy teaching and the insights gathered from her own shamanic journeying. At its core lies the pre-Celtic understanding of the Tree of Life and the Wheel of the Year, containing the seasonal turning points such as Samhain and Imbolc, their attendant festivals and the role and powers of long-suppressed Irish goddesses. Along with the better-known goddesses, Medb, Brigid, Aine and the Cailleach, we also meet a pantheon that includes Taitiú, Boann, Macha, Tlachtga. These goddesses are archetypes, aspects of ourselves, which can help us to understand and embrace our many facets. Amantha's shamanic teaching in Ireland, the US and Canada has already opened the Way of the Seabhean to an eager audience.

Shaman Pathways - Aubry's Dog: Power Animals In Traditional Witchcraft Routledge

This is an essential tribute to the vitality and breadth of shamanic tradition both amongst the most distant tribes of America and Asia, and within seemingly ordinary aspects of modern western culture.

Soul Journeys iUniverse

Shaman, artist and author Elen Sentier writes, "I was first taught the trees of the goddess as a child. The old ones from the village would tell us about the tree, how it lives, what creatures it lives with, its whole environment. They would tell us stories then we would go to the tree and sit with it, listen to what it had to show and tell us. Later, we would ask it for a piece of its wood to make its spirit- home. These were rituals but all so natural and normal they were just a part of life and living for me as I grew up. TREES OF THE GODDESS will help you find your way of doing this."
