Elizabeth
George
delivers an
explosive,
"absolutely
riveting" novel
(Entertainmen
t Weekly) that
delves into
the events
leading up to
the shocking
murder of
Inspector
Lynley's wife.

The brutal,
inexplicable
death of
Inspector
Thomas
Lynley's wife,
Helen, has left
Scotland Yard
shocked and
searching for
answers. Even
more
horrifying is
that the
trigger was

apparently pulled by a twelve-year-old boy. That story begins on the other side of London in rough North Kensington, where the three, mixed-race, virtually orphaned Campbell children are bounced first from their grandmother to their aunt. The oldest, fifteen-year-old Ness, is headed for trouble as fast as her high-heeled boots will take her. That leaves the middle child, Joel, to care for the youngest,

Toby. No one wants to put it into words, but something clearly isn't right with Toby. Before long, there are signs that Joel himself has problems. A local gang starts harassing him and threatening his brother. To protect his family, Joel ends up making a pact with the devil—a move that leads straight to the front doorstep of Thomas Lynley. The anatomy of a murder, the story of a family in

crisis, *What Came Before He Shot Her* is a powerful and emotional novel, full of deep psychological insights, that only the incomparable Elizabeth George could write.

[An Easy Death](#)

Penguin
In a sweeping analysis of religion in the post-Civil War and twentieth-century South, *Freedom's Coming* puts race and culture at the center, describing southern Protestant cultures as both priestly

and prophetic: as southern formal theology sanctified dominant political and social hierarchies, evangelical belief and practice subtly undermined them. The seeds of subversion, Paul Harvey argues, were embedded in the passionate individualism, exuberant expressive forms, and profound faith of believers in the region. Harvey explains how black and white religious folk within and

outside of mainstream religious groups formed a southern "evangelical counterculture" of Christian interracialism that challenged the theologically grounded racism pervasive among white southerners and ultimately helped to end Jim Crow in the South. Moving from the folk theology of segregation to the women who organized the Montgomery bus boycott, from the hymn-inspired

freedom songs of the 1960s to the influence of black Pentecostal preachers on Elvis Presley, Harvey deploys cultural history in fresh and innovative ways and fills a decades-old need for a comprehensive history of Protestant religion and its relationship to the central question of race in the South for the postbellum and twentieth-century period.

Dante's Equation

New York Review of Books In the 1990s, the Personal Computer (or PC) was on the rise in homes, and with it came new genres of play. Yet most of the games in these new genres featured fantasylands or humorous science fiction landscapes with low stakes and little to suggest the potential of the PC as a serious space for art and play. Jane Jensen's work and landmark Gabriel Knight

series brought a new darkness and personality to PC gaming, offering a first powerful glimpse of what games could be as they came of age. As an author and designer, Jensen brought her approach as a designer-writer hybrid to the forefront of game design, with an approach to developing environments through detailed research to make game settings come to life, an

attention to mature dilemmas and complex character development, and an audience-driven vision for genres reaching beyond the typical market approaches of the gaming industry. With a brand new interview with Jensen herself, Anastasia Salter provides the first ever look Jensen's impact and role in advancing interactive narrative and writing in the game design process.

Quilt or Innocence
 NYU Press
 “Sheer entertainment ... Bennett infuses wit and an arch sensibility into her prose... This is not mere froth, it is pure confection.” —
 New York Times Book Review on *The Windsor Knot*
 Amateur detective Queen Elizabeth II is back in this hugely entertaining follow-up to the bestseller *The Windsor Knot*, in which Her Majesty must determine

how a missing painting is connected to the shocking death of a staff member inside Buckingham Palace. At Buckingham Palace, the autumn of 2016 presages uncertain times. The Queen must deal with the fallout from the Brexit referendum, a new female prime minister, and a tumultuous election in the United States—yet these prove to be the least of her worries when a staff member is

found dead beside the palace swimming pool. Is it truly the result of a tragic accident, as the police think, or is something more sinister going on? Meanwhile, her assistant private secretary, Rozie Oshodi, is on the trail of a favorite painting that once hung outside the Queen’s bedroom and appears to have been misappropriated by the Royal Navy. And a series of disturbing

anonymous letters have begun circulating in the palace. The Queen's courtiers think they have it all 'under control', but Her Majesty is not so sure. After all, though the staff and public may not be aware, she is the keenest sleuth among them. Sometimes, it takes a Queen's eye to see connections where no one else can. Kamala's Way UNC Press Books "The Brave Turtle (written

by B. D. Harris & illustrated by Megan Bird) is an illustrated children's chapter book of family, bravery, and with a great respect for our country's wild waters. Late one night, Sam rolls off her bed and splash! Her entire room has flooded! Not just her room, but the whole house is filling up with water as the world floods outside. Confused and cold, Sam is rescued by a wise, little turtle called Neville, who

takes her along the beautiful underwater highway, teaching her the ways of this watery world." --NSRI website. In the Land of Milk and Honey Penguin What would have happened if Hitler had won World War II? Authentically Black Ardent Media 2013 Finalist for the Lambda Literary Awards, LGBT Studies category Barton argues that conventional

Southern manners and religious institutions provide a foundation for homophobia in the Bible Belt. In the Bible Belt, it's common to see bumper stickers that claim One Man + One Woman = Marriage, church billboards that command one to "Get right with Jesus," letters to the editor comparing gay marriage to marrying one's dog, and nightly news about homophobic attacks from

the Family Foundation. While some areas of the United States have made tremendous progress in securing rights for gay people, Bible Belt states lag behind. Not only do most Bible Belt gays lack domestic partner benefits, lesbians and gay men can still be fired from some places of employment in many regions of the Bible Belt for being a homosexual. In *Pray the Gay Away*,

Bernadette Barton argues that the conventions of small town life, rules which govern Southern manners, and the power wielded by Christian institutions serve as a foundation for both passive and active homophobia in the Bible Belt. She explores how conservative Christian ideology reproduces homophobic attitudes and shares how Bible Belt gays negotiate these

attitudes in their daily lives. Drawing on the remarkable stories of Bible Belt gays, Barton brings to the fore their thoughts, experiences and hard-won insights to explore the front lines of our national culture war over marriage, family, hate crimes, and equal rights. *Pray the Gay Away* illuminates their lives as both foot soldiers and casualties in the battle for gay rights. Observations Penguin

J.M. Coetzee's latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. Since 1982, J. M. Coetzee has been dazzling the literary world. After eight novels that have won, among other awards, two Booker Prizes, and most recently, the Nobel Prize, Coetzee has once again crafted an unusual and deeply affecting tale. Told through

an ingenious series of formal addresses, Elizabeth Costello is, on the surface, the story of a woman's life as mother, sister, lover, and writer. Yet it is also a profound and haunting meditation on the nature of storytelling. *The Brave Turtle* Text Publishing "Sheer entertainment ... Bennett infuses wit and an arch sensibility into her prose... This is not mere froth, it is pure confection." -

New York Times Book Review “[A] pitch-perfect murder mystery... If The Crown were crossed with Miss Marple..., the result would probably be something like this charming whodunnit.” – Ruth Ware, author of One by One The bestselling first book in a highly original and delightfully clever crime series in which Queen Elizabeth II secretly solves crimes while carrying out her royal duties. It is

the early spring of 2016 and Queen Elizabeth is at Windsor Castle in advance of her 90th birthday celebrations. But the preparations are interrupted by the shocking and untimely death of a guest in one of the Castle bedrooms. The scene leads some to think the young Russian pianist strangled himself, yet a badly tied knot leads MI5 to suspect foul play. When they begin to

question the Household’s most loyal servants, Her Majesty knows they’re looking in the wrong place. For the Queen has been living an extraordinary double life ever since her teenage years as “Lilibet.” Away from the public eye and unbeknownst to her closest friends and advisers, she has the most brilliant skill for solving crimes. With help from her Assistant Private Secretary, Rozie Oshodi, a British

Nigerian officer recently appointed to the Royal Horse Artillery, the Queen discreetly begins making inquiries. As she carries out her royal duties with her usual aplomb, no one in the Royal Household, the government, or the public knows that the resolute Elizabeth won't hesitate to use her keen eye, quick mind, and steady nerve to bring a murderer to

justice. SJ Bennett captures Queen Elizabeth's voice with skill, nuance, wit, and genuine charm in this imaginative and engaging mystery that portrays Her Majesty as she's rarely seen: kind yet worldly, decisive, shrewd, and, most important, a superb judge of character.

Becoming Unbecoming
McClelland & Stewart
INSPIRED BY A TRUE STORY FROM THE CHILDHOOD

OF VICE PRESIDENT KAMALA HARRIS! A beautiful, empowering picture book about two sisters who work with their community to effect change, inspired by a true story from the childhood of the author's aunt, Kamala Harris, and mother, lawyer and policy expert Maya Harris. "A must read for little girls around the world."
—Elizabeth Warren, U.S. Senator from Massachusetts

“An inspiring tale.”
 —Stacey Abrams, Former Minority Leader, Georgia House of Representatives; Founder and Chair, Fair Fight Action “I love this book.”
 —Megan Rapinoe, Co-Captain, U.S. Women’s National Soccer Team
 One day, Kamala and Maya had an idea. A big idea: They would turn their empty apartment courtyard into a playground!
 This is the uplifting tale of how the author’s aunt and mother first learned to persevere in the face of disappointment and turned a dream into reality. This is a story of children’s ability to make a difference and of a community coming together to transform their neighborhood.
 A New York Times bestseller!
Mike Nichols
 RosettaBooks
 The 525 notable works of 19th and 20th century American fiction in this reference book have many stage, movie, television, and video adaptations. Each literary work is described and then every adaptation is examined with a discussion of how accurate the version is and how well it succeeds in conveying the spirit of the original in a different medium. In addition to famous novels and short stories by authors such as Nathaniel Hawthorne, F.

Scott Fitzgerald, and Willa Cather, many bestsellers, mysteries, children's books, young adult books, horror novels, science fiction, detective stories, and sensational potboilers from the past two centuries are examined. Kamala and Maya's Big Idea Vintage A bold, contemporary and urgent novel from a renowned Italian writer that examines silence in different forms,

immigration, family and social class. **Elizabeth Costello** Harper Collins In 1592, Sir Robert Carey, a handsome courtier, comes north to Carlisle to take up his new post as Deputy Warden of the West March. He has wangled his appointment to be nearer his true love, a married woman, and far from the gimlet eyes of his creditors and the disapproving eye of his father. Sir Robert is

quick to realize he won't see any perks from the job if he fails to keep the peace. Alas, he is quickly challenged by the murder of a local lad, the possible betrayal of a disappointed rival, the ire of the lady's husband, and the question of the horses – the hundreds of horses being stolen from all over the neighborhood. It's hard to say whether the greater danger lies without the city walls amidst the

scheming Scots – or within, amidst the unruly English garrison. *Freedom's Coming* Penguin A revelatory biography of the first Black woman to be elected Vice President of the United States. In *Kamala's Way*, longtime Los Angeles Times reporter Dan Morain charts how the daughter of two immigrants born in segregated California became one of this country's

most effective power players. He takes readers through Harris's years in the San Francisco District Attorney's Office, explores her audacious embrace of the little-known Barack Obama, and shows the sharp elbows she deployed to make it to the US Senate. He analyses her failure as a presidential candidate and the behind-the-scenes campaign she waged to land the Vice

President spot. And along the way, Morain paints a vivid picture of her family, values and priorities, as well as the missteps, risks and bold moves she's made on her way to the top. *Kamala's Way* is a comprehensive account of the Vice President-Elect and her history-making career.

Strangers I Know

Bloomsbury Publishing More than simply a vital collection development

tool, this book can help librarians help young adults grow into the kind of independent readers and thinkers who will flourish at college.

Outstanding Books for the College Bound
John Wiley & Sons
In the Retro Hugo Award-nominated novel that inspired the Syfy miniseries, alien invaders bring peace to Earth—at a grave price: “A first-rate tour de force” (The New York Times). In the near future,

enormous silver spaceships appear without warning over mankind’s largest cities. They belong to the Overlords, an alien race far superior to humanity in technological development. Their purpose is to dominate Earth. Their demands, however, are surprisingly benevolent: end war, poverty, and cruelty. Their presence, rather than signaling the end of humanity, ushers in a

golden age . . . or so it seems. Without conflict, human culture and progress stagnate. As the years pass, it becomes clear that the Overlords have a hidden agenda for the evolution of the human race that may not be as benevolent as it seems. “Frighteningly logical, believable, and grimly prophetic . . . Clarke is a master.” —Los Angeles Times

The Best Modern Novels

Random House Digital, Inc. A wealthy family tries--and fails--to seal themselves off from the chaos of post-World War II life surrounding them in this stunning novel by one of Germany's most important post-war writers. In East Prussia, January 1945, the German forces are in retreat and the Red Army is approaching. The von Globig family's manor house,

the Georgenhof, is falling into disrepair. Auntie runs the estate as best she can since Eberhard von Globig, a special officer in the German army, went to war, leaving behind his beautiful but vague wife, Katharina, and her bookish twelve-year-old son, Peter. As the road fills with Germans fleeing the occupied territories, the Georgenhof begins to receive strange visitors--a Nazi

violinist, a dissident painter, a Baltic baron, even a Jewish refugee. Yet in the main, life continues as banal, wondrous, and complicit as ever for the family, until their caution, their hedged bets, and their denial are answered by the wholly expected events they haven't allowed themselves to imagine. All for Nothing, published in 2006, was the last novel by Walter Kempowski, one of
