Top-selling outdoors writer Tom Stienstra covers the best camping in Washington state, including the Columbia River Gorge, Mount Rainier, the San Juan Islands, and Olympic National Park.

Stienstra provides easy-to-follow maps with driving directions to each campground, along with camping options from secluded alpine hike-ins to convenient roadside stopovers. Complete with expert tips on gear, safety and first aid, weather, and camping with kids, Moon Washington Camping gives travelers the tools they need to create a more personal and memorable camping experience.

Gibbs Smith

"A guide to enjoying winter camping in warmth and comfort. Complete guide to winter camping offers advice on selecting a four-season tent and constructing other types of shelter, maintaining personal hygiene and cooking the cold, choosing a sleep system and getting the right warm clothing to properly enjoy winter"--Back cover.

Welcome to the Writer's Life National Geographic Books

An insightful and powerful look at the magic of summer camp—and why it is so important for children to be away from home . . . if only for a little while. In an age when it's the rare child who walks to school on his own, the thought of sending your "little ones" off to sleep-away camp can be overwhelming—for you and for them. But parents' first instinct—to shelter their offspring above all else—is actually depriving kids of the major developmental milestones that occur through letting them go—and watching them come back transformed. In *Homesick and Happy*, renowned child psychologist Michael Thompson, PhD, shares a strong argument for, and a vital guide to, this brief loosening of ties. A great champion of summer camp, he explains how camp ushers your children into a thrilling world offering an environment that most of us at home cannot: an electronics-free

zone, a multigenerational community, meaningful daily rituals like group meals and cabin clean-up, and a place where time simply slows down. In the buggy woods, icy swims, campfire sing-alongs, and daring adventures, children have emotionally significant and character-building experiences; they often grow in ways that surprise even themselves; they make lifelong memories and cherished friends. Thompson shows how children who are away from their parents can be both homesick and happy, scared and successful, anxious and exuberant. When kids go to camp—for a week, a month, or the whole summer—they can experience some of the greatest maturation of their lives, and return more independent, strong, and healthy.

Mastering Camping Penguin UK

This book covers topics of interest to anyone who wants to work at startups:1. How do you get a job at a startup?2. How do I choose which startups to talk to?3. How does one approach interviewing at a startup?4. Once an offer is pending, how do I negotiate compensation?5. Once at a startup, what should I do to maximize any gains from my stock options?Drawing from 17 years of work at various pre-IPO corporations in Silicon Valley, the author provides answers to the above questions, including extensive examples, case studies and detailed background.

An Engineer's Guide to Silicon Valley Startups Penguin

You've worked hard, lived carefully, and saved diligently. You've reached major milestones and accumulated more assets than you dreamed possible, and yet you hesitate. ""Can I retire?"" This book will help answer that question by showing you.... The tools you need to live a secure and independent retirement, without worrying about money What you must know before leaving a career behind How much it will cost you to live in retirement, and how to manage your cash flow The current choices for retirement health care, including lesser-known but effective options The threat from inflation: two secrets that politicians and bankers will never admit A realistic assessment of the impact that income taxes will have on your retirement Social Security's role in your retirement: when you should claim and how much it's worth to you How to construct and manage an investment portfolio for income and growth in retirement About immediate annuities and why you need multiple sources of retirement income The key variables and unknowns in your retirement withdrawal equation Reviews of the best retirement calculators, and tips for how to use them accurately Beyond the simplistic 4% Rule to the latest research on safe withdrawal rates Realistic bracketing of your retirement savings needs, without over caution or overconfidence The history of economic cycles and the related asset classes for optimal retirement security A survey of strategies plus original research for how to orchestrate your retirement distributions A practical "retirement fuel gauge" alerting you to problems while you still have time to act Backup plans: the "lifeboat strategies" for ensuring you'll never be without essential income The 6 crucial questions to answer before you can retire The one, simple, powerful, non-financial reason that you can and should retire earlier than later

Two sisters, playing dress-up as a princess and her panther, embark on an extraordinary adventure in a book that brings to life the world of imagination. Full color.

The Camping Trip Rowman & Littlefield

Get away from it all— but keep eating well! When it comes time to head out on the trail with a tent in hand, or to hit the road for a rural weekend at the cabin or lake house, there's no reason to compromise on great food. It's easy to whip up delicious meals with *The Camp & Cabin Cookbook*—in addition to supply lists and prep work that can be done ahead of time, the instructions include options for cooking both outdoors over a roaring fire or indoors near a cozy hearth. Recipes include: Hasselback Sweet Potatoes Dutch Oven Lasagna Carne Asada Street Tacos Peach and Blueberry Cobbler *The Camp & Cabin Cookbook* is a feast for the eyes, with gorgeous photographs for every dish, from breakfast to snacks to dinner. These recipes are keepers, no matter where you enjoy them.

Fred and Ted Go Camping Tate Publishing

Your Ultimate Guide To Finding The Most Peaceful Campsites In The Eastern Sierra And Death Valley Do you like privacy when you're camping? Do you hate camping a few feet away from people who talk loud into quiet hours? Or maybe you don't want a neighbor's light blocking your view of the stars at night. On recreation.gov, it's impossible to know for sure exactly which campsites have the most privacy or are farthest away from the neighbors. Some campsites look like they're too close together, but they have a hill, rock formation, or lots of vegetation in between and have plenty of privacy. Other sites look like they're far apart, but they're in an open meadow in clear view of the neighbors. You might end up reserving a space you thought had lots of privacy only to discover your neighbors are a little too close for comfort. And for first-come, first-served campgrounds, knowing the location of the really good spots means you can beat the crowds to the choice campsites. That's why Kimberly and Patrick Wilkes looked at 3,416 campsites in the Eastern Sierra and Death Valley in order to find out which ones have the most privacy-then they critiqued and rated each privacy-worthy site. The most comprehensive camping travel guide for the Eastern Sierra and Death Valley, the book is the only one of its kind on the market because it describes the privacy of individual campsites, not just the campground as a whole. Kimberly and Patrick will help you carve out your own slice of serenity in the Eastern Sierra and Death Valley by showing you exactly which campsites are the most peaceful and private near Mammoth Lakes, June Lakes, Hope Valley, Sonora Pass, Twin Lakes/Bridgeport, Tuolumne Meadows, Convict Lake, Mount Whitney, Grandview Campground, Death Valley-and everything in between. Campers should buy this travel guide because: It will reduce your risk of camping too close to a loud neighbor because it points out the campsites that have lots of elbow room. When you buy this travel guide, you'll know how far away a given campsite is from its neighbors. While the book can't guarantee you'll be entirely out of sound's reach or that you'll never have a rowdy neighbor, it'll help you find a spot

that will minimize the noise-meaning you're more likely to get a good night's sleep and have a peaceful visit. It will make reserving a campsite on recreation.gov a lot easier. It will save you time because you won't have to scrutinize the map to figure out whether or not the neighboring campsite is too close or too visible. You'll know which campsite is the best choice for you, so that when you arrive you won't be disappointed that it's less private than you envisioned. You'll find out about two campsites where you never want to pitch a tent during the monsoonal rain-or risk waking up in a flood. You'll know which campsites are plagued by road noise-and which roadside campsites are so nice it may be worth bringing along ear plugs. Anglers will find out the best campsites where you can fish a few steps away from the picnic table. The handy guide at the end of the book lists each of these campsites. The paperback version features black and white photos of select campsites. The Kindle version features color photos for Kindles that have color capability. Eastern Sierra And Death Valley Camping With Privacy will save you the time of having to search for that perfect campsite because you'll know exactly which campground to visit first or which campsite to reserve online. If you like privacy while camping, this book will give you the peace of mind of knowing the campsite you reserved is exactly what you wanted, allowing you to relax and rejuvenate in one of the most beautiful places on the planet.

Complete Guide to Winter Camping FriesenPress

Introduce your toddler to camping with this colorful alphabet primer featuring themes from the great outdoors. An engaging collection of 26 illustrations featuring campground favorites from Campfires and Hammocks to S' mores and Wildlife. Illustrator Greg Paprocki's popular BabyLit alphabet board books feature his classically retro midcentury art style that's proven to be a hit with both toddlers and adults. He has illustrated several Curious George books, as well as previous books in the Little Leonardo series, the BabyLit alphabet book series, and *The Big Book of Superheroes* for Gibbs Smith. He resides in Lincoln, Nebraska.

Can I Retire Yet? Random House Books for Young Readers

The revised and updated edition of the bestselling guidebook that equips parents with all the confidence they need to embark on and enjoy the ultimate outdoor activity with their kids: camping. Written by a seasoned camper, adventurer, and mother of three, this book is a practical, irreverent introductory guide to all things camping. Helen Olsson writes from a parent's point of view, giving readers a clear plan—and plenty of encouragement—for an enjoyable family camping experience. Whether you're planning a simple outing, a multiday trek with babies or teens, or camping with several families, *Down and Dirty* has you covered. Each chapter features helpful checklists, including "Little Tykes" lists dedicated to items for babies and toddlers. The book focuses on car camping but nods to alternate ways to camp: backpacking, pull-behind campers, canoe/kayak trips, hut camping, and trips with pack animals. The second edition is updated to reflect the latest products, outdoor etiquette, and lifestyles. You'll have guidance on: choosing a destination packing gear and food setting up the campsite planning menus and staying safe This timeless camping resource addresses the myriad unique needs and concerns of parents and children.

Becoming Odysa Macmillan

Plan your family camping adventure! Whether you're a first-time camper or a veteran backpacker befuddled by the challenges of carting a brood—and all the requisite gear—into the great outdoors, here you'll find all the tips and tools you need to plan the perfect nature adventure with your family. Humorous and irreverent, yet always authoritative, this guide to camping with kids, from babies through pre-teens, is filled with checklists, smart tips, recipes, games, activities, and art projects. Helen Olsson, a seasoned camper and mother of three, shares lessons learned over the years of nature outings with her own family. Learn the basics of family camping, from choosing a destination and packing gear to setting up a campsite and keeping little ones safe. Create the perfect camp menu with simple and tasty recipe ideas. Discover foolproof tips and tactics for keeping kids happy and entertained while hiking. Explore nature through clever and creative camp arts and craft projects. This guide is your game plan to unplugging from the digital world and connecting your kids to nature. Whether it's roasting marshmallows around a crackling campfire or stretching out on a camp mat to gaze at the stars, the memories you'll be making will last a lifetime.

Homesick and Happy Shambhala Publications

For the first time since 1984, we have a new edition of the classic book that Field & Stream called

"the Hiker's Bible." For this version, the celebrated writer and hiker Colin Fletcher has taken on a coauthor, Chip Rawlins, himself an avid outdoorsman and a poet from Wyoming. Together, they have made this fourth edition of *The Complete Walker* the most informative, entertaining, and thorough version yet. The eighteen years since the publication of *The Complete Walker III* have seen revolutionary changes in hiking and camping equipment: developments in waterproofing technology, smaller and more durable stoves, lighter boots, more manageable tents, and a wider array of food options. The equipment recommendations are therefore not merely revised and tweaked, but completely revamped. During these two decades we have also seen a deepening of environmental consciousness. Not only has backpacking become more popular, but a whole ethic of responsible outdoorsmanship has emerged. In this book the authors confidently lead us through these technological, ethical, and spiritual changes. Fletcher and Rawlins's thorough appraisal and recommendation of equipment begins with a "Ground Plan," a discussion of general hiking preparedness. How much to bring? What are the ideal clothes, food, boots, and tents for your trip? They evaluate each of these variables in detail—including open, honest critiques and endorsements of brand-name equipment. Their equipment searches are exhaustive; they talk in detail about everything from socks to freeze-dried trail curries. They end as they began, with a philosophical and literary disquisition on the reasons to walk, capped off with a delightful collection of quotes about walking and the outdoor life. After a thoughtful and painstaking analysis of hiking gear from hats to boots, from longjohns to tent flaps, they remind us that ultimately hiking is about the experience of being outdoors and seeing the green world anew. Like its predecessors, *The Complete Walker IV* is an essential purchase for anyone captivated by the outdoor life.

The Best in Tent Camping Ballantine Books

Based on an episode of Llama Llama's animated Netflix series, this book is all about one of the most fun activities for little llamas (and kids): camping! Look out, world--Llama Llama is a TV star! The beloved character, made famous by Anna Dewdney's best-selling picture books, is the star of his own original series, now airing on Netflix. In this episode-based 8x8, Llama Llama goes camping for the very first time and learns a valuable lesson: what seems scary can actually be super-duper FUN! Your little llamas will love relating to their favorite picture book character as he faces new and challenging situations.

Camping in a Pop-up Camper Is Paradise StructureByDesign

Learn how to take your work to the next level with this informative guide on the craft, business, and lifestyle of writing With warmth and humor, Paulette Perhach welcomes you into the writer's life as someone who has once been on the outside looking in. Like a freshman orientation for writers, this book includes an in-depth exploration of all the elements of being a writer—from your writing practice to your reading practice, from your writing craft to the all-important and often-overlooked business of writing. In *Welcome to the Writer's Life*, you will learn how to tap into the powers of crowdsourcing and social media to grow your writing career. Perhach also unpacks the latest research on success, gamification, and lifestyle design, demonstrating how you can use these findings to further improve your writing projects. Complete with exercises, tools, checklists, infographics, and behind-the-scenes tips from working writers of all types, this book offers everything you need to jump-start a successful writing life.

Camping For Dummies Welcome to the Writer's Life

From Santa Cruz to Yosemite National Park, from the coastal bluffs to the Nevada border, Northern California is a spectacular location for tent camping. With such a staggering list of possibilities, a guide like *The Best in Tent Camping: Northern California* is a must-have. Offering at-a-glance information organized with a five-star rating system, the book lets outdoor enthusiasts quickly gauge the beauty, site privacy, and security of each listing. In addition, each write-up includes suggestions on the right time of year to visit, local amenities, and natural attractions. Whether pitching that tent in sandy beaches or the mountainous Sierra Nevada, this is the guide to consult.

The Down and Dirty Guide to Camping with Kids Menasha Ridge Press

Modern men are experiencing unprecedented levels of angst and anxiety. We're frustrated, stressed, burned out, and bored. We turn to work and wealth, busyness and distraction, alcohol and drugs and pornography. But none of it works. Because only one thing will bring us the joy, peace, purpose, and significance we desire: a relationship with the God of heaven. An intimate relationship, one that is real and true. But for that kind of relationship, we must embark on a journey to encounter Him personally. In his new book *Odyssey*, Justin Camp offers a practical,

scriptural field guide for men who are ready to walk this ancient path. The book is built around six short biographies, real-life stories of great American astronauts. These nano-histories will engage readers' curiosity and inspire them to undertake epic quests of their own. This book is for scouts and prospectors, for explorers and pilgrims. It is for men who want to experience more and a better life than any of us ever thought possible.

[The Complete Walker IV](#) Xspurts.com

Fred and Ted—beloved canine stars of P. D. Eastman's Big Dog . . . Little Dog—are back in an all-new Beginner Book written and illustrated by P. D.'s son, Peter Eastman! In this story Fred and Ted go camping, and as usual, their uniquely different approaches to doing things (such as packing equipment, setting up camp, and fishing techniques) have humorous—and sometimes

surprising—results. A charming introduction to opposites that beginner readers will find ruff to put down! Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of *The Cat in the Hat*, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3–7.

The Best in Tent Camping: Northern California David C Cook

Our mission was to get dropped off and walk about 4 clicks around and up and down and sideways (you get the picture) to our rally point. We were setting in an ambush. See, we go out and give the locals rice, blankets, beans, backpacks, etc. The tallytards come like a lunchtime bully and beat up the elder and burn everything we give them.' -Sgt Jordan Kriner When a soldier goes to war, it

becomes a mission not only for himself and his brothers in arms but for the mothers, fathers, families, and communities that he leaves at home. Jordan Kriner followed a different path to the military than most. At twenty-four years old, he determined that his destiny was in service to his country, just as it had been for both his parents. Theresa Kriner knew she could not change her son's mind. The military was going to take her son and make him into a soldier. Her job would be to keep him human. Through the letters and reflections of the Kriner family, *Your Personal Soldier* is the revealing story of a man at war and the family, friends, churches, and communities left behind. As Sergeant Kriner fights for freedom on the frontlines of Afghanistan, his family is left to try to continue living a 'normal' life in the most abnormal of circumstances. Sometimes gritty, sometimes heartfelt, *Your Personal Soldier* describes the true toll of war.
