Ian Copland's aim in this book is to explain why, during the colonial period, the erstwhile Indian 'princely' states experienced per capita significantly less Muslim-Sikh and Muslim-Hindu communal violence than the provinces of British India, and how the enviable situation of the states in this respect became eroded over time. His answers to these questions shed new light on the growth of popular organisations in princely India, on relations between the Hindu and Sikh princes and the communal parties in British India, and on governance as a factor in communal riot production and prevention.

In his twisty, gritty, profoundly moving New York Times bestselling-debut—also called “mandatory reading” and selected as an Editors' Choice by the New York Times—Adam Silvera brings to life a charged, dangerous near-future summer in the Bronx. In the months after his father's suicide, it's been tough for sixteen-year-old Aaron Soto to find happiness again—but he's still gunning for it. With the support of his girlfriend Genevieve and his overworked mom, he's slowly remembering what that might feel like. But grief and the smile-shaped scar on his wrist prevent him from forgetting completely. When Genevieve leaves for a couple of weeks, Aaron spends all his time hanging out with this new guy, Thomas. Aaron's crew notices, and they're not exactly thrilled. But Aaron can't deny the happiness Thomas brings or how Thomas makes him feel safe from himself, despite the tensions their friendship is stirring with his girlfriend and friends. Since Aaron can't stay away from Thomas or turn off his newfound feelings for him, he considers turning to the Leteo Institute's revolutionary memory-alteration procedure to straighten himself out, even if it means forgetting who he truly is. Why does happiness have to be so hard? “Silvera managed to leave me smiling after totally breaking my heart. Unforgettable.” —Becky Albertalli, author of *Simon vs. The Homo Sapiens Agenda* “Adam Silvera explores the inner workings of a painful world and he delivers this with heartfelt honesty and a courageous, confident hand . . .
