For fans of *The Invisible Life of Addie LaRue* and *Life After Life*, a poignant genre-bending debut

novel about a man and woman who must discover why they continue to meet in different versions of their lives—a thrilling and imaginative exploration of the infinite forms of love and how our choices can change everything. Thora and Santi have met before. Two strangers in a foreign city, Thora and Santi meet in a chance encounter. At once, they recognize in each other a kindred spirit—someone who is longing for more in life than the cards they’ve been dealt. Before their

friendship can blossom, though, a tragic accident cuts their story short. They will meet again. But this is only one of the many connections they share. Like satellites trapped in orbit around each other, Thora and Santi will find each other again: as husband and wife; teacher and student; caretaker and patient; cynic and believer. In recurring lifetimes they become friends, partners, lovers, and enemies. Only they can make sure it’s not for the last time. As strange patterns and

blurred memories compound, Thora and Santi come to a shocking revelation. They must work together to discover the true reason behind their repeating realities . . . before their many lives come to one, final end.

"Catriona is an outstanding blend of past and present that makes for inspiring and irresistible reading." --RT Book Reviews "Catriona Рипол Классик Classics for Your Collection: goo.gl/U80LCr ----- Catriona (also known as David Balfour) is an 1893 novel written by Robert Louis Stevenson as a sequel to his earlier novel Kidnapped (1886). It

tells the further story of the central character, David Balfour. The book begins precisely where Kidnapped ends, at 2 PM on 25 August 1751, outside the British Linen Company in Edinburgh, Scotland. The first part of the book recounts the attempts of the hero, David Balfour, to gain justice for James Stewart (James of the Glens), who has been arrested and charged with complicity in the Appin Murder. David makes a statement to a lawyer and goes on to meet William Grant of

Prestongrange, the Lord Advocate of Scotland, to press the case for James' innocence. However, his attempts fail as - after being reunited with Alan Breck - he is once again kidnapped and, this time, confined on the Bass Rock, an island in the Firth of Forth, until the trial is over, and James condemned to death. David also meets and falls in love with Catriona MacGregor Drummond, the daughter of James MacGregor Drummond, known as James More (who was Rob Roy's

eldest son), also held in prison, whose escape she engineers. David also receives some education in the manners and morals of polite society from Barbara Grant, Prestongrange's daughter. In the second part, David and Catriona travel to Holland, where David studies law at the University of Leyden. David takes Catriona under his protection (she having no money) until her father finds them. James More eventually arrives and proves something of a

disappointment, drinking a great deal and showing no compunction against living off David's largesse. At this time, David learns of the death of his uncle Ebenezer, and thus gains knowledge that he has come into his full, substantial inheritance. David and Catriona, fast friends at this point, begin a series of misunderstandings that eventually drive her and James More away, though David sends payment to James in return for news of Catriona's welfare. James and Catriona find

their way to Dunkirk in northern France. Meanwhile, Alan Breck joins David in Leyden, and he berates David for not understanding women. Prodded thus, and at an invitation from James More, David and Alan journey to Dunkirk to visit with James and Catriona. They all meet one evening at a remote inn and discover the following day that James has betrayed Alan (falsely convicted of the Appin murder) into the hands of a British warship anchored near the shore. The British

attempt to capture Alan, who flees with David and Catriona, now reconciled and shamed by James More's ignominy. The three flee to Paris, where David and Catriona are married. James More dies from an illness, and David and Catriona return to Scotland to raise a family. Filled with memorable characters and the hilarity, insight, and heartbreak of their genuineness as they face the infamous kidnapping, desertion, and having to run with their lives, Kidnapped and Catriona

are an excellent choice for readers who enjoy historical fiction and romance, Scottish and British history, and action/adventure.

Visit us online at www.1stWorldLibrary.ORG - - It is the fate of sequels to disappoint those who have waited for them; and my David, having been left to kick his heels for more than a lustre in the British Linen Company's

office, must expect his late re-appearance to be greeted with hoots, if not with missiles. Yet, when I remember the days of our explo-rations, I am not without hope. There should be left in our native city some seed of the elect; some long-egged, hot-headed youth must repeat to-day our dreams and wanderings of so many years ago; he will relish the pleasure, which should have been ours, to follow among named streets and numbered houses the

country walks of David Balfour, to identify Dean, and Silvermills, and Broughton, and Hope Park, and Pilrig, and poor old Lochend - if it still be standing, and the Figgate Whins - if there be any of them left; or to push (on a long holiday) so far afield as Gillane or the Bass. So, perhaps, his eye shall be opened to behold the series of the generations, and he shall weigh with surprise his momentous and nugatory gift of life. You are still - as when first I saw, as when I last addressed you - in the

venerable city which I must always think of as my home. And I have come so far; and the sights and thoughts of my youth pursue me; and I see like a vision the youth of my father, and of his father, and the whole stream of lives flowing down there far in the north, with the sound of laughter and tears, to cast me out in the end, as by a sudden freshet, on these ultimate islands. And I admire and bow my head before the romance of destiny.
