Darling Child Createspace Independent Publishing Platform
 Giles Lytton Strachey was a British writer and critic and was also one of the founding members of the Bloomsbury Group which included other great authors such as Virginia Woolf, E.M. Forster, and John Maynard Keynes. Strachey is best known for writing *Eminent Victorians* and an award-winning biography on Queen Victoria. Strachey wrote what is considered the most famous biography on Queen Victoria. The book, published in 1921, provides major insight into the great monarch's life.

Queen Victoria : Born to Succeed Sutton Publishing
 Queen Victoria and Albert, the Prince Consort, had nine children who, despite their very different characters, remained a close-knit family. Inevitably, as they married into European royal families their loyalties were divided and their lives dominated by political controversy. This is not only the story of their lives in terms of world impact, but also of personal achievements in their own right, individual contributions to public life in Britain and overseas, and as the children of Queen Victoria and the Prince Consort.

Queen Victoria at Windsor and Balmoral
Atheneum Books

« Daisy Goodwin parvient à créer du suspense en donnant vie à Victoria à partir de ses lettres et son journal intime, tout en rendant justice à l'esprit et à l'indépendance qui ont fait de cette reine l'un de nos plus grands monarques. » The Times « Pétillant et plein de charme... Une lecture délicieuse et pleine d'esprit. » The Sunday Times « À mes yeux, Madame, vous êtes en tout une reine. » Alors qu'elle vient tout juste d'avoir dix-huit ans, Alexandrina Victoria devient reine de Grande-Bretagne et d'Irlande. Dès lors, la jeune souveraine surprend tout le monde : elle abandonne son prénom détesté pour adopter celui de Victoria, insiste pour avoir ses propres appartements et est déterminée à rencontrer ses ministres seul à seul. L'un d'entre eux, Lord Melbourne, devient très vite son secrétaire particulier. Il aurait peut-être pu devenir davantage... si tout le monde n'avait pas soutenu que la reine devait épouser son cousin, le taciturne prince Albert. Mais ce que Victoria ignore encore c'est qu'en amour comme en politique, il ne faut pas se fier aux apparences. Une nouvelle fresque pour tous les inconditionnels de Downton Abbey ! Victoria est diffusé sur ITV, avec un scénario écrit par Daisy Goodwin. Parfait pour les fans d'épopées comme Guerre et Paix, Poldark ou Grantchester... Mot de l'éditeur : Tirant parti des journaux intimes de Victoria et de son indiscutable talent à donner vie à l'Histoire, Daisy Goodwin nous révèle l'intériorité de la

jeune reine de manière plus riche que jamais dans ce magnifique roman. « Un excellent roman historique et un nouveau talent majeur. » Sunday Express « Délicieux, intelligent et incroyablement prenant. » Elizabeth Buchan « Un récit tout à fait évocateur de la période et qui vous happe vraiment. » Woman & Home « Une roman intelligent et divertissant. » Good Housekeeping « Des personnages incroyablement bien dessinés, des détails historiques exquis... une lecture pétillante. » Elizabeth Buchan « Un travail de documentation irréprochable, un souci du détail parfait, et l'impressionnante Victoria prend vie sous nos yeux. » Sunday Mirror « Daisy Goodwin démontre sa capacité admirable à mêler l'étendue de ses connaissances sur la période à ses talents de conteuse. » The Sunday Times « Meticuleusement documenté et narré de main de maître, voici le parfait divertissement de cet hiver. » Mail on Sunday « Captivant et passionnant. » My Weekly

Queen Victoria Grupo Ilhsa S.A.

"...Compiled from twenty-eight letters of Princess Victoria of Prussia to her widowed mother the Empress Frederick to form a day-to-day record of Queen Victoria's life at Windsor and Balmoral during one, short precise period of time--the hot month of June, 1889, two years after the Golden Jubilee..."--Taken from Dust jacket.

Queen Victoria Wentworth Press
Queen Victoria is the longest-reigning monarch in British history. In this concise biography, Lady Longford, long recognised as an authority on the subject, gives a full account of Queen Victoria's life and provides her unique assessment of the monarch. David Cannadine hailed her Victoria RI as 'pre-eminent in the genre...the commissioned biography that the great Queen never got'. Victoria ascended the throne in 1837 on the death of her uncle William IV. In 1840, she married her first cousin, Prince Albert of Saxe-Coburg-Gotha, and for the next twenty years they were inseparable. Their descendants were to succeed to most of the thrones of Europe. When Albert died in 1861, Victoria's overwhelming grief meant that she virtually withdrew from public life. This perceived dereliction of her duty, coupled with rumours about her relationship with her Scottish ghillie John Brown, led to increasing criticism. Coaxed back into the public eye by Disraeli, she resumed her former enthusiasm for political and constitutional matters with vigour until her death in 1901.

Victoria The History Press

This volume presents a pictorial biography of Queen Victoria, monarch of the United

Kingdom from 1837 until her death in 1876. The author paints a portrait of a human with weaknesses, motivations, strengths, and struggles. The reader sees the Queen in relationships that become history and see the impact of her personality in making decisions. The story provides an understanding of places in the lives of the royal family that continue today, namely Balmoral, and also provides a glimpse at the royal family culture that can be seen in current events. The author examines Victoria's life from childhood to death, exploring Victoria's relationships, both personal and professional.

The Letters of Queen Victoria : A Selection from Her Majesty's Correspondence By Victoria, Queen of Great Britain

The Early Years of the Prince Consort

Queen Victoria This study of the childhood, marriage, and reign of England's beloved queen reveals a tender but determined woman. Queen Victoria

On November 6, 1817, died the Princess Charlotte, only child of the Prince Regent, and heir to the crown of England. Her short life had hardly been a happy one. By nature impulsive, capricious, and vehement, she had always longed for liberty; and she had never possessed it. She had been brought up among violent family quarrels, had been early separated

from her disreputable and eccentric mother, and handed over to the care of her disreputable and selfish father. When she was seventeen, he decided to marry her off to the Prince of Orange; she, at first, acquiesced; but, suddenly falling in love with Prince Augustus of Prussia, she determined to break off the engagement.

AN HISTORICAL CLASSIC Queen Victoria is a wonderful of the monarch who reigned during the 19th century. DETAILS: Includes the Original Illustrations

EARLY YEARS OF HIS ROYAL HIGHN

Createspace Independent Publishing Platform

Who was the person behind the legends and the myths that have always surrounded Queen Victoria? To answer that question--and to create his full-scale portrait--Giles St. Aubyn has concentrated on her relationships with her family, her ministers, and even her servants. What emerges is a fascinating picture of an honest and courageous woman.

Queen Victoria Hauteville

"Je ferai de mon mieux..." C'est par ces mots qu'à l'âge de onze ans, lorsque Victoria découvrit qu'elle succéderait à son oncle Guillaume IV sur le trône britannique, elle accepta le destin qui était le sien. Point d'exultation, point de fanfaronnade à l'idée de régner, mais une ferme résolution qui n'ignorait ni les difficultés ni la grandeur de la tâche. Pourtant, quand en 1837, tout juste âgée de dix-huit ans, elle devint reine du Royaume-Uni, elle tint à monter seule sur le trône, rejetant l'influence de sa mère et des conseillers que celle-ci cherchait à lui

imposer. Forte du soutien éclairé de son mari le prince Albert, bientôt mère d'une très nombreuse famille, c'est avec passion qu'elle exerça son métier de reine, n'épargnant aucun effort pour exalter le rayonnement de la monarchie constitutionnelle et exercer un pouvoir politique réel. Victoria, impératrice des Indes, "grand Mère de l'Europe", a régné plus longtemps qu'aucun autre monarque britannique à ce jour, tant et si bien que son image se confond avec celle de son siècle. Il se peut qu'on ne voie plus guère en elle que la monumentale icône d'un Empire britannique à la gloire désormais désuète. Pourtant, Victoria était un personnage complexe, plein d'étonnantes contradictions. C'est la vie surprenante de cette femme au caractère bien trempé, souvent exaltée derrière une façade volontairement austère, que Joanny Moulin nous invite à découvrir. En racontant la vie de Victoria, il fait revivre sous nos yeux un siècle d'histoire britannique.

QUEEN VICTORIA (Annotated)

Hardpress Publishing

This is a selection from the private correspondence between Queen Victoria and her eldest daughter, Victoria, Crown Princess of Prussia and subsequently German Empress and the mother of Kaiser Wilhelm II. Mixing politics with domesticity, the letters have been selected to make a continuous narrative of events from the Bulgarian crisis of 1886 to the South African War of 1900, against the background of the correspondents' daily lives. The selection covers the years between 1886 and 1901 and concentrates on the daily lives of the two women, on

the political events of the day and on their reactions of subjects as diverse as the assassination of Elizabeth, Empress of Austria, the character of Bismarck, the pleasures of shopping, the Dreyfus affair, and endless royal betrothals, weddings, births and funerals. Available for the first time in paperback, the volume includes an informative introduction and notes, as well as a list of the family names encountered in the letters, including familiar names.
