Chosen Ones HarperCollins

"Sharp, brilliantly plotted, and totally engrossing."--KAREN M. MCMANUS, New York Times bestselling author of *One of Us Is Lying* "A crafty, dark, and disturbing story."--KATHLEEN GLASGOW, New York Times bestselling author of *Girl In Pieces* "A little bit *Riverdale* and a little bit *Veronica Mars*."--RILEY SAGER, bestselling author of *Final Girls* A Goodreads Best Young Adult Book of the Year Nominee From the author of *The Darkest Corners* and *Little Monsters* comes an all-new edge-of-your-seat thriller set in upstate New York about an eerie sequence of seemingly unrelated events that leaves five cheerleaders dead. There are no more cheerleaders in the town of Sunnybrook. First there was the car accident--two girls dead after hitting a tree on a rainy night. Not long after, the murders happened. Those two girls were killed by the man next door. The police shot him, so no one will ever know his reasons. Monica's sister was the last cheerleader to die. After her suicide, Sunnybrook High disbanded the cheer squad. No one wanted to be reminded of the girls they'd lost. That was five years ago. Now the faculty and students at Sunnybrook High want to remember the lost cheerleaders. But for Monica, it's not that easy. She just wants to forget. Only, Monica's world is starting to unravel. There are the letters in her stepdad's desk, an unearched, years-old cell phone, a strange new friend at school. . . . Whatever happened five years ago isn't over. Some people in town know more than they're saying. And somehow, Monica is at the center of it all. There are no more cheerleaders in

Sunnybrook, but that doesn't mean anyone else is safe. More Praise for Kara Thomas: "Gripping from start to finish . . . with twists that left me shocked."--

VICTORIA AVEYARD, #1 New York Times bestselling author of *Red Queen* "You'll be up all night tearing through the pages."--BUSTLE "This deliciously deceptive thriller...is a must-have."--SLJ Momentum, Direction, and Divergence Katherine Tegen Books

Globally bestselling Divergent author Veronica Roth delivers a breathtaking fantasy featuring an unusual friendship, an epic love story, and a galaxy-sweeping adventure. #1 New York Times bestseller * Wall Street Journal bestseller * USA Today bestseller * #1 IndieBound bestseller Praise for *Carve the Mark*:

"Roth skillfully weaves the careful world-building and intricate web of characters that distinguished *Divergent*." —VOYA (starred review) "Roth offers a richly imagined, often brutal world of political intrigue and adventure, with a slow-burning romance at its core." —ALA Booklist Cyra Noavek and Akos Kereseth have grown up in enemy countries locked in a long-standing fight for dominance over their shared planet.

When Akos and his brother are kidnapped by the ruling Noavek family, Akos is forced to serve Cyra, the sister of a dictator who governs with violence and fear. Cyra is known for her deadly power of transferring extraordinary pain unto others with simple touch, and her tyrant brother uses her as a weapon against those who challenge him. But as Akos fights for his own survival, he recognizes that Cyra is also fighting for hers, and that her true gift—resilience—might be what saves them both. When Akos and Cyra are caught in the middle of a raging rebellion, everything they've been led to believe about their world and

themselves must be called into question. But fighting for what's right might mean betraying their countries, their families, and each other. When the time comes, will they choose loyalty or love? And don't miss *The Fates Divide*, Veronica Roth's powerful follow-up novel!

Allegiant Katherine Tegen Books

This book examines the recent popularity of the dystopian genre in literature and film, as well as connecting contemporary manifestations of dystopia to cultural trends and the implications of technological and social changes on the individual and society as a whole.

Dystopia, as a genre, reflects our greatest fears of what the future might bring, based on analysis of the present. This book connects traditional dystopian works with their contexts and compares these with contemporary versions. It centers around two main questions: Why is dystopia so popular now? And, why is dystopia so popular with young adult audiences? Since dystopia reflects the fears of society as a whole, this book will have broad appeal for any reader, and will be particularly useful to teachers in a variety of settings, such as in a high school or college-level classroom to teach dystopian literature, or in a comparative literature classroom to show how the genre has appeared in multiple locales at different times. Indeed, the book's interdisciplinary nature allows it to be of use in classes focussing on politics, bioethics, privacy issues, women's studies, and any number of additional topics.

Four: The Initiate Harper Collins

From James Dashner, author of the #1 New York Times bestselling MAZE RUNNER series, comes the second book in the bestselling Mortality Doctrine series, an edge-of-your-seat cyber-adventure trilogy that includes *The Eye*

of Minds and *The Game of Lives*.

Includes a sneak peek of *The Fever Code*, the highly anticipated conclusion to the Maze Runner series—the novel that finally reveals how the Maze was built! Michael thought he understood the VirtNet, but the truth he discovered is more terrifying than anyone at VirtNet Security could have anticipated. The cyber terrorist Kaine isn't human. It's a Tangent, a computer program that has become sentient. And Michael just completed the first step in turning Kaine's master plan, the Mortality Doctrine, into a reality. The Mortality Doctrine will populate Earth entirely with human bodies harboring Tangent minds. The VNS would like to pretend the world is perfectly safe, but Michael and his friends know that the takeover has already begun. And if they don't stop Kaine soon, it will be game over for humanity. Praise for the Bestselling MORTALITY DOCTRINE Series: "Dashner takes full advantage of the Matrix-esque potential for asking 'what is real.'" —io9.com

"Set in a world taken over by virtual reality gaming, the series perfectly capture[s] Dashner's hallmarks for inventiveness, teen dialogue and an ability to add twists and turns like no other author." —MTV.com "A brilliant, visceral, gamified mash-up of *The Matrix* and *Inception*, guaranteed to thrill even the non-gaming crowd." —Christian Science Monitor

Divergent HarperCollins UK

This first book in Veronica Roth's #1 New York Times bestselling *Divergent* series of books is the novel that inspired the major motion picture starring Shailene Woodley, Theo James, and Kate Winslet. This dystopian series set in a futuristic Chicago has captured the hearts of millions of teen and adult readers. Perfect for fans of the *Hunger Games*

and Maze Runner series, *Divergent* and its sequels, *Insurgent* and *Allegiant*, are the gripping story of a dystopian world transformed by courage, self-sacrifice, and love. Fans of the *Divergent* movie will find the book packed with just as much emotional depth and exhilarating action as the film, all told in beautiful, rich language. One choice can transform you. Beatrice Prior's society is divided into five factions—Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!*

Critical Theory Today Simon and Schuster

The often-tortured class weirdo has disappeared, leaving an enigmatic note on the school library computer. Is he a runaway, a suicide, or a murder victim?

Doc Cambridge Scholars Publishing

Chloe's older sister, Ruby, is the girl everyone looks to and longs for, who can't be captured or caged. When a night with Ruby's friends goes horribly wrong and Chloe discovers the dead body of her classmate London Hayes left floating in the reservoir, Chloe is sent away from town and away from Ruby. But Ruby will do anything to get her sister back, and when Chloe returns to town two years later, deadly surprises await. As Chloe flirts with the truth that Ruby has hidden deeply away, the fragile line between life and death is redrawn by the complex bonds of

sisterhood. With palpable drama and delicious craft, *Nova Ren Suma* bursts onto the YA scene with the story that everyone will be talking about.

Caminar Little, Brown Books for Young Readers

Nobody's baseball story is like Roy Halladay's. He was born and raised to be a superstar. He was a first-round draft pick in 1995. He nearly threw a no-hitter in his second big-league start in 1998. But two years later, Halladay suffered arguably the worst season by any pitcher in baseball history. He was months away from being out of the game. Hall of Fame pitchers do not struggle like that. But Halladay vowed to change. He altered his pitching mechanics and rewired his brain to become one of the greatest pitchers of all time. How did Doc do it? *Doc: The Life of Roy Halladay* tells the remarkable story; based on more than 100 interviews with Halladay's family, friends, managers, coaches, teammates, and competitors, including extensive interviews with his wife, Brandy; comprehensive archival research; and previously unpublished commentary from Halladay himself. Doc not only tells the story of Halladay's illustrious baseball career in Toronto and Philadelphia, but his hard-driven adolescence, his lifelong personal struggles, and his motivation to pay forward the knowledge and philosophies that helped him achieve baseball greatness before his tragic death in 2017. This essential biography is a testimonial for baseball players and pitchers from high school to the big leagues still searching for their path to excellence, like Halladay. It's also a celebration and a profound exploration of a generational pitcher and a beloved teammate, friend, and family man.

The Teenage Guide to Stress

HarperCollins UK

Complete your Divergent library with the Four stories! Fans of the Divergent series by #1 New York Times bestselling author Veronica Roth will be delighted by "Four: The Initiate," the second of four stories, each between fifty and seventy-five pages long, set in the world of Divergent and told from Tobias's point of view.

"The Initiate" provides readers with a glimpse into Tobias's Dauntless initiation experience, including an epic game of late-night Dare; his first tattoo; the beginning of his passion for training new initiates; and his nascent understanding of the danger of being Divergent. And don't miss *The Fates Divide*, Veronica Roth's powerful sequel to the bestselling *Carve the Mark!*

[The Rule of Thoughts \(The Mortality Doctrine, Book Two\)](#) Candlewick Press (MA)

Nicola Morgan is something of an authority on the teenage brain and is often invited to schools and colleges to speak on the subject. She came up with the idea of 'The Teenage Guide to Stress' because so many parents and teenagers contacted her for advice and help. The book is divided into three sections: Section one explains what stress is and looks at the ways teenage stress is different. Section two deals with a number of issues that affect teenagers - from anger, depression and sexual relationships to cyber-bullying, exams and eating disorders - and offers guidance and advice, as well as looking at how pre-existing conditions such as OCD and dyslexia are affected by adolescence. Section three is concerned with how to deal with and prevent the symptoms of stress, as well as healthy ways of looking after your mind and body.

[The Traitor: A Divergent Story](#) William Morrow

The thrilling second book in the internationally bestselling Divergent series that inspired a series of major motion pictures starring Shailene Woodley. This special 10th anniversary edition features exclusive content from Veronica Roth and a beautiful reimagined cover art from award-winning illustrator Victo Ngai. As war surges in the factions of dystopian Chicago all around her, Tris attempts to save those she loves - and herself - while grappling with haunting questions of grief and forgiveness, identity and loyalty, politics and love. In times of war sides must be chosen, secrets will emerge, and choices will become ever more irrevocable. Radical new discoveries and shifting relationships mean that Tris must fully embrace her Divergence - even though she cannot know what might be lost in doing so. Bestselling author Veronica Roth's second book continues the dystopian thrill ride that began in Divergent trilogy. [Free Four](#) Harper Collins

Fans of the Divergent series by No. 1 New York Times bestselling author Veronica Roth will be thrilled by *Four: A Divergent Collection*, a companion volume that includes four pre-Divergent stories told from Tobias Eaton's point of view. *DIVERGENT*, *INSURGENT* and *ALLEGIANT* were major blockbuster movies in 2014, 2015 and 2016. Readers first encountered Tobias Eaton as "Four" in *Divergent*. His voice is an integral part of *Allegiant*. Readers will find more of this charismatic character's backstory told from his own perspective in *Four: A Divergent Collection*. When read together, these long narrative pieces illuminate the defining moments in Tobias Eaton's life. The first three pieces

in this volume - "The Transfer," "The Initiate," and "The Son" - follow Tobias's transfer from Abnegation to Dauntless, his Dauntless initiation, and the first clues that a foul plan is brewing in the leadership of two factions. The fourth story, "The Traitor," runs parallel with the events of *Divergent*, giving readers a glimpse into the decisions of loyalty - and love - that Tobias makes in the weeks after he meets Tris Prior.

Exclusive scenes included!

The Age of Dystopia Harper Fire

Sixteen-year-old Kyra, a highly-skilled potions master, is the only one who knows her kingdom is on the verge of destruction???which means she's the only one who can save it. Faced with no other choice, Kyra decides to do what she does best: poison the kingdom's future ruler, who also happens to be her former best friend. But, for the first time ever, her poisoned dart???misses. Now a fugitive instead of a hero, Kyra is caught in a game of hide-and-seek with the king's army and her potioner ex-boyfriend, Hal. At least she's not alone. She's armed with her vital potions, a too-cute pig, and Fred, the charming adventurer she can't stop thinking about. Kyra is determined to get herself a second chance (at murder), but will she be able to find and defeat the princess before Hal and the army find her? Kyra is not your typical murderer, and she's certainly no damsel-in-distress???she's the lovable and quick-witted hero of this romantic novel that has all the right ingredients to make teen girls swoon.

Subversion Routledge

A guide to the latest, most promising technical indicators and their applications. Momentum, direction, and divergence are the three basic components of nearly all technical indicators used in the

analysis of stock and commodities trading. And for those who understand them and their applications, they are also the pillars of a high-performance trading strategy. In this groundbreaking book, technical wizard William Blau schools financial professionals in all three. Combining the latest financial information with dozens of eye-opening graphics, Blau clearly, concisely, and with a minimum of complex mathematics: * Introduces the principle of double smoothing and develops potent new indicators based on double smoothing techniques * Describes the uses and limitations of a variety of notable technical indicators * Explains momentum, direction, and divergence and new ways to apply them * Presents the True Strength Index and shows how it can dramatically improve most directional indicators * Provides new ways of identifying divergence that make implementation far simpler than ever before. **MOMENTUM, DIRECTION, AND DIVERGENCE** The Wiley Trader's Advantage is a series of concise, highly focused books designed to keep savvy traders in tune with the latest successful strategies and techniques used by the keenest minds in the business. In this latest volume, technical expert Bill Blau shows you how momentum, direction, and divergence form the basis of most technical indicators and how they can work for you to provide a considerable competitive advantage. Clearly, concisely, and with a minimum of complex mathematics, Blau shows you how to understand and apply them. Integrating the latest financial insights with more than 75 easy-to-follow graphics, Blau describes the uses and limitations of many of today's most notable technical indicators. He then demonstrates a variety of ways in which

the principles of momentum, direction, and divergence can be used to create a versatile new set of technical indicators or to improve the effectiveness of the most widely used traditional indicators. Focusing on the groundbreaking double smoothing concept, which he introduces for the first time in this book, William Blau: * Develops reliable new momentum indicators based on double smoothing techniques * Shows how these indicators improve the effectiveness of most popular oscillators, including the RSI, MACD, and stochastic indicators, by solving a host of timing problems * Combines the standard Welles Wilder techniques with his original True Strength Index to improve the effectiveness of most directional movement indicators * Introduces new ways of identifying divergence that make implementation simpler than ever * And much more A complete guide to the most potent new indicators and their applications, Momentum, Direction, and Divergence is an indispensable resource for traders, portfolio managers, and all financial professionals.

The Fates Divide Routledge Seminar paper from the year 2019 in the subject English Language and Literature Studies - Literature, grade: 2,7, Ernst Moritz Arndt University of Greifswald (Anglophone Literaturwissenschaft), language: English, abstract: In the following, I will show and analyze the system of the factions in *The Divergent* by Veronica Roth and its abuse ruled by the government as well as the system of the factions. I will consider how the factions interact. The relationships between and within the factions are important aspects, too. My term paper should prove that the social construct of society is abused by the government.

Veronica Roth has written a trilogy of this dystopian novel. They are called firstly *The Divergent* (2011), secondly *The Insurgent* (2012) and thirdly *The Allegiant* (2013). My primary source for this paper will be the first edition *The Divergent* so that I can get more into depth while analyzing. Involving all books would exceed the frame of the paper. Moreover, I will use public journals, newspaper, and secondary literature to underline the relevance of the topic for society in recent years. I will also use the novel *The Hunger Games* (2012) written by Suzanne Collins in some cases to find similarities and differences in dystopian, young adult fiction literature. The government abuses its power to control the majority of the population in the fictional future city Chicago. Protagonist in the novel is Beatrice Prior who will take the main space for my citations and arguments in this paper. Her thoughts and actions represent the power and discipline that young adults can show, in this case in literature.

The Educated Imagination Harper Fire Winner of the Children's Literature Association Edited Book Award From the jaded, wired teenagers of M.T.

Anderson's Feed to the spirited young rebels of Suzanne Collins' *The Hunger Games* trilogy, the protagonists of Young Adult dystopias are introducing a new generation of readers to the pleasures and challenges of dystopian imaginings. As the dark universes of YA dystopias continue to flood the market, *Contemporary Dystopian Fiction for Young Adults: Brave New Teenagers* offers a critical evaluation of the literary and political potentials of this widespread publishing phenomenon. With its capacity to frighten and warn, dystopian writing powerfully engages

with our pressing global concerns: liberty and self-determination, environmental destruction and looming catastrophe, questions of identity and justice, and the increasingly fragile boundaries between technology and the self. When directed at young readers, these dystopian warnings are distilled into exciting adventures with gripping plots and accessible messages that may have the potential to motivate a generation on the cusp of adulthood. This collection enacts a lively debate about the goals and efficacy of YA dystopias, with three major areas of contention: do these texts reinscribe an old didacticism or offer an exciting new frontier in children's literature? Do their political critiques represent conservative or radical ideologies? And finally, are these novels high-minded attempts to educate the young or simply bids to cash in on a formula for commercial success? This collection represents a prismatic and evolving understanding of the genre, illuminating its relevance to children's literature and our wider culture.

Poison John Wiley & Sons

IT IS THE YEAR 2064, and Washington, D.C., is divided into the Rich and the Poor. The Rich bathe in their luxuries and chastise those that they believe are below them. And the Poor have been forced to endure their morbid lives ever since the end of the nationwide war, with no light seeming to peer at the end of the tunnel. As quiet and respectful as they are, they also resent every nook and cranny of D.C., of the haughty Rich, and of the self-imposed President Remington, who is willing to do whatever it takes to bring the country out of its everlasting economic despair. And as much as they want to rebel and fight for a better life, they know they will be shot and killed if they dared to do so. Blaire

Cohen is a nineteen-year-old Poor woman who despises how the Poor are treated daily. She and her family labor for the government, mining from the crack of dawn to dusk. Everyday she dreams of escaping the atrocious city with her family, willing to give them the life they deserve. But that is until she gets kidnapped by a mystifying organization determined to destroy the treacherous government . . . and determined for her to join, too. Blaire begins to embark on a life oozing with the unknown. Dangerous decisions are present at every corner she encounters, and she must choose wisely, for the wrong one will lead to imminent consequences. Perfect for fans of Suzanne Collins and Veronica Roth, book one of this heart-pounding dystopian series will have you at the edge of your seat until the very last page. Disclaimer: This novel includes intense action, violence, and language that may be sensitive to some readers. Please read with caution.

Carve the Mark Indiana University Press
Newberry Honour Award Winner & National Book Award Winner. Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of

bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom . . . because Matt is marked by his difference in ways that he doesn't even suspect. Praise for *The House of Scorpions*: 'It's a pleasure to read science fiction that's full of warm, strong characters... that doesn't rely on violence as the solution to complex problems of right and wrong. It's a pleasure to read.' Ursula K. LeGuin
 'Fabulous' Diana Wynne Jones Also by Nancy Farmer: *The Sea of Trolls* *Land of the Silver Apples* *The Islands of the Blessed* *The Lord of Opium*
