Sugar Daddies Houghton Mifflin Harcourt
Now an old man, John is haunted by memories of enlisting to fight in World War II, a decision which forced him to face the horrors of war and changed his life forever.

Drown Image Comics

People see what they want to see. They only view what's on the surface, and they're easy to fool. I let them see on the

outside that I'm a successful businesswoman. My clothes are designer, my makeup flawless, and I live in a high-rise condo in Lennox Hills. They see perfection, not what lies beneath the surface. The real me, the one I keep hidden is a broken-hearted woman who uses the makeup to hide her tears. The expensive clothing covers a heart once shattered by love. The walls of my expensive home shelter a lonely woman who hides the fact that deep down she wants to be loved. A woman who is too scared to risk her fragile heart. For ten

years, I've managed to hide behind the image of perfection. Only letting people see what's on the surface. Until I ran into Jase. Now, every raw emotion, every shattered piece of my heart that I buried long ago is exposed outside the protective walls of my high-rise condo. No matter how hard I try, I can't keep the walls from crumbling. He sees me beyond the image that I've created. He says he can handle what's below the surface, but can I?

The stunning sequel to *Daughter of the Moon Goddess* delves deeper into beloved Chinese mythology, concluding the epic story of Xingyin—the daughter of Chang'e and the mortal archer, Houyi—as she battles a grave new threat

to the realm, in this powerful tale of love, sacrifice, and hope. After winning her mother's freedom from the Celestial Emperor, Xingyin thrives in the enchanting tranquility of her home. But her fragile peace is threatened by the discovery of a strange magic on the moon and the unsettling changes in the Celestial Kingdom as the emperor tightens his grip on power. While Xingyin is determined to keep clear of the rising danger, the discovery of a shocking truth spurs her into a perilous confrontation. Forced to flee her home once more, Xingyin and her companions venture to unexplored lands of the Immortal Realm, encountering legendary creatures and shrewd monarchs, beloved friends and bitter adversaries. With alliances shifting quicker than the tides, Xingyin has to

overcome past grudges and enmities to forge a new path forward, seeking aid where she never imagined she would. As an unspeakable terror sweeps across the realm, Xingyin must uncover the truth of her heart and claw her way through devastation—to rise against this evil before it destroys everything she holds dear, and the worlds she has grown to love . . . even if doing so demands the greatest price of all.

Perfect for fans of *A Court of Thorns and Roses* and *Uprooted*, this stand-alone, fantasy romance about a human girl and her marriage to the Elf King is impossible to put down! The elves come for two things: war and wives. In both cases, they come for death. Three-thousand

years ago, humans were hunted by powerful races with wild magic until the treaty was formed. Now, for centuries, the elves have taken a young woman from Luella's village to be their Human Queen. To be chosen is seen as a mark of death by the townsfolk. A mark nineteen-year-old Luella is grateful to have escaped as a girl. Instead, she's dedicated her life to studying herbology and becoming the town's only healer. That is, until the Elf King unexpectedly arrives... for her. Everything Luella had thought she'd known about her life, and herself, was a lie. Taken to a land filled with wild magic, Luella is forced to be the new queen to a cold yet blisteringly handsome Elf King. Once there, she learns about a dying world that only she can save. The magical land of Midscape

pulls on one corner of her heart, her home and people tug on another... but what will truly break her is a passion she never wanted. *A Deal with the Elf King* is a complete, stand-alone novel, inspired by the tales of Hades and Persephone, as well as *Beauty and the Beast*, with a "happily ever after" ending. It's perfect for fantasy romance fans looking for just the right amount of steam and their next slow-burn and swoon-worthy couple.

Step back in time with Cuban-American author Maday Martinez de Osaba as she recounts her family's rich history-the trials, joys, triumphs, and the life that happens in between. She beautifully unravels the elaborate details of her family and how they overcame the

tragedies that life sometimes throws at us. Martinez de Osaba's intricately woven words and stories remind the reader to celebrate the journey rather than the destination. She exposes layers of the human spirit and the intangible longing a soul has to find love and make it a home. Follow along on this epic journey-from 1930s Cuba to an escape to Spain from Castro's oppression, and finally to freedom in the United States. Martinez de Osaba chronicles her family lineage and history with honesty and authenticity. This is a story about what we find when we seek to discover our family's past. We always find more than we knew-both the good and bad-which make our life stories worth telling.

From the acclaimed Booker Prize-winning author comes a dazzling novel of family, love and love's disappointments Anna's aged mother is dying. Condemned by her children's pity to living, subjected to increasingly desperate medical interventions, she turns her focus to her hospital window, through which she escapes into visions of horror and delight. When Anna's

finger vanishes and a few months later her knee disappears, Anna too feels the pull of the window. She begins to see that all around her, others are similarly vanishing, yet no one else notices. All Anna can do is keep her mother alive. But the window keeps opening wider, taking Anna and the reader ever deeper into an eerily beautiful story of grief and possibility, of loss and love and orange-bellied parrots. Hailed on publication in Australia as Richard Flanagan's greatest novel yet, *The Living Sea of Waking Dreams* is a rising ember storm illuminating what remains when the inferno beckons: one part elegy, one part dream, one part hope. *Hocus Pocus and The All-New Sequel* Scholastic Inc.

"This might be the best Billy the Kid book to date." —Fritz Thompson, Albuquerque Journal In this revisionist biography, award-winning historian Michael Wallis re-creates the rich anecdotal saga of Billy the Kid (1859–1881), a young man who became a legend in his time and remains an enigma to this day. In an extraordinary evocation of the legendary Old West, Wallis demonstrates why the Kid has remained one of our most popular folk heroes. Filled with dozens of rare images

and period photographs, Billy the Kid separates myth from reality and presents an unforgettable portrait of this brief and violent life.

A sugar daddy website doesn't seem a sound basis for an A1 life plan, but I'm a small town girl with big dreams, and there's this one advert, this one crazy advert I can't stop thinking about... Two hot guys seeking their Little Miss Right. Someone who can entertain them, amuse them, fit in with their corporate schedule. And sex. They want sex. Lots of sex. Bonus, right? One major dose of epic win. Of course, guys like Carl and Rick have their conditions. One being that they come together, or not at all. Hell, I can live with that. And there are no skeletons in their designer closet,

none that I can find. Just two hot sugar daddies, with particular tastes, nothing to worry about. Until Carl and Rick spill the big one, the one that sends the girls running. A whole string of them before me, running to the hills without so much as a backward glance. Maybe I should run, too. Thanks but no thanks, see you around, guys, nice knowing you. But I'm already in way too deep for that.

It was a battle that would change the course of World War II... New York Times bestselling author Lauren Tarshis commemorates the Normandy landings in this pulse-pounding story of the largest seaborne invasion in history. Eleven-year-old Paul's French village has been under Nazi control for years. His

Jewish best friend has disappeared. Food is scarce. And there doesn't seem to be anything Paul can do to make things better. Then Paul finds an American paratrooper in a tree near his home. The soldier says the Allies have a plan to crush the Nazis once and for all. But the soldier needs Paul's help. This is Paul's chance to make a difference. Soon he finds himself in the midst of the largest invasion in history. Can he do his part to turn horror into hope? New York Times bestselling author Lauren Tarshis tells the story of the battle that became the foundation for the Allied victory in World War II. Includes a section of nonfiction backmatter with more facts about the real-life event.

enthusiasts all over the world. Diving once more into the world of witches, this electrifying two-part young adult novel, released on the twenty-fifth anniversary of the 1993 film, marks a new era of Hocus Pocus. Fans will be spellbound by a fresh retelling of the original film, followed by the all-new sequel that continues the story with the next generation of Salem teens. Shortly after moving from California to Salem, Max Dennison finds himself in hot water when he accidentally releases a coven of witches from the afterlife. Max, his sister, and his new friends (human and otherwise) must find a way to stop the witches from carrying out their evil plan and remaining on Earth to torment Salem for all eternity. Twenty-five years later, Max and Allison's seventeen-year-

old daughter, Poppy, finds herself face-to-face with the Sanderson sisters in all their sinister glory. When Halloween celebrations don't quite go as planned, it's a race against time as Poppy and her friends fight to save her family and all of Salem from the witches' latest death-defying scheme.

"Vaclav Smil is my favorite author... Numbers Don't Lie takes everything that makes his writing great and boils it down into an easy-to-read format. I unabashedly recommend this book to anyone who loves learning."--Bill Gates, GatesNotes From the author of How the World Really Works, an essential guide to understanding how numbers reveal the true state of our world--exploring a

wide range of topics including energy, the environment, technology, transportation, and food production. Vaclav Smil's mission is to make facts matter. An environmental scientist, policy analyst, and a hugely prolific author, he is Bill Gates' go-to guy for making sense of our world. In Numbers Don't Lie, Smil answers questions such as: What's worse for the environment--your car or your phone? How much do the world's cows weigh (and what does it matter)? And what makes people happy? From data about our societies and populations, through measures of the fuels and foods that energize them, to the impact of transportation and inventions of our modern world--and how all of this affects the planet itself--in Numbers Don't Lie, Vaclav Smil takes us

on a fact-finding adventure, using surprising statistics and illuminating graphs to challenge conventional thinking. Packed with fascinating information and memorable examples, *Numbers Don't Lie* reveals how the US is leading a rising worldwide trend in chicken consumption, that vaccination yields the best return on investment, and why electric cars aren't as great as we think (yet). Urgent and essential, with a mix of science, history, and wit--all in bite-sized chapters on a broad range of topics--*Numbers Don't Lie* inspires readers to interrogate what they take to be true.

Henry James's *Daisy Miller* was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James's best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of

the topics that interested James as he was writing the story—this volume includes James’s ruminations on fiction, theatre, and writing, and presents excerpts of *Daisy Miller* as he rewrote it for the theatre and for a much later and heavily revised edition.

The Expected One Penguin

From Rebecca Ross, acclaimed author of *The Queen’s Rising* duology, comes a story about magic, vengeance, and the captivating power of dreams. A must-read for fans of *The Hazel Wood* and *The Night Circus*. The realm of Azenor has spent years plagued by a curse. Every new moon, magic flows from the nearby mountain and brings nightmares to life. Only magicians—who serve as territory wardens—stand between people and their worst dreams. Clementine Madigan

is ready to take over as the warden of her small town, but when two magicians arrive to challenge her, she is unknowingly drawn into a century-old conflict. She seeks revenge, but as she gets closer to Phelan, one of the handsome young magicians, secrets—as well as romance—begins to rise. To fight the realm’s curse, which seems to be haunting her every turn, Clementine must unite with her rival. But will their efforts be enough to save Azenor from the nightmares that lurk around every corner?

NOW THE NETFLIX FILM NYAD, STARRING ANNETTE BENING AND JODIE FOSTER

Hillary Clinton said that Find a Way would stay with her through the general election: “When you’re facing big challenges in your life, you can think about Diana Nyad getting attacked by the lethal sting of box jellyfishes. And nearly anything else seems doable in comparison.” When Diana Nyad arrived on the shore of Key West after fifty-three hours of grueling swimming across an epic ocean, she not only set a world

record—becoming the first person to swim the shark-infested waters between Cuba and Florida with no cage for protection—she also succeeded in fulfilling a dream she first chased at age twenty-eight and at long last achieved when she was sixty-four. Now, in a riveting memoir, Diana shares a spirited account of what it takes to face one’s fears, engage one’s passions, and never ever give up. For no matter what life may throw at you, or how many times you may have experienced defeat, it is always possible—as long as you commit to living life to the nth degree, no regrets—to “find a way.”
