Celebrate the 10th anniversary of Divergent with a special edition of the #1 New York Times bestselling series that captured the hearts of millions of readers and inspired a series of major motion pictures starring Shailene Woodley. This edition features exclusive content from Veronica Roth and beautiful reimagined cover art from award-winning illustrator Victo Ngai. Beatrice Prior's society is divided into five factions--Candor (the honest), Abnegation (the selfless), Dauntless (the brave), Amity (the peaceful), and Erudite (the intelligent). Beatrice must choose between staying with her Abnegation family and transferring factions. Her choice will shock her community and herself. But the newly christened Tris also has a secret, one she's determined to keep hidden, because in this world, what makes you different makes you dangerous. "A memorable, unpredictable journey from which it is nearly impossible to turn away." --Publishers Weekly (starred review) "With brisk pacing and lavish flights of imagination, Divergent clearly has thrills, but it also movingly explores a more common anxiety--the painful realization that coming into one's own sometimes means leaving family behind." - New York Times Book Review EXCLUSIVE EXTRAS The Histories of the Factions: Dauntless, Amity, Abnegation, Candor, and Erudite; What's in a Name? A Jane Austen-inspired YA tale from Mechthild Gläser (The Book Jumper) about a sixteen-year-old girl who finds a magical book—and discovers that anything she writes inside it comes true. Emma is used to things going her way. Her father is headmaster of her prestigious boarding school, her friends take her advice as gospel, and she's convinced that a relationship with her long-time crush is on the horizon. As it turns out, Emma hasn't seen anything yet. When she finds an old book in an abandoned library, things really start going Emma's way: anything she writes in the book comes true. But the power of the book is not without consequences, and Emma soon realizes that she isn't the only one who knows about it. Someone is determined to take it from her—and they'll stop at nothing to succeed. A new boy in school—the arrogant, aloof, and irritatingly handsome Darcy de Winter—becomes Emma's unlikely ally as secrets are revealed and danger creeps ever closer. Praise for The Forgotten Book: "This is a satisfying blend of gothic mystery, supernatural intrigue, and boarding-school drama, sure to thrill readers who believe that books hold the best magic." —Booklist "Mystery, magic, and danger jostle together in this romantic fantasy with its well-described gothic setting of monastic ruins and secret passages." —VOYA

Unlike Ishmael, James has no sense of fear - he claims it was removed during an operation. Wintergirls Vintage

A beautifully written, darkly funny coming-of-age story from an award-winning, bestselling German author making his American debut. Mike Klingenberg doesn't get why people think he's boring. Sure, he doesn't have many friends. (Okay, zero friends.) And everyone laughs at him when he reads his essays out loud in class. And he's never invited to parties - including the gorgeous

Tatiana's party of the year. Andre Tschichatschow, aka Tschick (not even the teachers can pronounce his name), is new in school, and a whole different kind of unpopular. He always looks like he's just been in a fight, his clothes are tragic, and he never talks to anyone. But one day Tschick shows up at Mike's house out of the blue. Turns out he wasn't invited to Tatiana's party either, and he's ready to do something about it. Forget the popular kids: Together, Mike and Tschick are heading out on a road trip. No parents, no map, no destination. Will they get hopelessly lost in the middle of nowhere? Probably. Will meet some crazy people and get into serious trouble? Definitely. But will they ever be called boring again? Not a chance.

Magnus Chase: The Complete Series (Books 1, 2, 3) Pocket Books

On a business trip to Tunisia, Preising, a leading Swiss industrialist, is invited to spend the week with the daughter of a local gangster. He accompanies her to the wedding of two London city traders at a desert luxury resort that was once the site of an old Berber oasis. With the wedding party in full swing and the

bride riding up the aisle on a camel, no one is aware that the global financial system stands on the brink of collapse. As the wedding guests nurse their hangovers, they learn that the British pound has depreciated tenfold, and their world begins to crumble around them. So begins Barbarian Spring, the debut novel from Jonas Lüscher, a major emerging voice in European fiction. The timely and unusual novel centers on a culture clash between high finance and the value system of the Maghreb. Provocative and entertaining, Barbarian Spring is a refreshingly original and all-too-believable satire for our times.

This is the story of how my life goes downhill from there... Magnus Chase: The Complete Series includes all three novels in the action-packed, electrifying series from Rick Riordan: The Sword of Summer, The Hammer of Thor and The Ship of the Dead
