New York Times bestseller From celebrated sports writer Jeff Pearlman, author of *The Bad Guys Won*, a rollicking, completely unabashed account of the glory days of the legendary Dallas Cowboys They were called America's Team. Led by Emmitt Smith, the charismatic Deion "Prime Time" Sanders, Hall of Famers Troy Aikman and Michael Irvin—and lorded over by swashbuckling, power-hungry owner Jerry Jones and his two hard-living coaches, Jimmy Johnson and Barry Switzer—the Cowboys seemed indomitable on the football field throughout the 1990s. Off the field the 'Boys were a dysfunctional circus, fueled by ego, sex, drugs, and jaw-dropping excess. What they achieved on game day was astonishing; what they did the rest of the week was unbelievable. Boys Will Be Boys is the story of the Dallas Cowboys in their prime—a team of wild-partying, out-of-control glory-hounds that won three Super Bowls in four years and earned their rightful place in sports lore as the most beloved and despised dynasty in NFL history.

When Jon Gruden asks his Tampa Bay Bucs, "Do you love football?!" it's to remind them why they pull on their shoulder pads every Sunday morning. It's not about the money or the fame; it's about their passion for what they do. And passion is something that has fueled Gruden's entire career. From his college playing days and his climb through the coaching ranks -- from college to assistant coaching jobs with the NFL's elite teams, to his first head coach job with the Oakland Raiders, and finally, with the Tampa Bay Bucs -- his meteoric rise is unparalleled. Underneath it all, though, he's just a humble, hardworking, no-nonsense guy who has no hobbies: "I'm not a scratch golfer. I don't know how to bowl. I can't read the stock market. Hell, I have a hard time remembering my wife's cell phone number. But I can call 'Flip Right Double X Jet 36 Counter Naked Waggle at 7 X Quarter' in my sleep." Now, in this motivational memoir, Gruden provides insight into what makes him tick. *Do You Love Football?!* is an intimate look at his life as a player, coach, and head coach, as well as the principles that have made him the hottest coach in the NFL.

A unique account of the amazing Thai cave rescue told in a heart-racing, you-are-there style that blends suspense, science, and cultural insight. On June 23, 2018, twelve young players of the Wild Boars soccer team and their coach enter a cave in northern Thailand seeking an afternoon's adventure. But when they turn to leave, rising floodwaters block their path out. The boys are trapped! Before long, news of the missing team spreads, launching a seventeen-day rescue operation involving thousands of rescuers from around the globe. As the world sits vigil, people begin to wonder: how long can a group of ordinary kids survive in complete darkness, with no food or clean water? Luckily, the Wild Boars are a very extraordinary "ordinary" group. Combining firsthand interviews of rescue workers with in-depth science and details of the region's culture and religion, author Christina Soontornvat—who was visiting family in Northern Thailand when the Wild Boars went missing—masterfully shows how both the complex engineering operation above ground and the mental struggles of the thirteen young people below proved critical in the life-or-death mission. Meticulously researched and generously illustrated with photographs, this page-turner includes an author's note describing her experience meeting the team, detailed source notes, and a bibliography to fully immerse readers in the most ambitious cave rescue in history.
