bestselling  
travel book is  
back in a

informative,  
more  
experiential,

color edition.  
A #1 New  
York Times

bestseller,  
1,000 Places  
reinvented the  
idea of travel  
book as both  
wish list and  
practical  
guide. As  
Newsweek  
wrote, it "tells  
you what's  
beautiful,  
what's fun,  
and what's  
just  
unforgettable  
— everywhere  
on earth." And  
now the best  
is better.  
There are 600  
full-color  
photographs.  
Over 200  
entirely new  
entries,  
including  
visits to 28  
countries like  
Lebanon,  
Croatia,  
Estonia, and

Nicaragua, that were not in the original edition. There is an emphasis on experiences: an entry covers not just Positano or Ravello, but the full 30-mile stretch along the Amalfi Coast. Every entry from the original edition has been readdressed, rewritten, and made fuller, with more suggestions for places to stay, restaurants to visit, festivals to check out. And throughout,

the book is more budget-conscious, starred restaurants and historic hotels such as the Ritz, but also moderately priced gems that don't compromise on atmosphere or charm. The world is calling. Time to answer. *The Battle of Jericho Hill* Candlewick Press Miles Murphy is not happy to be moving to Yawnee Valley, a sleepy town that's famous for one thing and one thing

only: cows. In his old school, everyone knew him as the town's best prankster, but Miles quickly discovers that Yawnee Valley already has a prankster, and a great one. If Miles is going to take the title from this mystery kid, he is going to have to raise his game. It's prankster against prankster in an epic war of trickery, until the two finally decide to join forces and pull off the biggest prank ever seen: a prank so huge that it

would make the members of the International Order of Disorder proud. In The Terrible Two, bestselling authors and friends Mac Barnett and Jory John have created a series that has its roots in classic middle-grade literature yet feels fresh and new at the same time. Advance Praise for The Terrible Two “A double helping of fun and mischief!” —Jeff Kinney, author of the Diary of a Wimpy Kid

Series “The pranks, the brotherhood, the art, the heart! What’s not to love about the Terrible Two?” —Sara Pennypacker, author of the Clementine series “You don’t have to be a cow, like cows, or even know a cow to love the Terrible Two.” —Dave Eggers “This book is terrible! Terribly funny, terribly full of pranks, and terribly wonderful.” —Jon Scieszka, author of The Stinky Cheese Man and the

Frank Einstein series “The Terrible Two are my kind of kids. And what’s more, they’re kids’ kind of kids.” —Annie Barrows, author of the Ivy & Bean series “Hilarious.” —Dav Pilkey, author of the Captain Underpants series Mit Achtsamkeit Zur Gelassenheit Alison Green Books In this tactile early-learning playbook first concepts such as colours, numbers, shapes and

first words are introduced through textures, words and pictures. Ideal for older babies and toddlers, this bright, sturdy board book is perfect for sharing and encouraging interactive play.

After fleeing their homeland, Australian refugee

policies threaten to tear this young couple apart. An unforgettable story of love, hope and a quest for freedom. At seventeen, all Mojgan Shamsalipoor wanted was to be safe from physical and sexual abuse, go to school, and to eventually marry for love. In Iran, she was denied all of this. Milad Jafari was a shy teenage boy who found his voice as a musician. But the rap music he loved was illegal in his

country. All Milad's father, a key maker, builder and shopkeeper, wanted was for his family to live free from the fear of arrest, imprisonment or execution. To do that they all had to flee Iran. Mojgan and Milad met in Australia. But in the months between their separate sea voyages, the Australian government changed the way asylum seekers were treated. Though Milad is recognised as a refugee and will soon

become a proud Australian citizen, Mojgan has been told she cannot stay here even though the threat of imprisonment and further abuse, or worse, means she can't return to Iran. UNDER THE SAME SKY, is a powerful insight into the human face of asylum seekers and the the way history has shaped the lives of these two young people. It also shows the compassion alive in our

suburbs. For Mojgan and Milad, their love keeps their hopes alive.

Enter once more the world of Roland Deschain—and the world of the Dark Tower...now presented in a stunning graphic novel

form that will unlock the doorways to terrifying secrets and bold storytelling as part of the dark fantasy masterwork and magnum opus from #1 New York Times bestselling author Stephen King. “The man in black fled across the desert, and the gunslinger followed.” With these unforgettable words, millions of readers were introduced to Stephen King’s iconic character

Roland Deschain of Gilead. Roland is the last of his kind, a “gunslinger” charged with protecting whatever goodness and light remains in his world—a world that “moved on,” as they say. In this desolate reality—a dangerous land filled with ancient technology and deadly magic, and yet one that mirrors our own in frightening ways—Roland is on a spellbinding and soul-shattering

quest to locate and somehow save the mystical nexus of all worlds, all universes: the Dark Tower. Now, in the graphic novel series Stephen King’s *The Dark Tower: Beginnings*, originally published by Marvel Comics in single-issue form and creatively overseen by Stephen King himself, the full story of Roland’s troubled past and coming-of-age is revealed. Sumptuously drawn by Jae Lee and

Richard Isanove, plotted by longtime Stephen King expert Robin Furth, and scripted by New York Times bestselling author Peter David, *Beginnings* is an extraordinary and terrifying journey into Roland's origins—ultimately serving as the perfect introduction for new readers to Stephen King's modern literary classic *The Dark Tower*, while giving longtime fans

thrilling adventures merely hinted at in his blockbuster novels. It has been nine years since the fall of Gilead, and the handful of survivors—prod young gunslingers led by Roland Deschain—have been flushed out beyond their homeland's boundaries, where they can only watch as time continues to take its toll. For time is now a cruel instrument of violence ruled by "the Good Man" John

Farson and his monstrous followers, who are making their move to dominate all of Mid-World itself. But despite the forces of the Affiliation having long been broken apart, there is still rebellion left in the heart of Roland and his ka-tet. With treachery abounding everywhere and the odds overwhelmingly against him, it is time for Roland to make his last stand for all that is good and face John Farson and his

corruption of  
Mid-World

Is there anything as simple as an egg? Is there anything as complex? In this gorgeous picture book, Britta Teckentrup portrays eggs through the eyes of an artist. From hummingbirds to the extinct elephant bird, illustrations of the avian world's smallest and largest eggs demonstrate the variety present in nature. Pastel studies explore the rainbow of soft colors and intricate patterns that make eggs of common birds seem incredibly striking. In Teckentrup's hands, a scattering of broken egg shells become abstract art; a nest of unhatched eggs suggest the possibility and promise of life. Her studies of songbirds and nests are themselves beautifully composed works of color and line. A lovely meditation on the diversity of eggs, this magnificent book offers hours of lingering pleasure, and becomes fertile ground for conversation and

imagination.
