at the heart of every tale is Rick Grimes: former police officer, husband, father, and de facto leader of a ragtag band of survivors looking to make a future for themselves in a world that no longer has one. To call The Walking Dead a zombie tale is accurate to a point, but it touches on only one facet of a story that asks timeless questions about what it means to live. It also asks whether or not this is possible

in a world full of the dead. This is a great opportunity to experience this gripping read for the first time or catch up on the tale with the first four years worth of material, collected in one volume for the first time. The first eight volumes of this fan-favorite series collected into one massive collection. This volume collects THE WALKING DEAD #1-48. 3 Deluxe Edition Houghton Mifflin Harcourt

Returning to Texas after celebrating his divorce in Vegas, Rune, a biker cursed with the ability to see ghosts, discovers that the world is being taken over by the hungry undead. Soon he realizes he will have to

depend on all his abilities to survive not only the ravenous zombies, but the dangerous men lurking on the back roads of Texas.

Senator Paige Brightman abandoned the Madison Mall and its inhabitants to the hungry hordes, but her journey did not end there...

The latest in Jay Bonansinga's New York Times bestselling series! What could possibly go wrong? For one brief moment, it seems Lilly and her plague-weary band of survivors might just engineer a better tomorrow. Banding together with other small town settlements, they begin a massive project to refurbish the railroad between Woodbury and Atlanta. The safer travel will begin a new post-apocalyptic era of trade, progress, and democracy. Little do they know, however, that trouble is brewing back home ... Out of nowhere, a brutal new faction has attacked Woodbury while Lilly and the others have been off repairing the railroad. Now the barricades are burning. Adults have been murdered, children kidnapped. But why? Why subject innocent survivors to

such a random, unprovoked assault? Lilly Caul and her ragtag posse of rescuers will soon discover the chilling answers to these questions and more as they launch a desperate mission to save the kidnapped children. But along the way, the dark odyssey will take them into a nightmarish series of traps and hellish encounters with incomprehensible swarms of undead. And

as always, in the world of the Walking Dead, the walkers will prove to be the least of Lilly's problems. It's what the human adversaries have in store for her that will provide Lilly's greatest challenge yet. *The Walking Dead Vol. 25* Image Comics The first book explained how the Governor was created; this thrilling sequel to The New York Times bestseller further reveals his ruthless, inhuman

conquest of Woodbury The zombie plague unleashes its horrors on the suburbs of Atlanta without warning, pitting the living against the dead. Caught in the mass exodus, Lilly Caul struggles to survive in a series of ragtag encampments and improvised shelters. But the Walkers are multiplying. Dogged by their feral hunger for flesh and crippled by fear, Lilly

relies on the protection of good Samaritans by seeking refuge in a walled-in town once known as Woodbury, Georgia. At first, Woodbury seems like a perfect sanctuary. Squatters barter services for food, people have roofs over their heads, and the barricade expands, growing stronger every day. Best of all, a mysterious self-proclaimed leader named

Philip Blake keeps the citizens in line. But Lilly begins to suspect that all is not as it seems. . . . Blake, who has recently begun to call himself The Governor, has disturbing ideas about law and order. Ultimately, Lilly and a band of rebels open up a Pandora's box of mayhem and destruction when they challenge The Governor's reign . . . and the road to Woodbury becomes the highway to

Written by Jay Bonansinga, based on the original series created by Robert Kirkman, *The Walking Dead: Descent*

follows the events of *The Fall of the Governor*, and Lilly Caul's struggles to rebuild Woodbury after the Governor's shocking demise. Out of the ashes of its dark past, Woodbury, Georgia, becomes an oasis of safety amidst the plague of the walking dead – a town reborn in the wake of its former tyrannical leader, Philip Blake, aka *The Governor*. Blake's legacy of madness haunts every

nook and cranny of this little walled community, but Lilly Caul and a small ragtag band of survivors are determined to overcome their traumatic past... despite the fact that a super-herd is closing in on them. This vast stampede of zombies, driven by inexorable hunger and aimed directly at Woodbury, becomes their first true test. But Lilly and company refuse to succumb, and in a stunning counteroffensi

ve, the beleaguered townspeople save themselves by joining forces with a mysterious religious sect fresh from the wilderness. Led by an enigmatic preacher named Jeremiah, this rogue church group seems tailor made for Woodbury and Lilly's dream of a democratic, family-friendly future. The two factions meld into one, the town prospers, and everything seems hopeful for the first

time since the plague broke out. But things - especially in the world of the walking dead - are often not what they seem. Jeremiah and his followers harbor a dark secret, the evidence of which very gradually begins to unravel. Along with a popular TV show also based on Kirkman's AMC comic books, The Walking Dead franchise is just getting better and better with Bonansinga's newest novel. In a stunning

and horrifying finale, the world for Lilly and her close friends is turned upside down, and it is solely up to Lilly Caul to cleanse the town once and for all of its poisonous fate. These novels continue to be a great companion for fans of the television series and graphic novels! *The Umbrella Academy: Apocalypse Suite #3* Image Comics Nathan Cole has devoted his life to atoning for his

part in the first transference. He has sacrificed so much to make up for that mistake. Will he make the ultimate sacrifice before this war with the Kuthaal is over? Only two issues left!

installment of writer/filmmaker Virginie Despentes's Man Booker International Prize shortlisted punk-rock trilogy. The basis for the TV series of the same name available on streaming. As storm clouds gather, portending a final reckoning, ersatz rave-cult leader Vernon Subutex decides to return to Paris. Even if it means leaving behind his disciples. He has to.

He's got a dentist's appointment. Back in the city, he learns that an old friend from his days homeless on the Paris streets has died and left him half of a lottery win. But when Vernon returns to his commune with news of this windfall, it's not long before his disciples turn on each other. Such good fortune does not accord with the principles Vernon has handed down. Meanwhile,

the monstrous film producer Laurent Dopalet is determined to make Aïcha and Céleste pay for their attack on him, whatever it takes and whoever gets hurt. And, before long, the whole of Paris will be reeling in the wake of the terrorist atrocities of 2015 and 2016, and all the characters in this kaleidoscopic portrait of a city and era will be forced to confront one another one last time. In the wake of

all this chaos and hate, the question will rise again: After all he's been through, who is Vernon Subutex? And the answer: He is the future. Virginie Despentès's epochal trilogy ends with Vernon Subutex 3—in fire, blood, and even forgiveness. But not everyone will survive to see the dawning of the golden age of Subutex. *The Art of AMC's the Walking Dead Universe* Ambrose
