Murder in Old Bombay Simon and Schuster

The legendary detective Sherlock Holmes and his trusted associate Dr. Watson investigate one of the strangest cases in their career! With mauled bodies appearing on the streets of Liverpool, rumors circulate that the culprit might be an inhuman monster known as Spring Heeled Jack. Determined to solve the case and debunk the city's superstitions, Holmes delves into the criminal underworld, piecing together an intricate and deadly puzzle. What have crime lord Mr. Drummond, a vicious dogfighting ring, and a museum's Aboriginal artifact exhibit to do with the Liverpool demon's rampage? Meanwhile, Dr. Watson witnesses the creature with his own eyes, and sets out alone in pursuit. Will Holmes be able to save his dear friend from the subterranean perils beneath Liverpool?

**Death in Her Hands** Wednesday Books

The first in a charming, evocative, and sharply plotted Victorian crime series starring a detective duo to rival Holmes and Watson. After her father dies, March Middleton has to move to London to live with her guardian, Sidney Grice, the country's most famous private detective. It is 1882 and London is at its murkiest yet most vibrant, wealthiest yet most poverty-stricken. No sooner does March arrive than a case presents itself: a young woman has been brutally murdered, and her husband is the only suspect. The victim's mother is convinced of her son-in-law's innocence, and March is so touched by her pleas she offers to cover Sidney's fee herself. The investigations lead the pair to the darkest alleys of the East End: every twist leads Sidney Grice to think his client is guilty; but March is convinced that he is innocent. Around them London reeks with the stench of poverty and gossip, the case threatens to boil over into civil unrest and Sidney Grice finds his reputation is not the only thing in mortal danger.

*Sidney Chambers and The Perils of the Night* HarperCollins UK

This collection of short mysteries by the international-bestselling author of *Dust and Shadow* "belongs on the top shelf with the very best of Doyle's" (Nicholas Meyer, author of *The Seven-Per-Cent Solution*). Inspired by Sir Arthur Conan Doyle's Sherlock Holmes and Dr. John Watson, Edgar Award-finalist Lyndsay Faye has masterfully woven these quintessential characters into her own works of fiction—from her acclaimed debut novel, *Dust and Shadow*, to a series of short stories for the *Strand Magazine*, whose predecessor published the first Sherlock Holmes story in 1892. The best of Faye's Sherlockian tales, including two new works, are brought together in a collection that spans the character's career, from self-taught upstart to lauded detective, both before and after he faked his own death over a Swiss waterfall in 1894. In "The Lowther Park Mystery," the unsociable Holmes is forced to attend a garden party at the request of his politician brother and improvises a bit of theater to foil a conspiracy against the government. "The Adventure of the Thames Tunnel" brings Holmes's attention to the murder of a jewel thief in the middle of an underground railway passage. With Holmes and Watson encountering all manner of ungrateful relatives, phony psychologists,

wronged wives, outright villains, and even a peculiar species of deadly red leech, *The Whole Art of Detection* is a must-read for any fan of historical crime fiction. "If Lyndsay Faye's byline weren't on the cover, readers might deduce that the Sherlock Holmes mysteries in *The Whole Art of Detection* actually came from Sir Arthur Conan Doyle." —David Martindale, Fort Worth Star-Telegram

**The Art of Sherlock Holmes: West Palm Beach** Simon and Schuster

In *Dust and Shadow* Sherlock Holmes hunts down Jack the Ripper with impeccably accurate historical detail, rooting the Whitechapel investigation in the fledgling days of tabloid journalism and clinical psychology. This astonishing debut explores the terrifying prospect of hunting down one of the world's first serial killers without the advantage of modern forensics or profiling. Sherlock's desire to stop the killer who is terrifying the East End of London is unwavering from the start, and in an effort to do so he hires an "unfortunate" known as Mary Ann Monk, the friend of a fellow streetwalker who was one of the Ripper's earliest victims. However, when Holmes himself is wounded in Whitechapel attempting to catch the villain, and a series of articles in the popular press question his role in the crimes, he must use all his resources in a desperate race to find the man known as "The Knife" before it is too late. Penned as a pastiche by the loyal and courageous Dr. Watson, *Dust and Shadow* recalls the ideals evinced by Sir Arthur Conan Doyle's most beloved and world-renowned characters, while testing the limits of their strength in a fight to protect the women of London, Scotland Yard, and the peace of the city itself.

**The Mangle Street Murders** Minotaur Books

From award-winning author Loren D. Estleman, a spellbinding collection of Sherlock Holmes stories, authorized by the Estate of Arthur Conan Doyle—an essential follow-up to *The Perils of Sherlock Holmes*, praised as "an excellent collection of short stories and essays" by *The New York Review of Books*. "One of the best of the wish-it-were-so pastiche anthologies..." —Booklist Award-winning author Loren D. Estleman has curated a collection of Sherlock Holmes stories from some of the finest authors in *Sons of Moriarty* and *More Stories of Sherlock Holmes*. This is the first time that these stories appear together in one anthology, including "Sons of Moriarty," a Sherlock Holmes novella, appearing here for the first time.

Enola Holmes and the Black Barouche G.P. Putnam's Sons

A wildly charming and fast-paced mystery written with all the panache of the hardboiled classics, *Fortune Favors the Dead* introduces Pentecost and Parker, an audacious new detective duo for the ages. "Razor-sharp style, tons of flair, a snappy sense of humor, and all the most satisfying elements of a really good noir novel, plus plenty of original twists of its own."—Tana French, bestselling author of *The Searcher* It's 1942 and Willowjean "Will" Parker is a scrappy circus runaway whose knife-throwing skills have just saved the life of New York's best, and most unorthodox, private investigator, Lillian Pentecost. When the dapper detective summons Will a few days later, she doesn't expect to be offered a life-changing proposition: Lillian's multiple sclerosis means she can't keep up with her old case load alone, so she wants to hire Will to be her right-hand woman. In return, Will is to receive a salary, room and board, and training in Lillian's very particular art of

investigation. Three years later, Will and Lillian are on the Collins case: Abigail Collins was found bludgeoned to death with a crystal ball following a big, boozy Halloween party at her home—her body slumped in the same chair where her steel magnate husband shot himself the year before. With rumors flying that Abigail was bumped off by the vengeful spirit of her husband (who else could have gotten inside the locked room?), the family has tasked the detectives with finding answers where the police have failed. But that's easier said than done in a case that involves messages from the dead, a seductive spiritualist, and Becca Collins—the beautiful daughter of the deceased, who Will quickly starts falling for. When Will and Becca's relationship dances beyond the professional, Will finds herself in dangerous territory, and discovers she may have become the murderer's next target.

It's 1907 Los Angeles. Mischievous socialite Anna Blanc is the kind of young woman who devours

purloined crime novels—but must disguise them behind covers of more domestically-appropriate reading. She could match wits with Sherlock Holmes, but in her world women are not allowed to hunt criminals. Determined to break free of the era's rigid social roles, Anna buys off the chaperone assigned by her domineering father and, using an alias, takes a job as a police matron with the Los Angeles Police Department. There she discovers a string of brothel murders, which the cops are unwilling to investigate. Seizing her one chance to solve a crime, she takes on the investigation herself. If the police find out, she'll get fired; if her father finds out, he'll disown her; and if her fiancé finds out, he'll cancel the wedding and stop pouring money into her father's collapsing bank. Midway into her investigation, the police chief's son, Joe Singer, learns her true identity. And shortly thereafter she learns about blackmail. Anna must choose—either hunt the villain and risk losing her father, fiancé, and wealth, or abandon her dream and leave the killer on the loose. From the Trade Paperback edition.

Irene Adler is the only woman ever to have outwitted Sherlock Holmes... and the one who has come closest to stealing his heart. She has competed (and sometimes cooperated) with the famous fictional detective over six popular and acclaimed novels, featuring her daring investigations across the Continent. All along, the beautiful and brilliant American diva-turned-detective has managed to conceal her background and history, even from her dashing barrister husband, Godfrey Norton, and her devoted companion and biographer, English spinster Nell Huxleigh. But she has had some help along the way to do this, from such unlikely sources as the Baron de Rothschild, Sarah Bernhardt,

and Bram Stoker, as well as the soon-to-be-infamous Nellie Bly, a daring American journalist who helped Irene hunt Jack the Ripper. Now Nellie has wired Irene some astounding news, news that will shake her world: Irene's mother is the target of an assassin. Irene's past is shrouded in secrecy, and at first she is unwilling to divulge anything that would link her to America. But a series of bizarre killings in New York City draws her reluctantly back to her native country, where she must race with a murderer to find her mother, a woman of mystery who may turn out to be the most notorious woman of the nineteenth century. As Irene forges a trail into her own hidden past, Nellie Bly draws another ace investigator across the Atlantic to join in the hunt for a serial killer, the last man on earth Irene Adler wants to discover anything about her shocking past... Sherlock Holmes. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
