The Year of the Dragon

HarperCollins

Who says dogs can't fly? Meet Zora: a dog with a big dream and an even bigger personality. All Zora wants to do is learn how to fly so she can catch that pesky squirrel in her yard. But try as she might to

prove to her friend Tully—a skeptical cat—that dogs truly can fly, nothing seems to work. Until Zora finds the right motivation, that is. Kathy Stinson's charming story of perseverance is beautifully brought to life by Brandon James Scott's exuberant and wonderfully expressive illustration. Touching on themes of optimism and determination in

the face of failure, *The Dog Who Wanted to Fly* is a book anyone—even a cat—will love. Spicebox Kitchen iUniverse

From the acclaimed author of *Taipei*, a bold portrait of a writer working to balance all his lives—artist, son, loner—as he spins the ordinary into something monumental. An engrossing, hopeful novel about life, fiction, and where the two blur together. In 2014, a novelist named Li leaves Manhattan to visit his parents in Taipei for ten weeks. He doesn't know it yet, but his life will begin to deepen and complexify on this trip. As he flies between these two worlds—year by year, over four years—he will flit in and out of

optimism, despair, loneliness, sanity, bouts of chronic pain, and drafts of a new book. He will incite and temper arguments, uncover secrets about nature and history, and try to understand how to live a meaningful life as an artist and a son. But how to fit these pieces of his life together? Where to begin? Or should he leave society altogether? Exploring everyday events and scenes--waiting rooms, dog walks, family meals--while investigatively venturing to the edges of society, where culture dissolves into mystery, Lin shows what it is to write a novel in real time. Illuminating and deeply felt, as it builds toward a stunning, if unexpected, romance,

Leave Society is a masterly story about life and art at the end of history. A VINTAGE ORIGINAL

the governor-elect of Maryland, the

“compassionate”

(People), “startling”

(Baltimore Sun),

“moving” (Chicago

Tribune) true story of two kids with the same name from the city:

One went on to be a Rhodes Scholar,

decorated combat

veteran, White House

Fellow, and business

leader. The other is

-serving a life sentence

in prison. Selected by

Stephen Curry as his

“Underrated” Book

Club Pick with Literati

The chilling truth is

that his story could

have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn't shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the

manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they'd hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come

across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. [The Data Science Design Manual](#) Penguin "General McChrystal is a legendary warrior with a fine eye for enduring lessons about leadership, courage, and consequence." —Tom Brokaw General Stanley McChrystal is widely admired for his hunger to know the truth, his courage to find it, and his humility to listen to those around him. Even as

the commanding officer of all U.S. and coalition forces in Afghanistan, he stationed himself forward and frequently went on patrols with his troops to experience their challenges firsthand. In this illuminating New York Times bestseller, McChrystal frankly explores the major episodes and controversies of his career. He describes the many outstanding leaders he served with and the handful of bad leaders he learned not to emulate. And he paints a vivid portrait of how the military establishment turned itself, in one generation, into the adaptive, resilient force that would soon be tested in Iraq, Afghanistan, and the wider War on Terror. "A

compelling account of his impressive career." -The Wall Street Journal
 ' "This is a brilliant book about leadership wrapped inside a fascinating personal narrative." -Walter Isaacson, author of Steve Jobs
 Stanley McChrystal retired in July 2010 as a four-star general in the U.S. Army. His last assignment was as the commander of the International Security Assistance Force and as the commander of U.S. forces in Afghanistan. He is currently a senior fellow at Yale University's Jackson Institute for Global Affairs and cofounder of the McChrystal Group, a leadership consulting firm. He and his wife, Annie, live in Virginia.

In Cory Doctorow's wildly successful *Little Brother*, young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco—an experience that led him to become a leader of the whole movement of technologically clued-in teenagers, fighting back against the tyrannical security state. A few years later, California's economy collapses, but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform. Soon his former nemesis Masha emerges from the political underground to gift him with a

thumbdrive containing a Wikileaks-style cable-dump of hard evidence of corporate and governmental perfidy. It's incendiary stuff—and if Masha goes missing, Marcus is supposed to release it to the world. Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier. Marcus can leak the archive Masha gave him—but he can't admit to being the leaker, because that will cost his employer the election. He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero. He can't even attend a demonstration without being dragged onstage and handed a mike. He's not at all sure that

just dumping the archive onto the Internet, before he's gone through its millions of words, is the right thing to do.

Meanwhile, people are beginning to shadow him, people who look like they're used to inflicting pain until they get the answers they want. Fast-moving, passionate, and as current as next week, *Homeland* is every bit the equal of *Little Brother*—a paean to activism, to courage, to the drive to make the world a better place. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Circus Train and the Clowns Immedium

A vibrantly illustrated exploration of the creative, inclusive, and inspiring movement

happening in today's Southern interior design. The American South is a place steeped in history and tradition. We think of sweet tea, thick draws, and even thicker summer air. It is also a place with a fraught history, complicated social norms, and dated perspectives. Yet among the makers and artists of the South, there is a powerful movement afoot.

Alyssa Rosenheck shines a much-needed spotlight on a burgeoning community of people who are taking what's beloved, inherent, and honored in the South and making it their own.

The New Southern Style tours more than 30 homes and includes interviews with the designers, artists, and creative entrepreneurs

who are reinventing Southern design and culture. This beautifully illustrated book is sure to inspire the home and soul.

Last Words from Montmartre Tor Teen
In November 1991 the American flag was lowered for the last time at Clark Air Base in the Philippines. This act brought to an end American military presence in the Philippines that extended back over 90 years. It also represented the final act in a drama that began with the initial rumblings in April of that year of the Mount inatubo volcano, located about nine miles to the east of Clark. This book tells the remarkable story of the men and women of the Clark community and their ordeal in

planning for and carrying out their evacuation from Clark in face of the impending volcanic activity. It documents the actions of those who remained on the base during the series of Mount Pinatubo's eruptions, and the packing out of the base during the subsequent months. This is the story of the Ash Warriors, those Air Force men and women who carried out their mission in the face of an incredible series of natural disasters, including volcanic eruption, flood, typhoons, and earthquakes, all of which plagued Clark and the surrounding areas during June and July 1991.

Hello, Ninja Learning Express (NY)

Now a Netflix animated

TV series! Are you longing for adventure? Mischief? What about sandwiches? Tag along with one sneaky ninja who is happy to share his busy day (but not his lunch) with curious kids everywhere in this rhyming picture book perfect for fans of *The Three Ninja Pigs* and *10 Little Ninjas*. Written by bestselling author Nate “N.D.” Wilson and gorgeously illustrated by newcomer Forrest Dickison. Perfect for reading aloud and shared story time!

Leave Society Annick Press

Classic radical feminist statement from the woman who shot Andy Warhol “Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded,

responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex.” Outrageous and violent, *SCUM Manifesto* was widely lambasted when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting

artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell's introduction reconsiders the evocative exuberance of this infamous text. Designing Brand Identity Golden Books Justin Time/medium Justin Time: The Big Pet Story Kids Can Press Ltd Colin McAllister and Justin Ryan--Scottish interior designers, TV hosts, and property speculators--are cabin aficionados who divide their time between homes in Canada and their beloved Scotland. iEscapology: Modern Cabins, Cottages and Retreats is a stunning

book of modern-day retreats--bucolic weekend escapes by the sea, remote getaways in the woods, and rustic mountain hideouts--to inspire peaceful and quiet living. The authors genuinely believe that cabin time has a remarkably positive impact on our health, wellbeing and our happiness. Whether it's a rustic cottage nestled deep within a Nordic forest, a robust mountain lodge in Montana, a breathtaking treehouse in Canada, or a steel-walled, one-room "hotel" in Denmark, these retreats share one vital aspect in common: they proffer the chance to escape and to and live in harmony with nature, far from the madding crowd. Part style bible

and lifestyle manual, the book features a beautiful collection of classic and contemporary cottages and cabins, each accompanied by an informative design profile and beautifully photographed images. And of course, the book is also packed with practical building and design advice that fans of Colin and Justin have grown to love. You'll find relevant information about different types of dwelling styles, builds, sustainability/off-grid living, tiny homes, renovation on a budget, room zonings, décor and everything in between.

Homeland Chronicle Books

In this fifth edition of *A Cognitive Psychology of Mass Communication*, author

Richard Jackson Harris continues his examination of how our experiences with media affect the way we acquire knowledge about the world, and how this knowledge influences our attitudes and behavior.

Presenting theories from psychology and communication along with reviews of the corresponding research, this text covers a wide variety of media and media issues, ranging from the commonly discussed topics - sex, violence, advertising - to lesser-studied topics, such as values, sports, and entertainment education. The fifth and fully updated edition offers: highly accessible and engaging writing contemporary

references to all types of media familiar to students substantial discussion of theories and research, including interpretations of original research studies a balanced approach to covering the breadth and depth of the subject discussion of work from both psychology and media disciplines. The text is appropriate for Media Effects, Media & Society, and Psychology of Mass Media coursework, as it examines the effects of mass media on human cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

From viral Instagram sensation, lifestyle photographer, and mommy blogger Laura Izumikawa comes Naptime with Joey, a ridiculously delightful photo book of her now internet-famous daughter dressed up in various pop culture costumes—a perfect gift for new parents everywhere. Lights, Camera...Nap! Joey Marie wears many hats (or, rather, wigs): she's dressed up as Inigo Montoya, Britney Spears, Beyoncé, Pikachu, Anna Wintour, Moana, and Barb from Stranger Things. She's taken trips to Hawaii, baked croissants, and blasted off to the moon as an astronaut (at least, in her dreams). She's held occupations such as pizza chef,

aerobics instructor, and handy-dandy-fixer-upper (figuratively, of course). She's inspired a parenting blog, been the face of her mom Laura Izumikawa's Instagram account—and for the first time, she's taken the leap from the ranks of internet-baby-snoredom to the pages of a book. Naptime with Joey is chockablock full of over a hundred deliciously adorable photos of Joey dressed up as various pop culture characters, movie stars, musicians, vacationers, and holiday-goers, making this the most fun, festive, and downright delightful gift under the sun!

Fangirl Sleeping Bear Press

While staring you straight in the eye, far above the tips of her

Toms, Josie Brant would swear that she does not like Peter Maxx, the teen sensation who causes every girl within a 100-foot radius to scream at ear-shattering decibels. Even if Josie may completely, totally, and unequivocally be his biggest fan. So when Josie finds out her best friend has won a contest to meet Peter by stealing one of Josie's songs, Josie is overwhelmingly shocked and upset—some of which flies out the window when Ashley introduces Josie to Peter as well. And suddenly, in a whirlwind of Tweets, IMs, texts, and phone calls, Josie finds herself in the middle of a flirtatious friendship that has the potential

for complete harmony. But just when everything seems pitch-perfect, the paparazzi flashbulbs explode, along with any notion of a fairy-tale romance. Author Ken Baker, E!

Channel's Chief News Correspondent, uses his inside knowledge to craft a novel authentic to the teen pop idol experience with sincere heart and humor.

Capstone
Discusses the different flags used by Canada and its provinces, describes the process in which flags are designed, and how they are used.

Teen Life on the
Autism Express

Hachette UK
Malaika's mother can't buy her a carnival costume — will she still

be able to dance in the parade? It's carnival time — the first carnival since Malaika's mother moved to Canada to find a good job and provide for Malaika and her grandmother. Her mother promised she would send money for a costume, and Malaika marks off the days on her calendar as she waits for Mummy's letter to arrive. But when the letter finally comes, Malaika learns that there is no money for her costume. Disappointed and upset at the thought of wearing her grandmother's hand-me-down costume, Malaika leaves the house, running into Ms. Chin, the tailor, who offers Malaika a bag of scrap fabric. With her grandmother's help,

Malaika creates a patchwork rainbow peacock costume, and dances proudly in the parade. This heartwarming story about family, community and the celebration of carnival is written in a blend of standard English and Caribbean patois.

Nadia L. Hohn's warm prose and Irene Luxbacher's vibrant collage-style illustrations make this a strikingly original picture book.

The Dog Who Wanted to Fly Pajama Press Inc.

Talk show host Holly Robinson Peete pairs with her twins in this narrative about the challenges and triumphs of being a teen who has autism and the effects on family, school, friends, and life. Being a teen is hard enough. But when you have autism--or when your brother or sister is struggling with the disorder--life can be challenging. It's one thing when you're a kid in grade school, and a playdate goes south due to autism in a family. Or when you're a little kid, and a vacation or holiday turns less-than-happy because of an autistic family member. But being a teen with

autism can get pretty hairy--especially when you're up against dating, parties, sports, body changes, school, and other kids who just don't 'get' you. In this powerful book, teenagers Ryan Elizabeth Peete and her twin brother, Rodney, who has autism, share their up-close-and-personal experiences on what it means to be a teen living with autism. **SAME BUT DIFFERENT**, explores the funny, painful, and unexpected aspects of teen autism, while daring to address issues nobody talks about. **SAME BUT DIFFERENT** underscores tolerance, love, and the understanding that everybody's unique drumbeat is worth dancing to.
