### **Hiking Utah's High Uintas** National Geographic Books

This book is sure to become a much used reference for anyone interested in hiking, mountain biking, and horseback riding the nearly 300 miles of trails in the Badlands of western North Dakota. This guidebook includes an invaluable mile-by-mile description of the new Maah Daah Hey Trail, a 100-mile single track trail that connects the two units of Theodore Roosevelt National Park, as well as descriptions of all the trails in Theodore Roosevelt National Park and the surrounding Dakota Prairie Grasslands. The guide also includes descriptions of completed sections of the North Country National Scenic Trail and trails in the state parks of western North Dakota. Discover the rugged and beautiful landscape that inspired Theodore Roosevelt to become our nation's foremost conservationist. Come and explore a region rich in scenery and history, and which is still home to prairie dogs, bison, elk, pronghorn, and bighorn sheep. With tips on choosing the right trip, how to prepare, and expert guidance along the way, this book will make everyone's adventure more fun and complete. Book jacket.

Americans have always been passionately bound to the land: It has shaped our history, our ideas, and our art. In Last Unspoiled Place, the magnificent confines of Logan Canyon, Utah, prove the perfect landscape for exploring these beliefs. In brilliant photographs and vivid anecdotes that range from poignant to exhilarating to hilarious, author Michael Sweeney takes us on an unforgettable tour through the canyon's unsullied terrain. As he marks the 41 miles of the national scenic byway that courses through, he reveals Logan's vivid past and astonishing natural history--as well as its closely kept secrets. Anecdotes range from bull snakes to bank robbers, from a legendary witch to the curse

of "green invaders," and from the first known human inhabitants--the northwestern Shoshone--to current-day characters such as snowboarders, beekeepers, botanists, and whitewater hounds. In the National Geographic tradition, Last Unspoiled Place is richly illustrated with scores of photographs--both current and historic--that capture the beauty of Logan Canyon and the surrounding Cache Valley. Filled with excitement and brimming with eloquent stories, more than a trip through a canyon, this book is a natural choice for Father's Day and other gift-giving occasions. Eye-catching and affordable, it will grab the attention of audiences interested in adventure, travel, wilderness, history, and the American West.

**National Geographic Guide to America's Outdoors: Southern Rockies** The Mountaineers Books

CLICK HERE to download the 4 mile hike to Fehr Lake from Best Hikes with Dogs Utah (Provide us with a little information and we'll send your download directly to your inbox) \* 76 of the best trails that allow dogs \* Handy trail-finder chart allows quick selection by difficulty, availability of water along the way, views, and more \* Trails range from easy strolls to more challenging routes With over 84,900 square miles of national parks, wilderness and recreation areas, state parks, and national forests, Utah offers a wide variety of hiking trails. But with so many national parks and varying land agencies, navigating Utah with a dog can be frustrating and confusing. Lucky for you, Park City author Dayna Stern and her pup Harry have done the groundwork (and pawwork) to bring you this authoritatively researched guide on hiking with your dog in Utah. Best Hikes with Dogs: Utah describes 76 of the best dog-friendly trails in six regions around the Beehive State: Northern Utah, Salt Lake City area, Wasatch, the Uintas, Southcentral Utah, and Southwestern Utah. Stern describes several hiking options close to communities such as Salt Lake City, Ogden, Provo, Moab, and St. George and dog-friendly hiking destinations such as the Escalante River and Pine Valley Mountains. She also gives special attention to the unique skills and preparation needed for hiking with dogs in the varied terrain of Utah, including hiking near slot canyons, slick rock, and hiking in areas that lack water with your dog.
