Press
First in the
terrific new
Egomania
series, which
offers a whole

run of six
MangErotic
titles under
one fantastic
new glossy
colour cover
all for the
price of only
four of the
original titles.
The series
begins with
Benkyo
Tamaoki's
kinky and
twisted series,
The Sex-Philes

- six issues, twelve full-length stories, over two hundred pages of comics at one bargain price! Rated XXX.

Ogenki Clinic and Other Stories A&C Black

This study of the graphic novel and its growth in the library helps librarians utilize and develop this extraordinarily popular format in their library collections. What does the surge of popularity in graphic novels mean for libraries?

Graphic Novels Beyond the Basics: Insights and Issues for Libraries goes deeper into this subject than any other volume previously published, bringing together a distinguished panel of experts to examine questions librarians may encounter as they work to enhance their graphic novel holdings. Graphic Novels Beyond the Basics begins by introducing librarians to

the world of the graphic novel: popular and critically acclaimed fiction and nonfiction titles; a wide range of genres including Japanese manga and other international favorites; recurring story and character archetypes; and titles created for specific cultural audiences and female readers. The book then offers a series of chapters on key issues librarians will face with

graphic novels on the shelves, including processing and retention questions, preservation and retention, collecting related media such as Japanese anime films and video games, potential grounds for patron or parental complaints, the future of graphic novels, and more.

 X-Men legend Neal Adams returns to

Marvel's mutants, to reveal the secret history of the X-Men...before Xavier's team! What terrifying threat led the solitary secret agent nicknamed Wolverine to form a mutant strike force, decades in the past? As the government solidifies its plan for the new subspecies known as mutants, Wolverine and his ally Sabretooth recruit a certain Master of Magnetism and Prince of

Atlantis to their cause. And as the terrifying new villain Virus attacks Wolverine's team, the curtain is pulled back on the beginning of the Sentinel program!
NightS (Yaoi Manga)
 Yen Press LLC
 Chip Kidd is recognized worldwide as one of the best graphic designers working today, especially in book design. This is a much anticipated follow-up to Chip Kidd: Book One, where he not only

showcases his most recent work, but demonstrates the relationship he has with some of the world's most influential authors and sheds light into his passion for the art of book-making and most recent expansion to other media design like film posters, magazine covers, and artist collaborations. This book is a must-have for designers and all book-lovers interested in the man

responsible for some of the most recognizable book covers in the world. CHIP KIDD, BOOK TWO is a work of art itself, a book on a designer described as "a design demigod," and "the closest thing to a rock star" in graphic design. The book will feature all of Kidd's book designs from the years 2007 to 2017, including book cover designs for best-selling authors Haruki Murakami, Cormac

McCarthy, Orhan Pamuk, Augusten Burroughs, and David Sedaris, each whom share insight on Kidd's creative process and the importance his designs have had on their work. The Rough Guide Japanese Phrasebook is the definitive phrasebook to help you make the most of your time in Japan. Whether you want to book a hotel room, ask what time the train leaves or buy a drink from

the bar, this new phrasebook has a dictionary of over 5,000 words and will help you communicate with the locals in no time. The free audio downloads, recorded by native Japanese speakers, can be downloaded. They allow you to listen to the correct pronunciation of essential dialogues and are ideal for practicing before you go or while you're there. There's even a regional

pronunciation guide and Rough Guide travel tips section, so wherever you are you can get around and speak the lingo. The Rough Guide Japanese Phrasebook has an extensive two-way dictionary packed with vocabulary and includes a helpful menu and drinks list reader, perfect for choosing the right dish in any restaurant. With this phrasebook you will never run out of things to say!

Make the most of your trip to Japan with The Rough Guide Japanese Phrasebook.

The Continuum Complete International Encyclopedia of Sexuality

Del Rey
Christianity has been in Japan for five centuries, but embraced by less than one percent of the population. It's a complicated relationship, given the sudden appearance in Japan of Renaissance Catholicism which was utterly unlike

the historic faiths of Shinto and Buddhism; Japan had to invent a word for "religion" since Japan did not share the west's reliance on faith in a personal God. Japan's views of this "outsider" religion resemble America's view of the "outsider" Islamic faith. Understanding this through the book Orientalism by Edward Said, Patrick Drazen samples depictions of Christianity in the popular

Japanese media of comics and cartoons. The book begins with the work of postwar comics master Tezuka Osamu, with results that range from the comic to the revisionist to the blasphemous and obscene. Holy Anime! Penguin
THE END IS NIGH The time has finally come to face Heldalf, the Lord of Calamity—and the source of the world's suffering. But first, Sorey and his friends must seek the

knowledge needed to defeat him. Their journey will lead them to the truth behind Sorey and Mikleo's origins—and to the nature of an ancient Seraph who may just hold the key to cleansing the world of Heldalf's malevolence.
