BRAEDON NOVAK

The Complete Sherlock Holmes Flatiron Books
 A nice New England family has a dark secret in this “superb exercise in suspense” from the New York Times–bestselling author (TheNew York Times Book Review). Megan and Duncan Richards are no longer the radical activists they were in 1968. He’s a banker, and she works in real estate. They have a fine house, impeccable reputations, and three beautiful kids. Their past is safely stashed away until the day Duncan gets a call from the woman he’s spent decades trying to forget. Once, he knew her as Tanya, the charismatic leader of Northern California’s militant Phoenix Brigade. She had orchestrated their last robbery—a catastrophe that ended in bloodshed and murder. While Megan and Duncan escaped to their new lives, Tanya wasn’t so lucky. She’s spent eighteen years in prison . . . eighteen years planning the perfect revenge on her deserters. Now she’s free, and there isn’t a soul Megan and Duncan can turn to for help. What happens when a family is pushed to the brink? The answer “is the stuff of which parents’ nightmares—and well-

crafted novels—are made” (The Atlanta Journal-Constitution). “Day of Reckoning is dynamite.” —Chicago Tribune “Gripping.” —The Washington Post

The Dead Student Jack Mars

A textbook reader for young adults features George Orwell's "Animal Farm," plus short stories, poems, and essays designed to build reading comprehension.

Day of Reckoning El Psicoanalista

HOW DO YOU UNMASK A KILLER WHO'S SPENT YEARS PREPARING TO HUNT YOU DOWN? A pregnant woman has been murdered in a brutal, ritualistic way: burned, hung, and then placed upside down in a Bronze Age cauldron. When Unai “Kraken” Lopez de Ayala discovers the victim is his first love, Ana Belén Liaño, memories of their time together come flooding back, and with them reminders of a dark secret long buried. Then the killer strikes again, enacting the same ritual against a second expectant parent. Kraken knows he must confront his past in order to unmask this fiend. And there’s no time to waste, because Deputy Superintendent Díaz de Salvatierra has just found out she's carrying a child. And the father could very well be Kraken himself...

Unbreakable Grove/Atlantic, Inc.

This eyewitness account by one of Sigmund Freud's earliest students has been rediscovered for twenty-first-century readers. Isidor Sadger's recollections provide a unique window into the early days of the psychoanalytic movement and also illuminate Freud's own struggles: his delight in wit, his attitudes toward Judaism, and his strong opinions concerning lay, nonmedical psychoanalysts. As a student, Sadger attended Freud's lectures from 1895 through 1904. Although Sadger was not part of Freud's inner circle, he was a participant observer of Freud's early years as teacher, therapist, and clinician. In 1930, Sadger published the biography *Sigmund Freud: Persönliche Erinnerungen*, but with the rise of Nazism and World War II, the book was almost lost to the world of psychoanalytic history. *Recollecting Freud* is a long-lost personal account that provides invaluable insights into Freud and his social, cultural, and intellectual context.

Red 1-2-3 Blake Pierce

Presents the four novels and fifty-six short stories which comprise the entire Sherlock Holmes saga

Can the Monster Speak? Blake Pierce

The definitive account of the rise and fall of the ultimate narco, "El Chapo," from the New York Times reporter whose coverage of his trial went viral. Joaquin "El Chapo" Guzman is the most legendary of Mexican narcos. As leader of the Sinaloa drug cartel, he was one of the most dangerous men in the world. His fearless climb to power, his brutality, his charm, his taste for luxury, his penchant for disguise, his multiple dramatic prison escapes, his unlikely encounter with Sean Penn—all of these burnished the image of the world's most famous outlaw. He was finally captured by U.S. and Mexican law enforcement in a daring operation years in the making. Here is that entire epic story—from El Chapo's humble origins to his conviction in a Brooklyn courthouse.

Longtime New York Times criminal justice reporter Alan Feuer's coverage of his trial was some of the most riveting journalism of recent years. Feuer's mastery of the complex facts of the case, his unparalleled access to confidential sources in law enforcement, and his powerful understanding of disturbing larger themes—what this one man's life says about drugs, walls, class, money, Mexico, and the United States—will ensure that *El Jefe* is the one book to read about "El Chapo."

Rebellion Ediciones Cátedra

The story behind Telemundo's Jenni Rivera: *Mariposa del Barrio* series, now streaming. A New York Times bestseller, this is the official biography from the beloved Mexican-American singer who lost her life in a tragic plane crash. The only autobiography authorized by Jenni Rivera "I can't get caught up in the negative because that destroys you. Perhaps trying to move away from my problems and focus on the positive is the best I can do. I am a woman like any other, and ugly things happen to me like any other woman. The number of times I have fallen down is the number of times I have gotten up." These are the last words that beloved Mexican American singer Jenni Rivera spoke publicly before boarding the plane that would crash and cut her life short on December 9, 2012. However, they are not the final words that *La Diva de la Banda* had for the world. Those are found in the pages you hold in your hands, Jenni's own account of the highs and lows of her extraordinary journey. She became the most acclaimed Spanish-language singer in the United States and sold more than 15 million records worldwide. A single mother of five and grandmother of two, she was also an actress, a television producer, the star of her own reality show, and an entrepreneur. But for all its immense success, Jenni's life often seemed to be a series of personal battles in which perseverance was her only weapon. As her fame grew, she made it her mission to speak about her struggles, forging an intimate connection with her fans. She became a figure of strength and a source of encouragement

to women of all ages. In *Unbreakable*, Jenni recounts the crucial moments in her past, revealing her experiences with domestic and sexual abuse, divorce, body image issues, making her way in a male-dominated industry, raising her children as a single mother, and learning that she could depend only on herself. Though she is no longer with us, Jenni will always be the "Rivera rebel from Long Beach," the girl who maintained her sense of humor and fighting spirit in every circumstance. In this remarkable memoir, Jenni leaves behind a legacy of inspiration and determination that will forever live on through her precious family, friends, and fans.

The Madman's Tale McDougal Littell/Houghton Mifflin

Happy fifty third birthday, Doctor. Welcome to the first day of your death. Dr. Frederick Starks, a New York psychoanalyst, has just received a mysterious, threatening letter. Now he finds himself in the middle of a horrific game designed by a man who calls himself Rumpelstiltskin. The rules: in two weeks, Starks must guess his tormentor's identity. If Starks succeeds, he goes free. If he fails, Rumpelstiltskin will destroy, one by one, fifty-two of Dr. Starks' loved ones—unless the good doctor agrees to kill himself. In a blistering race against time, Starks' is at the mercy of a psychopath's devious game of vengeance. He must find a way to stop the madman—before he himself is driven mad. . . .

La mística de la feminidad Grove/Atlantic, Inc.

One man infiltrates the dark web to stop a sadistic game: A Booklist 101 Best Crime Novels of the Past Decade, from the New York Times bestselling author. Adrian Thomas is a psychology professor whose career was spent delving into damaged minds. Diagnosed with a fatal degenerative disease that is causing hallucinations and stripping him of his memories, Adrian wants to end his life—until he sees a girl snatched off the street and dragged screaming into the back of a van. Dismissed as an unreliable witness, Adrian must act alone. He knows what he saw, but he has no idea how dark it's going to get. Out of the basement of their Massachusetts farmhouse, a sadistic husband and wife run a website called *What Comes Next*. A global audience of subscribers is tuning in to watch an ongoing nightmare inflicted in real time—and to cast their votes on the fate of the kidnappers' latest catch. For victim Number Four, time is running out. "An experience akin to riding the scariest roller coaster," *What Comes Next* is a bold and timely thriller about what lurks within the depths of society's most depraved minds (New York Journal of Books). "Powerful . . . fiendish . . . This is an exceptional novel—and a most troubling one." —The Washington Post "Draw[s] you deeper and deeper into a chilling atmosphere of evil, darkness, and shadows." —The Miami Herald "[A] re-imagining of *The Pit and the Pendulum* for the digital age." —Kirkus Reviews

The Playbook Simon and Schuster

Abandoned on a 1913 voyage to Australia, Nell is raised by a dock master and his wife who do not tell her until she grows up that she is not their child, a situation that causes her to return to England and eventually hand down her quest for answers to her granddaughter. Reprint.

El Psicoanalista EDICIONES B

El psicoanalista (edició en català especial pel X aniversari) Simon and Schuster

A grad student and his ex-girlfriend team up to solve a murder in this psychological thriller from the New York Times bestselling author of *Just Cause*. Timothy "Moth" Warner, a Miami PhD student, wakes up on his ninety-ninth day of sobriety with an intense craving for alcohol. He asks his uncle Ed, a former alcoholic and now successful psychiatrist, to meet him at an AA meeting later that day. But when Ed doesn't show up, Moth bikes

to his office only to find his uncle lying in a pool of blood. The police pronounce the death a suicide, but Moth can't believe it. Devastated and confused, he calls on the only person he thinks he can trust: Andrea Martine, an ex-girlfriend he has not spoken to in years. Each battling their inner demons, Moth and Andy travel into dark, unfamiliar territory, intent on uncovering the truth about Ed's death and circling ever closer to a devious mind that will flinch at nothing for revenge. A Publishers Weekly top 10 mystery & thriller for fall An Amazon book of the month in the mystery/thriller category "Katzenbach ratchets up his trademark intensity in *The Dead Student*." —Sun Sentinel (South Florida) "A twisted, compelling tale of death and deceit." —Lansing State Journal "An intricately woven plot with sensitively drawn characters." —The Washington Times "The *Dead Student* . . . demonstrates why [Katzenbach] has a place on many 'must-read author' lists . . . You will want to read [it] in one sitting." —BookReporter "One of the freshest and most unlikely duos to appear in crime fiction." —Kirkus Reviews "[A] clever cat-and-mouse thriller." —Publishers Weekly

The Water Rituals Windblown Media

When it comes to intricate, fast-paced excitement and edge-of-your-seat suspense, John Katzenbach is a master of the game. Now Katzenbach has created another shocking page-turner, and a villain as monstrous as evil itself: *The Shadow Man*. Berlin, 1943. Few saw his face; none knew his name. In whispered circles he was known only as Der Schattenmann, a merciless "catcher" for the Nazis. He was there in the darkness when they came for you, and he would be there, smiling, when the trains took you away in the morning gloom to Auschwitz.... Miami Beach, present day. Retired homicide detective Simon Winter is living out his golden years in dejected solitude. But his life takes an urgent turn when his neighbor, Sophie Millstein, appears at his door trembling in fear. She has seen a ghost...a demon from her past, Der Schattenmann. But he isn't just a nightmare--he's real--and his icy stare cuts through her like a razor. The next morning, Sophie is found strangled, her eyes locked open in terror. The police think it's just another homicide. But Winter knows the horrifying truth: an elusive, anonymous killer is stalking Holocaust survivors in Miami, silently creeping through the hot city. Now, after years of retirement, Winter once again hits the streets. And together with Walter Robinson, a committed black detective, and Espy Martinez, a sharp, driven Latino prosecutor, he will match wits with a sadistically smooth expert on death who lives for the thrill of the hunt, tortures for the rush of power, and murders to keep himself, and his history, hidden forever....

Riveting in its suspense, chilling in its evocation of the evil of times past, unforgettable in its characters and settings, *The Shadow Man* will hold you enthralled from first sentence to last.

The Traveler Open Road + Grove/Atlantic

A cold war thriller involving conspiracy and counter-plots between the Vatican and the Kremlin.

The Forgotten Garden EDICIONES B

"You will not sleep until you are finished with *AGENT ZERO*. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel." --Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target—and of the beautiful

woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists—and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on his tail, the wild game of cat and mouse leads Kent on a perilous road—one that may lead back to Langley—and to a shocking discovery of his own identity. *AGENT ZERO* is an espionage thriller that will keep you turning pages late into the night. Books #2-#12 are also available! "One of the best thrillers I have read this year." --Books and Movie Reviews (re *Any Means Necessary*) Also available is Jack Mars' #1 bestselling *LUKE STONE THRILLER* series (7 books), which begins with *Any Means Necessary* (Book #1), a free download with over 800 five star reviews!

Little Girl Lost Ballantine Books

"Daring and admirable...it's rare to find a suspense novel with the scope of well-crafted fiction...*The Traveler* is compulsive reading." —Chicago Tribune This suspenseful classic from John Katzenbach, now back in print, reaffirmed his status as one of the best new thriller writers on the scene. Miami detective Mercedes Barren, recovering from a traumatic shooting, has transferred to the relative quiet of the forensics department to get her life back on track. Yet this peace is put on hold when she gets a wrenching phone call: her niece has been brutally murdered. Soon she uncovers the shocking truth: the killer—a professional photographer—is engaging in "copycat" murders across the country, while forcing a young student to document every horrific crime. The woman—he calls her "Boswell"—is his stenographer of cruelty. And if she drops her pen, she'll end up being his next "subject." As her already fragile life begins to fall to pieces, Mercedes makes it her mission to track down this cold-blooded killer—even if it means enlisting the help of his brother, a psychiatrist specializing in sex offenders. But can they catch him before his camera flashes next and snuffs out another life? Unbearably suspenseful, with believable characters and dialogue second-to-none, *The Traveler* is pure John Katzenbach.
