The Fat Burning Diet Hay House, Inc

'An exciting period murder mystery' Reader review ★★★★ 'If you want a fun mystery to read, I highly recommend it' Reader review ★★★★ 'Couldn't put it down!!' Reader review ★★★★ Does death await you in The Eternal City? 1892: Arthur Conan Doyle is intrigued when he first begins to receive mysterious packages addressed to his famous fictional detective Sherlock Holmes. But the contents of the parcels are as gruesome and cryptic as any case Holmes himself tackled: a lock of hair, a severed finger wearing a gold ring, and the hand of a dead man. The only clue to who has sent them is the postmark from Rome. Doyle's friend and fellow author Oscar Wilde persuades him they must track down the perpetrator and identify the victims. Arriving in Italy, their investigation leads them to connect the parcels with the disappearance of a young girl and to the glittering Vatican City . . . With danger and death stalking them at every corner, can they unmask the killer before he catches up with them? A wonderfully witty and gripping cosy historical murder mystery with twists and turns aplenty. Perfect for fans of Sherlock Holmes, Agatha Christie and Richard Osman. Readers love The Vatican Murders: 'The plot is constructed wonderfully . . . jumps off the page' Reader review ★★★★ 'A truly enjoyable read from start to finish' Reader review ★★★★ 'This is an excellent mystery series starring Oscar Wilde and Arthur Conan Doyle among others. Great plots with a mix of history and interesting characters. Totally entertaining' Reader review ★★★★ 'Simply delightful' Reader review ★★★★

Whispering Winds of Change Harvard University Press

Dr. Wayne W. Dyer, affectionately called the "father of motivation" by his fans, is one of the most widely known and respected people in the field of self-empowerment. *Manifest Your Destiny* is a remarkable guidebook that show us how to obtain what we truly desire.

Your Soul's Invisible Codes Hay House, Inc

This book is the key to the Kingdom of God within you and all that read it will be changed forever. The time has come for you to finally realize how powerful you are. This is the most important

evolutionary leap that you have made since you learned to talk. This is the book you have been waiting for. Welcome to your future.

The Little Money Bible HarperCollins UK

The law of attraction is not a fly-by-night fad, but a powerfully creative force that can give you the life of your dreams if you know how to use it, so the better you understand this power the faster it will manifest your desires. By reading this book you will learn strategies that will help you manifest money, a new job, a life partner, a lucrative business or anything else that you can make a part of your beliefs and feelings.

The Attractor Factor Brookemark Publishing

With this powerful book, bestselling author Stuart Wilde shows you that to create miracles, you have to be very clear about what it is you want. By being forthright and acting as if you have already obtained the object or condition that you desire, you create such a powerful energy that the Universal Law gives you whatever you are seeking.

The *Life and Miracles of Thekla* offers a unique view on the reception of classical and early Christian literature in Late Antiquity. This study examines the *Life and Miracles* as an intricate example of Greek writing and attempts to situate the work amidst a wealth of similar literary forms from the classical world. The first half of the *Life and Miracles* is an erudite paraphrase of the famous second-century Acts of Paul and Thekla. The second half is a collection of forty-six miracles that Thekla worked before and during the composition of the collection. This study represents a detailed investigation into the literary character of this ambitious Greek work from Late Antiquity.

Miracles Harvard University Press

Philip Schaff Prize, American Society of Church History S-USIH Book Award, Society for U.S. Intellectual History Merle Curti Award in Intellectual History, Organization of American Historians "A fascinating book...Gin Lum suggests that, in many times and places, the divide between Christian and 'heathen' was the central divide in American life."—Kelefa Sanneh, *New Yorker*

"Offers a dazzling range of examples to substantiate its thesis. Rare is the reader who could dip into it without becoming much better informed on a great many topics historical, literary, and religious. So many of Gin Lum's examples are enlightening and informative in their own right."—Philip Jenkins, *Christian Century* "Brilliant...Gin Lum's writing style is nuanced, clear, detailed yet expansive, and accessible, which will make the book a fit for both graduate and undergraduate classrooms. Any scholar of American history should have a copy." —Emily Suzanne Clark, *S-USIH: Society for U.S. Intellectual History* In this sweeping historical narrative, Kathryn Gin Lum shows how the idea of the heathen has been maintained from the colonial era to the present in religious and secular discourses—discourses, specifically, of race. Americans long viewed the world as a realm of suffering heathens whose lands and lives needed their intervention to flourish. The term "heathen" fell out of common use by the early 1900s, leading some to imagine that racial categories had replaced religious differences. But the ideas underlying the figure of the heathen did not disappear. Americans still treat large swaths of the world as "other" due to their assumed need for conversion to American ways. Race continues to operate as a heathen inheritance in the United States, animating Americans' sense of being a world apart from an undifferentiated mass of needy, suffering peoples. *Heathen* thus reveals a key source of American exceptionalism and a prism through which Americans have defined themselves as a progressive and humanitarian nation even as supposed heathens have drawn on the same to counter this national myth.

The Trick to Money is Having Some Createspace Independent Publishing Platform

The first translation into English of *Life of the Fathers*, a collection of twenty lives of saints which lives present a cross-section of the Gallic Church and are a counterpart to the secular society described in Gregory's *History of the Franks*.

The Times of Our Lives Hay House, Inc

The thoughts and ideas in this book form the basis of Stuart Wilde's philosophy on how to develop a more liberated mind-set and thus, a more carefree and delightful life. The thoughts and essays are from his best-selling books as well as his unpublished

writings. You can just open the book anywhere and start reading. Usually you'll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life—somehow synchronicity will always lead you to exactly what you need to know. So if you want your spiritual concepts "short and sweet," then this book will suit you perfectly. As Stuart says, "Any philosophy that you can't haul down to the bank or up to the airport ain't worth having!" Newly revised and updated!

The Quickening John Wiley & Sons

It's a marvelous thing to know that you have the courage, discipline, and follow-through to enliven your consciousness. In this groundbreaking book, Stuart Wilde brings to light new and compelling information about the sixth sense and tells you how to develop it. He defines this sixth sense as sacred energy that taps you into the state of all-knowing. Once you discover the sixth sense/etheric point of view, it opens the energy centers in your subtle body and you take on more light, going naturally from stiff to pliant, flowing with life rather than struggling with it. Stuart tells us in *Sixth Sense* that "what you need is inner power, a personal charisma, a spiritual power, an extrasensory perception that makes you bigger than life. You garner that energy through compassion, kindness, introspection, and solidity." After reading this book, your perception of life in all its subtlety and vastness will reach beyond the mundane to a special level of spirituality.

The Three Keys to Self-Empowerment Balboa Press

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, and he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to

read this one." -Laura Thalassa

Life of the Fathers Corey Press

The true experiences that are featured in this book, introduced by best-selling author Louise Hay, have been culled from the writings of some of the most renowned writers and teachers in the fields of self-help, transformation, social consciousness, and spirituality. These are stories reflecting metaphysical miracles; momentous milestones; heartwarming, humorous, and sometimes heartbreaking reminiscences; and extraordinarily poignant personal accounts. In addition, there are many narratives that will actually make you sit back in your seat and exclaim, "Wow!" As you read this uniquely fascinating book, you'll laugh, you'll cry . . . and most of all, you'll be reminded that truth is not only stranger than fiction—it's infinitely more interesting!

The Third Day Soulux Press

Are you searching for deeper meaning and purpose in your life? Do you sense that you have an inner wisdom that can be a guiding force for you, yet wonder how to connect with that intuitive self? How do you know which inner voices to listen to? For over thirty years, Shakti Gawain has helped readers address these questions. Living in the Light has given literally millions of people clear and gentle guidance to create a new way of life — one in which we listen to our intuition and rely on it as a guiding force. The key lies in bringing the light of our awareness to every aspect of ourselves, including our disowned energies — our shadow side. With great insight and clarity, Shakti shows us the transformative power of bringing awareness to every part of ourselves. Simple yet powerful exercises on subjects including creativity, relationships, parenting, health, money, and transforming the world help us put these teachings to practical use in our daily lives. Living in the Light is a comprehensive map to growth, fulfillment, and consciousness. As we grapple with personal, national, and global challenges on many fronts, this classic work is timelier than ever.

Visualfestation Createspace Independent Publishing Platform
Three of Stuart Wilde's bestselling books are included in this beautifully packaged self-empowering anthology... 'Miracles' - Stuart makes the point that creating miracles in our lives is no more complicated than understanding the metaphysics of the Universal Law, which states that within human beings there lies an immense power ...and this power...

Power of Thought Hay House, Inc

Author of *The Trick to Money is Having Some!* Stuart Wilde teaches us how to consolidate your inherent power and transcend all limitations by releasing yourself from the constraints of your ego. *The 33 Energies of Man* is an ancient teaching of energies to allow humans to transform into a high state of consciousness. Stuart has taken these complex teachings and created *Infinite Self: 33 Steps to Reclaiming Your Inner Power* to allow his readers to raise their energy, gain awareness and set you free.

Infinite Self Miracles

VisualFestation is a guide book that will show you exactly how to manifest the life of your dreams. Unlike other books on the law of attraction, the Author has successfully used the VisualFestation System to manifest miracles in his own life, and he shares them with you in VisualFestation. When you are finished with this book, you will have all the tools you need to create miracles in your life through practicing the VisualFestation System.

Lives and Miracles Simon and Schuster

The author, a metaphysician, talks about relationships, politics, the environment, the universe, the psychic world, etc.

The Love Mindset Liverpool University Press

Whispering Winds of Change will appeal to lovers of alternative ideas and philosophies. Stuart Wilde challenges us to stand outside the usual paradigms of consciousness as "fringe dwellers." He asks us to observe the dying throes of what he calls the "world ego" - the embodiment of the manipulative and dominating force of the status quo. With his characteristic candor and wit, he plots a fascinating comparison between the overall global destiny and an individual's personal, sacred, inner journey. Wilde believes through quieting the ego and creating a rotation out of the three-dimensional world of external reality to the fourth dimension of the inner being, we can each offer serenity and healing to ourselves, and the rest of the world. Like his other books, this work is full of compelling ideas, unusual perceptions, and esoteric concepts for individuals who want to progress inwardly, while making a success of their lives in the external world.

Manifest Your Millions! Midwest Publishing

Money making is not a serious business. It is a game that you play. At first it may seem that it is a game that you play with forces outside yourself--the economies of the market place so to

speaking--but as you proceed you discover it is actually a game you play with yourself. Stuart Wilde's money book, his fifth work, deals with the E.S.P. of easy money and the art of being in the

right place at the right time, with the right idea and the right attitude. Like his other highly successful books, this work is full of

useful information. His breezy and comical style make for effortless reading, as you plot your path to complete financial freedom.
