ROSA CANTRELL

Two to Tango Harper Collins

After discovering that she has a twin sister, Ivy, who is a vampire, Olivia risks losing her when their father decides to move to Europe with Ivy.

Love Bites Egmont Books (UK)

I guess I always felt even if the world came to an end, McDonald's still would be open. High school sophomore Miranda's disbelief turns to fear in a split second when an asteroid knocks the moon closer to Earth, like "one marble hits another." The result is catastrophic. How can her family prepare for the future when worldwide tsunamis are wiping out the coasts, earthquakes are rocking the continents, and volcanic ash is blocking out the sun? As August turns dark and wintery in northeastern Pennsylvania, Miranda, her two brothers, and their mother retreat to the unexpected safe haven of their sunroom, where they subsist on stockpiled food and limited water in the warmth of a wood-burning stove. Told in a year's worth of journal entries, this heart-pounding story chronicles Miranda's struggle to hold on to the most important resource of all--hope--in an increasingly desperate and unfamiliar world. An extraordinary series debut Susan Beth Pfeffer has written several companion novels to *Life As We Knew It*, including *The Dead and the Gone*, *This World We Live In*, and *The Shade of the Moon*.

ONE OF TIME MAGAZINE'S 100 BEST MYSTERY AND THRILLER

BOOKS OF ALL TIME • BOOKER PRIZE NOMINEE • "A taut and darkly funny contemporary noir that moves at lightning speed, it's the wittiest and most fun murder party you've ever been invited to." —MARIE CLAIRE Korede's sister Ayoola is many things: the favorite child, the beautiful one, possibly sociopathic. And now Ayoola's third boyfriend in a row is dead, stabbed through the heart with Ayoola's knife. Korede's practicality is the sisters' saving grace. She knows the best solutions for cleaning blood (bleach, bleach, and more bleach), the best way to move a body (wrap it in sheets like a mummy), and she keeps Ayoola from posting pictures to Instagram when she should be mourning her "missing" boyfriend. Not that she gets any credit. Korede has long been in love with a kind, handsome doctor at the hospital where she works. She dreams of the day when he will realize that she's exactly what he needs. But when he asks Korede for Ayoola's phone number, she must reckon with what her sister has become and how far she's willing to go to protect her.

Disaster Falls Double Disaster!

From the New York Times bestselling author Kristin Hannah comes a powerful novel of love, loss, and the magic of friendship. . . . now a #1 Netflix series! In the turbulent summer of 1974, Kate Mularkey has accepted her place at the bottom of the eighth-grade social food chain. Then, to her amazement, the "coolest girl in the world" moves in across the street and wants to be her friend. Tully Hart seems to have it all--beauty, brains, ambition. On the surface they are as opposite as two people can be: Kate, doomed to be forever uncool, with a loving family who mortifies her at every turn. Tully, steeped in glamour and mystery, but with a secret that is destroying her. They make a pact to be best friends forever; by summer's end they've become Tully and Kate. Inseparable. So begins Kristin Hannah's magnificent new novel. Spanning more than three decades and playing out across the ever-changing face of the Pacific Northwest, *Firefly Lane* is the poignant, powerful story of two women and the friendship that becomes the bulkhead of their lives. From the beginning, Tully is desperate to prove her worth to the world. Abandoned by her mother at an early age, she longs to be loved unconditionally. In the glittering, big-hair era of the eighties, she looks to men to fill the void in her soul. But in the buttoned-down nineties, it is television news that captivates her. She will follow her own blind ambition to New York and around the globe, finding fame and success . . . and loneliness. Kate knows early on that her life will be nothing special. Throughout college, she pretends to be driven by a need for success, but all she really wants is to fall in love and have children and live an ordinary life. In her own quiet way, Kate is as driven as Tully. What she doesn't know is how being a wife and mother will change her . . . how she'll lose sight of who she once was, and what she once wanted. And how much she'll envy her famous best friend. . . . For thirty years, Tully and Kate buoy each other through life, weathering the storms of friendship--jealousy, anger, hurt, resentment. They think they've survived it all until a single act of betrayal tears them apart . . . and puts their courage and friendship to the

ultimate test. Firefly Lane is for anyone who ever drank Boone's Farm apple wine while listening to Abba or Fleetwood Mac. More than a coming-of-age novel, it's the story of a generation of women who were both blessed and cursed by choices. It's about promises and secrets and betrayals. And ultimately, about the one person who really, truly knows you---and knows what has the power to hurt you . . . and heal you. Firefly Lane is a story you'll never forget . . . one you'll want to pass on to your best friend.

Love & Other Disasters Vintage

I can't believe I have to go home to Nebraska for my sister's wedding. I'm gonna need a wingman and a whole lot of vodka for this level of family interaction. At least my bestie agreed he'd man up and help. Too bad he had to catch a different flight than me. Then his plane got delayed. And finally—because bad things always happen in threes—instead of my best friend, his evil twin strolls out of the airport. If you looked up doesn't-deserve-to-be-that-confident, way-too-hot-for-his-own-good billionaire in the dictionary, you'd find a picture of Will Holt. He's awful. Horrible. The worst—even if his butt looks phenomenal in those jeans. Ten times worse? My buffer was supposed to be there to keep me away from the million and one family events. But Satan's spawn just grins and signs us up for every. Single. Thing. Fine.

"Cutthroat" Scrabble? I'm in. I can't wait to take this guy down a notch. But somewhere between Pictionary and the teasing glint in his eyes, our bickering starts to feel like more than just a game...

How to Avoid a Climate Disaster Scholastic Incorporated

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR "[A] skillfully crafted gothic mystery . . . Johnson pulls off a great feat in this book." —Financial Times "It reminded me, in its general refusal to play nice, of early Ian McEwan." —The New York Times Book Review "Johnson crafts an aching thriller about the dangers of loving too intensely." —Time From a Booker Prize finalist and international literary star: a blazing portrait of one darkly riveting sibling relationship, from the inside out. "One of her generation's most intriguing authors" (Entertainment Weekly), Daisy Johnson is the youngest writer to have been shortlisted for the Man Booker Prize. Now she returns with *Sisters*, a haunting story about two sisters caught in a powerful emotional web and wrestling to understand where one ends and the other begins. Born just ten months apart, July and September are thick as thieves, never needing anyone but each other. Now, following a case of school

bullying, the teens have moved away with their single mother to a long-abandoned family home near the shore. In their new, isolated life, July finds that the deep bond she has always shared with September is shifting in ways she cannot entirely understand. A creeping sense of dread and unease descends inside the house. Meanwhile, outside, the sisters push boundaries of behavior—until a series of shocking encounters tests the limits of their shared experience, and forces shocking revelations about the girls' past and future. Written with radically inventive language and imagery by an author whose work has been described as "entrancing" (The New Yorker), "a force of nature" (The New York Times Book Review), and "weird and wild and wonderfully unsettling" (Celeste Ng), *Sisters* is a one-two punch of wild fury and heartache—a taut, powerful, and deeply moving account of sibling love and what happens when two sisters must face each other's darkest impulses.

A haunting chronicle of what endures when the world we know is swept away On a day like any other, on a rafting trip down Utah's

Green River, Stéphane Gerson's eight-year-old son, Owen, drowned in a spot known as Disaster Falls. That night, as darkness fell, Stéphane huddled in a tent with his wife, Alison, and their older son, Julian, trying to understand what seemed inconceivable. "It's just the three of us now," Alison said over the sounds of a light rain and, nearby, the rushing river. "We cannot do it alone. We have to stick together." Disaster Falls chronicles the aftermath of that day and their shared determination to stay true to Alison's resolution. At the heart of the book is an unflinching portrait of a marriage tested. Husband and wife grieve in radically different ways that threaten to isolate each of them in their post-Owen worlds. ("He feels so far," Stéphane says when Alison shows him a selfie Owen had taken. "He feels so close," she says.) With beautiful specificity, Stéphane shows how they resist that isolation and reconfigure their marriage from within. As Stéphane navigates his grief, the memoir expands to explore how society reacts to the death of a child. He depicts the "good death"

of his father, which reveals an altogether different perspective on mortality. He excavates the history of the Green River—rife with hazards not mentioned in the rafting company's brochures. He explores how stories can both memorialize and obscure a person's life—and how they can rescue us. Disaster Falls is a powerful account of a life cleaved in two—raw, truthful, and unexpectedly consoling.

My Sister the Vampire Egmont UK Limited

Some people want their two front teeth or a hippopotamus for Christmas. Not me. That would be too clichéd. Then again, I never thought I'd stoop to sitting on Santa's lap and asking him to bring me a boyfriend, either. In my defense, though, the man of my dreams had just knocked me into a store display ten minutes prior, so I wasn't exactly thinking straight. Hah, but when did I ever. I never thought I'd see Mr. Tall, Dark, and Handsome again, but it looked like fate-or Santa-had other plans when I ran into him the following night. Seemed like I might be getting my

Christmas wish after all, right? Right. So imagine my surprise when I showed up at my parents' house for the holidays, only to find out that my sister had asked Santa for the exact same thing I did—and he'd delivered early. Yep, my sister scored herself a handsome new boyfriend, and he's absolutely perfect. He's charming, my parents love him, and even Lucifer the demon cat tolerates him. Oh, did I mention he also happens to be my dream guy? The one who's supposed to be under my tree? Yeah. Merry freakin' Christmas to me. Someone pass the hot buttered rum. This is a fun, feel-good MM Christmas novella.
