Criminal Justice and Criminology Research Methods Virgin Books Limited

In 1934, Nancy Cunard published *Negro: An Anthology*, which brought together more than two hundred contributions, serving as a plea for racial justice, an exposé of black oppression, and a hymn to black achievement and endurance. The anthology stands as a virtual ethnography of 1930s racial, historic, artistic, political, and economic culture. Samuel Beckett, a close friend of the flamboyant and unconventional Cunard, translated nineteen of the contributions for *Negro*, constituting Beckett's largest single prose publication. Beckett traditionally has been viewed as an apolitical postmodernist rather than as a willing and major participant in *Negro*'s racial, political, and aesthetic agenda. In *Beckett in Black and Red*, Friedman reevaluates Beckett's contribution to the project, reconciling the humanism of his life and work and valuing him as a man deeply engaged with the greatest public issues of his time. Cunard believed racial justice and equality could be achieved only through Communism, and

thus "black" and "red" were inextricably linked in her vision. Beckett's contribution to *Negro* demonstrates his support for Cunard's interest in surrealism as well as her political causes, including international republicanism and anti-fascism. Only in recent years have Cunard's ideas begun to receive serious consideration. *Beckett in Black and Red* radically revalues Cunard and reconceives Beckett. His work in *Negro* shows a commitment to cultural and individual equality and worth that Beckett consistently demonstrated throughout his life, both in personal relationships and in his writing.

The Rejection of Consequentialism Peter Lang

The dragon's wings stretched, stretched like a ship's sail unfurling - and cut through power lines on the other side of the street. Electricity crackled and sparks flew as the lines came down. I watched, frozen in terror as it turned towards my house and pulled back its head in a roar of attack.

Memories of 1968 Simon and Schuster

In the third book in the Beautiful Bastard series, an agreement between a venture capitalist and a bookish woman quickly becomes a very NSFW version of *My Fair Lady*. A bombshell bookworm. A chronic Casanova. And a lesson in chemistry too scandalous for school. When Hanna Bergstrom receives a lecture from her overprotective brother about neglecting her social life and burying herself in grad school, she's determined to tackle his implied assignment: get out, make friends, start dating. And who better to turn her into the sultry siren every man wants than her brother's gorgeous best friend, Will Sumner, venture capitalist and unapologetic playboy? Will takes risks for a living, but he's skeptical about this challenge of Hanna's...until the wild night his innocently seductive pupil tempts him into bed- and teaches him a thing or two about being with a woman he can't forget. Now that Hanna's discovered the power of her own sex appeal, it's up to Will to prove he's the only man she'll ever need.

A Dictionary of Medical Science ... Simon and Schuster

Some years figure more keenly in the collective memory than others. Mermaid's Scar, Vol. 2 Borgo Press

A fifteen-year-old boy decides to accompany his severely depressed high school French teacher on a road trip to the Canadian province of Quebec, where the mother tongue of Voltaire and Balzac is still spoken and cherished. Clarence Coe's mesmerizing new play is a delicious amalgam of farce and tragedy, a carnival funhouse with very dark corners. Wildly inventive and heartbreakingly sad, the strange odyssey of Jimmy and the unpredictable Mr. Green takes many surprising turns, crossing the border from reality into unreality and back again while encountering displaced characters from history, literature, and the mundane, often dangerous world. Selected by Tony Award-winning playwright John Guare ("*House of Blue Leaves*, *Six Degrees of Separation*, "and others) from over 1,000 submissions from 29 countries, Clarence Coe's "*Beautiful Province*" is the sixth winner of the DC Horn Foundation/Yale Drama Series Prize. In his foreword, Guare calls Coe's work "elusive and haunting . . . funny, desperate, insane," praising it for "its intriguing story [and] its tone, sustained to the very end." Lyrical and adventurous,

"Beautiful Province "is an outstanding new theatrical work, well deserving of these accolades and more.

Red Grass Simon and Schuster

Fiction. Translated from the French by Paul Knobloch. Originally published in 1947. "In the Exopotamian desert, where hepatrols blossom and children collect little animals called sandpeepers, the sun shines in an unusual way: it produces eerie black zones whose mysteries remain unexplained. Above all, Vian's peculiar way with language proves that, indeed, life in the desert is equal to none. Since unusual language is bound to produce unusual fiction, it follows that the story does not take place in the fall, nor is it set in China" - from the Foreword by Marc Lapprand. The fourth novel by Vian, who was a contemporary of Sartre and Beauvoir. His innovative style, cutting-edge during his lifetime, but only successful in the sixties, made him an icon of the May 1968 student movement.
