Miss Ada Quicksilver, a student of London's Lovelace Academy for Promising Young Women, is spending her holiday in Ireland to pursue her anthropological study of fairies. She visits Dublin's absinthe bars to investigate a supposed association between the bittersweet spirit and fairy sightings. One night a handsome Irishman approaches her, introducing himself as Edward Donoghue. Edward takes absinthe to relieve his sleepwalking, and she is eager to hear whether he has experience with fairies. Instead, she discovers that he's the earl of Meath, and that he will soon visit a mysterious ruin at Newgrange on the orders of his cousin, the beautiful, half-mad Queen Isolde. On learning about Ada's area of study, he invites her to accompany him. Ada is torn between a sensible fear of becoming entangled with the clearly troubled gentleman and her compelling desire to ease

his suffering. Finally she accepts his invitation, and they arrive in time for the winter solstice. That night, the secret of Edward's affliction is revealed: he is, in fact, a lord in two worlds and can no longer suppress his shadow self. Little does either of them realize that their blossoming friendship—and slowly kindling passion—will lead to discoveries that wrench open a door sealed for centuries, throwing them into a war that will change Ireland forever.

Seven Nights to Forever

HarperCollins
Skilled, sculpted, and sexy, the men of adult entertainment are the kind of guys a woman reserves for her fantasies, not her reality. But is there more to these professional hotties than meets the eye? ... The day Robyn Flores meets Zac Fallon is one of those days. You know, when you're already late for work. Mostly because you haven't really slept since your best friend abandoned you for her fiancé and her exponentially better life. The kind of day you drag yourself to the cleaners to pick up your laundry, only to discover you've got the wrong bag—Star Spangled sequined thong, anyone?

So Robyn is definitely not ready for the ridiculously gorgeous guy at her front door, except that they have each other's clothes. But then, is any woman ever ready to meet the love of her life? There's just one problem: Zac Fallon is not the love of Robyn's life. Zac knows, despite the all-too-intimate dinner they share, he doesn't have a shot at her. Because the next time Zac sees Robyn, he's front and center of the male revue headlining her best friend's bachelorette party. So much for wooing the pretty schoolteacher, much less impressing her old-fashioned family, with his upstanding lifestyle. Now he's only got one way to win his dream girl. It's gonna be the steamiest, most irresistible seduction she's ever seen. And this time it will be no act ... "Castile's writing sparkles with wit. Readers will swoon for Robyn and Fallon's love story—and their super sexy dance moves!" —Alexis Daria, author of *Take The Lead* "In a perfect mix of sexy attraction that sizzles on the page and enchanting romance between characters you fall in love with, Castile's novel hits all the right notes!"

—Priscilla Oliveras, author of *Her Perfect Affair* “Zoey Castile is a fresh and fun new voice, and the characters in *Stripped* will capture your heart (and possibly your dollar bills).”

From Cupid and Psyche to India's Snake Bride to

South Africa's "Story of Five Heads," the partnering of beasts and beauties, of humans and animals in all their variety—cats, dogs, frogs, goats, lizards, bears, tortoises, monkeys, cranes, warhogs—has beguiled us for thousands of years, mapping the cultural contradictions that riddle every romantic relationship. In this fascinating volume, preeminent fairy tale scholar Maria Tatar brings together tales from ancient times to the present and from a wide variety of cultures, highlighting the continuities and the range of themes in a fairy tale that has been used both to keep young women in their place and to encourage them to rebel, and that has entertained adults and children alike. With fresh commentary, she shows us what animals and monsters, both male and female, tell us about ourselves, and about the transformative power of empathy.
