Grace and Fury Alison Green Books

This book, first published in 1987, complements the author's earlier volume on Culture and Society in France 1848-1898. It deals with the interaction of social history and cultural history, covering in succession the Revolutionary period, the Napoleonic Empire, the Restoration and the July Monarchy. The scope of the book embraces literature (the drama, poetry and the novel), the art of the Revolution and of Romanticism, and to a lesser extent music (including the opera), sculpture and architecture. Influential figures such as Jacques-Louis David, Stendhal, Berlioz, Victor Hugo and others have their place in the survey, together with others prominent in their time but less well known today. Attention is drawn to phenomena such as the rise of the commercial theatre, and the assembling under Napoleon's aegis of the first public art gallery in Europe, the Musée du Louvre. The survey brings together all the disparate strands to present a coherent picture of the cultural life of France as it evolved during the sixty momentous years between the French Revolution and the upheaval of 1848.

Subverting Patriarchy Good Press

The disruption caused to the social order by the intrusion of the fantastic provides the impetus for a radical investigation of the ideology of gender underpinning the dominant Enlightenment discourses on the nature of science, history and rationality.

Egocentricity and Mysticism Simon and Schuster

Bold, brutal, and beautiful, this must-read fantasy is full of fierce sisterhood, action, and political intrigue for fans of The Selection series, Caraval, and The Handmaid's Tale. Serina Tessaro has been groomed her whole life to become a Grace—someone to stand by the heir to the throne as a shining, subjugated example of the perfect woman. It's her chance to secure a better life for her family, and to keep her headstrong and rebellious younger sister, Nomi, out of trouble. But when Nomi catches the Heir's eye instead, Serina is the one who takes the fall for the dangerous secret her sister has been hiding. Trapped in a life she never wanted, Nomi has only one option: surrender to her role as a Grace until she can use her position to save Serina. But this is easier said than done...a traitor walks the halls of the palazzo, and deception lurks in every corner. Meanwhile, Serina is running out of time. Imprisoned on an island where she must fight to the death to survive, surrounded by women stronger than she is, one wrong move could cost her everything. There is no room for weakness on Mount Ruin, especially weaknesses of the heart. Thrilling and captivating, Grace and Fury is a story of fierce sisterhood, and survival in a world that's determined to break you.

In a series of interviews Woody Allen shares the anxieties, frustrations, and inspirations in his life.

Culture and Society in France 1789-1848 Hachette UK

16-year-old Alice starts to get emails from her older sister who was murdered.

Zog and the Flying Doctors Columbia University Press

Named an Outstanding Academic Book for 1997 by CHOICE. Out of the Shadows demonstrates the importance of the role of women in the French Revolution. It traces the growth of female political awareness and depicts the determination of women of the working class to participate in the life of the new nation despite their government's obstinate denial of the rights of citizenship. The author examines in detail the grassroots involvement of women in the affairs of the country right up until the avalanche of repressive legislation passed in the spring of 1795.

Great Historical Geographical and Poetical Dictionary Llewellyn Worldwide Limited

The first book to offer an extensive presentation of Rune concepts, mythology and magical applications inspired by Dutch/Frisian traditional lore. Includes a clear and concise explanation of the runes and their placement and significance in the runic alphabet. Introduces the use of runes in counseling and healing of others.

Nietzsche Simon and Schuster

Having finally rescued Jack from the dark Tunnels of the Underworld, all Nikki wants is to be with him and for life to return to normal. But Cole tricked Nikki as they journeyed through the labyrinth of the Everneath, and now she's started turning into an Everliving just like him. Desperate to find a way to reverse the process, Nikki and Jack try everything they can think of. Even Cole becomes an unlikely ally, but for how long? Nikki needs to feed on Cole to survive, Cole needs Nikki to gain control of the throne in the Everneath, and Jack needs Nikki because she is everything to him. Together, they must travel back to the Underworld to undo Nikki's fate and make her mortal once more. Will Nikki be forced to spend eternity in the Underworld-or does she have what it takes to bring down the Everneath once and for all?

Unsere Zeit Legare Street Press

This inspiring memoir of one woman's experience in the field is an exotic adventure story, a surprise journey of self-discovery, and a deeply personal appreciation of a place that's unlike any other. At age twenty-five, graduate student Keriann McGoogan traveled into the wilds of Madagascar to study lemurs in their natural habitat and to set up a permanent field site in the remote northwest--a site to which she could later return to do research for her PhD in biological anthropology. Despite careful planning, the trip spiraled out of control. Food poisoning, harrowing backcountry roads, grueling hikes, challenging local politics, malaria, and an emergency evacuation would turn a simple reconnaissance into an epic adventure. In an engaging narrative, the author vividly describes the challenges of life in an isolated forest region while also bringing to life the wonders of Madagascar's incredible biodiversity, especially its many varieties of lemurs. Sadly, these rare animals are the most endangered group of primates in the world. At first accompanied by her thesis advisor, McGoogan is soon left alone when her mentor must return home. She carries on as the lone woman amid a small band of local male assistants, diligently conducting research on the lemur population around the camp. But when her right-hand man becomes delirious with malaria, she is forced to lead her team on a desperate three-day trek to safety. This fascinating memoir is equal parts a journey of self-discovery, an adventure story, and a heartfelt appreciation of a wonderful island country teaming with unique species and peopled by the warm and welcoming Malagasies with their intriguing indigenous culture.

Unsere zeit Harper San Francisco

Taking issue with a substantial body of criticism predicated upon the differences between men and women, Feldman reinterprets modernism. She traces the influence of the dandy, as depicted by the 19th-century French writers Theophile Gautier, Jules Barbey d'Aurevilly, and Charles Baudelaire, on the work of the three 20th-century writers, Willa Cather, Wallace Stevens, and Vladimir Nabokov.

Everbound Rodopi

This English translation of Friedrich Nietzsche in seinen Werken offers a rare, intimate view of the philosopher by Lou Salomé, a free-thinking, Russian-born intellectual to whom Nietzsche proposed

marriage at only their second meeting. Published in 1894 as its subject languished in madness, Salomé's book rode the crest of a surge of interest in Nietzsche's iconoclastic philosophy. She discusses his writings and such biographical events as his break with Wagner, attempting to ferret out the man in the midst of his works. Salomé's provocative conclusion -- that Nietzsche's madness was the inevitable result of his philosophical views -- generated considerable controversy. Nietzsche's sister, Elisabeth Förster-Nietzsche, dismissed the book as a work of fantasy. Yet the philosopher's longtime acquaintance Erwin Rohde wrote, "Nothing better or more deeply experienced or perceived has ever been written about Nietzsche." Siegfried Mandel's extensive introduction examines the circumstances that brought Lou Salomé and Nietzsche together and the ideological conflicts that drove them apart.

The Crowd in the French Revolution Routledge

Looks at the period from 10,000 B.C. to 2,000 B.C., and discusses human impact on the environment, the worship of the goddess, and social and gender roles.

Leechdoms, Wortcunning, and Starcraft of Early England Vintage Books USA

"If people turn to look at you in the street, you are not well dressed, but either too stiff, too tight, or too fashionable." -- Beau Brummell Long before tabloids and television, Beau Brummell was the first person famous for being famous, the male socialite of his time, the first metrosexual -- 200 years before the word was conceived. His name has become synonymous with wit, profligacy, fine tailoring, and fashion. A style pundit, Brummell was singly responsible for changing forever the way men dress -- inventing, in effect, the suit. Brummell cut a dramatic swath through British society, from his early years as a favorite of the Prince of Wales and an arbiter of taste in the Age of Elegance, to his precipitous fall into poverty, incarceration, and madness. Brummell created the blueprint for celebrity crash and burn, falling dramatically out of favor and spending his last years in a hellish asylum. For nearly two decades, Brummell ruled over the tastes and pursuits of the well heeled and influential, and for almost as long, lived in penury and exile. With vivid prose, critically acclaimed biographer Ian Kelly unlocks the glittering, turbulent world of late-eighteenth/early-nineteenth-century London -- the first truly modern metropolis: venal, fashion-and-celebrity obsessed, self-centered and self-doubting -- through the life of one of its greatest heroes and most tragic victims. Brummell personified London's West End, where a new style of masculinity and modern men's fashion were first defined. Brummell was the leading Casanova and elusive bachelor of his time, appealing to both men and women of his society. The man Lord Byron once claimed was more important than Napoleon, Brummell was the ultimate cosmopolitan man. "Toyboy" to Georgiana, Duchess of Devonshire, and leader of playboys including the eventual king of England, Brummell inspired Pushkin to write Eugene Onegin, and Byron to write Don Juan, and he influenced others from Oscar Wilde to Coco Chanel. Through love letters, historical records, and poems, Kelly reveals the man inside the suit, unlocking the scandalous behavior of London's high society while illuminating Brummell's enigmatic life in the colorful, tumultuous West End. A rare rendering of an era filled with excess, scandal, promiscuity, opulence, and luxury, Beau Brummell is the first comprehensive view of an elegant and ultimately tragic figure whose influence continues to this day.

Pan Macmillan

"Enthralling and suspenseful, EVERNEATH is pure indulgent escapism!" - Becca Fitzpatrick, NYT Bestselling Author of Hush, Hush Last spring, Nikki Beckett vanished, sucked into an underworld known as the Everneath, where immortals Feed on the emotions of despairing humans. Now she's returned- to her old life, her family, her friends- before being banished back to the underworld... this time forever. She has six months before the Everneath comes to claim her, six months for good-byes she can't find the words for, six months to find redemption, if it exists. Nikki longs to spend these months reconnecting with her boyfriend, Jack, the one person she loves more than anything. But there's a problem: Cole, the smoldering immortal who first enticed her to the Everneath, has followed Nikki to the mortal world. And he'll do whatever it takes to bring her back- this time as his queen. She's forced to make the hardest decision of her life: find a way to cheat fate and remain on the Surface with Jack or return to the Everneath and become Cole's... "Ashton's debut, is complex and intriguing. Drawing inspiration from such myths as Osiris, Orpheus, and Persephone, it explores the nature of loss and longing and what it means to be alive." - Publishers Weekly "I was pulled under by this bittersweet, beautiful retelling of the Persephone myth. Ashton's lovely storytelling and strong-on-her-own-terms main character set this one apart. Wonderful!" - Ally Condie, author of

the MATCHED trilogy "The powerful emotions, moving and painful rebuilding of strained relationships, and star-crossed love story is sure to resonate with teen readers." - School Library Journal "A fresh, innovative concept to young adult fiction with well-developed characters and a fantastic plot line Libraries are advised to buy multiple copies-this one will fly off the shelves." - Voice of Youth Advocates (VOYA) (starred review)

Evertrue Simon and Schuster

Harper lives in the City of Clouds with her Great Aunt Sassy and her beloved cat Midnight. When Midnight goes missing - together with all the cats of the neighbourhood - Harper realises that only her magical scarlet umbrella can help her find him... A beautifully written, lyrical tale created by CBeebies' presenter Cerrie Burnell.

Russland-Saga New York : P. Lang

In George Moore's 'A Mere Accident,' the story is set in Thornby Place, an English countryside home owned by Mrs Norton. The novel begins with a detailed description of the house and its mix of architectural styles, and the protagonist, John Norton's, dislike of its ordered and tidy interior. The book portrays Mrs Norton as a determined woman who values order and efficiency, which is in contrast to John Norton's feelings about the house's design.
