Mississippi Goddamn Harpercollins
The Negro Motorist Green Book was a groundbreaking guide that provided African American travelers with crucial information on safe places to stay, eat, and visit during the era of segregation in the United States. This essential resource, originally published from 1936 to 1966, offered a lifeline to black motorists navigating a deeply divided nation,

helping them avoid the dangers and indignities of racism on the road. More than just a travel guide, The Negro Motorist Green Book stands as a powerful symbol of resilience and resistance in the face of oppression, offering a poignant glimpse into the challenges and triumphs of the African American experience in the 20th century.

Why We Can't Wait Longman Publishing Group

A special 10th anniversary edition of Roy Peter Clark's bestselling guide to writing, featuring five bonus tools. Ten years ago,

Roy Peter Clark, America's most influential writing teacher, whittled down almost thirty years of experience in journalism, writing, and teaching into a series of fifty short essays on different aspects of writing. In the past decade, Writing Tools has become a classic guidebook for novices and experts alike and remains one of the best loved books on writing available. Organized into four sections, "Nuts and Bolts," "Special Effects," "Blueprints for Stories," and "Useful Habits," Writing Tools is infused with more than 200 examples from journalism and

literature. This new edition includes five brand new, never-before-shared tools. Accessible, entertaining, inspiring, and above all, useful for every type of writer, from high school student to novelist, *Writing Tools* is essential reading.

The Negro Motorist Green Book Beacon Press

Includes eleven sermons of Dr. Martin Luther King, Jr., with "eleven important introductions by renowned ministers and theologians of our time; Reverend Billy Graham, Archbishop Desmond Tutu, and Bishop T. D. Jakes, among others."

Christianity and the Roots of Morality Moody Publishers

The first collection of King's essential writings for high school students and young people *A Time to Break Silence* presents Martin Luther King, Jr.'s most important writings and speeches—carefully selected by teachers across a variety of disciplines—in an accessible and user-friendly volume. Now, for the first time, teachers and students will be able to access Dr. King's writings not only electronically but in stand-alone book form. Arranged thematically in five parts, the collection includes nineteen

selections and is introduced by award-winning author Walter Dean Myers. Included are some of Dr. King's most well-known and frequently taught classic works, including "Letter from Birmingham Jail" and "I Have a Dream," as well as lesser-known pieces such as "The Sword that Heals" and "What Is Your Life's Blueprint?" that speak to issues young people face today.

How to Be an Ally: Actions You Can Take for a Stronger, Happier Workplace Random House

A revealing collection that restores Dr. King as being every bit as radical as Malcolm X "The radical King was a democratic socialist who sided with poor and working people in the class struggle taking place in capitalist societies. . . . The response of the radical King to our catastrophic moment can be put in one word: revolution—a revolution in our priorities, a reevaluation of our values, a reinvigoration of our public life, and a fundamental transformation of our way of thinking and living that promotes a transfer of power from oligarchs and plutocrats to everyday people and ordinary citizens. . . . Could it be that we

know so little of the radical King because such courage defies our market-driven world?" —Cornel West, from the Introduction Every year, Dr. Martin Luther King, Jr., is celebrated as one of the greatest orators in US history, an ambassador for nonviolence who became perhaps the most recognizable leader of the civil rights movement. But after more than forty years, few people appreciate how truly radical he was. Arranged thematically in four parts, *The Radical King* includes twenty-three selections, curated and introduced by Dr. Cornel West, that illustrate King's revolutionary vision, underscoring his identification with the poor, his unapologetic opposition to the Vietnam War, and his crusade against global imperialism. As West writes, "Although much of America did not know the radical King—and too few know today—the FBI and US government did. They called him 'the most dangerous man in America.' . . . This book unearths a radical King that we can no longer sanitize."

What Jane Austen Ate and Charles Dickens Knew Univ of North Carolina Press

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

Little Worlds Macmillan

MLK's classic account of the first successful large-scale act of nonviolent resistance in America: the Montgomery bus boycott. A young Dr. King wrote *Stride Toward Freedom* just 2 years after the successful completion of the boycott. In his memoir about the event, he tells the stories that informed his radical political thinking before, during, and after the boycott—from first witnessing economic injustice as a teenager and watching his parents experience discrimination to his decision to begin working with the NAACP. Throughout, he demonstrates how activism and leadership can come from any experience at any age. Comprehensive and intimate, *Stride Toward Freedom* emphasizes the collective nature of the movement and includes King's experiences learning from other activists working on the boycott, including Mrs. Rosa Parks and Claudette Colvin. It traces the phenomenal journey of a community and shows how the 28-year-old Dr. King, with his conviction for equality and nonviolence, helped transform the nation and the world. This book was published with two different covers. Customers will be shipped one of

them at random.

A Knock at Midnight McGraw Hill
Professional

From the best-selling authors of the most successful reader in America comes *Practical Argument*. No one writes for the introductory composition student like Kirsznner and Mandell, and *Practical Argument* simplifies the study of argument. A straightforward, full-color, accessible introduction to argumentative writing, it employs an exercise-driven, thematically focused, step-by-step approach to get to the heart of what students need to understand argument. In clear, concise, no-nonsense language, *Practical Argument* focuses on basic principles of classical argument and introduces alternative methods of argumentation. *Practical Argument* forgoes the technical terminology that confuses students and instead explains concepts in understandable, everyday language, illustrating them with examples that are immediately relevant to students' lives.

The Word of the Lord Is Upon Me

HarperOne

This volume contains a selection of papers

from the International Conference on Argumentation (Amsterdam, 2002) by prominent international scholars of argumentation theory. It provides an insightful cross-section of the current state of affairs in argumentation research. It will be of interest to all those working in the field of argumentation theory and to all scholars who are interested in recent developments in this field.

The Dialectical Self Springer Science & Business Media

Paul Stephenson is one of the UK's leading Civil Rights activists and has travelled extensively to the United States to support the US Civil Rights Movement. In his foreword to *Memories of a Black Englishman* Tony Benn writes: "Paul Stephenson's life, as readers of this book will see, offers living proof that history is made by the people who make the effort. "It also shows that the initial hostility that they provoke is replaced by respect and good will if the effort continues for long enough. "Paul Stephenson's life confirms that expectation and I strongly recommend his book." Paul Stephenson enlisted the support of Tony Benn (then a Labour MP in Bristol) to take on the Bristol

Bus Company in 1963 who were refusing to employ black drivers. The Bristol Bus Boycott was based on the Montgomery Bus Boycott of 1956 and marked the start of a lifetime of campaigning by Stephenson. He was regarded as a trouble maker as he challenged racist practices in all aspects of life and strove to bring together black and white communities across the world. His work has been hugely influential and has resulted in him being honored with an OBE and being given the Freedom of the City of Bristol where he lives with his wife Joyce. [The Non-Planner Datebook](#) Createspace Independent Publishing Platform
The civil rights movement was arguably the most successful social movement in American history. In a provocative new assessment of its success, David Chappell argues that the story of civil rights is not a story of the ultimate triumph of liberal ideas after decades of gradual progress. Rather, it is a story of the power of religious tradition. Chappell reconsiders the intellectual roots of civil rights reform, showing how northern liberals' faith in the power of human reason to overcome prejudice was at odds with the

movement's goal of immediate change. Even when liberals sincerely wanted change, they recognized that they could not necessarily inspire others to unite and fight for it. But the prophetic tradition of the Old Testament--sometimes translated into secular language--drove African American activists to unprecedented solidarity and self-sacrifice. Martin Luther King Jr., Fannie Lou Hamer, James Lawson, Modjeska Simkins, and other black leaders believed, as the Hebrew prophets believed, that they had to stand apart from society and instigate dramatic changes to force an unwilling world to abandon its sinful ways. Their impassioned campaign to stamp out "the sin of segregation" brought the vitality of a religious revival to their cause. Meanwhile, segregationists found little support within their white southern religious denominations. Although segregationists outvoted and outgunned black integrationists, the segregationists lost, Chappell concludes, largely because they did not have a religious commitment to their cause.

Bullet It! Createspace Independent Publishing Platform

A "delightful reader's companion" (The New York Times) to the great nineteenth-century British novels of Austen, Dickens, Trollope, the Brontës, and more, this lively guide clarifies the sometimes bizarre maze of rules and customs that governed life in Victorian England. For anyone who has ever wondered whether a duke outranked an earl, when to yell "Tally Ho!" at a fox hunt, or how one landed in "debtor's prison," this book serves as an indispensable historical and literary resource. Author Daniel Pool provides countless intriguing details (did you know that the "plums" in Christmas plum pudding were actually raisins?) on the Church of England, sex, Parliament, dinner parties, country house visiting, and a host of other aspects of nineteenth-century English life—both "upstairs" and "downstairs. An illuminating glossary gives at a glance the meaning and significance of terms ranging from "ague" to "wainscoting," the specifics of the currency system, and a lively host of other details and curiosities of the day.

I Have a Dream/Letter from Birmingham Jail Beacon Press
Martin Luther King Jr.'s "Letter from

Birmingham Jail" is arguably the most important written document of the civil rights protest era and a widely read modern literary classic. Personally addressed to eight white Birmingham clergy who sought to avoid violence by publicly discouraging King's civil rights demonstrations in Birmingham, the nationally published "Letter" captured the essence of the struggle for racial equality and provided a blistering critique of the gradualist approach to racial justice. It soon became part of American folklore, and the image of King penning his epistle from a prison cell remains among the most moving of the era. Yet, as S. Jonathan Bass explains in the first comprehensive history of King's "Letter," this image and the piece's literary appeal conceal a much more complex tale. This updated edition of *Blessed Are the Peacemakers* includes a new foreword by Paul Harvey, a new afterword by James C. Cobb, and a new epilogue by the author.

Blessed Are the Peacemakers

University of Pennsylvania Press
What is the role of religion, especially Christianity, in morality, pro-social behavior and altruism? Are there innate

human moral capacities in the human mind? When and how did they appear in the history of evolution? What is the real significance of Jesus' teaching in the Sermon on the Mount — does it set up unique moral standards or only crystallize humans' innate moral intuitions? What is the role of religious teachings and religious communities in pro-social behavior? Christianity and the Roots of Morality: Philosophical, Early Christian, and Empirical Perspectives casts light on these questions through interdisciplinary articles by scholars from social sciences, cognitive science, social psychology, sociology of religion, philosophy, systematic theology, comparative religion and biblical studies. Contributors include: Nancy T.

Ammerman, István Czachesz, Grace Davie, Jutta Jokiranta, Simo Knuuttila, Kristen Monroe, Mika Ojakangas, Sami Pihlström, Antti Raunio, Heikki Räisänen (†), Risto Saarinen, Kari Syreeni, Lauri Thurén, Petri Ylikoski.

Little Big Minds HarperOne

Written by Martin Luther King, Jr. himself, this astounding autobiography brings to life a remarkable man changed the world —and still inspires the desires, hopes, and

dreams of us all. Martin Luther King: the child and student who rebelled against segregation. The dedicated minister who questioned the depths of his faith and the limits of his wisdom. The loving husband and father who sought to balance his family's needs with those of a growing, nationwide movement. And to most of us today, the world-famous leader who was fired by a vision of equality for people everywhere. Relevant and insightful, *The Autobiography of Martin Luther King, Jr.* offers King's seldom disclosed views on some of the world's greatest and most controversial figures: John F. Kennedy, Malcolm X, Lyndon B. Johnson, Mahatma Gandhi, and Richard Nixon. It paints a moving portrait of a people, a time, and a nation in the face of powerful change. And it shows how Americans from all walks of life can make a difference if they have the courage to hope for a better future.

The Orders Were to Rape You Beacon Press

Although Karl Marx and Søren Kierkegaard are both major figures in nineteenth-century Western thought, they are rarely considered in the same conversation. Marx is the great radical economic theorist, the

prophet of communist revolution who famously claimed religion was the "opiate of the masses." Kierkegaard is the renowned defender of Christian piety, a forerunner of existentialism, and a critic of mass politics who challenged us to become "the single individual." But by drawing out important themes bequeathed them by their shared predecessor G. W. F. Hegel, Jamie Aroosi shows how they were engaged in parallel projects of making sense of the modern, "dialectical" self, as it realizes itself through a process of social, economic, political, and religious emancipation. In *The Dialectical Self*, Aroosi illustrates that what is traditionally viewed as opposition is actually a complementary one-sidedness, born of the fact that Marx and Kierkegaard differently imagined the impediments to the self's appropriation of freedom. Specifically, Kierkegaard's concern with the psychological and spiritual nature of the self reflected his belief that the primary impediments to freedom reside in subjectivity, such as in our willing conformity to social norms. Conversely, Marx's concern with the sociopolitical nature of the self reflected his belief that

the primary impediments to freedom reside in the objective world, such as in the exploitation of the economic system. However, according to Aroosi, each thinker represents one half of a larger picture of freedom and selfhood, because the subjective and objective impediments to freedom serve to reinforce one another. By synthesizing the writing of these two diametrically opposed figures, Aroosi demonstrates the importance of envisioning emancipation as a subjective, psychological, and spiritual process as well as an objective, sociopolitical, and economic one. The Dialectical Self attests to the importance and continued relevance of Marx and Kierkegaard for the modern imagination.

Anyone Who Has a View Warner Books (NY)

A guide for parents and educators to sharing the enduring ideas of the biggest minds throughout the centuries—from Plato to Jane Addams—with the "littlest" minds. Children are no strangers to cruelty and courage, to love and to loss, and in this unique book teacher and educational consultant Marietta McCarty reveals that they are, in fact, natural philosophers. Drawing on a program she has honed in schools around the country over the last fifteen years, *Little Big Minds* guides parents and educators in introducing philosophy to K-8 children in order to develop their critical thinking, deepen their appreciation for others, and brace them for the philosophical quandaries that lurk in all of our lives, young or old.

Arranged according to themes-including

prejudice, compassion, and death-and featuring the work of philosophers from Plato and Socrates to the Dalai Lama and Martin Luther King Jr., this step-by-step guide to teaching kids how to think philosophically is full of excellent discussion questions, teaching tips, and group exercises.

I Have a Dream Little, Brown Spark

Edward Gilbreath offers a black perspective on what it is like to live in a mostly white Christian culture. He also presents a historical perspective on the evangelical movement and racial reconciliation and then gives suggestions for creating unity.

Gospel of Freedom InterVarsity Press
In "Letter from Birmingham Jail," Martin Luther King Jr. explains why blacks can no longer be victims of inequality.
