Summer Vacation*
National Geographic
Books

In this “optimistic,
exuberant tale,” (Kirkus
Reviews, starred review)
two teens find

unexpected romance and
harmony amid the crowd
at a legendary music
festival. Michael is unsure
about most things. Go to
college? Enlist in the
military? Break up with his
girlfriend? All big question
marks. He is living for the
moment, and all he wants
is to enjoy a few days at
the biggest concert of the
summer. Cora lives in the
town hosting the music

festival. She’s
volunteering in the
medical tent. She’s like
that, always the good girl.
But there is something in
the air at this concert, and
suddenly Cora finds
herself wanting to push
her own boundaries.
When Michael and Cora
meet, sparks fly, hearts
race, and all the things
love songs are written
about come true. And

they've got three days of the most epic summer ahead of them...

The Lost Days of Summer
Penguin

A true story of a young successful stockbroker going broke, and lifting his thumb in search for his true self, by traveling the world. After almost five years of traveling on five different continents, Tomislav laid down in a hammock in one village on the coast of Ecuador, and started writing a book. He was determined to put down everything he knows about traveling,

and with that, answer the questions that many people ask him for years: How is it possible to travel with almost no money? Is his way of traveling safe enough? What are the worst, and the best moments on the road? How can you earn money while traveling? Where to look for sponsors? How did his parents and friends react? Why is he traveling in the first place? Since it was impossible to give a simple and short answers to those questions, he started answering them in

the only way possible - by telling his life story.

Tomislav wrote about his student days in Croatia, about the days when he had a well paid job as a stockbroker, about going bankrupt, about turning his life around, about first ventures on the road with a backpack on his back, and about finding a way that he will follow in the years to come - by traveling. Tomislav wrote about hitchhiking in numerous countries, sleeping in homes of strangers, camping on the side of the road, eating in

supermarkets and drinking beer in parks, volunteering, many anecdotes that he encountered on the road, natural beauties that left him breathless, and about the beautiful people that he met on the way.

The End of Summer

Simon and Schuster

"The Last Last-Day-of-Summer reminds me that all children deserve to exist in magical spaces where their imaginations and familial bonds will them into heroism. Every single child should have the freedom to be one of

The Legendary Alstons. And I, for one, am grateful to Giles, and this brilliant story, for that reminder." - Jason Reynolds, author of Newbery Honoree Long Way Down "The legendary heroes of this legendary book are already legendary when the story begins From there things can only get legendary-er " --Tom Angleberger, author of the Origami Yoda series "Lamar Giles has written an instant classic--readers won't want their time with the Legendary Alston Boys of Logan County to end." --

Gwenda Bond, author of the Lois Lane series The Hardy Boys meets The Phantom Tollbooth, in the new century When two adventurous cousins accidentally extend the last day of summer by freezing time, they find the secrets hidden between the unmoving seconds, minutes, and hours are not the endless fun they expected. Otto and Sheed are the local sleuths in their zany Virginia town, masters of unraveling mischief using their unmatched powers of deduction. And as the

summer winds down and the first day of school looms, the boys are craving just a little bit more time for fun, even as they bicker over what kind of fun they want to have. That is, until a mysterious man appears with a camera that literally freezes time. Now, with the help of some very strange people and even stranger creatures, Otto and Sheed will have to put aside their differences to save their town--and each other--before time stops for good.

Chronicle of a Last Summer St. Martin's Paperbacks
From the #1 New York Times bestselling author of *Anathem*, *Reamde*, and *Cryptonomicon* comes an exciting and thought-provoking science fiction epic—a grand story of annihilation and survival spanning five thousand years. What would happen if the world were ending? A catastrophic event renders the earth a ticking time bomb. In a feverish race against the inevitable, nations around the globe band together

to devise an ambitious plan to ensure the survival of humanity far beyond our atmosphere, in outer space. But the complexities and unpredictability of human nature coupled with unforeseen challenges and dangers threaten the intrepid pioneers, until only a handful of survivors remain . . . Five thousand years later, their progeny—seven distinct races now three billion strong—embark on yet another audacious journey into the unknown . . . to an alien world

utterly transformed by cataclysm and time: Earth. A writer of dazzling genius and imaginative vision, Neal Stephenson combines science, philosophy, technology, psychology, and literature in a magnificent work of speculative fiction that offers a portrait of a future that is both extraordinary and eerily recognizable. As he did in *Anathem*, *Cryptonomicon*, the *Baroque Cycle*, and *Reamde*, Stephenson explores some of our biggest ideas and perplexing challenges in a

breathhtaking saga that is daring, engrossing, and altogether brilliant.

Last Days Of Summer

Tordotcom

After years in the United States, Jane returns to the tranquil Scottish estate, Elvie, where she spent a magical childhood.

Memories of Elvie had always summoned the image of Sinclair, the rakish man Jane had once dreamed of marrying, but now that she is home, she finds Sinclair a different man. His charm has a purpose, and Jane can no longer trust him...or

herself, in *The End of Summer*. When you read a novel by Rosamunde Pilcher you enter a special world where emotions sing from the heart. A world that lovingly captures the ties that bind us to one another—the joys and sorrows, heartbreaks and misunderstandings, and glad, perfect moments when we are in true harmony. A world filled with evocative, engrossing, and above all, enjoyable portraits of people's lives and loves, tenderly laid open for us... "Her genius is to create

characters you really care for" - Daily Express

The Last Weekend of the Summer Macmillan

"Michelle Gable has moved in on [Elin] Hilderbrand's home turf with a humorous and smartly written story of two generations of love and vacations." —Wall Street Journal From New York Times bestselling author of A Paris Apartment comes a novel about summer in Nantucket and a guestbook that reveals family secrets. The ocean, the wild roses on the

dunes and the stunning Cliff House, perched atop a bluff in Sconset, Nantucket. Inside the faded pages of the Cliff House guest book live the spellbinding stories of its female inhabitants: from Ruby, a bright-eyed newlywed on the eve of World War II to her granddaughter Bess, who returns to the beautiful summer estate. For the first time in four years, physician Bess Codman visits the compound her great-grandparents built almost a century before, but due to erosion, the

once-grand home will soon fall into the sea. Bess must now put aside her complicated memories in order to pack up the house and deal with her mother, a notorious town rabble-rouser, who refuses to leave. It's not just memories of her family home Bess must face though, but also an old love that might hold new possibilities. In the midst of packing Bess rediscovers the forgotten family guest book. Bess's grandmother and primary keeper of the book, Ruby,

always said Cliff House was a house of women, and by the very last day of the very last summer at Cliff House, Bess will understand the truth of her grandmother's words in ways she never imagined.

Almost Like Being in Love
Simon and Schuster

In this book, photographer Akila Berjaoui shows how her love for the beach is inextricably linked with her artistic vision. Akila Berjaoui's incredibly sensual photographs often feature sand, sun, water—or a combination

of all three. In her first book, this highly sought-after fashion photographer, armed with her favorite old analogue cameras, takes us to breathtaking seaside locations, from her hometown of Sydney, Australia, to the bathing hotspots of Italy, France, and Brazil, to name just a few. Much in the tradition of Slim Arons, Bruce Weber, Peter Beard, Claude Nori, and Juergen Teller—all of whom she regards as influences on her work—Berjaoui's photos harken back to the

1950s, '60s, '70s, and '80s with their soft colors and sultry joie de vivre. As a woman, Berjaoui is able to draw out her female subjects with a sense of kinship, rather than voyeurism. One of the world's most in-demand photographers, Akila Berjaoui is destined to make a name for herself in the field of travel, beauty, and lifestyle photography.

The Last Night of

Summer Independently

Published

Two boys explain the mysterious "rules" they learned over the summer, like never eat the last olive at a party and never ruin a perfect plan in this title by the "New York Times"-bestselling creator of the graphic novel "The Arrival." Full color.

Summer St. Martin's

Griffin

Taking place over a single summer at an abandoned Massachusetts summer camp, this "sun-saturated

tale of love and longing" explores the sting of seduction and how desire and ambition can shift through time and experience (Chicago Tribune). After Emily inherits an abandoned summer camp in Massachusetts just before her fortieth birthday, she and her husband David move onto the property with grand plans to fix it up. Instead, Emily finds herself drifting, grieving her recent miscarriage and her own perceived lack of ambition, while David works in the city.

Until the day Emily discovers that their new property includes an unexpected guest. Living undetected in one of the cabins is a magnetic twenty-two-year-old named Stella. Their immediate and intense connection expands and contracts over the course of a single summer, calling all of Emily's relationships, including her marriage, into closer scrutiny. As the two women begin spending time together—talking and drinking, swimming in the lake, watching

seductive French films through long afternoons—Emily finds herself playing at performing various roles relative to Stella: friend, mother, lover. Each encounter they share promises to bring Emily a little closer to an understanding of her own identity, but it also puts her marriage and future at risk. How much does she really know about Stella? Why is Stella here, and what does she want, and what might she take with her, if and when she leaves? Named one of the

best books of the summer by *O, The Oprah Magazine*, this “sun-saturated tale of love and longing” is a “smart, funny, nuanced and seductive” read (Chicago Tribune). Startling yet dreamlike, *The Summer Demands* marks Deborah Shapiro as a master at capturing complex relationships and the electricity of what passes unsaid between people.

[Alaska's 12 Days of Summer](#) HarperCollins
Lamb's lyrical, moving debut novel tells the

deeply affecting and ultimately life-affirming story of a young boy coming to terms with his father's death--a tender, lilting, mystical novel of love and loss and the renewal of the human spirit.

The Last Days Of Us
Macmillan

"For readers who like romantic and family-relationship tales on the frothy side, Willett's latest is quite a dish."--Booklist
Seven Days in Summer is a sparkling novel about the love that brings family and friends to the same

beach house year after year, and the secrets that may drive them apart. A busy mom of twins, Liv is looking forward to a week at the Beach Hut—even if she feels that something's not right between her and Matt. She's sure he's just too busy at work to join them on their summer holiday, not that he wants time alone. Baz, her father-in-law, loves having his family stay by the sea; but when an unexpected guest arrives, he finds himself torn between the past and the future. Still reeling from a breakup, all

Sofia wants is a quiet summer—until she meets Baz and her plans are turned upside-down. And back home, Matt might be missing Liv and the children, but when an old friend appears he finds himself distracted. What does she know about his family's past that she's not letting on? With this poignant family tale from the master of the ensemble, Marcia Willett's unforgettable characters will win the hearts of all readers.

Every Summer After
Harper Collins

They have been coming to their grandmother Gloria's lake cottage since they were babies. Now Johnnie and Buddy have families of their own and C.C. has a life full of adult drama and adventure. And this trip - the only stated purpose of which is to bring the family together for the last weekend of the summer - seems full of portent. Gloria has been hinting that there's more on the agenda than grilling and swimming, and when the three siblings learn that their estranged father will also

be in attendance, it becomes clear that this weekend will have implications that last far beyond the final days of the season. A touching, incisive view into the dynamics of a family on the verge of change and filled with characters both distinctive and utterly relatable, *THE LAST WEEKEND OF THE SUMMER* is a rich, lyrical reading experience that will resonate in your heart. *PRAISE FOR PETER MURPHY*: "The best books are not forgotten because you can never stop

thinking beyond the story. This is true of *Lagan Love*. Murphy is a natural storyteller. I look forward to reading more." - Examiner.com on *Lagan Love* "Peter Murphy spins an exciting story of romance and the problems with it, making *Lagan Love* a unique novel with plenty of twists and turns underneath it all." - Midwest Book Review on *Lagan Love* "Murphy has created a lasting story with great potential in future installments." - Savvy Verse and Wit on *Born &*

Bred "Engrossing and significant.... A moral book and a worthy read!" - Brendan Landers on *Wandering in Exile Dogs of Summer* Wendy Lamb Books
In 1990 the Federal Bureau of Investigation entered Jock Sturges's San Francisco studio and seized his work, implying violation of child pornography laws. Citizens, artists and the media responded with outrage. With *The Last Day of Summer*, Aperture accords to Jock Sturges's humane and lovely visions

the dignity and respect it so richly deserves.

The Summer Demands

Harbour Publishing

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.

Best-selling Paws IV

illustrator Shannon

Cartwright is back with

this charming children's book based on the

infectious rhythms of the classic song 'The Twelve Days of Christmas.' Here,

the famous 'partridge in a pear tree' becomes a 'black bear in a spruce tree,' while the fifth day of summer in Alaska yields everything from swans and wood frogs to bald eagles and moose. Count Alaska's famous wild animals while singing along to the well-known tune of "The Twelve Days of Christmas." On each page, more and more animals appear, starting with starting with a single bear in a spruce tree and growing until animals are everywhere, waiting to be discovered and counted.

Last Day of Summer

Harper Collins

Rory McShane should be

excited to spend the

summer in East Hampton

with Connor Rule, her

generous, smart, cute

boyfriend. After all, Rory's

no longer the hired help

at the Rule family

mansion on the beach,

and she and Connor have

made it through a year of

long-distance dating. But

now, in the months

leading up to college,

Rory can't help but

wonder if she really

belongs in Connor's world.

Isabel Rule is still trying to

get over Mike, the devastatingly sexy surfer who broke her heart last summer. Enter Evan, an aspiring filmmaker who's kind, funny, and crushing on Isabel. He'd be the perfect summer fling -- so why can't she seem to forget about Mike? Set against a backdrop buzzing with the rich, the famous, and the wannabe rich and famous, *Since Last Summer*, a companion novel to *Rules of Summer*, is the perfect beach read.

[Three Day Summer](#) Arthur A. Levine Books

"[A] firecracker of a debut . . . Abreu's novel, in Julia Sanchez's sparkling translation, is a revelation, perfectly capturing a festering summer of meltdowns and shrinking horizons." —The New York Times *My Brilliant Friend* meets *Blue is the Warmest Color* in this lyrical debut novel set in a working-class neighborhood of the Canary Islands—a story about two girls coming of age in the early aughts and a friendship that simmers into erotic desire over the course of one hot

summer. High near the volcano of northern Tenerife, an endless ceiling of cloud cover traps the working class in an abject, oppressive heat. Far away from the island's posh resorts, two girls dream of hitching a ride down to the beach and escaping their horizonless town. It's summer, 2005, and our ten-year-old narrator is consumed by thoughts of her best friend Isora. Isora is rude and bossy, but she's also vivacious and brave; grownups prefer her, and boys do, too.

That's why sometimes she gets jealous of Isora, who already has hair on her vagina and soft, round breasts. But she's definitely not jealous that Isora's mother is dead, nor that Isora's fat, foul-mouthed grandmother has her on a diet, so that she is constantly sticking her fingers down her throat. Besides, she would do anything for Isora: gorge herself on cakes when her friend wants to watch, follow her to the bathroom when she takes a shit, log into chat rooms to swap dirty instant

messages with strangers. But increasingly, our narrator finds it hard to keep up with Isora, who seems to be growing up at full tilt without her—and as her submissiveness veers into a painful sexual awakening, desire grows indistinguishable from intimate violence. Braiding prose poetry with bachata lyrics and the gritty humor of Canary dialect, *Dogs of Summer* is a story of exquisite yearning, a brutal picture of girlhood and a love song written for the vital

community it portrays. **Seven Days in Summer**
Simon and Schuster
It's summertime, and thirteen-year-old Nina Ross is feeling kind of lost. Her beloved grandma died last year; her parents work all the time; her brother's busy; and her best friend is into clothes, makeup, and boys. While Nina doesn't know what "her thing" is yet, it's definitely not shopping and makeup. And it's not boys, either. Though . . . has Eli, the boy next door, always been so cute? This summer, Nina decides to

change things. She hatches a plan. There are sixty-five days of summer. Every day, she'll anonymously do one small but remarkable good thing for someone in her neighborhood, and find out: does doing good actually make a difference? Along the way, she discovers that her neighborhood, and her family, are full of surprises and secrets. In this bighearted, sweetly romantic novel, things may not turn out exactly as Nina expects. They might be better. Praise:

Finalist for the Golden Sower Award (Nebraska)
Nominated for the Pennsylvania Young Reader's Choice Awards
Nominated for the Sunshine State Young Readers Award (Florida)
End of Summer Sasquatch Books
A young Egyptian woman recounts her personal and political coming of age in this brilliant debut novel. Cairo, 1984. A blisteringly hot summer. A young girl in a sprawling family house. Her days pass quietly: listening to a mother's phone

conversations, looking at the Nile from a bedroom window, watching the three state-sanctioned TV stations with the volume off, daydreaming about other lives. Underlying this claustrophobic routine is mystery and loss. Relatives mutter darkly about the newly-appointed President Mubarak. Everyone talks with melancholy about the past. People disappear overnight. Her own father has left, too—why, or to where, no one will say. We meet her across three decades,

from youth to adulthood:
As a six-year old
absorbing the world
around her, filled with
questions she can't ask;
as a college student and
aspiring filmmaker pre-
occupied with love,
language, and the
repression that surrounds

her; and then later, in the
turbulent aftermath of
Mubarak's overthrow, as a
writer exploring her own
past. Reunited with her
father, she wonders about
the silences that have
marked and shaped her
life. At once a mapping of
a city in transformation
and a story about the

shifting realities and fates
of a single Egyptian
family, Yasmine El
Rashidi's *Chronicle of a
Last Summer* traces the
fine line between survival
and complicity, exploring
the conscience of a
generation raised in
silence.
