Middle-Earth: Journeys in Myth and Legend IDW Publishing

Meet Anastasia, a rabbit who does the unthinkable. She fights back against a world of killers, launches a war between the prey animals and predators, and leads a group of outcasts in a desperate bid for freedom. It's a fast-paced story about survival, friendship, and coming of age. She's the most hunted creature on earth, and this rabbit is going to change the world or die trying.

Mouse Guard Vol. 1: Fall BOOM! Studios
Collects the first three issues with an all-new epilogue.

The Garden of Earthly Delights Simon and Schuster

Fan-favorite creators Gail Simone (Batgirl, Deadpool) and J. Calafiore (Secret Six, Exiles) return to the city whose citizens are hunted, not by villains, but by heroes! The survivors of Leaving Megalopolis reluctantly return to the doomed city still under the control of formerly beloved superheroes, now turned brutal killers on a rescue mission straight into the heart of madness! Get in on the ground floor of this critically acclaimed series, and see what happens when the good guys go very, very bad. Collects issues 1-6 of the nail-biting series. Praise for the first volume of Leaving Megalopolis: "If this first volume is any indication, Simone and Calafiore both have a bright future, full of the guts and glory we've all come to love from them, in creator-owned comics." - Comicosity

War Bunny Boom! Studios

Follows the adventures of Lieam, Saxon, and Kenzie, three mice who are part of the Mouse Guard.

Mouse Guard: Legends of the Guard Vol. 1 Simon and Schuster

Collects all 6 issues, an epilogue and bonus content! In the Winter of 1152, the Guard face a food and supply shortage threatening the lives of many through a cold and icy season. Saxon, Kenzie, Lieam, and Sadie, led by Celanawe, traverse the snow-blanketed territories acting as diplomats to improve relations between the mouse cities and the Guard. This is a winter that not every Guard may survive! Collects the second Eisner-Award winning series with an all-new epilogue and bonus content.

Cursed Pirate Girl Simon and Schuster

"Prisoners of Geography meets Bill Bryson: a funny, fascinating, beautifully illustrated—and timely—history of countries that, for myriad and often ludicrous reasons, no longer exist. "Countries are just daft stories we tell each other. They're all equally implausible once you get up close." Countries die. Sometimes it's murder, sometimes it's by accident, and sometimes it's because they were so ludicrous they didn't deserve to exist in the first place. Occasionally they explode violently. A few slip away almost unnoticed. Often the cause of death is either "got too greedy" or "Napoleon turned up." Now and then they just hold a referendum and vote themselves out of existence. This is an atlas of 48 nations that fell off the map. The polite way of writing an obituary is: dwell on the good bits, gloss over the embarrassing stuff. This book refuses to do so, because these dead nations are so full of schemers, racists, and con men that it's impossible to skip the embarrassing stuff. Because of this – and because treating nation-states with too much reverence is the entire problem

with pretty much everything – these accounts are not concerned with adding to the earnest flag saluting in the world, however nice some of the flags might be."

Brush your fur and sharpen your eye

teeth. War is coming. Welcome to the War of Ashes RPG: Fate of Agaptus! This "grimsical" minis-friendly tabletop RPG is based on the popular miniature game War of Ashes: Shieldwall. Head off to adventure in a world where the inhabitants might look cute and cuddly but often carry pointy objects with which they might just decide to stab you. Play as a determined Elvorix, a vengeful Vidaar, a militaristic Jaarl, or a ravenous Kuld. Stage Romanic-style battles and then celebrate your victory with a pint of kogg. Inside, you'll find everything you need to get started, including: Fate-style lightweight approaches combined with detailed (optional) minis-compatible combat to get the best of both worlds. Character generation instructions and even sample characters to get you started on a romp across Agapta. A bestiary full of interesting creatures that you can tame, hunt, or light on fire. Plenty of settings and stories to fuel your campaigns.

NEW YORK TIMES BESTSELLER USA
TODAY BESTSELLER Amazon, Apple, Facebook, and Google are the four most influential companies on the planet. Just about everyone thinks they know how they got there. Just about everyone is wrong. For all that's been written about the Four over the last two decades, no one has captured their power and staggering success as insightfully as Scott Galloway. Instead of buying the myths these companies broadcast, Galloway asks fundamental questions. How did the Four infiltrate our lives so completely that they're almost impossible to avoid (or boycott)? Why does the stock market forgive them for sins that would destroy other firms? And as they race to become the world's first trillion-dollar company, can anyone challenge them? In the same irreverent style that has made him one of the world's most celebrated business professors, Galloway deconstructs the strategies of the Four that lurk beneath their shiny veneers. He shows how they manipulate the fundamental emotional needs that have driven us since our ancestors lived in caves, at a speed and scope others can't match. And he reveals how you can apply the lessons of their ascent to your own business or career. Whether you want to compete with them, do business with them, or simply live in the world they dominate, you need to understand the Four.
