The Mark Vintage Canada

This collection bundles all 3 of the blockbuster Left Behind Prequels by Tim LaHaye and Jerry B. Jenkins together into one e-book for a great value! #1: The Rising The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture. Have you ever wondered what life was like before the Rapture for Rayford, Irene, and Chloe Steele, Bruce

Barnes, Buck Williams, and Tsion Ben Judah? Plus, see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life. What were the events surrounding Nicolae's sudden rise to power? How did he become filled with evil? You will find all these answers and more in this exciting new series! In The Rising, Marilena Carpathia has only one dream: to be a mother. So when a mysterious clairvoyant promises the fulfillment of this dream, Marilena does not hesitate. Through genetic engineering and the power of the prince of darkness himself, Marilena is about to become a chosen vessel, one

who will unknowingly give birth to the greatest evil the world has ever known. Halfway around the world, God's plans are subtly being carried out too. Young Ray Steele is determined to avoid one day taking over the family business. Instead, Ray sets his heart on becoming a pilot. Soon Carpathia's and Steele's lives will intersect. And good and evil will clash in an explosion that will shake the world. The eternal battle for souls has come to earth. The world hurtles toward the countdown to the Rapture. #2: The Regime Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily

grows as he parlays his looks, charm, charisma, and intellectual brilliance into success in business and politics. But is it mere coincidence that those who oppose or offend him suffer to the point of death? Meanwhile, a young Buck Williams begins his journalistic career. Pilot Rayford Steele gains more responsibility at work and at home. Scientist Chaim Rosenzweig begins work on a secret formula that could change the world. All three go about their daily lives, unaware of each other or of the powerful young man from Romania. Around the world, the stage is being set for the cataclysmic event that will change the world forever. #3: The Rapture In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on

earth. Tyndale House Publishers, Inc. Rayford Steele, an international fugitive, plans to assassinate the Antichrist, Nicolae Carpathia, who plans to make himself world ruler. [Encyclopedia of American Popular Fiction](#) Review and Herald Pub Assoc 2004 Christy Award finalist! The scattered Tribulation Force is drawn toward the Middle East, as are all the armies of the world, when human history culminates in the battle of the ages. During the last year of the Great Tribulation, safe houses are no longer safe and the world has become a powder keg of danger. Except for those already in Petra, everyone has been forced to relocate as the Antichrist ratchets up the pressure in the world's most treacherous game. As the Trib Force waits for the coming of Christ, Chloe Williams is drawn out of the safe house to investigate something suspicious. Buck and Tsion travel to Jerusalem while Nicolae Carpathia orders an attack on the city, and Rayford becomes seriously injured outside Petra. Who will survive Armageddon? A repackage of the eleventh book in the New York Times best-selling Left Behind series.

[The Left Behind Collection Orbit](#) From the Booker Prize-winning author of *The Remains of the Day* and *When We Were Orphans*, comes an unforgettable edge-of-your-seat mystery that is at once heartbreakingly tender and morally courageous about what it means to be human. Hailsham seems like a pleasant English boarding school, far from the influences of the city. Its students are well tended and supported, trained in art and literature, and become just the sort of people the world wants them to be. But, curiously, they are taught nothing of the outside world and are allowed little contact with it. Within the grounds of Hailsham, Kathy grows from schoolgirl to young woman, but it's only when she and her friends Ruth and Tommy leave the safe grounds of the school (as they always knew they would) that they realize the full truth of what Hailsham is. *Never Let Me Go* breaks through the boundaries of the literary novel. It is a gripping mystery, a beautiful love story, and also a scathing critique of human arrogance and a moral examination of how we treat the vulnerable and different in our society. In exploring the themes of memory and the

impact of the past, Ishiguro takes on the idea of a possible future to create his most moving and powerful book to date.

Kafka on the Shore Tyndale House Publishers, Inc.

The horrors of the Tribulation are over, and Jesus Christ has set up his perfect kingdom on earth. Believers all around the world enjoy a newly perfected relationship with their Lord, and the earth itself is transformed. Yet evil still lurks in the hearts of the unbelieving. As the Millennium draws to a close, the final generation of the unrepentant prepares to mount a new offensive against the Lord Himself—sparking the final and ultimate conflict from which only one side will emerge the eternal victor.

Soul Harvest Tyndale House Publishers, Inc.

Modern Man in Search of a Soul is the perfect introduction to the theories and concepts of one of the most original and influential religious thinkers of the twentieth century. Lively and insightful, it covers all of his most significant themes, including man's need for a God and the mechanics of dream analysis. One of his most famous books, it perfectly captures

the feelings of confusion that many sense today. Generation X might be a recent concept, but Jung spotted its forerunner over half a century ago. For anyone seeking meaning in today's world, Modern Man in Search of a Soul is a must.

Assassins Tyndale House Publishers, Inc.

"Anam Cara is a rare synthesis of philosophy, poetry, and spirituality. This work will have a powerful and life-transforming experience for those who read it." —Deepak Chopra John O'Donohue, poet, philosopher, and scholar, guides you through the spiritual landscape of the Irish imagination. In Anam Cara, Gaelic for "soul friend," the ancient teachings, stories, and blessings of Celtic wisdom provide such profound insights on the universal themes of friendship, solitude, love, and death as: Light is generous The human heart is never completely born Love as ancient recognition The body is the angel of the soul Solitude is luminous Beauty likes neglected places The passionate heart never ages To be natural is to be holy Silence is the sister of the divine Death as an invitation to freedom

Soul Harvest Harper Collins

In the last surviving human city, an ex-spy gets sucked into a dangerous quest that will take him beyond the city walls when a winged man turns up dead in his morgue in this innovative and original dystopian space adventure. Spearpoint, the last human city, is an enormous atmosphere-piercing spire. Clinging to its skin are the zones, a series of semi-autonomous city-states, each of which enjoys a different—and rigidly enforced—level of technology. Following an infiltration mission that went tragically wrong, Quillon has been living incognito, working as a pathologist in the district morgue. But when a near-dead angel drops onto his dissecting table, Quillon's world is wrenched apart one more time, for the angel is a winged posthuman from Spearpoint's Celestial Levels—and with the dying body comes bad news. If Quillon is to save his life, he must leave his home and journey into the cold and hostile lands beyond Spearpoint's base, starting an exile that will take him further than he could ever imagine. But there is far more

at stake than just Quillon's own survival, for the limiting technologies of the zones are determined not by governments or police, but by the very nature of reality—and reality itself is showing worrying signs of instability . . .

Soul Harvest: the World Takes Sides: Book 4 in Left Behind Series Tyndale House Publishers, Inc.

#1 NEW YORK TIMES BESTSELLER • “The story of modern medicine and bioethics—and, indeed, race relations—is refracted beautifully, and movingly.”—Entertainment Weekly NOW A MAJOR MOTION PICTURE FROM HBO® STARRING OPRAH WINFREY AND ROSE BYRNE • ONE OF THE “MOST INFLUENTIAL” (CNN), “DEFINING” (LITHUB), AND “BEST” (THE PHILADELPHIA INQUIRER) BOOKS OF THE DECADE • ONE OF ESSENCE’S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS • WINNER OF THE CHICAGO TRIBUNE HEARTLAND PRIZE FOR NONFICTION NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • Entertainment Weekly • O: The Oprah Magazine • NPR • Financial Times • New York • Independent (U.K.) • Times (U.K.) •

Publishers Weekly • Library Journal • Kirkus Reviews • Booklist • Globe and Mail Her name was Henrietta Lacks, but scientists know her as HeLa. She was a poor Southern tobacco farmer who worked the same land as her slave ancestors, yet her cells—taken without her knowledge—became one of the most important tools in medicine: The first “immortal” human cells grown in culture, which are still alive today, though she has been dead for more than sixty years. HeLa cells were vital for developing the polio vaccine; uncovered secrets of cancer, viruses, and the atom bomb’s effects; helped lead to important advances like in vitro fertilization, cloning, and gene mapping; and have been bought and sold by the billions. Yet Henrietta Lacks remains virtually unknown, buried in an unmarked grave. Henrietta’s family did not learn of her “immortality” until more than twenty years after her death, when scientists investigating HeLa began using her husband and children in research without informed consent. And though the cells had launched a multimillion-dollar industry that sells human biological materials, her family never saw any of the

profits. As Rebecca Skloot so brilliantly shows, the story of the Lacks family—past and present—is inextricably connected to the dark history of experimentation on African Americans, the birth of bioethics, and the legal battles over whether we control the stuff we are made of. Over the decade it took to uncover this story, Rebecca became enmeshed in the lives of the Lacks family—especially Henrietta’s daughter Deborah. Deborah was consumed with questions: Had scientists cloned her mother? Had they killed her to harvest her cells? And if her mother was so important to medicine, why couldn’t her children afford health insurance? Intimate in feeling, astonishing in scope, and impossible to put down, *The Immortal Life of Henrietta Lacks* captures the beauty and drama of scientific discovery, as well as its human consequences.

Anam Cara Infobase Publishing

An engagingly illustrated account of immigrant Clara Lemlich's pivotal role in the influential 1909 women laborer's strike describes how she worked grueling hours to acquire an education and support her family before organizing a massive walkout to protest the unfair working

conditions in New York's garment district. 25,000 first printing.

Left Behind Farrar, Straus and Giroux
Pilot Rayford Steele and reporter Buck Williams begin searching for their loved ones after the global earthquake in the twenty-first month of the Tribulation. *Revelation* Tyndale House Publishers, Inc. A fictional account of the Christian story of the Rapture taking place in modern times.

Killers of the Flower Moon Tyndale House Publishers, Inc.
In this the final prequel to the blockbuster series, the story features the Rapture three-quarters of the way through the book and then follows characters such as Irene and Raymie (and others) up to heaven, where they are able to see events in the Tribulation from heaven's perspective. The story alternates between events on earth immediately after the Rapture (covering lots of things the authors wished they could have covered in the original volumes) and characters in heaven and how they view the chaotic events on earth.

Modern Man in Search of a Soul Tyndale House Publishers, Inc.

The kids prepare for battle with the Antichrist.

The Remnant Simon and Schuster
While the characters in the "Left Behind" series are fiction, the stories in this book are real. With more than two dozen real-life stories of series readers, this book chronicles the miraculous way that God has used the series to change people's lives and draw them closer to Him.

Desecration Vintage
Rayford Steele and Cameron "Buck" Williams find themselves pressed into service for the man they believe could be the Antichrist. Nicolae Carpathia takes over the United Nations, signs a peace treaty with Israel, and begins to lure the nations of earth together to form one global village. As believers band together following the Rapture, their peaceful world is destroyed again when global war erupts. A repackage of the New York Times best-selling second book in the Left Behind

series.

Soul Harvest Tyndale House Publishers, Inc.

The second half of the seven-year Tribulation era begins as Rayford, Buck, Chloe, and the other members of the Tribulation Force reveal who killed Nicolae as the time of God's judgement approaches.

Nicolae Tyndale House Publishers, Inc.
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Grey Aliens and the Harvesting of Souls Tyndale House Publishers, Inc.

The Tribulation Force gathers its courage as the newly-resurrected Carpathia shows a fondness for gruesome killings against those who remain disloyal to him and commits the ultimate act of desecration against the Judeo-Christian community.
