Dutton Adult  
An inside look  
at the season  
that proved to  
be the final  
ride of a truly

great  
dynasty—Kobe  
Bryant,  
Shaq, and the  
LA Lakers For  
the countless  
basketball  
fans who were  
spellbound by  
the Los  
Angeles  
Lakers'  
2003–2004  
high-wire act,  
this book is a  
rare and  
phenomenal

treat. In The  
Last Season,  
Lakers coach  
Phil Jackson  
draws on his  
trademark  
honesty and  
insight to tell  
the whole  
story of the  
season that  
proved to be  
the final ride  
of a truly  
great dynasty.  
From the  
signing of

future Hall-of-Famers Karl Malone and Gary Payton to the Kobe Bryant rape case/media circus, this is a riveting tale of clashing egos, public feuds, contract disputes, and team meltdowns that only a coach, and a writer, of Jackson's candor, experience, and ability could tell. Full of tremendous human drama and offering lessons on coaching and on life, this is a book that no sports fan can

possibly pass up.

Seven Stories  
 Press  
 Is conventional masculinity hazardous to young men's health? Boyz 2 Buddhas proposes that mindfulness meditation can help male teens deal with the unhealthy

pressures of growing up today. After examining high school football - a popular activity that evokes troublesome aspects of male consciousness and behavior - David Forbes describes a meditation and discussion group he held with urban high school football players. The students meditated in order to play football in the zone, a state of higher awareness. Along the way they also

learned to live their lives in the same manner, resulting in a more mindful, healthy way of growing up to be men. The counseling model illustrated in this book blends popular culture with contemplative practice, and addresses young men's need for greater personal meaning. Above the Line Penguin Superman. Diesel. The Big Aristotle. Shaq Fu. The Big Daddy. The Big

Shaqtus. Wilt Chamberneez y. The Real Deal. The Big Shamrock. Shaq. You know him by any number of names, and chances are you know all about his legendary basketball career: Shaquille "Shaq" O'Neal is a four-time NBA champion and a three-time NBA Finals MVP. After being an All-American at Louisiana State University, he was the overall number one draft pick in the NBA in

1992. In his 19-year career, Shaq racked up 28,596 career points (including 5,935 free throws!), 13,099 rebounds, 3,026 assists, 2,732 blocks, and 15 All-Star appearances. These are statistics that are almost as massive as the man himself. His presence-both physically and psychological-ly-made him a dominant force in the game for two decades. But if you follow the game, you also know that

there's a lot more to Shaquille O'Neal than just basketball. Shaq is famous for his playful, and at times, provocative personality. He is, literally, outsize in both scale and persona. Whether rapping on any of his five albums, challenging celebrities on his hit television show "Shaq Vs.," studying for his PhD or serving as a reserve police officer, there's no question that Shaq has

led a unique and multi-dimensional life. And in this rollicking new autobiography, Shaq discusses his remarkable journey, including his candid thoughts on teammates and coaches like Kobe Bryant, Dwyane Wade, LeBron James, Phil Jackson, and Pat Riley. From growing up in difficult circumstances and getting cut from his high school basketball team to his larger-than-

life basketball career, Shaq lays it all out in *Shaq Uncut: My Story. Boyz 2 Buddhas* Simon and Schuster "This is a very useful guide for living mindfully. I hope you will return to it again and again and practice wholeheartedly the exercises Dr. Braza offers." --Thich Nhat Hanh, from the forward "Moment by Moment offers a simple and elegant teaching that can change your life." --

Jack Kornfield, author of *A Path with Heart* "For anyone seeking more 'real moments,' *Moment by Moment* offers valuable and practical techniques for discovering joy now." -- Barbara de Angelis, PhD., Author of *Real Moments* "A delightful book for people who are restless 'doers' like myself. it teaches you how to be in the moment. I highly recommend it for all 'busy bees' and

restless sould." -- Elisabeth Kubler-Ross, M.D., author of *On Death and Dying* Based on the *Jerry Braza's Mindfulness Training Program*, this book provides simple exercises for developing greater awareness and emotional involvement in our daily lives. Braza offers practical guidance on managing stress, quieting the mind, transforming feelings, enhancing productivity,

and completing unfinished emotional business. **Rapture** Grand Central Publishing More than a Game covers the years that follow the one featured in the ESPN documentary series "The Last Dance." After leaving the Bulls at the end of the 1997-1998 season—the year featured in the new ESPN documentary series "The Last Dance"—Phil Jackson had one year off and started to

write this book—together with his old friend, fellow player and coach, the basketball novelist Charley Rosen. Then Phil took the LA Lakers coaching job, Rosen followed him there, and by the time they finished writing this book it was 2000 and Phil had won yet another NBA championship, the first of five he would win with his new team. In *More than a Game*, Jackson and Rosen look backward to

their origins as players and coaches, forward to the future of the game of basketball, and linger in the moving target of the present—laving page after page on the Triangle Offense and all the ways it reveals the essence of the game of basketball they both love so much. This is Jackson in his prime, transitioning from the Bulls to the Lakers, a master of the art of winning, who would go on to claim more

NBA championships, eleven, than any other coach in NBA history. As he writes in *More than a Game* of his newest championship team: "We won because our fundamentals were sound, because Shaq was so dominant and Kobe was so creative, but we also won because we developed a certain confidence in our ability to win." [Don't Put Me In, Coach](#) Simon and Schuster The OKC

Thunder's big man shares the unlikely story behind his indomitable sense of determination and his journey from Rotorua, New Zealand to stardom in the NBA. Steven Adams overcame extreme odds to become a first-round prospect in the 2013 NBA draft. From there he signed a major contract with the Oklahoma City Thunder -- making him New Zealand's highest-paid athlete ever --

and went on to forge a reputation for his intense, physical style of basketball. Adams takes you inside the draft process from the fascinating whirlwind tour of pre-draft workouts with dozens of teams to the draft itself where dreams are made or dashed and the Gatorade bottles on every table are glued shut. He reveals what it's like to be a rookie in the league, getting pushed around and

elbowed -- or worse. He takes the court alongside superstars like Russell Westbrook, Paul George, Carmelo Anthony, and Kevin Durant; and matches up against legendary big men like Tim Duncan, DeAndre Jordan, Dwight Howard, and Draymond Green. Adams recounts the Thunder's rise through the victories and the heartbreaks and how the resilient team has a bright future ahead.

In this intimate account of his life story so far, the seven-foot center also reflects on his humble upbringing as one of fourteen children, the impact of his father's death when he was just thirteen, the multiple challenges and setbacks he has faced, and what basketball means to him. Told with warmth, humor, and humility, *My Life, My Fight* is a gripping account from an emerging superstar.

**Diversion Books**  
An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog [ClubTrillion.com](http://ClubTrillion.com) (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and made it to the 2007 national championship game. You would think Titus would be

all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual

career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even

got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports! Shaq Uncut Little, Brown With a new introduction, Phil Jackson's modern classic of motivation, teamwork, and Zen insight is updated for a

whole new readership "Not only is there more to life than basketball, there's a lot more to basketball than basketball." -- Phil Jackson Eleven years ago, when Phil Jackson first wrote these words in *Sacred Hoops*, he was the triumphant head coach of the Chicago Bulls, known for his Zen approach to the game. He hadn't yet moved to the Los Angeles Lakers, with whom he would bring

his total to an astounding nine NBA titles. In his thought-provoking memoir, he revealed how he directs his players to act with a clear mind--not thinking, just doing; to respect the enemy and be aggressive without anger or violence; to live in the moment and stay calmly focused in the midst of chaos; to put the "me" in service of the "we" -- all lessons applicable to any person's life, not just a

professional basketball player's. This inspiring book went on to sell more than 400,000 copies. In his new introduction, Jackson explains how the concepts in Sacred Hoops are relevant to the issues facing his current team--and today's reader. The Last Season Grand Central Publishing For more than 20 years, Bill Walton has been one of the National Basketball Association's

greatest and most outspoken players and commentators . Now, the NBA Showtime host sounds off on his own turbulent career, other players, and the cutthroat world of the NBA.

Journey to the Ring pairs Phil Jackson, the NBA's most successful coach, and Andrew D. Bernstein, the NBA's senior director of photography, in an exciting, behind-the-scenes re-

creation of the Los Angeles Lakers' 2009-10 championship season.

Having long built a trust with the NBA's biggest stars, Bernstein is given access to the Lakers' practices, team planes, training room, coach's office, game-day meetings, and off-the-court glimpses.

Peek in on Chef Phil preparing a Jackson family Thanksgiving dinner, and more. Jackson, coach of eleven NBA championship teams, gives

insight into games, practices, his players, and what he is saying in the huddle. What sets Journey to the Ring apart is the deep appreciation Jackson and Bernstein share for the depth of black-and-white photography, which is elegantly reproduced here in four-color black-and-white processing. It is a look into the eyes of a team that gave L.A. its first NBA Finals' Game 7

victory over the Boston Celtics. *Showboat* Anchor Hawkins and Turner argue that coaching needs to step up to deliver value to all the stakeholders of the coachee, including those they lead, colleagues, investors, customers, partners, their local community and also the wider ecology. Systemic Coaching contains key chapters on how to contract in

various settings, how to work relationally and dialogically, how to expand our own and others' ecological awareness, how to get greater value from supervision, work with systemic ethics and expand our impact. While illustrating why a new model of coaching is necessary, Hawkins and Turner also provide the tools and approaches that coaches and clients

need to deliver this greater impact, accompanied by real-life case examples and interviews from the authors and other leading coaches and leaders globally. Systemic Coaching will be an invaluable resource for coaches in practice and in training, mentors, coach supervisors, consultants in leadership development and HR and L&D professionals

and leaders. Systemic Coaching Simon and Schuster The coach of the Chicago Bulls discusses his paradigm of leadership based on Eastern and Native American principles, and how he has applied it during his years with the NBA team. **Pistol** Tuttle Publishing "I know that I'll be evaluated in Seattle with wins and losses, as that is the nature of my profession for

the last thirty-five years. But our record will not be what motivates me. Years ago I was asked, 'Pete, which is better: winning or competing?' My response was instantaneous: 'Competing. . . because it lasts longer.'" Pete Carroll is one of the most successful coaches in football today. As the head coach at USC, he brought the Trojans back to national prominence, amassing a 97-19 record

over nine seasons. Now he shares the championship-winning philosophy that led USC to seven straight Pac-10 titles. This same mind-set and culture will shape his program as he returns to the NFL to coach the Seattle Seahawks. Carroll developed his unique coaching style by trial and error over his career. He learned that you get better results by teaching instead of screaming,

and by helping players grow as people, not just on the field. He learned that an upbeat, energetic atmosphere in the locker room can coexist with an unstoppable competitive drive. He learned why you should stop worrying about your opponents, why you should always act as if the whole world is watching, and many other contrarian insights. Carroll shows us how the

Win Forever philosophy really works, both in NCAA Division I competition and in the NFL. He reveals how his recruiting strategies, training routines, and game-day rituals preserve a team's culture year after year, during championship seasons and disappointing seasons alike. Win Forever is about more than winning football games; it's about maximizing your potential in every

aspect of your life. Carroll has taught business leaders facing tough challenges. He has helped troubled kids on the streets of Los Angeles through his foundation A Better LA. His words are true in any situation: "If you want to win forever, always compete." [Sacred Hoops](#) Peter Lang An Oprah.com "Must-Read Book" Award-winning journalist Jeanne Marie Laskas reveals "enlightening, entertaining,

and often poignant"\* profiles of America's working class—the forgotten men and women who make our country run. Take the men of Hopedale Mining company in Cadiz, Ohio. Laskas spent several weeks with them, both below and above ground, and by the end, you will know not only about their work, but about Pap and his dying mom, Smitty and the mail-order bride who stood him up at the

airport, and Scotty and his thwarted dreams of becoming a boxing champion. That is only one hidden world. Others that she explores: an Alaskan oil rig, a migrant labor camp in Maine, the air traffic control center at LaGuardia Airport in New York, a beef ranch in Texas, a landfill in California, a long-haul trucker in Iowa, a gun shop in Arizona, and the Cincinnati Ben-Gals

cheerleaders, mere footnotes in the moneymaking spectacle that is professional football. "Jeanne Marie Laskas is a reporting and writing powerhouse. She doesn't just interview the people who dig our coal and extract our oil, she goes deep into the mines and tundra with them. contemplate the meaning of Zen for themselves. Within the pages, readers will find: 101 Zen Stories, a collection of tales that recount actual experiences of Chinese and Japanese Zen teachers over a period of more than five centuries The Gateless Gate, the famous thirteenth-century collection of Zen koans Ten Bulls, a twelfth century commentary on the stages of awareness leading to enlightenment

Centering, a 4,000 year-old teaching from India that some consider to be the roots of Zen. When Zen Flesh, Zen Bones was published in 1957, it became an instant sensation with an entire generation of readers who were just beginning to experiment with Zen. Over the years it has inspired leading American Zen teachers, students, and practitioners. Its popularity is as high today as ever. In the Year of

the Bull Penguin Books The Mystic Heart chronicled Brother Wayne Teasdale's journey into a multifaceted spirituality blending his traditional Catholic training and the Eastern way of sannyasa (Indian monkhood). A Monk in the World tells what the journey has meant for him — living as a monk outside the monastery, integrating teachings from the

world's religions with his own Catholic training, combining his vigorous spiritual practice with the necessities of making a living, and pursuing a course of social justice in a major American city. In telling his story, Teasdale shows how others can find their own internal monastery and bring spiritual practice into their busy lives.

Penguin Phil Jackson, coach of the three-time national champion Chicago Bulls, explains his thoughtful approach to nurturing a positive group dynamic, revealing a deeply soulful outlook based on Eastern and Native American thought. He clearly details the methods he has used to teach his players how to think collectively, look beyond individual jealousies, overcome

anger yet still play aggressively. Sacred Hoops Time Capsule Press, LLC With eleven championship rings to his name, Phil Jackson is internationally recognized as one of the greatest coaches in the history of the NBA. Known as a defensive disrupter and a master fouler during his early days as a New York Knick and later celebrated as the “Zen Master” for his inspirational tactics as a leader,

Jackson has had a long and storied career marked by constant self-reflection and reinvention. This is the man who led Michael Jordan and the Chicago Bulls to six championships, Kobe Bryant and the Los Angeles Lakers to five; who was inducted into the Basketball Hall of Fame; and who retired in 2011, an official legend—and the most sought-after free-agent coach in

history. As befits a legend, Jackson has written several candid, insightful books about his life and career, but now one of America's most respected sportswriters turns an unvarnished light on Jackson's strange and remarkable journey, from his sheltered childhood and adolescence in Montana and North Dakota, through his years playing at Madison

Square Garden, to his experiences coaching Jordan, Bryant, and more of the greatest players of our time. New York Times bestselling author Peter Richmond has written a personal, definitive, revealing biography of a veritable sports genius, and an American classic. *More Than a Game* Turtleback Books  
 \*\*Selected by the Wall Street Journal among the

Best Sports Books of 2021\*\* A New York Times bestselling sportswriter tells the inside story of how three star players joined together to form the most dominant team in basketball and lead the Boston Celtics to their first championship in more than two decades. The first of "The Big Three" was Paul Pierce. As Boston Celtics fans watched the team retire Pierce's jersey in a ceremony on February 11, 2018, they remembered again the incredible performances Pierce put on in the city for fifteen years, helping the Celtics escape the bottom of their conference to become champions and perennial championship contenders. But Pierce's time in the city wasn't always so smooth. In 2000, he was stabbed in a downtown nightclub eleven times in a seemingly random attack. Six years later, remaining the sole star on a struggling team, he asked to be traded and briefly became a lightning rod among fans. Then, in 2007, the Boston Celtics General Manager made two monumental trades, bringing Ray Allen and Kevin Garnett to Boston. A press conference on July 31, 2007 was a sight to behold: Pierce, KG, and Ray Allen holding up Celtics jerseys for the flood of

media. Coach Doc Rivers made sure the team bonded over the thought of winning a title and living by a Bantu term called Ubuntu, which translates as "I am because we are." Rivers wanted to make it clear that togetherness and brotherhood would help them maximize their talent and win. What came next—the synthesis of the Celtics' "Big Three" and their dominant championship run—cemented their standing as one of great teams in NBA history, a rival to Kobe Bryant's Lakers and LeBron James's Cavaliers. This is the team that brought excitement back to the Garden, and therefore to one of the most storied franchises in all of sports. They met their historic rivals, the Lakers, in the 2008 NBA Finals, winning the series in Game 6, in a rout on their home court with a raucous, concert like atmosphere. Along the victory parade route, Paul Pierce smoked a cigar—as a tribute to legendary former Celtics Coach Red Auerbach. In a city now defined by a wealth of championships, "The Big Three" joined the club.
