## **ALLIE AMINA**

Joy at the End of the  
Tether Univ. Press of  
Mississippi

Neither a commentary on the book of Revelation nor a devotional work -- though it offers aspects of both -- *Joy in Our Weakness* is instead a theological and practical guide that ushers readers into the very presence of Christ and His Lordship over the powers of evil. Marva Dawn writes compassionately for those who suffer, for this book was born out of her own struggles with physical limitations and chronic illness, and it is intended to help the whole Church learn how to find Joy in every circumstance of life, especially in trials and sufferings. After outlining some important foundational principles in three introductory chapters, Dawn guides readers through the whole book of Revelation, pointing out the errors of those who try to calendarize the end of the world and instead delineating how The Revelation reveals Christ's Lordship, exposes the workings of the powers,

and sustains those who suffer until evil is ultimately defeated. Now thoroughly revised for a wider readership, *Joy in Our Weakness* highlights The Revelation's original purpose -- to comfort afflicted, suffering believers -- and spells out a biblically grounded "theology of weakness," offering a rare gift to the Church today. A wealth of insight and encouragement truly awaits the readers of these pages.

*A Little Book on Joy* Wm. B. Eerdmans Publishing  
I have learned that in the middle of the most severe pain, God is enough. He is always enough.' From foreign missionary to convicted felon, Joel Price's clandestine world collided with reality to create a cyclone of uncertainty for his wife, Tabitha, and three young sons, ending their idyllic life forever. As Joel sought in secret to overcome his obsession and addiction on his own, he slipped over the precipice of self-destruction leading to a federal investigation and ultimately to incarceration. In a bold and risky move, Tabitha Price lays bare her shattered world, addressing issues long veiled in silence by

Christian society. With ragged vulnerability she testifies to God's hand at work in the midst of tragedy, from lessons on forgiveness, to the beauty of God's all-sufficiency. When all hope seems lost and your world spins out of control, the Prices' story is a powerful reminder that God gives joy in the mourning.

'...page after page the reader discovers hope, redemption, forgiveness, healing, and joy.' -Carol Kent, Speaker and Author  
'...an agonizing and compelling account-of the sin and shame that could be ours, of the love and loyalty that comes with faith, and of the depth and spiritual maturity that only comes with brokenness.' -Dr. Joel C. Hunter, Senior Pastor, Northland - A Church Distributed  
The Joy in You Random House

When we first meet Pearl - young in years but advanced in her drinking - she's sitting at a hotel bar in Florida, throwing back gin and tonics. Cradled in the crook of her arm is her infant son. But the relief she feels at having fled her abusive husband, and the Northeastern island his family calls home, doesn't last for long. Soon she's being

shepherded back. The island, for Pearl, is a place of madness and pain, and her drinking might dull the latter but it spurs on the former. Through the lens of Pearl's fragile consciousness, readers encounter the horror and triumph of both childhood and motherhood. With language that flits between exuberance and elegy, the plainspoken and the poetic, Joy Williams has created a modern fairy-tale, entirely original and entirely consuming.

*Kill Joy* Random House Books for Young Readers Offering an antidote to the church's cultural irrelevance, this book helps us to cultivate and live out the joy of God as the key to having a transformative impact on the world.

**The Joy of Burnout**  
Penguin

NEW YORK TIMES BESTSELLER • Kristin Hannah is beloved by readers around the world for her unique blend of powerful emotion and exquisite storytelling. In *Comfort & Joy*, she offers a modern-day fairy tale—the story of a woman who gets a miraculous chance at happiness. Joy Candellaro once loved Christmas more than any other time

of the year. Now, as the holiday approaches, she is at a crossroads in her life; recently divorced and alone, she can't summon the old enthusiasm for celebrating. So without telling anyone, she buys a ticket and boards a plane bound for the beautiful Pacific Northwest. When an unexpected detour takes her deep into the woods of the Olympic rainforest, Joy makes a bold decision to leave her ordinary life behind—to just walk away—and thus begins an adventure unlike any she could have imagined. In the small town of Rain Valley, six-year-old Bobby O'Shea is facing his first Christmas without a mother. Unable to handle the loss, Bobby has closed himself off from the world, talking only to his invisible best friend. His father Daniel is beside himself, desperate to help his son cope. Yet when the little boy meets Joy, these two unlikely souls form a deep and powerful bond. In helping Bobby and Daniel heal, Joy finds herself again. But not everything is as it seems in quiet Rain Valley, and in an instant, Joy's world is ripped apart, and her heart is broken. On a magical Christmas Eve, a night of impossible dreams and unexpected

chances, Joy must find the courage to believe in a love—and a family—that can't possibly exist, and go in search of what she wants . . . and the new life only she can find.

*All Joy and No Fun*  
Ballantine Books

In *Return to Joy*, Bev DeSalvo shares her own story of healing from past pain to draw other women along a journey toward intimacy with their Savior. The road to healing is arduous and long. But when we bow our pain in worship, this broken road leads to the heart of God, where all masks are removed and divine comfort can be experienced. On this journey, understanding the true nature of the Father, Son, and Holy Spirit brings healing and restoration to all father, relational, and mother wounds. Learning to aggressively fight against Satan, who is devious but not creative, replaces his evil lies with the truth of God so that they no longer define the person. Recognizing that God is always “with me” leads to a place of rest where there is no fear of being rejected or abandoned. As a result of these new insights, the reader can finally return to joy and experience emotional and

spiritual balance. Out of the overflow of intimate worship, God becomes their refuge, provider, and protector, enabling them to move toward others in forgiveness and true community. Includes a ten-week Bible study.

The Joy of Humility

Penguin

An irresistible, nostalgic, insightful—and totally original—ramble through classic children’s literature from Vanity Fair contributing editor (and father) Bruce Handy. “Consistently intelligent and funny...The book succeeds wonderfully.” —The New York Times Book Review “A delightful excursion...Engaging and full of genuine feeling.” —The Wall Street Journal “Pure pleasure.” —Vanity Fair “Witty and engaging...Deeply satisfying.” —Christian Science Monitor In 1690, the dour New England Primer, thought to be the first American children’s book, was published in Boston. Offering children gems of advice such as “Strive to learn” and “Be not a dunce,” it was no fun at all. So how did we get from there to “Let the wild rumpus start”? And now that we’re living in a golden age of children’s literature, what can adults get out of reading Where

the Wild Things Are and Goodnight Moon, or Charlotte’s Web and Little House on the Prairie? In Wild Things, Bruce Handy revisits the classics of American childhood, from fairy tales to The Very Hungry Caterpillar, and explores the backstories of their creators, using context and biography to understand how some of the most insightful, creative, and witty authors and illustrators of their times created their often deeply personal masterpieces. Along the way, Handy learns what The Cat in the Hat says about anarchy and absentee parenting, which themes link The Runaway Bunny and Portnoy’s Complaint, and why Ramona Quimby is as true an American icon as Tom Sawyer or Jay Gatsby. It’s a profound, eye-opening experience to reencounter books that you once treasured after decades apart. A clear-eyed love letter to the greatest children’s books and authors, from Louisa May Alcott and L. Frank Baum to Eric Carle, Dr. Seuss, Mildred D. Taylor, and E.B. White, Wild Things will bring back fond memories for readers of all ages, along with a few surprises.

**Leading with Joy** HMH

'A joy to read' JEFFREY MARSH 'I'm so happy this book exists' FREDDY MCCONNELL 'Full of wit, fun and wisdom!' ALEX IANTAFFI 'Oh hello darling, and welcome to The Book of Non-Binary Joy! This book is here to help you be yourself - free from judgement and expectation - as you unlock more joy in your life. Take my hand, and let's start your journey of self-love today.' Whether you are at the start of your journey or have been on the wild ride of gender introspection for a long time, this guide is here to help you thrive as your authentic - and most fabulous - non-binary self. With personal stories, valuable insights and interactive sections, this inspiring book covers a wide range of topics, including mental health, pleasure, fashion, understanding your past, allyship privilege and self-expression. Written with warmth and unapologetic humour, and with bold illustrations throughout, Ben Pechey has created the ultimate safe space for you to embrace your non-binary life and start living.

*Joy Cultural Renewal*

Longlisted for the Carnegie Medal! A dazzling collection of

short fiction Zadie Smith has established herself as one of the most iconic, critically respected, and popular writers of her generation. In her first short story collection, she combines her power of observation and her inimitable voice to mine the fraught and complex experience of life in the modern world. Interleaving eleven completely new and unpublished stories with some of her best-loved pieces from *The New Yorker* and elsewhere, Smith presents a dizzyingly rich and varied collection of fiction. Moving exhilaratingly across genres and perspectives, from the historic to the vividly current to the slyly dystopian, *Grand Union* is a sharply alert and prescient collection about time and place, identity and rebirth, the persistent legacies that haunt our present selves and the uncanny futures that rush up to meet us. Nothing is off limits, and everything—when captured by Smith's brilliant gaze—feels fresh and relevant. Perfectly paced and utterly original, *Grand Union* highlights the wonders Zadie Smith can do.

*The Changeling Covenant*

Books, Inc.

You're invited to the murder mystery party of the year! Fans of the hit series *A Good Girl's Guide to Murder* will love Pip's final detective case in this mystery novella from #1 New York Times bestselling author Holly Jackson. Six suspects. Three hours. One murder... Pip is not in the mood for her friend's murder mystery party. Especially one that involves 1920's fancy dress and pretending that their town is an island called Joy. But when the game begins, Pip finds herself drawn into the make-believe world of intrigue, deception and murder. But as Pip plays detective, teasing out the identity of the killer clue-by-clue, the murder of the fictional Reginald Remy isn't the only case on her mind ...

*Where All Light Tends to Go* Baker Books

Thousands of books have examined the effects of parents on their children. In *All Joy and No Fun*, award-winning journalist Jennifer Senior now asks: what are the effects of children on their parents? In *All Joy and No Fun*, award-winning journalist Jennifer Senior tries to tackle this question, isolating and analyzing

the many ways in which children reshape their parents' lives, whether it's their marriages, their jobs, their habits, their hobbies, their friendships, or their internal senses of self. She argues that changes in the last half century have radically altered the roles of today's mothers and fathers, making their mandates at once more complex and far less clear. Recruiting from a wide variety of sources—in history, sociology, economics, psychology, philosophy, and anthropology—she dissects both the timeless strains of parenting and the ones that are brand new, and then brings her research to life in the homes of ordinary parents around the country. The result is an unforgettable series of family portraits, starting with parents of young children and progressing to parents of teens. Through lively and accessible storytelling, Senior follows these mothers and fathers as they wrestle with some of parenthood's deepest vexations—and luxuriate in some of its finest rewards. Meticulously researched yet imbued with emotional intelligence, *All Joy and No Fun* makes us

reconsider some of our culture's most basic beliefs about parenthood, all while illuminating the profound ways children deepen and add purpose to our lives. By focusing on parenthood, rather than parenting, the book is original and essential reading for mothers and fathers of today—and tomorrow.

Joy Comes in the Mourning Tate Pub & Enterprises LLC

Imagine a company where people love coming to work and are highly productive on a daily basis. Imagine a company whose top executives, in a quest to create the most "fun" workplace ever, obliterate labor-management divisions and push decision-making responsibility down to the plant floor. Could such a company compete in today's bottom-line corporate world? Could it even turn a profit? Well, imagine no more. In *Joy at Work*, Dennis W. Bakke tells the true story of this extraordinary company--and how, as its co-founder and longtime CEO, he challenged the business establishment with revolutionary ideas that could remake America's organizations. It is the story of AES, whose business model and

operating ethos -"let's have fun"-were conceived during a 90-minute car ride from Annapolis, Maryland, to Washington, D.C. In the next two decades, it became a worldwide energy giant with 40,000 employees in 31 countries and revenues of \$8.6 billion. It's a remarkable tale told by a remarkable man: Bakke, a farm boy who was shaped by his religious faith, his years at Harvard Business School, and his experience working for the Federal Energy Administration. He rejects workplace drudgery as a noxious remnant of the Industrial Revolution. He believes work should be fun, and at AES he set out to prove it could be. Bakke sought not the empty "fun" of the Friday beer blast but the joy of a workplace where every person, from custodian to CEO, has the power to use his or her God-given talents free of needless corporate bureaucracy. In *Joy at Work*, Bakke tells how he helped create a company where every decision made at the top was lamented as a lost chance to delegate responsibility--and where all employees were encouraged to take the "game-winning shot," even when it wasn't a

slam-dunk. Perhaps Bakke's most radical stand was his struggle to break the stranglehold of "creating shareholder value" on the corporate mind-set and replace it with more timeless values: integrity, fairness, social responsibility, and a sense of fun.

Joy Simon and Schuster  
What gives you joy? This beautiful journal from His Holiness the Dalai Lama and Archbishop Desmond Tutu gives you all the space you need to notice and record what gives you joy. Arranged as a 365-day companion, it prompts you with inspiring quotes from *The Book of Joy* to help transform their joy practices into an enduring way of life. It is the perfect companion for *The Book of Joy*'s many passionate readers as well as the perfect gift for anyone looking to live a more joyful. Share the joy!

*The Book of Non-Binary Joy* Thomas Nelson

The author embarks on a quest to rediscover the joy of being a Christian. It is perfect for use with the Bible because it has study questions that follow each chapter. It is also a prayer guide for "The Great Ninety Days of Joy after Joy." Daily Texts with

Prayers to Gladden the Heart from Ash Wednesday through Pentecost makes this book a perfect devotional guide for Lent and Easter. *The Book of Joy* Canon Press & Book Service

A yet heartbreakingly honest, endearing memoir of incredible weight loss by a young food blogger who battles body image issues and overcomes food addiction to find self-acceptance. All her life, Andie Mitchell had eaten lustily and mindlessly. Food was her babysitter, her best friend, her confidant, and it provided a refuge from her fractured family. But when she stepped on the scale on her twentieth birthday and it registered a shocking 268 pounds, she knew she had to change the way she thought about food and herself; that her life was at stake. *It Was Me All Along* takes Andie from working class Boston to the romantic streets of Rome, from morbidly obese to half her size, from seeking comfort in anything that came cream-filled and two-to-a-pack to finding balance in exquisite (but modest) bowls of handmade pasta. This story is about much more than a woman who loves food and abhors her

body. It is about someone who made changes when her situation seemed too far gone and how she discovered balance in an off-kilter world. More than anything, though, it is the story of her finding beauty in acceptance and learning to love all parts of herself.

*Joy Even on Your Worst Days* Rowman & Littlefield

Eva and Angela must learn to live again. One step at a time. It has been fifteen months since Eva and Angela lost their thrill-seeking husbands in a scuba diving accident. Both women are trying to navigate their way through the grief, but neither one is making much progress. Angela is barely making ends meet, angry at her husband for leaving her to raise three children on her own. Meanwhile, Eva is stuck, unable to move forward after losing the love of her life and her source of inspiration. But then Eva gets a life-changing phone call. Before Brent and Wes died, they had signed up for a race of a lifetime—an ultra-marathon in beautiful New Zealand. Eva begs Angela to run the race with her in their husbands' place, and Angela finally agrees, hoping to finally understand her husband's

choices. Training is exhausting, and the race is even more demanding. Their journey grows more complicated by the presence of two men—Marc is Brent's best friend who is running the race with Eva and Angela, and Simon King is a writer who is covering their inspiring story. With every step, Eva and Angela must ask themselves questions that they haven't had the courage to ask before. As the women literally put one foot in front of the other, they wonder: Is it possible to find their way forward in hope?

### **It Was Me All Along**

Clarkson Potter

The world the apostle Paul inhabited was dramatically different from our time. He knew nothing of capitalism, or physics, or Zoom, and more significantly, Paul was a regular in Caesar's prison. For us, "Caesar" is a salad. But a constant in the human story is that every life faces suffering. Paul's life was no different. And yet, on Paul's worst days, he still exhibited a spirit of joy. In this spirit of joy, Paul offers us some inspiration. Joy is not a common reality in modern life. We are more acquainted with anxiety and fear, and on

good days we can settle for happiness; but joy is less common. The worst days come to all of us. At some point the dreams die, the body fails, the spirit is crushed. Those days leave their mark on us. But an imprisoned apostle passed down 104 verses to an ancient congregation in Philippi, and they have passed it down to us. It is their testimony that when the worst days come—and they will—they do not have to be the end of joy. Indeed, they might be the beginning.

**The Joy of Insight:**

**Passions of a Physicist**

Wipf and Stock Publishers  
THE INSPIRATION FOR  
THE MAJOR MOTION  
PICTURE DEVIL'S  
PEAK—starring Billy Bob Thornton, Robin Wright, Hopper Penn, and Jackie Earle Haley! In the country-noir tradition of *Winter's Bone* meets *Breaking Bad*, a savage and beautiful story of a young man seeking redemption—a finalist for the Edgar Award for Best First Novel. The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueler than most. His father runs a methodically organized meth ring, with local

authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardscrabble town. Jacob has always been resigned to play the cards that were dealt him, but when a fatal mistake changes everything, he's faced with a choice: stay and appease his father, or leave the mountains with the girl he loves. In a place where blood is thicker than water and hope takes a back seat to fate, Jacob wonders if he can muster the strength to rise above the only life he's ever known. "Remarkable...This isn't your ordinary coming-of-age novel, but with his bone-cutting insights into these men and the region that bred them, Joy makes it an extraordinarily intimate experience."—Marilyn Stasio, *The New York Times Book Review* "Lyrical, propulsive, dark and compelling. Joy knows well the grit and gravel of

his world, the soul and blemishes of the place."—Daniel Woodrell  
*Return to Joy* Penguin  
The astonishing, uplifting, and hilarious account of maverick Mississippi governor Kirk Fordice and his family  
*Chief Joy Officer* Dina Glouberman  
Critically acclaimed author David Joy, whose debut, *Where All Light Tends to Go*, was hailed as "a savagely moving novel that will likely become an important addition to the great body of Southern literature" (*The Huffington Post*), returns to the mountains of North Carolina with a powerful story about the inescapable weight of the past. A combat veteran returned from war, Thad Broom can't leave the hardened world of Afghanistan behind, nor can he forgive himself for what he saw there. His mother, April, is haunted by her own demons, a secret trauma she has carried for years. Between them is Aiden McCall, loyal to both but unable to hold them together. Connected by bonds of circumstance and duty, friendship and love, these three lives are blown apart when Aiden and Thad witness the accidental death of their

drug dealer and a riot of  
dope and cash drops in  
their laps. On a meth-

fueled journey to  
nowhere, they will either

find the grit to overcome  
the darkness or be  
consumed by it.
