WESTON NATALEE

Princess Springer-Verlag

Factual and fanciful tales of the Nordic warriors known as Vikings have proven irresistible to filmmakers for nearly a century. Diverse, prominent actors from Kirk Douglas, Richard Widmark and Sidney Poitier to Tim Robbins and John Cleese, and noted directors, including Richard Fleischer, Clive Donner and Terry Jones, have all lent their talents to Viking-related films. These fourteen essays on films dealing with the Viking era discuss American, British and European productions. Analyzed in detail are such films as *The Vikings* (1958), *The Long Ships* (1964), *Alfred the Great* (1969), *Erik the Viking* (1989) and *Outlander* (2008), as well as two comic-strip adaptations, the 1954 and 1989 films of *Prince Valiant* and the animated *Asterix and the Vikings* (2006). A comprehensive filmography is also included.

Halbjährliches Verzeichnis Taschenbücher McFarland

A good girl in small town Oregon is about to leave the friend zone to find romance with a sweet and sexy veterinarian in this contemporary romance. As the designated good girl of Redwood Ridge, Oregon, Gabby Cosette has landed a permanent position in the friend zone. With no prospects in sight, she's ready to let the town gossips set their matchmaking sights on her. Too bad their perfect match happens to be her boss at the veterinarian clinic—and her best friend. Sure, Flynn O'Grady is handsome and kind, but getting involved with him would risk toppling both of their carefully constructed worlds. Even if he is starting to make her girly parts zing. Deaf since birth, Flynn has always felt like an outsider. Aside from his brothers, Gabby is about the only person who's gone out of her way to treat him as more than a handicap. Which is exactly why he's hidden his attraction for his beautiful vet tech. Without Gabby, his work as a veterinarian, never mind his personal life, wouldn't flow. But when a single kiss changes everything, he wonders if taking the ultimate shot at love might be worth the risk.

Exposition of the Epistle to the Romans Good Press

The Middle East is often a pressure cooker of upheaval and the threat of war. Complex dynamics are at work, both culturally and politically, and understanding conflict in this region starts with understanding both recent and ancient events. Noted history writer, Alan Axelrod, PhD, breaks down the stereotypes and biases and helps readers not only understand what has been happening during the last 100 years, but why it has happened, who was involved, and what might happen in the future. Supplemental maps are also included.

Male & Female Circumcision Legare Street Press

When the State of Israel claims to represent all Jewish people, defenders of Israeli policy redefine antisemitism to include criticism of Israel. Antisemitism is harmful and real in our society. What must also be addressed is how the deployment of false charges of antisemitism or redefining antisemitism

can suppress the global progressive fight for justice. There is no one definitive voice on antisemitism and its impact. Jewish Voice for Peace has curated a collection of essays that provides a diversity of perspectives and standpoints. Each contribution explores critical questions concerning uses and abuses of antisemitism in the twenty-first-century, focusing on the intersection between antisemitism, accusations of antisemitism, and Palestinian human rights activism. This anthology provides a much-needed tool for Palestinian solidarity activists, teachers, as well as Jewish communities. Featuring contributions from Omar Barghouti, Judith Butler, and Rebecca Vilkomerson, as well as activists, academics, students, and cultural workers, *On Political Solidarity and Justice* includes the voices of Palestinian students and activists, and Jews that are often marginalized in mainstream discussions of antisemitism, including Jews of Color and Sephardi/Mizrahi Jews. Jewish Voice for Peace (JVP) is a national, grassroots organization inspired by Jewish tradition to work for a just and lasting peace according to principles of human rights, equality, and international law for all the people of Israel and Palestine. JVP has over 200,000 online supporters, over sixty chapters, a youth wing, a Rabbinic Council, an Artist Council, an Academic Advisory Council, and an Advisory Board made up of leading U.S. intellectuals and artists.

A Silent Minority Omnibus Press

David Icke's strongest book to date, *The Robots' Rebellion* reveals the alarming extent to which people of all nations are programmed by the ideas fed to them by those in power. We live in a world which is increasingly dominated by technology but, according to Icke, it is we who are the robots. Fearlessly, he tears down the veils of hypocrisy, built up for generations by the corrupt forces of Church, State, science and commerce — and reveals the true pathos of the human condition beneath. He points, too, to the frightening influence wielded throughout the planet by a merciless and manipulative network of secret societies. The existence of long-established links between Earth-bound humanity and beings from other dimensions and planets in the Universe has been suppressed for years, says Icke, by the world's power-broking hierarchy. When ordinary people learn the real role they have to play within a rich and varied cosmic society, rebellion against those who have kept this extraordinary truth from them will, he predicts, be inevitable. The author is no stranger to controversy. Formerly best-known as a TV sports commentator and leading spokesman for the British Green Party, he is gaining increasing authority as a tireless campaigner for truth. His widely-publicised spiritual transformation has given him the courage to speak out fearlessly against lies and deceit. Hidebound politicians, bankers, economists, educationalists, scientists and the leaders of the world's established religions are not going to welcome Icke's challenging book. But it is not intended for those who wield and abuse power. This book is for the world's unwilling robots who, says Icke, in an upbeat conclusion, have it within themselves to rise up — and take control of their own exciting destiny. *The Robots' Rebellion: Table of Contents Introduction Remember Who You Are PART ONE: The Darkness - The Takeover Bid - Collective Amnesia - The Brotherhood of Clans - Bible Stories - Hell on Earth - Arabian Knights - The Cracks Appear - Eagle Tails - The Rule of Science - The World at*

They were the pioneers of American hardcore, forming in California in 1978 and splitting up 8 years later leaving behind them a trail of blood, carnage and brutal, brilliant music. Throughout the years they fought with the police, record industry and their own fans. This is the band's story from the inside, drawing upon exclusive interviews with the group's members, their contemporaries and the groups who were inspired by them. It's also the story of American hardcore music, from the perspective of the group who did more to take the sound to the clubs, squats and community halls of America than any other.

The World of Silence Indiana University Press

John Watson über dieses Buch: "Dieses Buch ist mein bescheidener Versuch, ein wenig Licht auf die Arbeit des besten und weisesten Menschen zu werfen, den ich je gekannt habe. Er hat - wenn ich das so sagen darf - die Wissenschaft der Deduktion zur Kunst erhoben. Nachdem ich bei einigen seiner bedeutendsten Fälle an seiner Seite sein durfte, liegt es nun an mir, seine Verdienste einem breiteren Publikum zu präsentieren. Er ist, um es kurz zu machen, der Mozart der Kriminalwissenschaft. Ich würde gern noch fortfahren, doch mit großer Freude darf ich Ihnen sagen, dass Sherlock Holmes persönlich zugesagt hat, einen Teil dieses Textes zu schreiben ..." Sherlock Holmes über dieses Buch: "Kaufen Sie dieses Buch auf keinen Fall. Was eigentlich eine Serie von spannenden Vorträgen hätte werden sollen, hat der Autor zu geschmackloser, billiger Unterhaltung degradiert. Die Wissenschaft der Deduktion ist eine Sparte menschlicher Errungenschaften, die ernsthafte Analysen erfordert, und hier ist nun dieses verschwenderisch gestaltete Buch durch Humor entstellt und mit Klatsch und Tratsch vergiftet. Offenbar ist diese Art der Sensationsgier nötig, um das Interesse der lesenden Bevölkerung zu wecken, aber nur ein Idiot wäre hiervon beeindruckt. Sie entscheiden."

Spray Paint the Walls: The Story of Black Flag Univ of California Press

And it was there that he came to the realizations about himself, his past, and his heritage that give this story its profound resonance.

Jewish Rural Communities in Germany Gill & Macmillan Ltd

This series offers interdisciplinary approaches to the study of the Nordic region of Scandinavia and the Baltic States and their cultural connections in North America. By redefining the boundaries of Scandinavian studies to include the Baltic States and Scandinavian America, the series presents books that focus on the study of the culture, history, literature, and politics of the North. --Book Jacket.

The Middle East Conflict David R. Godine Publisher

In a land where Kings still rule, I am a Princess. You must know me only as Sultana, for I cannot reveal my true name for fear that harm will come to me and my family for what I am about to tell you. Think of a Saudi Arabian princess and what do you see? A woman glittering with jewels, living a

life of unbelievable luxury. She has gold, palaces, swimming-pools, servants, designer dresses galore. But in reality she lives in a gilded cage. She has no freedom, no vote, no control over her own life, no value but as a bearer of sons. Hidden behind the veil, she is a prisoner, her jailers her father, her husband, her sons. 'Sultana' is a member of the Saudi royal family, closely related to the King. For the sake of her daughters, she decided that it was time for a woman in her position to speak out about the reality of life for women in her country, whatever their rank. She tells of her own life, from her turbulent childhood to her arranged marriage - a happy one, until her husband decided to take a second wife - and of the lives of her sisters, her friends and her servants. In contrast to the affection and easy camaraderie amongst the women, she relates a history of appalling oppression against them, everyday occurrences that in any other culture would be seen as shocking human rights violations: forced marriages, servants bullied into sex slavery, summary executions. Princess is a testimony to a woman of indomitable spirit and great courage. By speaking out, 'Sultana' risked bringing the wrath of the Saudi establishment upon her head and upon the heads of her children. For this reason, she told her story anonymously.

The Living Rudolf Steiner Penguin

If Rudolf Steiner had only been a thinker, his thoughts and ideas could have been criticized through intellectual thinking. However, if he was an initiate, "supra-intellectual" thinking, or pure thinking, would be needed, and only in this way could his statements be differentiated and tested.

Aleida und Jan Assmann Riva Verlag

'Joseph Breuer's celebrated patient, Anna O., designated psychoanalysis to be a "talking cure". She was correct insofar as psychoanalysis does place verbal exchange at the center stage. However, the focus upon the patient's and therapist's speaking activities diverted attention from how the two parties listen to each other. Psychoanalysis is a listening and talking cure. Both elements are integral to clinical work. Listening with no talking can only go so far. Talking without listening can mislead and harm. And yet, the listening end of the equation has received short shrift in analytic literature. This book aims to rectify this problem by focusing upon analytic listening. Taking Freud's early description of how an analyst ought to listen as its starting point, the book traverses considerable historical, theoretical, and clinical territory. The ground covered ranges from diverse methods of listening through the informative potential of the countertransference to the outer limits of our customary attitude where psychoanalytic listening no longer helps and might even be contraindicated.'- Salmon Akhtar, from his Introduction

To Mend the World Random House

Stanislaus Joyce was more than his brother's keeper: he was at various times his brother's co-dependent, touchstone, conscience, and biggest fan. The two shared the same genius, the same childhood influences, and had the same literary instinct, but in Stanislaus it was channeled into sober academic pursuit, while in James it evolved into gaiety, wild whimsy, and at times sodden despair. Covering the first twenty-two years of James Joyce's life in Dublin and Trieste, My Brother's Keeper is a window onto the drama that was his youth. Thanks to Stanislaus's superb memory and sure hand, here we find the Dublin of Dubliners: the streets, neighbors, churches, and unforgettable eccentrics. Here we see the model for Ulysses' Simon Dedalus: James' father, a dour and violent figure when in his cups. Here are the Joyces in their own home, and the minor characters that

pepper A Portrait of the Artist: Eileen, Leopold Bloom's comely daughter; Mrs. Riordan, the surly teacher; Mr. Casey, the political agitator. And finally, here is Trieste, a place of exile for Stanislaus but a retreat for James. Stanislaus Joyce has fashioned both an invaluable primary source for his brother's opaque masterpieces and a loving memoir of his brother's early life.

Fish 'n' Chip Shop Song and Other Stories Routledge

In diesem Buch thematisiert die Professorenenschaft der accadis Hochschule die Auswirkungen der Digitalisierung auf ihre Fachbereiche: Notwendige Umbrüche der Wirtschaftsethik, Auswirkungen künstlicher Intelligenz auf Marketing und Produktentwicklung, Veränderungen in der Unternehmenskommunikation, digitale Innovationen in Sport- und Gesundheitsmanagement, intelligente Distribution mit Blockchain-Technologien sowie Tokens im Finanzmarkt.

My Brother's Keeper Da Capo Press

Each beautifully told story in this fine collection resonates with a moving depth of emotional understanding. Having won prizes in major national competitions for four of these stories, had several selected for anthologies of significant New Zealand writing, with numerous broadcast on radio and one even translated into Mandarin, Carl Nixon was long overdue for a book of his own, collecting his stories together. So, here they are. Stories that evoke the South Island landscape as well as the New Zealand urban expanse. Stories that take surprising turns as they explore such things as 'saving' a pet parrot, a fruiterer's true love, a return to Crete, an anticipated seduction and the dreams of a suburban mercenary. There are characters to charm and alarm the reader, characters that are startlingly different and characters that are just like us. There are songs of love and tales of loss, there's humour and there's poignancy.

Facetten der Digitalisierung Lyrical Press

For years, psychotherapists have known that Laura Perls was actively involved in the development of what today is known as Gestalt therapy, although her husband, Frederick Perls, officially authored the foundational texts. Laura Perls's own professional publications are succinct and appreciated, but they are not numerous. The present volume, comprising Laura Perls's heretofore unpublished writing, including journal entries, letters, poems, translations, short stories, and drafts for lectures and publications, offers a very personal perspective on one of the founders of Gestalt therapy. The extensive interview that Daniel Rosenblatt conducted with Laura Perls in 1972, published here for the first time in English, complements her literary texts, and provides valuable background information. Laura Perls's history spans two world wars, flight from Nazi persecution, life on three continents, and many new beginnings. Together with her known works, these literary texts reflect the emergence of women into professional and public life during the 20th century by giving the reader insight into this time period and the influence of a woman on the development of a major school of Humanistic Psychology. The rich cultural background from which Laura Perls benefited and

the authors whose works inspired her resonate in her literary texts, a treasure chest of personal reflections during the decades of her life from 1946 to 1985. In addition, a general overview of her life is provided, her theoretical and practical contributions to the origins and development of Gestalt therapy are described, and her legacy to the field of Gestalt therapy is elucidated. Laura Perls was known for making the New York Institute for Gestalt Therapy a viable and important teaching community. For decades, she was the keeper of the flame of this foundational Gestalt institute. Best known for her concepts of contact and support, the creative use of experiments, and productive use of embarrassment, Laura Perls's literary texts are finally made available here.

Veiled Pumpkin House Press

Ariana loves her life as a schoolteacher in a little frontier town. But one evening after classes are done and she prepares to hurry home, her life changes in an instant when a band of rough outlaws abduct her and take her far away from all she has ever known. Trapped in a small shack, Ariana prays and waits, her emotions swinging between terror and boredom as days stretch into weeks. Still, the outlaws refuse to tell her why they've taken her or what they plan to do. Then the boss's son appears in the doorway of her cabin. He seems different from the others, but can she trust him? Will she ever again see her mother and father, the couple who lovingly adopted her and raised her as their own? Will she ever wear the beautiful wedding dress so carefully saved for her--her one remaining link to her birth parents?

German books in print Hachette UK

"This subtle and nuanced study is clearly Fackenheim's most important book." —Paul Mendes-Flohr " . . . magnificent in sweep and in execution of detail." —Franklin H. Littell In To Mend the World Emil L. Fackenheim points the way to Judaism's renewal in a world and an age in which all of our notions—about God, humanity, and revelation—have been severely challenged. He tests the resources within Judaism for healing the breach between secularism and revelation after the Holocaust. Spinoza, Rosenzweig, Hegel, Heidegger, and Buber figure prominently in his account.

The Hidden Self Charisma Media

What happens when a nineteen-year-old boy leaves home and heads into the jungles to evangelize a murderous tribe of South American Indians? For Bruce Olson, it meant capture, disease, terror, loneliness, and torture. But what he discovered by trial and error has revolutionized then world of missions.
