## HANNAH BENTON

### Bully CEO Seduced His Wife Funstory

There's a new set of 3Rs for our kids—respect, responsibility, and resilience—to better prepare them for life in the real world. Once developed, these skills let kids take charge, and let parents step back, to the benefit of all. Casting hover mothers and helicopter parents aside, Vicki Hoefle encourages a different, counter-intuitive—yet much more effective—approach: for parents to sit on their hands, stay on the sidelines, even if duct tape is required, so that the kids step up. Duct Tape Parenting gives parents a new perspective on what it means to be effective, engaged parents and to enable kids to develop confidence through solving their own problems. This is not a book about the parenting strategy of the day—what the author calls “Post-It Note Parenting”—but rather a relationship-based guide to span all ages and stages of development. Witty, straight-shooting Hoefle addresses frustrated parents everywhere who are ready to raise confident, capable children to go out in the world.

### Be Safe, Love Mom Harmony

Deep in the heart of Alaska, there's more to fear than just the cold ... Real faith meets real suspense in these 3 thrilling novels you can't put down! Find out why Christian fiction readers are racing headfirst into the depths of rural Alaska, where unforgettable characters face unimaginable dangers. These believers will risk everything to save the ones they love: A woman hiding from the fatal mistakes of her past. A sister rescuing her autistic little brother from the clutches of danger. A steamy fling with an old crush who doesn't do commitment? What was she thinking! Find out in the conclusion to Reese Ryan's Bourbon Brothers series. What happens when you say yes to a bad boy? Even if divorcée Renee Lockwood were willing to give love a second chance, she wouldn't choose Cole Abbott. The sexy, successful real estate developer doesn't do commitment. But he's perfect for a no-strings fling—exactly what Ren needs now that she's moved back home to raise her son. Mind-blowing pleasure with the man she once crushed on is harder to quit than Ren expected. Impossible, in fact. Is time running out before the bad boy bolts...or will the results of her experiment surprise her? From Harlequin Desire: A luxurious world of bold encounters and sizzling chemistry. Love triumphs in these uplifting romances, part of The Bourbon Brothers series: Book 1: Savannah's Secrets Book 2: The Billionaire's Legacy Book 3: Engaging the Enemy Book 4: A Reunion of Rivals Book 5: Waking Up Married Book 6: The Bad Boy Experiment  
*Writing Women's Worlds* Xlibris Corporation  
Will they be able to discover what true

love is really like, or will the war tearing countries apart rip that opportunity from their grasp before they can venture forward in faith? Ember and Virginia are sisters living with their family in southwestern Montana with dreams that go far beyond the small farming town and its inhabitants. Ember Hirschel has little interest in men of any kind since her last attempted relationship ended in shambles--that is, until she meets the charming Lieutenant LaHaye, who quickly steals her heart and leaves her wondering what a future would be like with him by her side. But life in 1941 is not easy, especially for a young couple whose lives could easily be torn apart by the war raging on between nations. When disaster strikes and leaves Ember with little to cling to, will her faith and trust in God bring her and the people she cares about into a safety net of happiness and peace? Though she loves her job as a nurse in her small hometown, Virginia Hirschel longs for excitement and maybe even a handsome young beau to bring some adventure to her rather dull life. When her qualifications as a nurse are called into question, Virginia begins to wonder if she was ever meant to care for the sick and dying. And when a handsome young soldier makes it clear he wishes to court her, Virginia couldn't imagine a more tempting prospect. But maybe Virginia's plan for her life isn't the same as God's plan for her future. Accepting and acknowledging that reality are two different things. And when faced with a crisis in her new relationship, will Virginia choose to persevere in faith or let go of the dreams she once thought impossible?

Who Killed Mom? Boys Town Press  
Lila Abu-Lughod draws on anthropological and feminist insights to

construct a critical ethnography of a small Awlad 'Ali Bedouin community in Egypt. She explores how the telling of stories of everyday life challenges the power of anthropological theory to render adequately the lives of others and the way feminist theory appropriates Third World women.

**Teasing Phoenix** Bethany House  
"Featuring real-life questions from teen boys, this book equips parents with insight into their sons' hearts and minds and offers biblical strategies for guiding the adolescent into manhood"--Provided by publisher.

*And Still the Crows Laugh* PublicAffairs  
When Susan Schultz discovers she is unexpectedly pregnant with a biracial baby, she makes the enormous decision to raise it on her own and not tell the birth father as their religious differences are too big of an obstacle to overcome. While somehow managing to avoid him and keep her secret, Susan feels that something wonderful is in store for her baby and her. After her path leads her to meet Jacob Olson, a handsome suitor of her own culture, Susan gives birth to a beautiful daughter, Olivia, and eventually marries him. As they settle into a peaceful existence in the woods that allows Olivia to grow up a happy little girl who enjoys spending time with her imaginary friend and spirit guide, and seems to have an uncanny ability to predict death and bring souls back from the brink of it. When the public learns of her abilities, Olivia quickly becomes a celebrity. But when she is abducted one night from her bed, Olivia and Susan have no idea that a perilous journey has just begun. In this magical tale, a little girl born with special abilities must rely on help from her spirit guide and loving mother as she sets out to realize her destiny.

*Duct Tape Parenting* Balboa Press  
 "Uncle, do you dare to love me?" "Xu Ran, do you really want to be my woman?" I think, I don't regret it! " "Her soft little hand firmly gripped his big hand." "Dammit, I don't regret it. Even if you want to escape, I won't let you off!" Because her words of 'I don't regret' made him feel like he was on fire. It was uncontrollable ... PS: 1 vs 1, the male and female lead is physically and mentally clean!

Mistletoe Madness: A Holiday Romance

Donna McDonald

She wanted a naked dancing Santa. What she got was her best friend falling in love with her. Radio talk show host, Eve Kingston, would have said her neighbor down the street was one of her best friends in the world. After a simple kiss under the mistletoe, Sam now says he wants to sleep with her. Eve thinks maybe she wants to see Sam dancing naked in a Santa hat. Madness has obviously taken over both of them. Will either of them get their crazy wish for Christmas?

**Parents** Simon and Schuster

"As long as you're living under my roof"-made simple... Census figures say about half those aged 18 to 24 live at home, with 65% of college graduates returning. This guide helps parents and their adult children deal with living together again by: helping young adults set goals for independence; determine boundaries; talk about dating, and more. -- Only book on the topic -- Open nesting trend alive and well-especially with the advent of the economic downturn -- Focused on the interests and concerns of both the parents and the adult children

**Rebirth: Tender Love** Harlequin

Who is the mysterious Rudy Kazoody, and what, if anything, did he have to do with the events that occurred to a group

of teenagers during one fateful summer in New York City's Bronx neighborhood in the early 1960s? Growing up is difficult enough. But when you're a recent immigrant arriving in a country that is going through its own coming-of-age process, fueled by rock 'n' roll, the Civil Rights movement, the Vietnam War, free love, the pill, LSD, and the Cold War, it's downright confusing, and for some—lethal. With the various upheavals shaking America to its core, Joey, whose family emigrated to the Bronx from Italy's Apennine Mountains, struggles to retain his innocent, optimistic outlook on life as he and the other young teenagers on Arthur Avenue—virtually all of whom also come from immigrant, working-class families—try to find their place in this new order. From the euphoria of first love to the despair of dashed dreams and betrayal, Joey emerges from the summer sadder but wiser in this romantic, mysterious, and nostalgic tale. Behind it all lurks the mysterious Rudy Kazoody, an enigma that Joey feels he must solve or else remain forever just outside the inner circle of life and love.

The Bad Boy Experiment Barbour Publishing

This novel delves not only into the private life of the main character, but into his confused mind as he seeks to understand this thing called living. Will he succeed? Will he find answers? As he seeks answers, he discovers that his family and friends are also seeking, to which he has no response. This author believes people are decent/loving/caring and are looking to understand this thing we call living. Answers that do not come easily in one's life time while others seem to appear to succeed. Join me by reading the story of Carter Shelton and I hope you will not only enjoy this story

but perhaps it will give you much food for thought.

[Alaskan Refuge Christian Suspense Box Set](#) Christian Faith Publishing, Inc.

Sam Anderson has been cautious over men after her boyfriend cheated on her, but things have changed when Phoenix comes into the picture. Phoenix Williams comes back to the town he swore not to revisit. He's a cocky, confident, and relentless businessman—the type of man Sam despised. Surprisingly, the same qualities draw Phoenix closer to her. He also treats her like a princess. But like most relationships, there are always ups and downs—their relationships tested by their pasts—the past that brings them closer, and the same past can change their lives forever.

*Tease Monster* Funstory

An Inside View into the Dark Side of a Music Icon He was the King of Pop, a superstar without equal, the idol of millions of young people around the world. But was Michael Jackson also a sexual predator without equal, someone who preyed on the very fans who adored him? Bad is the revelatory untold true story of the strange and larger-than-life career of Michael Jackson, the King of Pop. In the wake of the controversial two-part documentary *Leaving Neverland*, which told the stories of two young boys who were befriended by the singer and have claimed they suffered years of agonizing abuse, Dylan Howard set out to investigate Jackson's life and death in unprecedented depth, to determine—as one lawyer suggested—that the pop star ran “the most sophisticated child sexual abuse procurement and facilitation operation the world has known.” After all the highly publicized trials and unfounded accusations, stunning new information

has finally come to light: irrefutable evidence that one of the best-known, best-loved figures in the world was a monster behind closed doors—a foul-mouthed, abusive, drug-sodden freak whose deeds and the reasons for those deeds are revealed now for the first time. A dramatic narrative account based on dozens of interviews, Howard shares Jackson's own riveting personal journal—obtained exclusively for this book—interviews with family members, multiple first-person sources—some of whom have asked to remain anonymous—as well as thousands of pages of court documents. What he uncovers is a man who was both naive and Machiavellian, unorthodox, a devoted father, shrewd businessman, and drug addict whose life was cut short but whose sound and style have influenced artists of various genres and generations. Remarkably though, in death, there remains two portraits of Michael Jackson: the reigning King of Pop, and a pedophile whose pattern of abuse ruined his reputation. Fans and individuals alike will forever be asking if the insidious claims being made about MJ are true. This is the new narrative and the sad legacy of one of the best-selling music artists of all time. Here is his life story, told for the first time with stories and testimony that will leave you shaken.

**Tomb of Lies: a Dark Secret**

FriesenPress

"In the mid 1730's the Frydig's/Fridig's left Switzerland ... Two families arrived in South Carolina in 1735 ... This book will document the early settlers in South Carolina and follow [the Friday name] to Georgia, Alabama, Mississippi, Louisiana, Arkansas, Texas, Oklahoma and California."--Introduction.

*The Dawn of War* Bibliomotion, Inc.

Three Holiday Romances to Bring you Love, Laughter, and Good Cheer!  
 Mistletoe Madness What Eve wanted for Christmas was a dancing naked Santa. What she got was her best friend falling in love with her. Radio talk show host, Eve Kingston, would have said her neighbor down the street was one of her best friends in the world. After a simple kiss under the mistletoe, Sam now says he wants to sleep with her. Eve thinks maybe she wants to see Sam dancing naked in a Santa hat. Madness has obviously taken over both of them. Will either of them get their crazy wish for Christmas? Saving Santa Her Marine training hadn't quite prepared her for saving St. Nick Like all bad deeds, her nickname for Nicolas North had finally come back to bite her on the butt. The too nice man she admired was determined to play Santa for the local Christmas parade while some shooting stalker was out there after him. For a geek, the man could nearly kiss the hard-ass Marine right out of her. Only she couldn't let him. At least not until she'd managed to save Santa. No ELFing Way What's on Dasher Sleight's list for the holidays? Fixing his blunder with Vixen Dunder. Single dad and widower, Dasher Sleight, is hoping for a much better Christmas this year. He'd have one too, if he could just talk Vixen and her daughter into spending it with him and Nicky. Playing Bad Santa to Vixen's Sexy Elf is a lot of fun. Next he'd like to see Vixen in his lap and both their children playing under his tree. Vixen says there's no elfing way she's going to let a Bad Santa like him break her heart a second time. Having learned the hard way how short and precious life is, Dash can't handle the thought of missing his second chance.

**Everyday Illegal** Rutgers University

Press

The Savvy Mom's Guide to Sons will encourage your faith, challenge you spiritually, and give you real-life advice on how to parent boys with wisdom and confidence. Biblically-based advice will equip you to guide your boys in the Christian faith—plus, you'll encounter some humorous, common-sense tips along the way. Each of these 101 accessible chapters wraps up with thought-provoking quotations and questions, making The Savvy Mom's Guide a perfect book to read alone or with other mothers of sons.

Termination Dust Alana Terry

"What does it mean to be an illegal immigrant, or the child of immigrants, in this era of restrictive immigration laws in the US? In *Everyday Illegal*, Joanna Dreby recounts the stories of children and parents in eighty-one families to show what happens when a restrictive immigration system emphasizes deportation over legalization. Interweaving her own experiences, Dreby illustrates how crippling strains can arise in relationships when spouses have different legal statuses. She introduces us to 'suddenly single mothers' who struggle to place food on the table and pay rent after their husbands have been deported. Taking us into the homes and schools of children living in increasingly vulnerable circumstances, she presents families that are divided internally, with some children having legal status while their siblings are unauthorized. As legal status influences identity formation, alters the division of power within families, and affects the opportunities children have outside the home, it becomes a source of inequality that touches us all."--  
 Provided by publisher.

Merry Ever After Dorrance Publishing

An abusive father. A devoted sister. When danger strikes, she'll walk through fire to protect her family. Despite years of trauma, Kimmie's faith has never faltered. And after her mom's unexpected death, Kimmie risks everything to save her autistic brother from a life of neglect and abuse. Caught in the crosshairs of a dangerous dilemma, she dashes out with her brother into the bitter Alaskan night. With the devil in pursuit and the law on her stepdad's side, Kimmie must brave

the perils of the freezing wilderness in a desperate attempt to finally reach safety. Can Kimmie survive the daring escape, or has she doomed both herself and her brother to a frozen grave? Termination Dust is a standalone novel in the unforgettable Alaskan Refuge Christian Suspense series. If you like determined characters, harsh landscapes, and faith under fire, then you'll love Alana Terry's riveting novel. Buy Termination Dust to dive headfirst into a gripping adventure today!
