"In this book, you will get to know me through my story of depression and healing. And you will get to know other women as well. You will meet Aurore who crochets to stay in touch with reality as she deals with ongoing psychiatric hallucinations. You will meet Laurie who made a new life with crochet after years of a life filled with abuse. You will meet Tammy whose crochet helps her with the ups and downs of living with Chronic Lyme Disease. You will meet Liza who crochets through the anxiety of having temporary bouts of blindness caused by an undiagnosed health condition. Here are some of the things you will hear them say:"When I crochet I don't think about how my body is now broken; I think about how I can create something beautiful and useful with my hook and either yarn or thread."--Vicki --"Crochet helps me put my pain on the back burner for a while. It takes my focus away from how I'm feeling and puts it in a more productive place" - Shelli. The two

dozen women whose stories are shared in this book are the women who hook to heal."--Page 4 of cover.

Lowly Worm is one of Richard Scarry's best loved characters, and the star of this lively collection of stories, in which he takes an unexpected ride on a hot-air balloon; helps Huckle find just the right gift for Mother Cat; rides the roller coaster at the fair and builds a castle at the beach. With everything from bike crashes to a big birthday surprise, these stories show exactly why Lowly is one special worm, loved the world over. Every page has something to delight over and discuss.
