When Sam is diagnosed with diabetes, her whole world changes -- can she learn to handle it? Sam is a normal 12-year-old. She loves ice cream, sleepovers, Christmas, and her soccer team (future team captain). What doesn't she love? Her super-annoying teenage brother, how her little sisters mess up the house and talk incessantly, and especially, how completely weird she is feeling. Lately, Sam has been crazy hungry and thirsty. She's tired all the time, and, most humiliating of all, she's started wetting the bed like a baby. One day, after a collapse at a soccer game, she wakes up in the hospital to find out she's got Type 1 diabetes. Suddenly everything is different: not just her diet and the injections, but her relationships with her family and her friends. Will she learn to handle it? This poignant story of a young girl coming to terms with a serious diagnosis, is a hopeful tale about overcoming life's hurdles.

A career retrospective of one of the world's most inventive contemporary illustrators, curated by the artist From an illustration of Donald Trump, his signature pout forming the shape of a fist, to Bob Dylan, seemingly composed of musical instruments, Noma Bar's innovative, playful style has made him one of the most sought-after illustrators working today. His use of negative space and minimalist forms creates images within images—layers of meaning that delight and surprise in equal measure. Each of Bar's illustrations tells a story that is hidden in the details, the whole message revealing itself with a second look. For this retrospective volume, Bar has handpicked his iconic illustrations and favorite works, covering a range of topics, all in the distinctive style that has established his reputation. The works are organized into the thematic chapters Less More (daily life), Pretty Ugly (portraits), In Out (sex), and Life Death (conflict).

Alongside the images, Bar reveals his working methods and the stories behind his often idiosyncratic inspiration for different illustrations, and he reflects on how his life experiences have shaped him as an artist. Noma Bar is a must-have reference source for students or professionals in the worlds of graphic design and illustration, and a treasury for any follower of visual and popular culture.

Let these words guide you home, Let them be your last ray, When everything turns into dust, Let them keep your heart safe. The past is dead and gone; all that have stayed alive are memories in the form of words. *Bittersweet Memories* is a collection of quotes, micro poems and prose by Parul Nigam. It includes pain, angst and so much love coming straight from the heart of an 18-year-old girl. The book is a refuge for the restless souls out there who are constantly battling with the society and with themselves. This debut is a ray of hope for the people who feel that overcoming their past is impossible. It is a reminder that no matter how bad you've been hurt, there's always light waiting for you to reach the end of the tunnel. Illustrated by Deepa Nigam

The Summer of Bitter and Sweet Harlequin

The one suitor Mara Lawton cannot add to her collection is the one she wants most--Clay Stedman. Clay has just arrived in Cedar Springs to work the Stedman ranch. His widowed aunt is leaving to visit family back East, and Clay must find someone to care for his little sister and perform the household chores--like cooking for fourteen cowboys, doing the laundry, and feeding the hogs. Mara offers Clay her services, despite having never cooked a meal, washed a garment, or gone near a hog in her life. Clay is taken with Mara's looks, but a recent heartbreak makes him wary--that and the fact she doesn't share his faith in God. For Mara, whose self-worth is based on her family's wealth and royal lineage, obstacles and reverses create a terrible inner turmoil. Will she cling to her own ways or allow God to move in her life? Fall in love with this inspiring love story and our entire collection of Christian romance novels from Heartsong Presents!

Umami Montlake Romance

One of medicine's most remarkable therapeutic triumphs was the

discovery of insulin in 1921. The drug produced astonishing results, rescuing children and adults from the deadly grip of diabetes. But as Chris Feudtner demonstrates, the subsequent transformation of the disease from a fatal condition into a chronic illness is a story of success tinged with irony, a revealing saga that illuminates the complex human consequences of medical intervention. *Bittersweet* chronicles this history of diabetes through the compelling perspectives of people who lived with this disease. Drawing on a remarkable body of letters exchanged between patients or their parents and Dr. Elliot P. Joslin and the staff of physicians at his famed Boston clinic, Feudtner examines the experience of living with diabetes across the twentieth century, highlighting changes in treatment and their profound effects on patients' lives. Although focused on juvenile-onset, or Type 1, diabetes, the themes explored in *Bittersweet* have implications for our understanding of adult-onset, or Type 2, diabetes, as well as a host of other diseases that, thanks to drugs or medical advances, are being transformed from acute to chronic conditions. Indeed, the tale of diabetes in the post-insulin era provides an ideal opportunity for exploring the larger questions of how medicine changes our lives.

Quiet Power Deep Vellum Publishing

Fall in love with Vermont in this USA Today bestselling series. The last person Griffin Shipley expects to find stuck in a ditch on his Vermont country road is his ex-hookup. Five years ago they'd shared a couple of steamy nights together. But that was a lifetime ago. At twenty-seven, Griff is now the accidental patriarch of his family farm. Even his enormous shoulders feel the strain of supporting his mother, three siblings and a dotty grandfather. He doesn't have time for the sorority girl who's shown up expecting to buy his harvest at half price. Vermont was never in Audrey Kidder's travel plans. Neither was Griff Shipley. But she needs a second chance with the restaurant conglomerate employing her. Okay—a fifth chance. And no self-righteous lumbersexual farmer will stand in her way. They're adversaries. They want entirely different things from life. Too bad their sexual chemistry is as hot as Audrey's top secret enchilada sauce, and then some. Warning: This stand-alone novel contains growly alpha farmers, gourmet

yumminess, a steamy outdoor shower and proof that farmers don't mind getting dirty. Love is the last thing on Zoe's mind. Widowed at only twenty-six, she's just trying to get through one lonely day at a time as she grieves her late husband, and finds the energy to take care of her infant son. As Zoe bravely tries to hold herself together, her husband's cousin and business partner, Adam, offers his support and friendship. Shattered by her loss, Zoe is distant and resentful at first, but Adam gently persists, and Zoe's reserve soon begins to crumble . . . Adam knows that Zoe needs time to heal but finds himself more and more attracted to her. He knows he must not act on these forbidden feelings, but they just won't go away . . . Noelle Adams's Bittersweet is a poignant, fearless exploration of friendship, loss, new beginnings, and the healing power of love.

My world exploded on my wedding day. A dark-haired, gorgeous stranger objected as I stood at the altar in my long, white gown. He told all my friends, my family, and my fiancé that he was the man for me. I had no idea who he was, but he offered me an escape I was craving, so I left the church with him. He might have been a little drunk and horribly confused. Luke Jones stumbled into the wrong church. He was trying to stop the woman he loved from marrying another man. I took him to his apartment, got him into bed so he could sleep it off, and left a note. Two days later,

he showed up on my doorstep. I should have sent him away, but I didn't. I couldn't. Luke was the hero I always needed. The calm, confident, sexy-as-sin fireman saved me from making the biggest mistake of my life. I saved him from the unending pain of a broken heart. But just when I start to think luck brought us together, fate's bittersweet hand threatens to tear us apart forever.

Jazz in the Bittersweet Blues of Life Catapult
"Sentimental, heartfelt....the exploration of Henry's changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don't repeat those injustices."-- Kirkus Reviews "A tender and satisfying novel set in a time and a place lost forever, Hotel on the Corner of Bitter and Sweet gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel." -- Garth Stein, New York Times bestselling author of The Art of Racing in the Rain "Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut." -- Lisa See, bestselling author of Snow Flower and the Secret Fan In the opening pages of Jamie Ford's stunning debut novel, Hotel on the Corner of Bitter and Sweet, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle's Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry's world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While "scholarshipping" at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts,

curfews, and FBI raids, Henry and Keiko forge a bond of friendship—and innocent love—that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel's dark dusty basement he begins looking for signs of the Okabe family's belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice—words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In *Henry and Keiko*, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. **BONUS:** This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Love and Other Consolation Prizes*.

Selected by the Modern Library as one of the 100 best nonfiction books of all time A book about romantic love, *Eros the Bittersweet* is Anne Carson's exploration of the concept of "eros" in both classical philosophy and literature. Beginning with, "It was Sappho who first called eros 'bittersweet.' No one who has been in love disputes her," Carson examines her subject from numerous points of view, creating a lyrical meditation in the tradition of William Carlos Williams's *Spring and All* and William H. Gass's *On Being Blue*. Epigrammatic, witty, ironic, and endlessly entertaining, *Eros* is an utterly original book.

'A wonderfully surprising novel, powered by wit, exuberance and nostalgia.' Chloe Aridjis, author of *Sea Monsters* A captivating portrait of contemporary Mexico, cut through with dazzling wit and sensitivity It started with a drowning. Deep in the heart of

Mexico City, where five houses cluster around a sun-drenched courtyard, lives Ana, a precocious twelve-year-old still coming to terms with the mysterious death of her little sister years earlier. Over the rainy, smoggy summer she decides to plant a vegetable garden in the courtyard, and as she digs the ground and plants her seeds, her neighbors in turn delve into their past. As the ripple effects of grief, childlessness, illness and displacement saturate their stories, secrets seep out and questions emerge – Who was my wife? Why did my mom leave? Can I turn back the clock? And how could a girl who knew how to swim drown? Using five voices to tell the singular story of life in an inner city mews, *Umami* is a quietly devastating novel of missed encounters, missed opportunities, missed people, and those who are left behind. Compassionate, surprising, funny and inventive, it deftly unpicks their stories to offer a darkly comic portrait of contemporary Mexico, as whimsical as it is heart-wrenching.

Bittersweet Creek NYLA

Longlisted for the Dublin Literary Award A TIME Best Book of the Year A New Yorker Best Book of the Year An extraordinary novel from a Man Booker International Prize-winning author that follows one young Omani woman as she builds a life for herself in Britain and reflects on the relationships that have made her from a "remarkable" writer who has "constructed her own novelistic form" (James Wood, *The New Yorker*). From Man Booker International Prize-winning author Jokha Alharthi, *Bitter Orange Tree* is a profound exploration of social status, wealth, desire, and female agency. It presents a mosaic portrait of one young woman's attempt to understand the roots she has grown from, and to envisage an adulthood in which her own power and happiness might find the freedom necessary to bear fruit and flourish. Zuhour, an Omani student at a British university, is caught between the past and the present. As she attempts to form friendships and assimilate in Britain, she can't help but ruminate on the relationships that have been central to her life. Most prominent is her strong emotional bond with Bint Amir, a woman she always thought of as her grandmother, who passed away just after Zuhour left the Arabian Peninsula. As the historical narrative of Bint Amir's challenged circumstances unfurls in captivating fragments, so too does Zuhour's isolated and unfulfilled present, one narrative segueing into another as time slips and dreams mingle with memories.

A stunning post-Civil War romance from the writer of the *Fire* series, "an amazingly talented author who has few rivals" (RT Book Reviews). Everything changed for Laura Taylor when the South lost the Civil War. The Yankees' arrival in South Carolina drove Laura and her soldier husband, Jesse, westward to seek a new beginning. But Laura's hopes crumble when Jesse dies, and she finds herself pregnant and alone in a wild railroad camp with winter coming in fast. The only one she can turn to is Dr. Spencer Hardin. Spencer returned from the war to discover his wife had run off with another man, taking his young son with them. Vowing to get his child back, he started the long journey to San Francisco, and not even the revelation of his wife's death could stop his vengeful journey. But when a blizzard rages, Spencer finds himself stranded, fighting for the lives of Laura Taylor and her baby, and the first steps on the path to redemption. "A well-written story of two people who find love in recovering from the past and the war that tore apart a nation." —Historical Romance Review with Regan Walker

Bittersweet Within My Heart Entangled: Amara

Hudson Avery gave up a promising competitive ice skating career after her parents divorced when she was fourteen years old and now spends her time baking cupcakes and helping out in her mother's upstate New York diner, but when she gets a chance at a scholarship and starts coaching the boys' hockey team, she realizes that she is not through with ice skating after all.

Bitter Sweet Love Scholastic Canada

From USA Today bestselling author Sally Kilpatrick comes a country-fried take on *Romeo and Juliet*. The second worst thing Romy Satterfield ever did was fall in love with Julian McElroy. The first was to marry him. For decades, her family and his have been locked in a feud—their farms separated only by a narrow creek and thick band of bad blood with both sides committing their fair share of sins. Once upon a time, Romy and Julian thought they could change that—right up until the moment he stood her up on their wedding night. When her father breaks his leg, Romy reluctantly returns to care for him and the family farm. Seems like the universe is saying it's time to get that divorce—especially since she's engaged to Nashville's most eligible bachelor. All she has to do is get Julian to sign the papers—too bad he's never been one to make things easy for her.
