Niente e nessuno le avrebbe più separate. Beth a Londra e Meg a New York ricevono un telegramma da un notaio italiano che le avvisa della morte del padre. Partono subito per Lecce, luogo della loro infanzia, dove scoprono di avere una terza sorella, Jo, e un'eredità da dividere. O meglio, una montagna di debiti da sanare. Decidono allora di sistemare la masseria di famiglia per rivenderla e di prendersi una pausa da tutto. Ma le sorprese non sono finite. E tra problemi, imprevisti, e amori che tolgono il fiato, per le sorelle De Feo non è ancora tempo di tornare alle

rassicuranti certezze del passato... Una storia sul potere della scelta e sull'importanza delle seconde occasioni. L'idea che la vita sia un viaggio che non contempla solo una strada maestra, e che bisogna avere il coraggio di rischiare. Per una volta Giulia Beyman abbandona il genere giallo che le è consueto per dedicarsi al romance e raccontare un'intensa storia tra sorelle, le cui protagoniste richiamano alla mente il classico di Louisa May Alcott, *Piccole donne*. **Questo romanzo è una seconda edizione, con nuovi capitoli e revisioni. Il contenuto originale era già stato pubblicato nella collana YouFeel di Rizzoli in due volumi: "Il cielo era pieno di stelle" (2014) e "La casa degli angeli" (2017). ***
A Billion Years Springer

The Soul Breaker doesn't kill his victims. What he does is much worse. He leaves them paralysed and completely catatonic. His only trace: a note left in their hands. There are three known

victims when suddenly the abductions stop. The Soul Breaker has tired of his game, it seems. Meanwhile, a man has been found in the snow outside an exclusive psychiatric clinic. He has no recollection of who he is, or why he is there. Soon the weather goes from bad to worse, and the clinic becomes completely cut off from the world outside. When the head psychiatrist is found trembling, naked and distraught, with a slip of paper in her hands, it seems the Soul Breaker has returned. And with the clinic cut off from the world, no one is able to get in - or out.

Un cuore nell'oscurità Giulia Beyman

Horror is a universally popular, pervasive TV genre, with shows like True Blood, Being Human, The Walking Dead and American Horror Story making a bloody splash across our television screens. This complete, utterly accessible, sometimes scary new book is the definitive work on TV horror. It shows how this most adaptable of genres has continued to be a part of the broadcast landscape, unsettling audiences and pushing the boundaries of acceptability. The authors demonstrate how TV Horror continues to provoke and terrify audiences by bringing the monstrous and the supernatural into the home, whether through adaptations of Stephen King and classic horror novels, or by reworking the gothic and surrealism in Twin Peaks and Carnivale. They uncover horror in mainstream television from procedural dramas to children's television and, through close analysis of landmark TV auteurs including Rod Serling, Nigel Kneale, Dan Curtis and Stephen Moffat, together with case studies of such shows as Dark Shadows, Dexter, Pushing Daisies, Torchwood, and Supernatural, they explore its evolution on television. This book is a must-have for those studying TV Genre as well as for anyone with a taste for

the gruesome and the macabre.

The Bones of You Columbia University Press

At the age of fifteen, Sam Jones's girlfriend Alicia gets pregnant and Sam's life of skateboarding and daydreaming about Tony Hawk changes drastically, so Sam turns to Hawk's autobiography for answers.

Cruel and Beautiful iEffe

A woman returns to South America to enjoy restored democracy, only to learn from her maid that she must not read newspapers because thinking is banned, should not open the windows because the army is holding maneuvers, can't have breakfast because it was stolen, and so on. Political satire by an Argentine writer, author of Black Novel.

Mendel's Daughter Policy Press

Nell'oscurità che l'avvolge, Susan deve lottare contro il tempo per salvare sua figlia Susan, a Roma, ha da poco perso la vista in un incidente d'auto quando, nell'atmosfera festosa dell'imminente Natale, sua figlia scompare nel nulla mentre sta giocando nel parco. Nello stesso momento Nora, a Martha's Vineyard, fa strani sogni e ha insolite visioni che coinvolgono la sua amica Susan. Insieme, Nora e Susan, anche se a migliaia di chilometri di distanza, cercheranno di salvare la piccola Margot prima che sia troppo tardi. Una nuova storia di suspense coinvolge Nora Cooper, l'affascinante agente immobiliare con il sorprendente dono di comunicare con l'aldilà.

In the summer of 1974 the movie Death Wish stunned audiences with its powerful story of an enraged businessman who hits the

streets with a handgun to avenge the brutal violation of his wife and daughter. The film packed theaters with cheering moviegoers, became one of the highest-grossing and most controversial movies of the year, and turned star Charles Bronson into the hottest screen icon in the world. Over the next twenty years, four increasingly-violent sequels delivered thrills to a growing legion of fans and solidified the legend of Charles Bronson. Now, for the first time, *Death Wish* fanatics, Bronson cultists, and action movie lovers will discover fascinating information about the series. In exclusive comments, director Michael Winner, actor Kevyn Major Howard, novelist Brian Garfield, and many others reveal what it was like to work on the *Death Wish* movies with one of the most charismatic and elusive stars of all time. Covering every aspect of all five movies (including unused casting suggestions, deleted scenes and alternate cuts) and loaded with rare advertising artwork, *Bronson's Loose!: The Making of the "Death Wish" Films* tells the compelling, untold story behind the most explosive action series in film history.

"An intriguing dark psychological thriller—truly brilliant" from the international bestselling author of *The Stepdaughter* (Lisa Jackson, #1 New York Times–bestselling author). When Kate receives a phone call with news that Rosie Anderson is missing, she's stunned and disturbed. Rosie is eighteen, the same age as Kate's daughter, and a beautiful, quiet, and kind young woman. Though the locals are optimistic—girls like Rosie don't get into real trouble—Kate's sense of foreboding is confirmed when Rosie is found fatally beaten and stabbed. Who would kill the perfect

daughter, from the perfect family? Yet the more Kate entwines herself with the Andersons—graceful mother Jo, renowned journalist father Neal, watchful younger sister Delphine—the more she is convinced that not everything is as it seems. Anonymous notes arrive, urging Kate to unravel the tangled threads of Rosie's life and death, though she has no idea where they will lead. Weaving flashbacks from Rosie's perspective into a tautly plotted narrative, *The Bones of You* is a gripping, haunting novel of sacrifices and lies, desperation and love. "Suspenseful and poignant debut . . . the increasingly tense storytelling and astute observations on mother-daughter relationships will keep readers turning the pages." —Publishers Weekly "Has been compared to Alice Sebold's *The Lovely Bones* . . . Indeed, Rosie's voice offers a dynamic narrative. Her disembodied perspective, tempered with other points of view—chiefly Kate's—adds an unusual and haunting layer to the novel." —Library Journal "A compelling debut." —Woman and Home "A s

"A conversation in Palermo with Leonardo Sciascia / Ian Thomson": p. [87]-133.

Galactic Zoo Dossier Cambridge University Press

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as

"the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

The Walking Dead: Rise of the Governor iEffe

Peter Brunette and David Wills extend the work of Jacques Derrida into a new realm—with rewarding consequences. Although Derrida has never addressed film theory directly in his writings, Brunette and Wills argue that the ideas he has developed in his critique of the logocentric foundations of Western thought, especially his notion of "Writing," can be usefully applied to film theory and analysis. They maintain that such an application might even begin to shift film from its traditional position within the visual arts to a new place in the media and information sciences. This book also supplies a fascinating introduction to Derrida for the general reader. The authors begin by explaining, in political terms, why film theorists have neglected Derrida's work. Next they offer a Derridean critique of the assumptions of contemporary film studies. Then, drawing on his recently translated *The Truth in Painting* as well as on other, relatively unknown texts such as *Droit de regards*, they discuss his ideas in relation to the cinema and present two film analyses—of Truffaut's *The Bride Wore Black* and of Lynch's *Blue Velvet*--that attempt to demonstrate the notion of an "anagrammatical," radical reading practice. Finally, they focus on Derrida's neglected book, *The Post Card*, and situate cinema in

terms of a new definition of the technological. Originally published in 1989. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Bedside Manners iEffe

A study of empathy from developmental, biological, clinical, social and historical perspectives, covering topics such as developmental changes and gender differences in empathy, the role of cognition in empathy, the socialization of empathy, its role in child abuse and the measurement of empathy.

Nora Cooper: Raccolta #2 Simon and Schuster

Combining an unforgettable story with haunting illustrations, "Mendel's Daughter" is a powerful graphic memoir depicting the dramatic escape of Martin Lemelman's mother from Nazi persecution in 1930s Poland. Illustrations and photos throughout. *I silenzi di Grant House* Simon and Schuster

After the sudden loss of her husband, Joe, Nora Cooper makes a startling discovery: shortly before his death, Joe secretly sold their newly purchased dream home on Martha's Vineyard, where the couple had planned to retire. Nora doesn't know what to think. As she searches for answers, she is tormented by grief and doubt--until she starts receiving mysterious and inexplicable messages in Scrabble letters, messages that Nora believes could

have been written only by Joe. Using a strength she didn't know she had, Nora follows these strange clues to discover the truth about Joe and their life together--and navigates the danger inherent in her new, special gift.

A Cry in the Shadows Editorial Albatros

Queer Italia gathers essays on Italian literature and film, medieval to modern. The volume's chronological organization reflects its intention to define a queer tradition in Italian culture. While fully cognizant of the theoretical risks inherent in trans-historicizing sexuality, the contributors to this volume share an interest in probing the multi-form dynamics of sexual desires in Italian texts through the centuries. The volume aims not to promote the mistaken notion of a single homosexuality through history. Rather, these essays together upset and undo the equally misguided assumption of an omnipresent heterosexuality through time by uncovering the various, complex workings of desire in texts from all periods. Somewhat paradoxically, a kind of queer canon results. These essays open a much-needed critical space in the Italian tradition wherein fixed definitions of sexual identity collapse. *Queer Italia* is the first and only work of its kind in Italian criticism. As such, it will be of interest to a wide audience of Italianists, medieval to modern, and queer cultural theorists.

Six Years in the Bush Bloomsbury Publishing

La speranza di ritrovare la sua bambina è un insensato canto delle sirene per Rebecca Grant. Un'ossessione che lei nasconde a tutti. Perché tutti sanno che la piccola Carol è morta. Rebecca Grant è una giovane ereditiera e una famosa pittrice. Ma la vita non è stata generosa con lei, perché le ha portato via gli affetti

più cari. E quando di notte comincia a sentire il pianto della sua bambina che la spinge a un folle girovagare nel bosco, per cercarla, tutto si confonde. Realtà. Immaginazione. Illusione. Pazzia. Grant House, la sua proprietà, confina con il cottage di Nora Cooper. Ed è proprio Nora - mentre l'amata Judith lotta tra la vita e la morte - a cercare di districare l'intricata matassa che coinvolge gli incubi di Rebecca, le indagini per l'aggressione di Judith e nuovi, inaspettati, messaggi dall'aldilà.

The Orphan's Tale Serpent's Tail

Stress at work is a priority issue of the European Agency of Safety and Health at Work. The report addresses the following issues and questions: the nature of stress at work; stress management strategies; does work stress affect health and well-being and, if so, how?; the implications of existing research for the management of work-related stress. This report examines the difficulties involved in placing work stress in the context of other life stress factors. It is stated that work stress is a current and future health and safety issue, and, as such, should be dealt with in the same logical and systematic way as other health and safety issues.

Bronson's Loose! Alfred Music Publishing

Winner of the 2011 Diamond Gem Award for Trade Book of the Year In the *Walking Dead* universe, there is no greater villain than The Governor. The despot who runs the walled-off town of Woodbury, he has his own sick sense of justice: whether it's forcing prisoners to battle zombies in an arena for the townspeople's amusement, or chopping off the appendages of those who cross him. The Governor was voted "Villain of the Year" by *Wizard* magazine the year he debuted, and his story arc

was the most controversial in the history of the Walking Dead comic book series. Now, for the first time, fans of The Walking Dead will discover how The Governor became the man he is, and what drove him to such extremes.
