My latest design incorporating the motif as the piece is made. These fingerless gloves are perfect for the cooler season. Knit flat on 2 needles with regular worsted weight yarn with single pointed knitting needles, any knitter with some basic knitting knowledge can easily knit up a pair of these ADULT size fingerless gloves. Don't know how to do a YO, twist or cable stitches? There are YouTube videos showing you exactly how to do it. Make yourself a beautiful pair of these fingerless gloves to keep off the cooler fall weather. A quick note on sizing. Like my other owl and spider

motif glove patterns, the sizes are adjusted by changing the size of the knitting needles. It gives a better overall look and maintains the proportion and placement of the design on the glove.

Knit in the round on double pointed needles (dpm) with regular worsted weight yarn, these can be made either long or short, whatever suits your style. The bows are made as you go and the knitting pattern includes photos to show you how to make them. A few quick words on sizing. Instead of going through all the

For this version of my knitted fingerless gloves, I'm doing something different. Instead of starting at the cuff, I'm starting at the fingers and working down to the cuff. This isn't an overly complicated pattern. In fact, it only uses very basic stitches and is great if you are looking for something that is quick to make. Or,

if you're a new knitter, looking for something slightly more challenging. As long as you know how to knit, purl and knit 2 stitches together, you'll be able to make these. And any parts that might trick you up, like casting on for the thumb, have a how-to video to help you along.
