#1 NEW YORK TIMES BESTSELLER • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music in “one of the great memoirs of our time” (Glennon Doyle, author of *Untamed*). **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE** • “The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*.”—Variety
 Brandi Carlile was born into a musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John’s “Honky Cat” in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two

children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church’s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.

Broken Horses Random House

Coyote is a dreamer and a drama queen, brazen and brave, faithful yet fiercely independent. She beats her own drum and sews her own crop tops. A gifted equestrian, she’s half dog, half coyote, and all power. With the help of her trusty steed, Red, there’s not much that’s too big for her to bite off, chew up, and spit out right into your face, if you deserve it. But when Coyote and Red find themselves on the run from a trio of vengeful bad dogs, get clobbered by arrows, and are tragically separated, our protagonist is left fighting for her life and longing for her displaced best friend. Taken in by a wolf clan, Coyote may be wounded, but it’s not long before she’s back on the open road to track down Red and tackle the dogs who wronged her. An homage to and a lampoon of Westerns like *Butch Cassidy and the Sundance Kid*, Lisa Hanawalt’s *Coyote Doggirl* is a self-aware, playful subversion of tropes. As our fallible hero attempts to understand the culture of the wolves, we see a journey in understanding and misunderstanding,

adopting and co-opting. Uncomfortable at times but nonetheless rewarding and empowering, the story of these flawed, anthropomorphized characters is nothing if not relentlessly hilarious and heartbreakingly human. Told in Hanawalt's technicolor absurdist style, *Coyote Doggirl* is not just a send-up of the Western genre but a deeply personal story told by an enormously talented cartoonist.

Java Methods American University in Cairo Press

The first-ever book-length history of Arab graphic design PROSE AWARD WINNER, ART HISTORY & CRITICISM Arab graphic design emerged in the early twentieth century out of a need to influence, and give expression to, the far-reaching economic, social, and political changes that were taking place in the Arab world at the time. But graphic design as a formally recognized genre of visual art only came into its own in the region in the twenty-first century and, to date, there has been no published study on the subject to speak of. *A History of Arab Graphic Design* traces the people and events that were integral to the shaping of a field of graphic design in the Arab world. Examining the work of over eighty key designers from Morocco to Iraq, and covering the period from pre-1900 to the end of the twentieth century, Bahia Shehab and Haytham Nawar chart the development of design in the region, beginning with Islamic art and Arabic calligraphy, and their impact on Arab visual culture, through to the digital revolution and the arrival of the Internet. They look at how cinema, economic prosperity, and political and cultural events gave birth to and shaped the founders of Arab graphic design. Highlighting the work of key designers and stunningly illustrated with over 600

color images, *A History of Arab Graphic Design* is an invaluable resource tool for graphic designers, one which, it is hoped, will place Arab visual culture and design on the map of a thriving international design discourse.

Under the Skylights Simon and Schuster Since Kate Beaton appeared on the comics scene in 2007 her cartoons have become fan favourites and gathered an enormous following, appearing in the *New Yorker*, *Harper* and the *LA Times*, to name but a few. Her website, *Hark! A Vagrant*, receives an average of 1.2 million hits a month, 500 thousand of them unique. Why? Because she's not just making silly jokes. She's making jokes about everything we learned in school, and more. Praised for their expression, intelligence and comic timing, her cartoons are best known for their wonderfully light touch on historical and literary topics. The jokes are a knowing look at history through a very modern perspective, written for every reader, and are a crusade against anyone with the idea that history is boring. It's pretty hard to argue with that when you're laughing your head off at a comic about Thucydides. They also cover whatever's on her mind that week - be it the perils of city living or the pop-cultural infiltration of *Sex and the City*, featuring an array of characters, from a mischievous pony, to reinvented superheroes, to a surly teen duo who could be the anti-Hardy-Boys. Perceptive, sharp and wonderfully irreverent, *Hark! A Vagrant* is as informative as it is hilarious, and a comic collection to treasure.

The Gift Horse Vintage

An inside look at the foundational sacred text of one of the world's youngest and fastest growing religions *The Book of Mormon* stands alongside the Bible as

the keystone of The Church of Jesus Christ of Latter-day Saints (LDS Church/Mormonism). Translated by the prophet Joseph Smith from ancient writings inscribed on golden plates, the Book of Mormon is an account of people living in the Western Hemisphere in a timeline that parallels that of the Bible. It covers a thousand years of loss, discovery, war, peace, and spiritual principles that focus on the teachings of Jesus Christ, outlining a plan for salvation and the responsibilities we must assume to attain it. The Book of Mormon: Selections Annotated & Explained explores this sacred epic that is cherished by more than twelve million members of the LDS church as the keystone of their faith. Probing the principal themes and historical foundation of this controversial and provocative narrative, Jana Riess focuses on key selections that offer insight into contemporary Mormon beliefs and scriptural emphases, such as the atonement of Christ, the nature of human freedom, the purpose of baptism, and the need for repentance from sin. She clarifies the religious, political, and historical events that take place in the ancient communities of the Book of Mormon and their underlying contemporary teachings that serve as the framework for spiritual practices that lie at the core of Mormon life. Now you can experience this foundational sacred text even if you have no previous knowledge of Mormonism. This SkyLight Illuminations edition presents the key teachings and essential concepts of the Mormon faith tradition with insightful yet unobtrusive commentary that helps to dispel many of the misconceptions that have surrounded the Book of Mormon since its publication in 1830.

Simone Weil Disney Editions

A seductive maelstrom of a debut, largely inspired during eight years of eavesdropping in New Orleans.

The Voyeurs ReadHowYouWant

This expansive, must-have coffee table book paints a robust portrait of the Walt Disney World Resort, across half a century, through diverse and vibrant voices and mostly unseen Disney theme park concept art and photographs. Walt Disney's vision for the Florida Project begins with Disneyland and the 1964-1965 New York World's Fair. After an imaginative and expansive design, a unique land acquisition process, and an innovative construction period, the Walt Disney World Resort celebrated its Grand Opening in October 1971. It featured a theme park dubbed the Magic Kingdom and three recreational resorts: Disney's Contemporary Resort, Disney's Polynesian Village, and Disney's Fort Wilderness Resort & Campground. As Walt Disney World consistently grew and further evolved through the five decades that followed, certain themes reverberated: an appreciation for nostalgia, a joy for fantasy, a hunger for discovery, and an unending hope for a better tomorrow. Inspirational and memorable theme parks, water parks, sports arenas, recreational water sports, world-class golf courses, vast shopping villages, and a transportation network unlike any other in the world resulted in fun, festive, and familiar characters, traditions, spectacles, merchandise, and so much more. The resort has come to represent the pulse of American leisure and has served as a backdrop for life's milestones both big and small, public and private. Walt Disney World: A Portrait of the First Half Century serves as a treasure trove for vacationers, students of hospitality, artists, and all Disney collectors. Searching for that

"One of the best things going in auto-bio inflected comics these days." -- Art Spiegelman, *Maus*

The Skylight Skylight

You know him from his breakout role as Hank Kingsley on *The Larry Sanders Show*, his outrageous turn as George and Oscar Bluth on *Arrested Development*, and his Emmy Award-winning performance as Maura Pfefferman on *Transparent*. A Broadway star, a television legend, an accomplished screen actor whose singular wit and heartrending performances have been entertaining audiences for more than four decades, but the question remains: Who the hell is Jeffrey Tambor? In his illuminating, often hilarious, and always honest memoir, Tambor looks back at the key moments in his life that taught him about creativity and play and pain and fear. The son of what you might call "eccentric" Russian and Hungarian Jewish parents, Tambor grew up in San Francisco a husy kid with a lisp, who suffered in his "otherness" and found

salvation in the theater. While he learned his art from the best of the best—Al Pacino, George C. Scott, Garry Shandling, Mitch Hurwitz, Jill Soloway—he also introduces his many unexpected teachers, from the nameless man in a Detroit bookstore who gave him the love of reading, to his young children who (at this ridiculously late stage in his life) have reintroduced him to play, bravery, and the simple joy of not giving a shit. Tambor shares the triumph of landing his first Broadway role, but not before experiencing the humbling that is commercial work (and how even saying "my socks don't cling" can prove a challenge). He invites you behind the scenes of his wildly successful television shows, but he doesn't leave out the pit stops he made at addiction, Scientology, and what it feels like to get fourth billing after Sylvia the Seal on *The Love Boat*. At last, Tambor answers the question "Are you anybody?" with a promise that success doesn't mean perfection and failure most definitely is an option.

Illustoria: Issue #9: Food Crown

Since her mum died, Olivia hasn't felt right. Sometimes she can't breathe properly and she feels funny inside. When she is out on the farm with her dad and brother or tucked up under her blankets things don't seem so bad, but everywhere else she feels like she doesn't fit in. When Dad brings home a horse that's been through its own trauma, together Olivia and Amigo grow to trust each other and forge a path through their own grief and anger.

The History of EC Comics Capstone

For three decades, Robert Coles has followed Eliot's invitation. He has studied and reflected upon Simone Weil - as writer, social critic, radical, and mystic - and upon the enigmas of her strange,

brief life.

The Weight of a Piano SkyLight Paths Publishing

They can't see her, but she can see them... Simone has a secret. She likes to stand at her bathroom window and spy on the couple downstairs through their kitchen skylight. She knows what they eat for breakfast and who they've got over for dinner. She knows what mood they're in before they even step out the door. There's nothing wrong with looking, is there? Until one day Simone sees something through the skylight she is not expecting. Something that upsets her so much she begins to plot a terrible crime... From the author of *Our House*, the British Book Awards Crime & Thriller of the Year

Bauhaus Undead All Seasons Press

Introduction --Part 1.Divest : End the occupation --Part 2.Heal our bodies : Reinvest in our common humanity --Part 3 .Heal our planet: Reinvest in our common future --Our words are powerful, our knowledge is inevitable.

Coyote Doggirl Addison Wesley Publishing Company

A LOS ANGELES TIMES BESTSELLER. NAMED A BEST CALIFORNIA BOOKS OF 2021 BY THE NEW YORK TIMES A provocative, exhilaratingly new understanding of the United States' most confounding metropolis—not just a great city, but a full-blown modern city-state. America is obsessed with Los Angeles. And America has been thinking about

Los Angeles all wrong, for decades, on repeat. Los Angeles is not just the place where the American dream hits the Pacific. (It has its own dreams.) Not just the vanishing point of America's western drive. (It has its own compass.)

Functionally, aesthetically, mythologically, even technologically, an independent territory, defined less by distinct borders than by an aura of autonomy and a sense of unfurling destiny—this is the city-state of Los Angeles. Deeply reported and researched, provocatively argued, and eloquently written, Rosecrans Baldwin's *Everything Now* approaches the metropolis from unexpected angles, nimbly interleaving his own voice with a chorus of others, from canonical L.A. literature to everyday citizens. Here, Octavia E. Butler and Joan Didion are in conversation with activists and astronauts, vampires and veterans. Baldwin records the stories of countless Angelenos, discovering people both upended and reborn: by disasters natural and economic, following gospels of wealth or self-help or personal destiny. The result is a story of a kaleidoscopic, vibrant nation unto itself—vastly more than its many, many parts. Baldwin's concept of the city-state allows us, finally, to grasp a place—Los Angeles—whose idiosyncrasies both magnify those of America, and are so fully its own. Here, space and time don't quite work the same as they do elsewhere, and contradictions are as stark as southern California's natural environment. Perhaps no better place exists to watch the United States's past, and its possible futures, play themselves out. Welcome to Los Angeles, the Great American City-State.

Stitched & Sewn Damiani Limited

A child survivor of the Holocaust, Trudie

Strobel settled in California, raising a family and never discussing the horrors she witnessed. After her children grew up, the trauma of her youth caught up with her, triggering a paralyzing depression. A therapist suggested that Trudie attempt to draw the memories that haunted her, and she did--but with needle and thread instead of a pencil. Resurrecting the Yemenite stitches of her ancestors, and using the skills taught by her mother, whose master seamstress talent saved their lives in the camps, Trudie began by stitching vast tableaux of her dark and personal memories of the Holocaust. What began as therapy exploded into works of breathtaking art, from narrative tapestries of Jewish history rendered in exacting detail to portraits of remarkable likeness, and many of her works are now in public and private collections.

InStitched & Sewn, Jody Savin tells the dramatic story of how a needle and thread saved Trudie Strobel's life twice, and Ann Elliott Cutting's photographs showcase Trudie's remarkable works of art. With a foreword by Michael Berenbaum, author of eighteen books, co-founder of the United States Holocaust Memorial Museum, and co-producer of the Academy Award-winning documentary *One Survivor Remembers*.

The Doloriad *Illustoria Magazine*
This food-themed issue features recipes for grapefruit, appreciations of potato chips, guides to the diets of literary giants, contributions by Tunde Olaniran, Mar Hernandez, Chef Tamearra Dyson, Brian McMullen, Hein Koh, and more. "Illustoria" is the beloved print magazine for creative kids and their grownups. We celebrate visual storytelling, makers and DIY culture through stories, art, comics, interviews, crafts and activities.

Everything Now Copper Canyon Press

The New York Times–bestselling author of *Bad Feminist* shares a collection of stories about hardscrabble lives, passionate loves and vexed human connection. The women in these stories live lives of privilege and of poverty, are in marriages both loving and haunted by past crimes or emotional blackmail. A pair of sisters, grown now, have been inseparable ever since they were abducted together as children, and must negotiate the elder sister's marriage. A woman married to a twin pretends not to realize when her husband and his brother impersonate each other. A stripper putting herself through college fends off the advances of an overzealous customer. A black engineer moves to Upper Michigan for a job and faces the malign curiosity of her colleagues and the difficulty of leaving her past behind. From a girls' fight club to a wealthy subdivision in Florida where neighbors conform, compete, and spy on each other, Roxanne Gay delivers a wry, beautiful, haunting vision of modern America with her "signature wry wit and piercing psychological depth" (*Harper's Bazaar*).

Zinnia and the Bees Faber & Faber
Published for the very first time, an early novel by Nobel Laureate and literary master José Saramago that tells the intertwined stories of the residents of a faded Lisbon apartment building in the late 1940s.

The Red Deal Featherproof Books
USA TODAY BESTSELLER In 1962, in the Soviet Union, eight-year-old Katya is bequeathed what will become the love of her life: a Blüthner piano, on which she discovers an enriching passion for music. Yet after she marries, her husband insists the family emigrate to America—and loses her piano in the process. In 2012, in Bakersfield,

California, twenty-six-year-old Clara Lundy is burdened by the last gift her father gave her before he and her mother died in a terrible house fire: a Blüthner upright she has never learned to play. Now a talented and independent auto mechanic, Clara's career is put on

hold when she breaks her hand trying to move the piano, and in sudden frustration she decides to sell it. Only in discovering the identity of the buyer—and the secret history of her piano—will Clara be set free to live the life of her choosing.
