Fallen Open Road Media A piercing, unforgettable love story set in Greenwood, Oklahoma, also known as the “Black Wall Street,” and against the Tulsa Race Massacre of 1921. Isaiah Wilson is, on the surface, a town troublemaker, but is hiding that he is an avid reader and secret poet, never leaving home without his journal. Angel Hill is a loner, mostly disregarded by her peers as a goody-goody. Her father is dying, and her family’s financial situation is in turmoil. Though they’ve attended the same schools, Isaiah never noticed Angel as anything but a dorky, Bible toting church girl. Then their English teacher offers them a job on her mobile library, a three-wheel, two-seater bike. Angel can’t turn down the money and Isaiah is soon eager to be in such close quarters with Angel every afternoon. But life changes on May 31, 1921 when a vicious white mob storms the Black community of Greenwood, leaving the town destroyed and thousands of residents displaced. Only then, Isaiah, Angel, and their peers realize who their real enemies

are. *Eternity* Open Road Media "A spellbinding novel of murder, mystery, and the occult, *Falling Angel* pits a tough New York private eye against the most fearsome adversary a detective ever faced. Angel Falling Darcy O'Neil

After narrowly surviving his last operation, Gabriel Allon, the wayward son of Israeli intelligence, has taken refuge behind the walls of the Vatican, where he is restoring one of Caravaggio's greatest masterpieces. But early one morning he is summoned to St. Peter's Basilica by Monsignor Luigi Donati, the all-powerful private secretary to His Holiness Pope Paul VII. The body of a beautiful woman lies broken beneath Michelangelo's magnificent dome. The Vatican police suspect suicide, though Gabriel believes otherwise. So, it seems, does Donati. But the monsignor is fearful that a public inquiry might inflict another scandal on the Church, and so he calls upon Gabriel to quietly pursue the truth—with one caveat. "Rule number one at the Vatican," Donati said. "Don't ask too many questions." Gabriel learns that the dead woman had uncovered a dangerous

secret—a secret that threatens a global criminal enterprise that is looting timeless treasures of antiquity and selling them to the highest bidder. But there is more to this network than just greed. A mysterious operative is plotting an act of sabotage that will plunge the world into a conflict of apocalyptic proportions. . . . An intoxicating blend of art, intrigue, and history, *The Fallen Angel* moves swiftly from the cloistered chambers of the Vatican to the glamorous ski slopes of St. Moritz to the graceful avenues of Berlin and Vienna—and, finally, to a shocking climax beneath the world's most sacred and contested parcel of land. Each setting in this extraordinary novel is rendered with the care of an Old Master, as are the spies, lovers, priests, and thieves who inhabit its pages. It is a story of faith and of the destructive power of secrets—and an all too timely reminder that those who cannot remember the past are condemned to repeat it.

Independently Published
Voted the most popular Italian sportsman of the twentieth century, Fausto Angelo Coppi was the

championissimo - champion of champions. The greatest cyclist of the immediate post-war years, he was the first man to win cycling's great double, the Tour de France and Tour of Italy in the same year - and he did it twice. He achieved mythical status for his crushing solo victories, world titles and world records. But his significance extends far beyond his sport. Coppi's scandalous divorce and controversial early death convulsed a conservative, staunchly Roman Catholic Italy in the 1950s. At a time when adultery was still illegal, Coppi and his lover were dragged from their bed in the middle of the night, excommunicated and forced to face a clamorous legal battle. The ramifications of this case are still being felt today. In *Fallen Angel*, acclaimed cycling biographer, William Fotheringham, tells the tragic story of Coppi's life and death - of how a man who became the symbol of a nation's rebirth after the disasters of war died reviled and heartbroken. Told with insight and intelligence, this is a unique portrait of Italy and Italian sport at a time of tumultuous change.
