### **The Dream-Quest of**

**Vellitt Boe** Putnam

Publishing Group

A hypnotic, brutal, and  
unstoppable coming-of-  
age story echoing from

within the aftershocks  
set off by the American  
Indian boarding  
schools of generations  
past, fanned by the  
flames of nearly fifteen  
years of service in the  
Armed Forces,  
exposing a series of  
inescapable prisons  
and the invisible scars  
of attempted erasure.

When he learns his father is dying, David Tromblay ponders what will become of the monster's legacy and picks up a pen to set the story straight. In sharp and unflinching prose, he recounts his childhood bouncing between his father, who wrestles with anger, alcoholism, and a traumatic brain injury; his grandmother, who survived Indian boarding schools but mistook the corporal punishment she endured for proper child-rearing; and his mother, a part-time waitress, dancer, and locksmith, who hides from David's father in church basements and the folded-down back seat of her car until winter forces her to abandon her son on his grandmother's

doorstep. For twelve years, he is beaten, burned, humiliated, locked in closets, lied to, molested, seen and not heard, until his talent for brutal violence meets and exceeds his father's, granting him an escape. Years later, David confronts the compounded traumas of his childhood, searching for the domino that fell and forced his family into the cycle of brutality and denial of their own identity.

is no mere kiss, but an

But what does it take to tempt today's savvy girls? *Spicy Little Curses*: A demon and the ambassador to Hell tussle over the soul of a beautiful English girl in India. Matters become complicated when she falls in love and decides to test her curse.

Little, Brown Books for Young Readers

Two worlds threaten to crumble in the face of a common enemy in the epic conclusion to the New York Times bestselling *Daughter of Smoke & Bone* trilogy - - now with a gorgeous

new package! What power can bruise the sky? Two worlds are poised on the brink of a vicious war. By way of a staggering deception, Karou has taken control of the chimaera's rebellion and is intent on steering its course away from dead-end vengeance. The future rests on her. When the brutal angel emperor brings his army to the human world, Karou and Akiva are finally reunited -- not in love, but in tentative alliance against their common enemy. It is a twisted version of their long-ago dream, and they begin to hope that it might forge a way forward for their people. And, perhaps, for themselves. But with even bigger threats on the horizon, are Karou and Akiva

strong enough to stand among the gods and monsters? The New York Times bestselling Daughter of Smoke & Bone trilogy comes to a stunning conclusion as -- from the streets of Rome to the caves of the Kirin and beyond -- humans, chimaera, and seraphim strive, love, and die in an epic theater that transcends good and evil, right and wrong, friend and enemy.

Understanding the Dreams You Dream: Biblical Keys for Hearing God's Voice in the Night not only

provides insight into your dreams and life, but also includes a comprehensive dictionary of dream symbols! You will be guided through the complex world of dreams by a minister with decades of experience receiving, understanding, and interpreting dreams of his own and for others. I have received many helpful messages from God through dreams. In addition to being helped through my own dreams, I have seen many other people obtain help and comfort by using their dreams as an aid to healing in pastoral counseling. -Ira Milligan

Through Scripture-based meditation, much can be understood about your dreams, but many Christians don't know

how to meditate. This problem is addressed in three different ways:

- Specific, detailed directions are given on how and upon what to meditate.
- Personal examples of dreams from the author's own experiences.
- Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. You will learn that to apply only one type of dream interpretation to all dreams is restricting each symbol to only one possible definition, which is incorrect. And you will learn how to tell the difference between a dream from God—and those from evil sources.

*Days of Blood & Starlight* Delacorte Press

From the author of

"Low" and "Ashley's Tale" a new cosmic horror novel. We have made a grave error in vigilance, brothers. The dark comet has drawn near. The cultists have selected a vessel. He dreams of the hidden place, where the Gods Sleep, banished there by our Lord. After centuries of inactivity, Korrobathith and his followers are attempting, once more, to open the gate. We must move with haste if we hope to stop them. You know the consequences of failure. Korrobbothith and the other gods will walk this earth again, and I fear, this time, they will not remain in the shadows. None of us - man, woman, or child - will find refuge from their barbaric reign unless we submit and serve them. God

help us all if we are too late.

Sparks Rise (The Darkest Minds, Book 2.5) Little, Brown Books for Young Readers

This is not a story about a hero, or some bad boy-badass-antihero. This is a love story of two monstrous villains and one valiant kid, held together by their entwined heartstrings. It won't be pretty. It won't be pleasant. There's no fluffy good feelings about it. It will rip out your heart and never give it back. Breno Hades el Oscuro was never a man that took bullshit from anyone. He ruled the crime world of the United States. But the King fell. What was left in the ashes was not the small boy that grew up without his father, not

the same kid that chose a life of crime at seventeen, or for that matter the King that clawed through a river of blood to stand at the top. When the King was dragged from his throne of bones into deep dark pit, it was only the raw flesh of a savage monster that remained and crawled out of Hell. One that knew love, but didn't want it again. Kemono Orochi was the one destined to inherit the legacy of his father, known as The Dragon's Tongue. He never wanted it, never desired the power that went along with the title of Dragon. Kemono ended it all by tearing off the Dragon's head and watching the serpent's remains go up in hellfire. Now tormented by the scars of his past

and those inflicted by his father, he is struggling to come to terms with the Akuma he has become. One that wants to devour everyone in his path to get the only one that matters to him. The only person that had ever made his icy heart beat. His heart. His love. His beautiful pride. Rex Hunter had a dream to become the principal ballerino...all fierce like a Phoenix. But this Phoenix has lost his wings and fell into the clutched claws and callus hands of two vicious beasts with the blackest of hearts. Where he would be kept safe, cherished and be loved unconditionally. Or was Rex just destined to be the goo that would stick two shattered souls together and prevent them from

forever falling to pieces? There's going to be blood, gore and nasty shit. There's going to be watersports, crude, angry, sometimes sensual and other times just down right dirty and dysfunctional sex. BUT... There will always be LOVE.

Because even villains understand the tortured scars love leaves in her wake.

Myths and legendary tales from around the world are packed with gigantic rivalries; gods, monsters and giants compete for supremacy over the land, the creatures within and the universe beyond. Zeus clashes with the all-powerful Typhon, Odin is destined to face the great wolf Fenrir during Ragnarok. And yet monsters such as the Minotaur, and giants of all kinds, dragons even, are monsters only to those too fearful to understand them, while others

such as the Sirens, or the weird sisters, are malevolent without remorse. Such mythical gods and their foes, make great adventures for the modern reader tracing the roots of The Game of Thrones, Lord of the Rings and The Witcher, where good and evil are morphed into real avatars and creatures of vivid imagination. In these pages you'll find the gods of the heavens and mountains, and the spirits and demons of the deep sea, the dark woods and the burning sands. That is, until she gets a call that her daughter, Eden, who has been in a coma for nearly a decade, has gone missing from the estate where she’s been long tucked away.
