Minnesota Press  
Dekker's  
groundbreaking Circle  
trilogy continues.  
Thomas Hunter finds  
himself in a desperate  
quest to rescue two  
worlds from collapse.  
In one world, he's a

battle-scarred general  
commanding an army  
of primitive warriors. In  
the other, he's racing  
to outwit sadistic  
terrorists intent on  
creating global chaos  
through an  
unstoppable virus.  
**The Shadow of the  
Strongman** Plaza y  
Valdes  
How colonial mapping  
traditions were  
combined with  
practices of

nineteenth-century visual culture in the first maps of independent Mexico, particularly in those created by the respected cartographer Antonio Garc&ía Cubas.

*El Libro Rojo, 1520-1867* Univ of California Press  
 "El libro rojo de la independencía presenta una selecciónde siete ensayos escritos por Vicente Riva Palacio y Manuel Payno, en los que se narran las acciones y sacrificios de siete héroes nacionales en su lucha por la libertad de México: Hidalgo, Allende, el padre Matamoros, Morelos, Iturbide, Mina y Guerrero. En un estilo altamente literario y llamativo, estos extractos de El libro rojo funcionan como un

acercamiento fresco a figuras consideradas héroes nacionales."--  
**El libro rojo, 1520-1867** Vanderbilt University Press  
 No book until now has tied in two centuries of Mexican serial narratives—tales of glory, of fame, and of epic characters, grounded in oral folklore—with their subsequent retelling in comics, radio, and television soap operas. Wright's multidisciplinary *Serial Mexico* delves into this storytelling tradition: examining the nostalgic tales reimagined in novelas, radionovelas, telenovelas and onwards, and examining the foundational figures who have been woven into society. This panorama shows the

Mexican experience of storytelling from the country's early days until now, showcasing protagonists that mock authority, make light of hierarchy, and embrace the hybridity and mestizaje of Mexico. These tales reflect on and respond to crucial cultural concerns such as family, patriarchy, gender roles, racial mixing, urbanization, modernization, and political idealism. Serial Mexico thus examines how serialized storytelling's melodrama and sensationalism reveals key political and cultural messaging. In a detailed yet accessible style, Wright describes how these stories have continued to morph with current times' concerns and social media. Will

tropes and traditions carry on in new and reimagined serial storytelling forms? Only time will tell. Stay tuned for the next episode.

El libro rojo Fondo de Cultura Economica USA An evocative history of colonial Mexico's 'crime of the century' and its lasting impact on the new Mexican nation in the nineteenth century.

**México** Fondo de Cultura Economica USA Secuela de lo que fue, en palabras de Jos Luis Martnez, una de las grandes empresas editoriales del siglo XIX mexicano, esta obra abunda en la tradicin del ejercicio de la prosa que vincula los discursos historiogrfo, literario y periodstico, en su interpretacin paralela sustentada en la

imagen y, sobre todo, en el tratamiento de la sangre como leitmotiv. A manera de continuacin de El libro rojo publicado en 1870, historiadores, cronistas, narradores y artistas visuales compendian, en una serie de tres volmenes, una suerte de antologa abreviada, por su horizonte inabarcable, de crmenes ocurridos en nuestro pas entre 1868 y 2008. En el prlogo, el escritor y dramaturgo Vicente Leero apunta: Parece descabellado proferirlo de sopetn, pero a travs del recuento de crmenes y asesinatos tanto de los clsicos individuales como de los colectivos que nos sacuden por oleadas es posible narrar una crnica del pas. Escribirla como un libro de texto que nos

enchina la piel mientras nos hace abrir los ojos a la funesta realidad. *The 1624 Tumult of Mexico in Perspective (c. 1620-1650)* UNAM El libro rojo, 1520-1867El Libro Rojo, 1520-1867LA CASE Books Performing Conquest Cambridge University Press El libro rojo —escrito y publicado por Manuel Payno y Vicente Riva Palacio en 1870— comienza con una recreación de los sucesos que rodearon a la caída del Imperio Azteca en tiempos de Moctezuma II: el cometa que se divisó en 1514 en el Valle de Anáhuac y por el que fueron ejecutados varios sacerdotes al negarse a revelar su catastrófico significado, la llegada

de Cortés a Tenochtitlan, la forma en que Moctezuma es tomado prisionero, la matanza que cometen los soldados de Pedro de Alvarado en el atrio del Templo Mayor, la ejecución del emperador mexica y los momentos previos a la llamada «Noche Triste». Luego se cuenta el enfrentamiento fallido de Xicoténcatl contra los soldados de Cortés, y cómo el guerrero tlaxcalteca muere ahorcado por su propio ejército. Los pasajes relacionados con la Conquista finalizan con las secuelas que dejó la epidemia de viruela y la suerte que corrieron los últimos tres reyes de la otrora «región más transparente del aire». El resto del libro habla sobre las víctimas de

las guerras de Independencia y de Reforma, a las que se añaden las semblanzas dedicadas a Leandro Valle, Santos Degollado y Nicolás Romero, escritas por Juan A. Mateos, con quien Riva Palacio escribió varias obras dramáticas. Hay que destacar que los autores, en su afán de ser incluyentes, dejaron que el último capítulo —dedicado al fusilamiento de Maximiliano de Habsburgo—, fuera escrito por Rafael Martínez de la Torre, uno de sus abogados defensores.

An unprecedented reading of Mexican history through the lens of performance **El libro rojo, 1520-1867** University of Michigan Press Vicente Riva Palacio y Manuel Payno crearon uno de los documentos fundamentales de la historia novelada mexicana: El libro rojo (1870). A ms de ciento treinta aos, El libro rojo, continuacin, se propone volver al ejercicio respetando su sentido original. Cerca

de trescientos autores compendian una suerte de antología abreviada de crónicas ocurridos en nuestro país entre 1868 y 2008 acompañada de imágenes elaboradas expresamente para esta obra. El presente volumen - segundo de cinco - abarca los años de 1959 hasta 1979.

A searing novel of the post-1910 Mexican revolutionary era that itself challenged the Mexican political establishment, Guzmán's *The Shadow of the Strongman* (*La Sombra del Caudillo*) stands beside Azuela's *The Underdogs* (*Los de abajo*) in the pantheon of Mexican fiction. Unmasking the years of political intrigue and assassination that

followed the Revolution, the novel was adapted in the 1960 film *La Sombra del Caudillo*, which was banned in Mexico for thirty years.

In Mexico, as elsewhere, the national space, that network of places where the people interact with state institutions, is constantly changing. How it does so, how it develops, is a historical process - a process that Claudio Lomnitz exposes and investigates in this book, which develops a distinct view of the cultural politics of nation building in Mexico. Lomnitz

highlights the varied, evolving, and often conflicting efforts that have been made by Mexicans over the past two centuries to imagine, organize, represent, and know their country, its relations with the wider world, and its internal differences and inequalities. Firmly based on particulars and committed to the specificity of such thinking, this book also has broad implications for how a theoretically informed history can and should be done. An exploration of Mexican national space by way of an analysis of nationalism, the public sphere, and knowledge production, *Deep Mexico, Silent Mexico* brings an original perspective to the dynamics of national cultural production on

the periphery. Its blending of theoretical innovation, historical inquiry, and critical engagement provides a new model for the writing of history and anthropology in contemporary Mexico and beyond. *Public Worlds Series, volume 9*

*The 1624 Tumult of Mexico in Perspective* proves that, despite the various conflicts underlying the disturbances in New Spain between circa 1620 and 1650, there was no intention to do away with the authority of the king.  
*The Jewish Encyclopedia* LA CASE Books  
*Empires, Nations, and Natives* is a groundbreaking

comparative analysis of the interplay between the practice of anthropology and the politics of empires and nation-states in the colonial and postcolonial worlds. It brings together essays that demonstrate how the production of social-science knowledge about the “other” has been inextricably linked to the crafting of government policies. Subverting established boundaries between national and imperial anthropologies, the contributors explore the role of anthropology in the shifting categorizations of race in southern Africa, the identification of Indians in Brazil, the implementation of development plans in Africa and Latin

America, the construction of Mexican and Portuguese nationalism, the genesis of “national character” studies in the United States during World War II, the modernizing efforts of the French colonial administration in Africa, and postcolonial architecture. The contributors—social and cultural anthropologists from the Americas and Europe—report on both historical and contemporary processes. Moving beyond controversies that cast the relationship between scholarship and politics in binary terms of complicity or autonomy, they bring into focus a dynamic process in which states, anthropological

knowledge, and population groups themselves are mutually constructed. Such a reflexive endeavor is an essential contribution to a critical anthropological understanding of a changing world. Contributors: Alban Bensa, Marcio Goldman, Adam Kuper, Benoît de L'Estoile, Claudio Lomnitz, David Mills, Federico Neiburg, João Pacheco de Oliveira, Jorge Pantaleón, Omar Ribeiro Thomaz, Lygia Sigaud, Antonio Carlos de Souza Lima, Florence Weber  
**Empires, Nations,**

**and Natives** Hackett Publishing  
 Cuarta parte de la continuación ideada por Gerardo Villadelángel del libro El libro rojo, publicado originalmente en 1870, que se dedicó a narrar los hechos cruentos de la historia de México. Esta nueva entrega se centra en la última década del siglo XX y sigue con la descripción de asesinatos, corrupción o acontecimientos extraños; sin embargo en esta ocasión con un nuevo protagonista: el narcotráfico.
